

The Final Countdown – The Jewish People

Part 1

What I'm about to share with you is true story. I'm not making it up!

This really happened. Here goes.

“There was man working on his motorcycle on his patio and his wife was in the kitchen. And the man was racing the engine on the motorcycle when it accidentally slipped into gear. The man, still holding on to the handlebars, was dragged through the glass patio doors onto the floor inside the house.

The wife, hearing the crash, ran into the dining room and found her husband laying on the floor, cut and bleeding, the motorcycle laying next to him and the shattered patio door. So the wife ran to the phone and summoned an ambulance.

Because they lived on a fairly large hill, the wife went down the several flights of stairs to the street to escort the paramedics to her husband. After the ambulance arrived and transported the man to the hospital, the wife placed the motorcycle upright and pushed it outside.

Well, seeing that gas was spilled on the floor, the wife got some paper towels, blotted up the gasoline, and threw the towels in the toilet. The husband was treated at the hospital and released to come home.

Upon arriving at home, he looked at the shattered patio door and the damage done to his motorcycle and he became despondent. So he went to the bathroom, sat down on the toilet and smoked a cigarette.

After finishing the cigarette, he flipped it into the toilet bowl while still seated. The wife, who was in the kitchen, heard the loud explosion and her husband screaming. So she ran into the bathroom and found her husband lying on the floor.

His trousers had been blown away and he was suffering burns on his hindquarters and the back of his legs. So the wife again ran to the phone to call the ambulance.

The very same paramedic crew was dispatched and the wife met them at the street. The paramedics loaded the husband on the stretcher and began carrying him to the street.

While they were going down the stairs to the street accompanied by the wife, one of the paramedics asked the wife how the husband had burned himself. She told them and the paramedics started laughing so hard, they slipped and tipped the stretcher, dumping the husband out.

That's right, he fell down the remaining stairs and broke his arm, all in one day."

Now folks, how many of you would say that's a pretty bad day, you know what I'm saying? But that's right folks, believe it or not, I think I've actually discovered a day that's even worse than that one! It goes something like this. It's when you wake up one morning only to realize that you're family has totally disappeared. Then you run to turn on your TV to see what's happening and there you watch a special worldwide news report declaring that millions of people all over the planet are missing. Then, you suddenly see your loved ones Bible sitting on the coffee table and it suddenly dawns on you that your family was right after all when they kept telling you about the rapture of the Church. Then to your horror, you realize that **you've been left behind** and have been catapulted into the 7-year Tribulation that's coming upon the whole world. And for those of you who may not know, the time of the Tribulation is not a party. It's an outpouring of God's wrath on a wicked and rebellious planet. In fact Jesus said in

Matthew 24 that it would be a “time of greater horror than anything the world has ever seen or will ever see again.” And that “unless that time of calamity was shortened, the entire human race would be destroyed!”

But praise God, God’s not only a God of wrath, He’s a God of love as well. And **because He loves you and I**, He’s given us many warning signs to wake us up so we’d know when the Tribulation is near and His Second Coming was rapidly approaching. Therefore, to keep you and I from experiencing the ultimate bad day of being left behind, we’re going to begin a new series called **The Final Countdown**. And what we’re going to do is look at **ten signs** given by God to lovingly wake us up people, so we’d give our lives to Him before it’s too late. And there’s no time to waste, so let’s get started.

The **tenth** sign on **The Final Countdown** is none other than **The Jewish People**. People, one of the first and foremost important prophetic events on God’s end time calendar is concerning the Jewish people. In short, if you want to know how close we are to the end, pay attention to the Jewish people. **Why?** Because from God’s viewpoint, Jerusalem is the **center** of the earth! Think about it! This is where the **line** of the Messiah started! King David ruled from there. This is where **Jesus** (the actual Messiah) **died on a cross**. This is where the **End Times culminate** with the Battle of

Armageddon outside of Jerusalem. This is where Jesus **returns** at His Second Coming. And this is where Jesus **reigns** after His Second Coming. It's all in Jerusalem! Therefore, if you want to know how close we are to the end, you've got to pay attention to Jerusalem and the Jewish people, right?

And that's why the Lord prophesied specific events, in **minute detail**, that would happen to the Jewish people alone, giving us a clear indication as to when **we really are living** in the last days. So just what are these specific prophecies being fulfilled today concerning **The Jewish People** showing us just how close we really are to the last days? Well, I'm glad you asked.

The **first End Time Prophecy** concerning **The Jewish People** is that **Israel Would Return To The Land**. But don't take my word for it. Let's listen to God's.

Isaiah 43:1-6 "But now, this is what the LORD says – He Who created you, O Jacob, He Who formed you, O Israel: "Fear not, for I have redeemed you; I have summoned you by name; you are Mine. When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned; the flames will not set you ablaze. For I am the LORD, your God, the Holy One of Israel, your Savior; I give Egypt for your ransom, Cush and Seba in your stead.

Since you are precious and honored in my sight, and because I love you, I will give men in exchange for you, and people in exchange for your life. Do not be afraid, for I am with you; I will bring your children from the east and gather you from the west. I will say to the north, 'Give them up!' and to the south, 'Do not hold them back.' Bring my sons from afar and my daughters from the ends of the earth."

Now folks, ever since the destruction of the Jewish Temple in 70 AD, the Jewish people have been scattered all over the earth. But during the past century alone, millions of Jews have returned to Israel fulfilling this very prophecy. In fact, just like the Bible said, they not only came specifically from the east, the west, the north and the south, but they came **in that exact order!** First from the **East**, in the **early 1900's** when many of the Jews living in the Middle East moved to Israel. Then from the **West**, during **mid-1900's**, hundreds of thousands of Jews living in the West (Europe and the United States) began moving to Israel. Then from the **North**, during the **1980's**, Russia finally began to allow hundreds of thousands of Jews to return to Israel. And next from the **South**, Israel struck a deal with Ethiopia's communist government. And on the weekend of **May 25, 1991**, 14,500 Ethiopian Jews were airlifted to Israel. And now, more Jews are returning to Israel every single year from all over the world. First from the East, West, North, and South. Just like the Bible said they would! When? In the last days!

The **second End Time Prophecy** concerning **The Jewish People** is that **Israel Would Become A Nation Again.**

Isaiah 11:11-12 “In that day the Lord will bring back a remnant of his people for the second time, returning them to the land of Israel from Assyria, Lower Egypt, Upper Egypt, Ethiopia, Elam, Babylonia, Hamath, and all the distant coastlands. He will raise a flag among the nations for Israel to rally

around. He will gather the scattered people of Judah from the ends of the earth.”

People, ever since 721 BC approximately fourteen different peoples have possessed the land of Israel. Yet as we saw, the Bible specifically said that the nation of Israel would one day be reborn. One day they would regain their independence. And can anyone guess what happened on May 14, 1948? That’s right! After waiting centuries and centuries, the people who were scattered all over the world, not only returned to the land, but they also **became a nation** again! From out of nowhere and against all odds, Israel was reborn. And in 1967 the Jewish people even recaptured the city of Jerusalem. Just like the Bible said they would! When? In the last days!

The **third End Time Prophecy** concerning **The Jewish People** is that **Israel Would Be Brought Forth In One Day.**

Isaiah 66:8 “Who has ever seen or heard of anything as strange as this? Has a nation ever been born in a single day? Has a country ever come forth in a mere moment? But by the time Jerusalem’s birth pains begin, the baby will be born; the nation will come forth.”

People, for those of you who may not know, on the morning of May 14, 1948, at precisely 4pm, the members of the People’s Council signed the proclamation and the declaration was made that, “The State of Israel is established. This meeting is ended.” Israel not only became a nation again, but it was brought forth as a nation, literally **in one day**. In fact, it was such

an obvious fulfillment of Bible prophecy that even the Jewish people themselves knew they were fulfilling a prophecy made over 2,500 years earlier as this report shows.

“The Founding of the state of Israel in 1948 followed a United Nations recommendation for the amicable deportation of British forces from Palestine. Israel’s first Prime Minister David Ben Gurion proclaimed the state’s independence on May 14th 1948 and opened its borders on Jewish immigration. The new state took the Star of David as its symbol.

For centuries, people have predicted the end of the world, through a depression that nearly destroyed a generation, nations were at war, rulers and dictators tried to conquer the world and wipe out an entire race. But one major prophecy was yet to be fulfilled. The rebirth of Israel in 1948 was the super sign. What we haven’t seen happen in the context of all the other prophecies coming true, we haven’t seen, until 62 years ago, the rebirth of the state of Israel.

At the end of WWII, the British advanced the League of Nations mandate for Palestine, which included the responsibility for securing the establishment in Palestine of a national home for the Jewish people. But without American support, the plan would fail.

President Franklin Roosevelt promised Saudi King Saud the United States would not endorse any policy regarding Palestine without notifying them first. But in the spring of 1945, FDR died leading Vice President Harry Truman with the burdens of a complex foreign policy.

Truman faced intense opposition for any plan to create a Jewish State, all the while also facing equally intense support. Eventually he would back the plan for a Jewish State and in May 1948, the President announced his support for UN Resolution 181, a partition plan to divide Palestine between Jews and Arabs.

The United Nations would never have voted Israel as a State had it not been for Harry Truman, who learned from his Sunday School teaching mother at her knee, that if you ever get a chance to help Israel, you ought to help Israel.

Ezekiel 37:25 reads: “They will live in the land I gave to my servant Jacob, the land where your fathers lived. They and their children and their children’s children will live there forever, and David my servant will be their prince forever.”

That was prophesied and you see pictures of the War of Independence in 1948 and the Six Day War, and soldiers, who were somewhat secular, who were not necessarily religious, were weeping because they felt they had translated the words of the prophet.”

Now isn’t it interesting how even the non-religious secular Jewish people recognized the prophetic importance of their becoming a nation again, to the point where they sensed it, they felt it, they even wept over it, but most of us have no clue of the importance of that date and how it proves just how close we really are to the end. Israel not only became a nation again, but it was brought forth as a nation, literally **in one day**. Just like the Bible said! When? In the last days!

The **fourth End Time Prophecy** concerning **The Jewish People** is that **Israel Would Be A United Nation Again**.

Ezekiel 37:21-22 “And give them this message from the Sovereign LORD: I will gather the people of Israel from among the nations. I will bring them home to their own land from the places where they have been scattered. I will unify them into one nation in the land. One king will rule them all; no longer will they be divided into two nations.”

Now for those of you who may not know, in about 926 BC, the Jewish people became a divided nation. The Northern 10 tribes were called Israel, and the Southern two tribes were called Judah. But when the Jewish people

regained independence in 1948, for the first time in 2,900 years, Israel was again united as a **single nation**, not two. Just like the Bible said! When? In the last days!

The **fifth End Time Prophecy** concerning **The Jewish People** is that **Israel's Currency Would Be The Shekel.**

Ezekiel 45:12,13,16 “The standard unit for weight will be the silver shekel. This is the tax you must give to the prince. All the people of Israel must join the prince in bringing their offerings.”

Now folks, here we see how the Bible clearly predicted that in the future temple sacrifices, the people of Israel would not just be paying their taxes, but specifically paying them in what? In shekels, right? But the problem is that Israel's currency wasn't the shekel but the pound. That is, until 1980, when it just so happened it was changed to the shekel, and they use it even to this very day. Just like the Bible said! When? In the last days!

The **sixth End Time Prophecy** concerning **The Jewish People** is that **Israel Would Blossom As A Rose In The Desert.**

Isaiah 35:1-2 “Even the wilderness will rejoice in those days. The desert will blossom with flowers. Yes, there will be an abundance of flowers and singing and joy! The deserts will become as green as the mountains of Lebanon, as lovely as Mount Carmel's pastures and the plain of Sharon. There the LORD will display his glory, the splendor of our God.”

Now folks, to understand the significance of this prophecy, you have to first understand the history and characteristics of the **land** of Israel. From

the very beginning, that land that promised to the Israelites was totally different from the land they came from. Think about it. They came out of Egypt and the desert to the what? “The Promised Land.” And this “Promised Land” was a **good land**. In fact, it was called “a good land” 16 times in the Old Testament, and “a land flowing with milk and honey” 23 times in the Old Testament. There was something **special** about that land. And even up to the time of Josephus, a first century Jewish historian, he mentioned how the land was still very prosperous and fertile. Here’s what he said.

“For the whole area is excellent for crops and pasturage and rich in trees of every kind, so that by its fertility it invites even those least inclined to work on the land.

In fact, every inch of it has been cultivated by the inhabitants and not a parcel goes to waste. It is thickly covered with towns, and thanks to the natural abundance of the **soil**, the many villages are so densely populated.”

Now here’s the point. All that changed after nearly 2,000 years of foreign conquerors totally abusing the land. They left it a total complete wasteland. In fact, listen to some of the people who visited Israel prior to 1948.

“After the scattering of the Jews beginning in 70 AD with the destruction of the Temple, the land became desolate, unable to grow much of anything. During the 2,000 years of Israel’s exile from its land, numerous empires have conquered the Land, and countless wars were fought for its possession. And yet, astonishingly, no conqueror ever succeeded in permanently settling the Land. Neither have they been able to cause it to bloom.

In 1845 Alphon Lamartine said in his book, “Recollections from the East,” that, “Outside the walls of Jerusalem we saw no living being, heard no living voice. We encountered that desolation and that deadly silence which we would have expected to find at the ruined gates of Pompey. A total eternal dread spell envelopes the city, the highways and the villages.”

When Mark Twain visited Israel in the 1860’s, he reported that Israel was a barren wasteland with no trees. He said, “The further we went the hotter the sun got and the more rocky and bare. Repulsive and dreary the landscape became.”

In describing the territory around the Sea of Galilee, he called it a, “blistering, naked, treeless land.” He spoke of the villages as, “ugly, cramped, squalid, uncomfortable and filthy.” He added that the villages are, “a solitude to make one dreary...unpeopled deserts...rusty mounds of barrenness.”

And then he looked towards the barren Judean hills in Israel, and wrote, “Close to us was a stream and on its banks a great herd of curious looking Syrian sheep and the sheep were gratefully eating gravel. I do not state this as a petrified fact – I only suppose they were eating gravel because there did not appear to be anything else for them to eat.”

Then in 1905, the Prime Minister of the Netherlands observed, “The Jews have come in vain. Only God can check the blight of the intruding desert.”

And that’s exactly what He did. No foreign conqueror was able to make Israel bloom again, no matter how hard they tried, but when Jewish People began to return to the land, everything changed! They began to immediately work at getting the land back into shape! And for them, **and them alone**, the land began to respond! One author in the 1800’s counted the trees there and reported that there were less than 1,000. And right now today, due to a massive tree replanting program, there are over **1.2 billion**

trees in Israel and half their trees are forest trees, and the other half are fruit trees, and this has not only helped to increase the rainfall by over 450%, but Israel, the former desert, is now the breadbasket of the Middle East and is exporting fruit all over the world.

And speaking of their fruit, it is **out of this world!** It's not only **huge** it's incredibly sweet and delicious! And that's because, it just so happens, when the Jewish people got there, they not only replanted trees, but they began to build a massive network of irrigation systems, high-tech irrigation systems, much further along than the rest of the world. And it just so happens the water in the soil, remember that quote from earlier, that they are irrigating there, is custom tailored to produce amazing produce! It just needed the Jewish people to pump it out.

“There's a prevailing thought that says that it's hard to establish agriculture in the desert. But that's not necessarily so. When mentioning the desert, one thinks of dryness, heat and desolation. But it turns out that the desert can bloom, be full of life, and yield harvests of fine fruits and vegetables.

Actually if you think about desert as desert, you probably think there is no water, but we find a huge aquifer under the desert which allowed us to use it and actually we can pump it out and make the desert bloom or green with a lot of agriculture.

It turns out the desert climate is good for agriculture, thanks to the ground water under the sand dunes. It's possible to do a lot of agriculture in the desert, because few reasons. First, we have the perfect weather for agriculture. We can grow vegetables in the winter.

Second, we have the experience and the brackish water that will allow us to do that in a very easy way. Although the groundwater is somewhat salty, it turns out that this saltiness actually improves the fruit. We can produce sweeter and better vegetables."

What happens when you irrigate the fruits or the vegetables with brackish water is that the plant is in a very serious stress, he's suffering and he's producing less leaves and more fruits with less water inside and a lot of meat, what we call, and actually that makes it three times sweeter than usual vegetables."

And so I'm sure it's just purely by chance that the water under Israel is custom tailored for amazing produce, produce that is much larger and three times as sweet as other areas. Who would've thought that the desert could bloom again and produce such amazing quantities? It's almost like when God said this land was "a good land" and a land "flowing with milk and honey" that it just needed the "right people" to get back there and make it come alive again. Gee, I wonder who that is? The Jewish people maybe?

But that's still not all. Israel also diverted the water from the Sea of Galilee and channeled it through sections of the deserts, which have allowed the deserts to literally begin to **blossom** with an abundance of flowers. Even to the point where Israel is now a major exporter of flowers and ornamental plants. Just like the Bible said! When? In the last days!

The **seventh End Time Prophecy** concerning **The Jewish People** is that **Israel Would Have A Powerful Military**.

Zechariah 12:6 “On that day I will make the leaders of Judah like a firepot in a woodpile, like a flaming torch among sheaves. They will consume right and left all the surrounding peoples, but Jerusalem will remain intact in her place.”

Now folks, here’s what’s amazing about this prophecy. Outnumbered and against all odds, the Israeli forces have astounded the world by their victories over and over again during multiple wars. For instance, within hours of Israel’s declaration of independence in 1948, Egypt, Syria, Jordan, Iraq, and Lebanon all invaded Israel. The combined population of those countries was at least **20 million** at that time. Yet, Israel had fewer than **1 million**. But when all was said and done, the Jewish people not only won the war, but they expanded the size of Israel by 50 percent. And today Israel has one of the most powerful military forces in the world with full nuclear capabilities. Hands down, they are the most powerful force in the region. Just like the Bible said! When? In the last days!

The **eighth End Time Prophecy** concerning **The Jewish People** is that **Israel Would Be A Center Of Conflict To The Whole World**.

Zechariah 12:2-3 “I am going to make Jerusalem a cup that sends all the surrounding peoples reeling. Judah will be besieged as well as Jerusalem. On that day, when all the nations of the earth are gathered against her, I will make Jerusalem an immovable rock for all the nations. All who try to move it will injure themselves.”

In other words, **don’t mess with Israel!** Now folks, in 1948, when the Jewish people became a nation again, **the very next day**, the nations around

them declared war with Israel. And the fighting for control has never stopped. Also, it just so happens that Israel's location in the heart of the world's oil reserves makes it a great **strategic significance** to all the countries in the world. Then to make matters worse, the world's 3 largest religions have headquarters in guess where? **Jerusalem!** And people, this is why you can **daily** turn on the news and read in all the newspapers of how Israel has indeed become what? An **international global problem**. It has become a center of world conflict, exactly like the Bible said would happen. When? In the last days!

But before we continue, you have to understand the amazing prophetic significance of **eight prophecies** being fulfilled in **just one entity**, i.e. the Jewish people. So far we've seen, and we're not done, but so far we've seen...

That Israel Would Return To The Land.
That Israel Would Become A Nation Again.
That Israel Would Be Brought Forth In One Day.
That Israel Would Be A United Nation Again.
That Israel's Currency Would Be The Shekel.
That Israel Would Blossom As A Rose In The Desert.
That Israel Would Have A Powerful Military.
That Israel Would Be A Center Of Conflict To The Whole World.

Now listen to the odds of all these eight prophecies coming to pass in just one people.

“By using the modern science of probability, we find that the chance that any one entity might have lived down to the present time and fulfilled just eight prophecies is 1 in 10^{17} .

In order to help us comprehend this staggering probability, it can be illustrated by taking 10^{17} silver dollars and laying them on the face of Texas, which would be enough to cover the state 2 feet deep.

Now mark one of these silver dollars with a “red X” and stir the whole mass thoroughly, all over the state. Blindfold a man and tell him that he can travel as far as he wishes, but he must pick up one silver dollar and say that this is the right one.

What chance would he have of getting the right one? Just the same chance that the prophets would have had of writing just 8 prophecies and having them all come true in any one people.”

Now folks, I’m not a rocket scientist, but I’d say it’s pretty obvious that there’s no way the Jewish people fulfilled those eight prophecies by accident, are you kidding me? I mean, it’s almost like God’s trying to get our attention or something? Hello In fact, let’s put the nail in the coffin. Let’s turn the tables around. Let’s see how the so-called psychics do out there in comparison to the Bible.

“Amid hundreds of prophecies, Biblical prophets are not known to have made a single error. However, a study of the prophecies made by psychics showed that of the 72 predictions, only 6 were fulfilled in any way. However, 2 of these were vague and 2 others were hardly surprising, that the U.S. and Russia would remain leading world powers.

Another study of the top 25 psychics and 72 of their predictions revealed that 92% were totally wrong. And the remaining 8 percent could easily be explained by chance and general knowledge of circumstances. In fact, in 1993 the psychics missed every single unexpected news story like Michael Jordan’s retirement and the flooding in the Midwest.

And among some of their false prophecies that year were that Kathy Lee Gifford would replace Jay Leno as host of *The Tonight Show* and the Queen of England would become a nun.”

And yet, people will listen to them instead of the Bible! Excuse me?

What more does God have to do? But that’s still not all. That eighth prophecy of Israel Becoming a Center of Conflict for the Whole World is actually leading to the fulfillment of yet another prophecy in the New Testament. The Apostle Paul talked about this one.

1 Thessalonians 5:1-3 “Now, brothers, about times and dates we do not need to write to you, for you know very well that the day of the Lord will come like a thief in the night. While people are saying, ‘Peace and safety,’ destruction will come on them suddenly, as labor pains on a pregnant woman, and they will not escape.”

Now folks, according to this text, the Apostle Paul tells us one of the signs that we know we are getting close to the Lord’s Return is when all of a sudden, you see people all over the planet crying out a specific phrase. And notice what that phrase was. It was “Peace and Safety” right? Not “Peace and Happiness” not “Joy and Prosperity” not even “Stop Eating Chicken, as cool as that would be. But **specifically the phrase** “Peace and Safety.”

Okay, now, pay attention because nothing’s by chance in the Scripture! It just so happens that the Greek word there for “safety” is “asphaleia” and it literally means “security” as in “security from enemies or security from

danger.” So you literally could say in that text, “Peace and Security” and still be totally right on.

Now here’s the point. Put this Bible prophecy passage from Paul about “Peace and Security” being the **exact phrase** that people would be crying out for in Last Days, just prior to Jesus’ Second Coming and combine it with Israel coming back on the scene and becoming a “center of conflict for the whole world” and can anybody guess just what in the world **right now** all the world’s leaders are crying out for in regards to Israel? **Peace and Security!** The exact phrase Paul said people would cry out for in the Last Days! Check out the proof for yourself, as this man shares.

“The very first time I heard the phrase “peace and security” used in a public speech was when then President Bush mentioned the phrase three times in a speech that closely followed the 9/11 attacks. He used it several more times during the rest of his administration. Then there was Condoleezza Rice, Dick Cheney, General Wesley Clark.

Then Candidate Obama also used the phrase three times in a post-election speech in 2008. Since then the phrase has been used repeatedly by the president, Secretary of State Hillary Clinton (who used the terms twenty-three times each in a twenty-minute speech several months ago), Israeli Prime Minister Benjamin Netanyahu, U.N. Secretary General Ban ki-Moon, and various world leaders from not only the Far East and even the Middle East, but literally from around the world.

With the increasing use of that phrase found in the end times verse of 1 Thessalonians 5:3, we can see that we are approaching the fulfillment of end times Bible prophecy.”

Not “Joy and Prosperity” not “Deliverance and Happiness” but wonder of wonders it just happens to be the exact Biblical phrase **right now** that the Bible warned would come upon the scene in the Last Days... “Peace and Security.” And when you see people all over the planet specifically crying out that phrase, what’d the Bible say would happen? BANG! Sudden destruction will come upon them and they WILL NOT escape!

People of God, what more does God have to do to get our attention? The Lord is getting close and we better wake up! Yes, we don’t know the day or the hour, but what more does He have to do? **We are clearly living in the last days!** This is why He’s given us the warning sign of **The Jewish People** to show us that the Tribulation is near and the Second Coming of Jesus Christ is rapidly approaching. And that’s why Jesus Himself said... **Luke 21:28** “When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near.”

People of God, like it or not, we are headed for **The Final Countdown**. And so the point is this. If you’re a Christian reading this today and you’re not doing anything for the Lord, shame on you! Get busy doing something for Jesus now! We need you! Don’t sit on the sidelines! Get on the front line and help us! Let’s get busy working together doing something splendid for Jesus with what time is left! Amen?

But if you're reading this today and you're not a Christian, then I beg you, please, heed the signs, heed the warnings, give your life to Jesus today because the Bible says tomorrow may be too late! You have been warned.

To find the way to God, to understand the *truth* of God's Word, and to received the gift of eternal *life*, begin by repentance and faith through a prayer like this:

“Dear God, I understand that I have broken Your Law and sinned against You. Please forgive my sins. Thank You that Jesus suffered on the cross in my place. I now place my trust in Him as My Savior and Lord. In Jesus’ name I pray. Amen.”
