

The Final Countdown – Rise of Falsehood

Part 5

“One bright, beautiful Sunday morning, everyone in a small town got up early and went to the local church. Before the services started, the townspeople were sitting in their pews and talking about their lives, their families, etc.

Suddenly, the devil himself appeared at the front of the congregation. Everyone started screaming and running for the front entrance, trampling each other in a frantic effort to get away from evil incarnate.

Soon everyone was evacuated from the Church, except for one elderly woman who sat calmly in her pew, not moving, seemingly oblivious to the fact that God's ultimate enemy was in her presence.

Now this confused satan a bit, so he walked up to the woman and said, ‘Don't you know who I am?’

The woman replied, ‘Yep, sure do.’

Then satan asked, ‘Aren't you afraid of me?’

‘Nope, sure ain't,’ said the woman.

Now the devil was a little perturbed at this and then asked, ‘Well, why aren't you afraid of me?’

The woman calmly replied, ‘Because I've been married to your brother for over 48 years.’”

Now folks, how many of you would say, that lady's not afraid of nothing? Yeah, after what she went through, what's there to be scared about right? And folks, believe it or not, that should be true for any Christian because the Bible says greater is He that is in me than he that is in this

world. You don't need to be afraid of the devil. However, there is one group of people who **should be afraid**, very afraid and that is the non-Christian! And the reason why is because once the Church disappears at the rapture, they're going to join the devil in the 7-year Tribulation and it's not a joke! It's an outpouring of God's wrath on a wicked and rebellious planet. In fact Jesus said in **Matthew 24** it's going to be a "time of greater horror than anything the world has ever seen or will ever see again. And that "unless that time of calamity is shortened, the entire human race will be destroyed."

But praise God, God's not only a God of wrath, He's a God of love as well. And **because He loves you and I**, He's given us many warning signs to show us when the Tribulation was near and Jesus Christ's 2nd Coming was rapidly approaching. Therefore, in order to keep you and I from experiencing the ultimate bad day of being left behind, you know, make wise preparations ourselves, we're going to continue in our series **The Final Countdown**. And so far we've already seen how the **#10** sign on **The Final Countdown** was **The Jewish People**. The **#9** sign was **Modern Technology**. The **#8** sign was **Worldwide Upheaval**. And **last four times** we saw how the **#7** sign was **The Rise of Falsehood**. And what we saw there was that God lovingly foretold you and I that when we see an **Increase of False Christs, False Myths, False Teachings** and **last time False**

Prophets spreading destructive heresies in the Church, including as Mormonism, Jehovah's Witnesses, Christian Science, Seventh Day Adventism, the Charismatic Fringe, and even New Age, uh you better wake up! This is a indicator from God **you're living in the last days!** Hello!

And last time we saw the **1st way New Age** is seducing people and winning converts right under our noses was through a **Hollywood Mogul**...i.e. "The Oprah-Wan-Kenobi Show," remember that? And what we saw was that people, even Christians, are **voluntarily being seduced** and indoctrinated in New Age lies when they watch her show, or dare I say again, attend her Church services every single day on TV! Pretty slick, isn't it?

But that's not all. And the **2nd way** the New Age Movement is seducing people with their lies and winning converts right under our noses is by the promotion of a **Healthy Earth**. That's right, I'm talking about the **Environmental Movement**. Little do people know that the tenets of environmentalism has its roots in the occultic beliefs of the New Age Movement. But don't take my word for it. Let's listen to God's.

Romans 1:18-25 "The wrath of God is being revealed from heaven against all the godlessness and wickedness of men who suppress the truth by their wickedness, since what may be known about God is plain to them, because God has made it plain to them. For since the creation of the world God's invisible qualities – His eternal power and divine nature – have been clearly

seen, being understood from what has been made, so that men are without excuse.

For although they knew God, they neither glorified Him as God nor gave thanks to Him, but their thinking became futile and their foolish hearts were darkened. Although they claimed to be wise, they became fools and exchanged the glory of the immortal God for images made to look like mortal man and birds and animals and reptiles.

Therefore God gave them over in the sinful desires of their hearts to sexual impurity for the degrading of their bodies with one another. They exchanged the truth of God for a lie, and worshiped and served created things rather than the Creator – Who is forever praised. Amen.”

Now folks again, we were here last week, and what we saw was that clearly one of the reasons why the wrath of God is being revealed from heaven was because people have the audacity to what? To **worship** the earth, a created thing, rather than the Creator...God, right? And as we saw this was one of the major mega tenants, the false teachings of the New Age Movement. Let's take a look at that again.

- All is god: the earth, man, animals, and plants.
- Man is destroying the earth along with the animals and plants and unless he changes his ways, “Mother Earth” will be forced to destroy humanity and Christianity is the biggest culprit in destroying the earth by teaching that man had dominion over the earth when the earth is a living being.

And what we saw was that yes the Bible says we are to “rule” over the earth but that's not synonymous with “abuse” the earth. We are to be “wise stewards” of it and nobody, even Christians are promoting we are to get busy pouring toxic waste into our water supply. That's a bunch of baloney!

It's a straw man argument. And secondly, there's a major difference between being a "wise steward" of the earth and "worshipping" the earth, which is New Age espouses!

Now here's the point. The average person thinks that they are helping to **save the earth** when in reality they are helping to spread the beliefs of the New Age Movement. And the **1st way** Environmentalism is doing that is by the promotion of an **Earth Worship**. What? Yeah, folks, think about it.

Does not the environmental movement believe that the earth, plants and animals are sacred, almost to the point of worship? Uh huh! And do they not say that man and Christianity is the biggest culprit for the destruction of the earth? Uh huh? And what's that sound like? Sounds like New Age to me! Just like using "Oprah-Wan-Kenobi" in Hollywood to promote their lies, they're also using Environmentalism to do the same! And for those of you who think they don't actually worship the earth, you need to read this video excerpt radical environmental extremists!

Video begins with Earth First group in the woods.

Then (Weeping heard in the distance)

(Group seen sitting on the forest floor all weeping and crying)

Commentator: Deep in the woods in North Carolina an extremist eco-group called Earth First for Whales In Violation of American Nature.

Woman from the group crying and screaming: "I WANT TO MOURN THE

LOSS OF ALL THE OLD GROWTH TREES I SEE AND TELL THEM THAT WE LOVE THEM AND THAT WE DON'T WANT THEM TO DIE. THAT WE ARE SOME PEOPLE HERE WHO DO CARE. SO I WANT YOU TO KNOW THAT TREES – THAT WE CARE!"

Syndee L'ome Grace: "I think that we are deeply hurting in America. I think we are deeply craving answers. I think we've lost our identity as we have evolved into technology and into industrialized society. Bring me to this cathedral [woods]. Bring me to theses guys [trees] Bring me to this rock that has the most incredible life. That makes me feel alive."

Now for those of you who think this kind of behavior is reserved only to the lunatic fringe, believe it or not, and I quote, "Earth Worship is on the Rise Among Evangelical Youth." Why? Because they're promoting it in Hollywood, which Evangelical Youth **watch** and their promoting it in the school system, which Evangelical Youth **attend**. And if you don't believe me, then listen to this "new" Pledge of Allegiance" they come up with and are teaching kids in school with it. You tell me if this isn't promoting Earth Worship.

Kids are singing with their hands to their hearts:

"I pledge allegiance to the earth to care for land and sea and air. To cherish every living thing with peace and justice everywhere.

I pledge allegiance to the earth to care for land and sea and air. To cherish every living thing with peace and justice everywhere.

With peace and justice everywhere."

Gee, what happened to going to school to learn Reading, Writing, and Arithmetic? In fact folks, a new UN document has recently been proposed

to, “Give Mother Earth the Same Rights as Humans.” And that would include bugs, trees, and all other “natural things.” Sounds to me like somebody’s promotion of New Age lies through Hollywood and the Environmental Movement is working like a charm, how about you? Uh huh! In fact, little do people know that this may very well be one of the reasons why people refuse to repent and get saved during the 7-year Tribulation.

Revelation 9:20 “The rest of mankind that were not killed by these plagues still did not repent of the work of their hands; they did not stop worshipping demons, and idols of gold, silver, bronze, stone and wood—idols that cannot see or hear or walk.”

What? You mean to tell me that people will be worshipping **wood** in the Last Days instead of getting right with God? Gee whiz, good thing we don’t see any signs of that happening. Yeah, right! People, it’s already happening, which means, we are living in the Last Days!

Oh, but that’s not all. The **2nd way** Environmentalism is helping to promote New Age lies is by the promotion of a **Global Worship**. What? Are you serious! Uh huh! And again, as we saw last week, this was one of the major mega tenants, another false teaching of the New Age Movement. Let’s take a look at that again.

- All religions (except orthodox Christianity) are of equal merit.
- In order for the world to be at peace and harmony there must be “New World Order, Universal monetary system, World authority on food,

health, and water, Universal tax, and military draft, One world leader, and the abolishment of Christianity.

And so here's the point. Think about it. Does not the environmental movement also promote a return to more "earth-centered" religions and a global movement to unify people in order to save the earth? Uh huh! They say we need to submit ourselves to some form of drastic global control because unless we do the planet will expire and so will we! Aaaahhhh! In fact, one of the biggest environmental groups, the Sierra Club, has gone on record as stating this:

“Turn to the traditions of ancient cultures’ such as Buddhist meditations and Native American Hopi rituals in order to ‘reaffirm our bond with the spirit of the living earth. The more you contact the voice of the living earth and evaluate what it says, the easier it will become for you to contact it and trust what it provides.’”

Now, that sure sounds like New Age teachings to me, how about you? You see, there's nothing wrong with having a healthy earth. The problem is when you place the earth before man, and begin to worship it above God. That's why the wrath of God is coming! Unfortunately, Hollywood once again is helping to promote this One World Worship. The following is an excerpt from an interview by Caryl Matriciana with the famous actor James Coburn.

Caryl: Mr Coburn, why should we care about Earth Day or Mother Earth?

James Coburn: Mother Earth is our mother. She's the mother goddess. She's

the one we should be praising rather than raping. I mean all of these people here today are here for one reason. Because they are concerned about what's happening and about what mankind is doing to the earth. I mean the negative emotions we carry around alot of us is another contributor with all peace to the moon. But what we need to do is to be true to ourselves be true to mother earth. Mother earth is going to be bountiful. She's going to give us everything we need. She has for a long time. We've lost our way. The pagans used to know how to do it, and the Indians-some of them remember how to do it. The earth is a living organism. We're killing the one we love the most- and she loves us. We've got to praise our mother goddess.”

Sounds like he’s promoting a new form of worship, how about you? A “Global” Worship, uh huh! And folks, I’m telling you, we have got to wake up and realize that there’s a hidden agenda behind Earth Day and the Environmental Movement! It has nothing to do with recycling. It has nothing to do with being a responsible citizen. And it has nothing to do with properly disposing of your trash! I’m not against that stuff, but there’s more to it than meets the eye! It’s being used as a platform to indoctrinate people into a New Age lie, the acceptance of a One World Religion. And for those of you who’re having a hard time believing that the Environmental Movement really is being used like the New Age Movement to promote a One World Religion, **even in the Church**, I’ve got proof. You tell me if we’re not being prepared to all Worship the same thing around the world, and it’s **not God!** Check out this Fox News Report.

Fox News: What Would Jesus Drive? America's Newsroom-Reporter: Bill Hemmer.

Bill Hemmer: What would Jesus drive? Huh? Environmental evangelism. It is the new way to raise awareness about global warming. Our Fox Religion Correspondent Lauren Greene joins us with more on that. Hi! Good morning. Who's pushing Christian green lines?

Lauren Green: Hey! Well alot of people, it really is across the board theoretically speaking or religiously speaking. Here are the top green religious people according to Live Earth.

We've got Rev. Joel Hunter. He's a senior pastor at Northland Church in Longwood, Florida. He was actually offered Head of the Christian Coalition but turned it down because he wanted to focus on issues such as poverty and environmental protection.

Then Norman Hobble is a theology professor out of Australia. He edited something called the Earth Bible.

Then of course there's Pope Benedict XVI and yesterday he issued a statement that said, "The people of faith must listen to the voice of the earth or risk destroying its very existence."

We also have the Archbishop of Canterbury-Rowan Williams-head of the Anglican Church and of course the Buddhist leader the Dalai Lama.

But one thing you should add to this list is the National Evangelical Association because 2 years ago it issued a letter to 50,000 member churches which means it's 30 million evangelicals saying that, 'We affirm that God-given dominion is a sacred responsibility and that government has an obligation to protect it's citizens from the affects of environmental degradation.'

So it's a big movement all across the board."

Excuse me? Yeah, I'd say it's a big movement alright. It's a big movement to push for a One World Religion, just like New Age wants, even in the Church! Excuse me? An **Earth Bible**? And I quote, "Green guru, James Lovelock, warned last week that 'The Green Religion' is now taking

over from the Christian religion...and ‘a Green Bible is now available at your local Christian bookstore!’” And maybe that’s why one guy stated, “Maybe it won’t be long before recycling, carbon-foot reductions, and riding bicycles to work become the new religious duties of the faithful.” You know, something we can all agree on!

But that’s still not all! Little do people don’t know that they are also being prepared via the environmental movement **to explain away the earth’s catastrophes** that will take place during the Tribulation.

Revelation 8:7,9,11 “Hail and fire mixed with blood were thrown down upon the earth, and one-third of the earth was set on fire. One-third of the trees were burned, and all the grass was burned. And one-third of all things living in the sea died. One-third of the water bitter, and many people died because the water was so bitter.”

Now, we all know that this is speaking of the judgment from God Almighty during the time of the Tribulation. But your average environmentalist is being taught this:

“Climatic shifts, droughts, floods, acid rain and pollution, earthquakes, and volcanic eruptions. Although severe, these changes will pave the way for a cleansing of the earth and a new relationship between earth and man.

This will be the Day of Purification. Trees will die. Cold places will become hot. Hot places will become cold. Lands will sink into the ocean and lands will rise out of the sea.

All the suffering going on in this country with the tornadoes, floods, and earthquakes is carried on the breath of Mother Earth because she is in pain. This battle will cleanse the heart of people and restore our Mother Earth from illness, and the wicked will be gotten rid of.”

Can you see how people are being prepared **right now** for the earth catastrophes that will come one day? People during the Tribulation will actually think that the catastrophes from God are a good thing. Pretty slick isn't it? And it's all because they are being seduced by the New Age Movement and their promotion of a Healthy Earth via the Environmental Movement.

Oh, but that's not all. The **3rd** way we know that Environmentalism is helping to promote New Age lies is because it also promotes a **Female Worship**.

Revelation 17:3-6 "Then the angel carried me away in the Spirit into a desert. There I saw a woman sitting on a scarlet beast that was covered with blasphemous names and had seven heads and ten horns. The woman was dressed in purple and scarlet, and was glittering with gold, precious stones and pearls. She held a golden cup in her hand, filled with abominable things and the filth of her adulteries. This title was written on her forehead: MYSTERY BABYLON THE GREAT THE MOTHER OF PROSTITUTES AND OF THE ABOMINATIONS OF THE EARTH. I saw that the woman was drunk with the blood of the saints, the blood of those who bore testimony to Jesus."

Now folks, here we see the classic passage concerning the Woman that Rides the Beast, or the antichrist, and how during the 7-year Tribulation and she will actually be hunting down the people of God, drunk with their blood. And this passage reveals how in the Last Days there will be this Final One World Religion, a false religion obviously, and the figurehead is going

to be a who? A **woman!** And gee, can anybody guess what New Age, Environmentalism, and even the Feminist Movement is pushing right now! Hey, that's right! A Female Worship, a Female Deity! We already saw how New Age and Environmentalism encourage us to worship "Mother Earth" and not "Father God," but they've joined hands with Feminism and they are radically promoting it! They call it "Goddess Worship" and it's alive! Check it out! The following is a video excerpt from Zsuzsanna Budapest: Gathering the Goddesses:

"The women's movement today is being called the women's spirituality movement in great part and that's because concentrating on areas of social and political reform but it's looking high and fast at spiritual reform. Women are gathering today in circles just as their 1960 counterparts did in consciousness raising circles.

But now they're not just knocking down that door to a man's world asking for entrance, instead they're looking at the myths, spiritual beliefs, religion, values-everything that runs our culture. Everything that feeds our souls.

We're going to take a look at the women's spirituality movement as it's been called, by the women participating in it who are weaving new stories of a returning goddess. They believe she's back on the planet-alive and well-and she can do alot for you."

(Camera pans to a "goddess" made of fruits, flowers, plants")

Woman heard in the background: "THE GODDESS IS ALIVE!"

Group of women respond in "MAGIC IS AFOOT!"

A woman again shouts: "THE GODDESS IS ALIVE!!

Group again responds: "MAGIC IS AFOOT!"

(Women dancing & clapping in a circle to sounds of beating drums)

Woman #1: "What the goddess means to me is wholeness and peace"

Woman#2: "The goddess means to me, my internal strength. She has come to me and shown me the beauty that is within myself"

Woman #3: "The goddess is my voice. She is my self-empowerment. She's my self-respect. As a result my life is really undergone some major transformations not only creatively but in the pathway that I have now started to take and I have the works of Zsuzsanna Budapest to thank for that"

"THE GODDESS IS ALIVE!"

"MAGIC IS AFOOT!"

"THE GODDESS IS ALIVE!"

"MAGIC IS AFOOT!"

And 2,000 years ago, John warned us that the Last Days false One World Religion would be a Feminine Worship. Whew! Good thing we don't see any signs of that on the planet! Excuse me? Folks, we need to wake up even when it comes to the Lie of Feminism. Most people have no clue that feminism has nothing to do with equal rights and equal pay. It has to do with getting rid of the male patriarchal God and replacing it with a female one! In fact, this lie is even infecting the Church! What I'm about to share with you are all quotes from people **inside the Church**. I don't know if they're real Christians or not, but the point is they're in the Church and here's what they're teaching.

- Mary Daly, who considers herself to be a Christian feminist, says this about traditional Christianity: "To put it bluntly, I propose that

Christianity itself should be castrated.” The primary focus of the ‘Christian’ feminist is to bring an end to what they perceive as male-dominated religion by ‘castrating’ the male influence from religion. Daly continued by saying, “I am suggesting that the idea of salvation uniquely by a male savior perpetuates the problem of patriarchal oppression.”

- Herchurch.org is the website for Ebenezer Lutheran Church in San Francisco. On Wednesdays they open their sanctuary for the “Christian Goddess Rosary.” They say that, “the exclusive emphasis of God as Father supports a domination structure that oppresses and subordinates women.” They also encourage people to pray the “Hail Goddess Prayer” that states, “Hail Goddess full of grace. Blessed are you and blessed are all the fruits of your womb. For you are the MOTHER of us all.”
- Another person stated, “I think that if you want to in your personal devotions address God as ‘Mother’ I don’t have a problem with that.”
- Paul Smith in his book, *Is it Okay to Call God Mother* “I believe it is important to call God, ‘Mother’ as well as ‘Father’ in public worship.”
- Richard and Catherine Kroeger authors of “Women Elders... Called by God?” said, “There is a good Biblical reason, then, to speak of God as both Father and Mother, both ‘she’ and ‘he’.”
- Jann Clanton author of, *God, A Word for Girls and Boys* says “Masculine God language hinders many children from establishing relationships of trust with God. In addition, calling God “he” causes boys to commit the sin of arrogance... Calling the Supreme power of the universe “he” causes girls to commit the sin of devaluing themselves. For the sake of “these little ones” we must change the way we talk about God.”
- And one of the hottest books that’s being promoted in the Church right now is called, “The Shack” and if you look at it, it’s not only openly New Age in doctrine and teaching, but it actually presents God as a woman. Shocker!

Excuse me? So much for equal rights and equal pay! Sounds to me like somebody's got a hidden agenda in there, you know, like get people to worship a female deity in the Last Days instead of a male deity. Gee, where have I heard that before? Oh yeah, that's right! 2,000 years ago, John said it's a sign you're living in the Last Days when you see this rise of a **Female Worship** instead of a **Male Patriarchal Worship** because this is going to be the actual Woman that Rides the Beast or Antichrist and she's going to be drunk with the blood of the saints and you don't want to be around!

People what more does God have to do? It's all happening **right now!** And this is why, out of love, God has given us all these signs of the **Rise of Falsehood of False Christs, False Myths, False Teachings**, and again today with the **False Prophets** of the New Age Movement including the **Lie of Environmentalism** to show us that the Tribulation is near and the 2nd Coming of Jesus Christ is rapidly approaching. And that's why Jesus Himself said:

Luke 21:28 "When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near."

People of God, like it or not, we are headed for **The Final Countdown**. And so the point is this. If you're a Christian reading this today it's time to get busy! We've got to lay aside our differences, start working together, start studying the Bible together, and get busy saving souls, amen?

But if you're reading this today and you're not a Christian, then I beg you, please, heed the signs, heed the warnings, give your life to Jesus today, because tomorrow may be too late. All these signs of **Earth Catastrophes** has nothing to do with Mother Earth Cleansing herself. It's Father God getting ready to Judge this planet with His Wrath and you don't want to be left behind. Amen? Let's pray.

To find the way to God, to understand the *truth* of God's Word, and to received the gift of eternal *life*, begin by repentance and faith through a prayer like this:

“Dear God, I understand that I have broken Your Law and sinned against You. Please forgive my sins. Thank You that Jesus suffered on the cross in my place. I now place my trust in Him as My Savior and Lord. In Jesus' name I pray. Amen.”
