

The Final Countdown – Rise of Falsehood

Part 6

“Al, Kenny & Wes decided to get a part-time job because they were bored with all this retirement living. So they answered this ad that said Metro was looking for new potential detectives.

And so since they all had a military backgrounds they decided to try. So they go down to the police station and the policeman in charge was interrogating them and testing their skills in recognizing a suspect.

So he shows Wes a picture for five seconds and then hides it and says, ‘This is your suspect, how would you recognize him?’

And Wes answers, ‘That’s easy, we’ll catch him fast because he only has one eye!’

And the policeman says, ‘Well...hello...he has one eye because the picture shows his PROFILE, a SIDE VIEW. That’s just ONE SIDE of him!’

So slightly flustered by this ridiculous response from Wes, the policeman then flashes the picture for five seconds at Kenny and asks him: ‘This is your suspect, how would you recognize him?’

And Kenny says: ‘Ah Ha! He’d be too easy to catch because he only has one ear!’

And so the policeman angrily responds, ‘What’s the matter with you two? Of course only one eye and one ear are SHOWING because it’s a picture of his profile! Is that the best answer you can come up with?!’

So now the policeman is extremely frustrated at this point, and he shows the picture to Al and in a very testy voice he asks, ‘This is your suspect, how would you recognize him?’

And Al looks at the picture intently for a moment and says, ‘Hmmm... the suspect wears contact lenses.’

And the policeman is surprised and speechless because he really doesn’t

know himself if the suspect wears contacts or not. And so he says, ‘Well, that’s an interesting answer! Wait here for a few minutes while I check his file, and I’ll get back to you on that.’”

So he leaves the room and goes to his office, checks the suspect’s file in his computer and comes back with a beaming smile on his face.

‘Wow! I can’t believe it... it’s TRUE! The suspect does in fact wear contact lenses. Good work! How were you able to make such an astute observation?’

‘Well that’s easy,’ replied Al. “‘He can’t wear regular glasses, because he only has one eye and one ear!’”

Now folks, how many of you’d say that Metro Police Officer was having one of the worst days of his life? Uh huh! Give it up for the Al, Kenny, and Wes show! Live from Vegas! But that’s right folks, believe it or not, did you know the Bible says there’s a day coming that’s even worse than that? Uh huh! And you don’t even need to be a **detective** to figure it out. It’s called the rapture of the Church. And the reason why it’s bad is because for those who are left behind, it’s going to be your absolute worst nightmare. The Bible says you will be catapulted into the 7-year Tribulation and it’s not a joke! It’s an outpouring of God’s wrath on a wicked and rebellious planet. In fact Jesus said in **Matthew 24** it’s going to be a “time of greater horror than anything the world has ever seen or will ever see again. And that “unless that time of calamity is shortened, the entire human race will be destroyed.” But praise God, God’s not only a God of wrath, He’s a God of love as well. And **because He loves you and I**, He’s given us many

warning signs to show us when the Tribulation was near and Jesus Christ's 2nd Coming was rapidly approaching.

Therefore, in order to keep you and I from experiencing the ultimate bad day of being left behind, hanging out with the devil in the 7-year Tribulation, we're going to continue in our series **The Final Countdown**. And so far we've already seen how the #10 sign on **The Final Countdown** was **The Jewish People**. The #9 sign was **Modern Technology**. The #8 sign was **Worldwide Upheaval**. And **last five times** we saw how the #7 sign was **The Rise of Falsehood**. And what we saw there was that God lovingly foretold you and I that when we see an **Increase of False Christs, False Myths, False Teachings** and **last time even more False Prophets** spreading New Age lies in the Church, and that was **Environmentalism** with their promotion of an Earth Worship, a One World Worship, and a Female Deity Worship, which is exactly what the Bible said would happen in Revelation 17, and so guess what? It's an indicator from God **you're living in the last days!**

Oh but that's not all. And the 3rd way that New Age is seducing people right under our noses with the promotion of not just a **Hollywood Mogul** and a **Healthy Earth** but it's also with the promotion of a **Healthy Body**. That's right folks, I'm talking about the **Vegetarian Movement**. Now

again folks, just like with Environmentalism, I'm not against people deciding to go down this route, i.e. become a Vegetarian okay? Go for it if that's what you want to do. But what you need to realize is that it too is being used to promote the occultic beliefs of the New Age Movement. But don't take my word for it. Let's listen to God's.

1 Timothy 4:1-5 “The Spirit clearly says that in later times some will abandon the faith and follow deceiving spirits and things taught by demons. Such teachings come through hypocritical liars, whose consciences have been seared as with a hot iron. They forbid people to marry and order them to abstain from certain foods, which God created to be received with thanksgiving by those who believe and who know the truth. For everything God created is good, and nothing is to be rejected if it is received with thanksgiving, because it is consecrated by the word of God and prayer.”

Hey, that's interesting! You wonder why we pray before our meals as Christians. Gee, you learn something new everyday! But folks, as you can see the Bible clearly says in the Last Days that people are going to do what? They are actually going to follow **actual demonic teachings** and notice what those demonic teachings were. **Number one**, they forbid people to **marry**, right? Hey doesn't anyone do that on the planet right now? Uh yeah! The Catholic Church does that, isn't that interesting? But **two**, what else do they do? They also forbid people to eat certain kinds of **foods**. And folks, if you think about it, that's exactly what the **Vegetarian Movement** is saying we need to do right now! In fact, if they'd have their way they'd **order us**

too just like the text says! And yet, the Bible says it's perfectly fine to eat meat!

Genesis 9:2-3 The fear and dread of you will fall upon all the beasts of the earth and all the birds of the air, upon every creature that moves along the ground, and upon all the fish of the sea; they are given into your hands. Everything that lives and moves will be food for you. Just as I gave you the green plants, I now give you everything.”

Colossians 2:16 “Therefore do not let anyone judge you by what you eat or drink.”

And yet, that's what the **Vegetarian Movement** does! They judge us by what we eat telling us we need to **restrict ourselves from certain food**, exactly like the Bible said would happen in the Last Days! You see, the average person thinks that they're helping to **save the animals** by becoming a Vegetarian, when in reality they are helping to spread the beliefs of the New Age Movement. Let's take a look at those again.

- All is god: the earth, man, animals, and plants.
- Man is destroying the earth along with the animals and plants and unless he changes his ways, “Mother Earth” will be forced to destroy humanity and Christianity is the biggest culprit in destroying the earth by teaching that man had dominion over the earth when the earth is a living being.

Now folks, again, if you're paying attention, this exactly what the Vegetarian Movement **also** teaches. Do they not believe that the earth, plants and **especially animals** are sacred, almost to the point of worship? Uh huh! In fact, even though the Bible clearly says we are to give thanks for **every**

food product, they mock this command to give thanks for **all food** trying to convince us eating meat is bad! Check it out!

A Peta Thanksgiving. Large family gathered around the dining room table.

Dad to young daughter: Say grace hon?

Young daughter: Sure. Dear God, thank you for turkey we're about to eat and for the turkey farms where they pack them into dark and tiny little sheds for their whole lives. Thank you for when they burn their feathers off while they're still alive and for when turkey gets kicked around like a football and killed by people who think it's fun to stomp on their little turkey heads and special thanks for all the chemicals and dirt and poop that's in the turkey we're about to eat. OH! And thank you for rainbows. Amen.

Message on screen: This Thanksgiving, Be Thankful You're Not A Turkey. Go Vegan. Peta"

Awww. Don't you feel bad? Don't eat that turkey. Don't give God thanks for that kind of food. Become a Vegetarian. Save the turkeys! Do you see the seduction going on here? I'm not for inhumane treatment of animals? I'm not saying that's the best way to raise turkeys! And I'm not saying there couldn't be some adjustment. But that's not what's going on here! Just like Environmentalism, it's a smoke screen to lead you down a **spiritual path**. In fact, one such group is called SERV. The Society of Ethical Religious Vegetarians. And that's your clue that they're ultimately trying to lead you down a **spiritual path**. They're **religious** Vegetarians! And they say that man and Christianity are the biggest culprits in the destruction of the earth via the eating of animals. Hey, that sounds like New Age! **And** they just

happen to promote a global movement to unify people in order to save the animals, and of course save the planet. Folks what is that! It's New Age through and through! In fact, they're totally blunt about it. Here's what your average vegetarian is being taught:

“We need an interfaith effort to gain a more humane, just, peaceful, and environmentally sustainable world. We believe that by applying spiritual values to scientific knowledge encourages plant-based diets, with major benefits to humans, animals, and the environment.

It is essential that there is a major shift toward vegetarianism to end diseases, horrible mistreatment of animals, threats to ecosystems, global climate change, wasteful use of water, land, fuel, widespread hunger, and increasing violence.

Through the efforts of environmentalists, vegetarians, and animal rights activists, the earth will become a healthier, happier place for all species to live.”

Excuse me? Sounds to me like somebody's trying to get us to **restrict ourselves of certain food products** in the Last Days so we can save our planet from certain destruction. Gee, where have I heard that before? Oh yeah, that's right! It was a demonic teaching in the Last Days!

1 Timothy 4:1,3 “The Spirit clearly says that in later times some will abandon the faith and follow deceiving spirits and things taught by demons. They forbid people to marry and order them to abstain from certain foods.”

It's happening before our very eyes **right now** on a global scale! The U.N. recently came out with a statement demanding us to, “Eat Less Meat to Save the Planet.” This thing is going global folks! They say, “The world

needs to change to a more vegetarian diet to stand a chance of tackling climate change,” you know, save the planet! And again, I’ll say it again. There’s nothing wrong with being a Vegetarian or even being concerned about animals! I’m not against that! If you want to eat veggies for the rest of your life go for it! Pass the green beans! My son loves them! If you want to help save mistreated animals, more power to you! Have fun! But the problem is when you place animals above man, and begin to worship them above God. That’s a sin! And it’s not only **New Age** in teaching but it’s exactly what the Bible said would happen in the Last Days!

But that’s still not all. That’s just **stage one** of a plan to get people used to the idea of having a “controlled diet” is a good thing. You see, the Bible also says we are actually headed for a time where the whole planet is going to be told what they can and cannot eat! Check it out!

Revelation 6:5-6 “When the Lamb opened the third seal, I heard the third living creature say, “Come!” I looked, and there before me was a black horse! Its rider was holding a pair of scales in his hand. Then I heard what sounded like a voice among the four living creatures, saying, “A quart of wheat for a day’s wages, and three quarts of barley for a day’s wages, and do not damage the oil and the wine!”

Now folks, the last time we were here we saw that this text is dealing with the famine conditions during the first half of the 7-year Tribulation and it’s going to be so bad that the whole world is going to be on some sort of **Global food distribution program** just to stay alive, right? What’d it say

there? One days work you got a quart of **wheat** for yourself, or you could opt out for that for three quarts of **barley**, a less nutritional meal, literally animal feed as we saw, to feed you and your family of two. Now, here's the point. Can anybody guess what the New Age Movement has been proposing for us to do for a long time now. Hey, that's right! Get total control of the food supply! Let's take a look at their teachings again.

- In order for the world to be at peace and harmony there must be “New World Order, Universal monetary system, World authority on food, health, and water, Universal tax, and military draft, One world leader, and the abolishment of Christianity.

Now folks here's the point. This is the question we need to be asking ourselves. It's one thing to believe this and promote it, but do we see any signs of the world's food supply, including health and water, being corralled into the hands of just a few people, that's going to tell us what we can and cannot eat in the Last Days? Uh yes! In fact it's happening **right now!**

Folks, whether you realize it or not, all the world's food supply is currently in the hands of just three entities. Cargill/Monsanto, ConAgra, and Novartis/ADM. And believe it or not, they even freely admit that if you want to control the world, forget fuel, forget gas and oil, you need control the food supply! And I quote, “**Dwayne Andreas**, former chairman of ADM said, “The food business is far and away the most important business in the world. Everything else is a luxury. Food is what you need to sustain life everyday.

Food is fuel. You can't run a tractor without fuel, and you can't run a human being without it either. Food is the absolute beginning." Beginning of what? And I quote, "Those who control the global food system, have the ultimate in economic power." Or in other words, you control the world via their **food supply** exactly like the Bible said would happen in the Last Days!

And if you really think this isn't going on, then you need to explain to me why Bill Gates among other elites from around the world are building a mysterious **Seed Vault** in the middle of the Arctic. Check this out!

NBC NEWS:

We have a fascinating story to show you tonight. You are about to see what it means to go extremes to save the world. Dug deep into a mountain in a remote island near the North Pole-there is a project that is often called the Doomsday Vault. It's really a giant freezer and inside something very tiny that could come to the rescue in the case of a global catastrophe.

NBC's Dawna Friesen is 500 miles off the northern coast of Norway tonite on an Arctic Archepelego with this remarkable effort to safeguard the world's food supply.

Dawna Friesen: If the cold doesn't kill you on Svalbard, the polar bears might. Yet 600 miles from the North Pole, high above a fjord deep inside a mountain is a vault build to one day save mankind. Today the Svalbard vault received it's first deposit. Seeds. More than a 100 million of them. Stored to preserve the world's food supply.

Jens Stoltenberg (Norwegian Prime Minister): It is the New World's Ark of today.

Dawna Friesen: 400 feet underground, the bunker is a last ditch reserve, ready to resupply the worlds farmers if all else fails. Seeds are coming in from all over the globe representing every known variety of crop.

Ken Street (Agricultural ecologist) Without this genetic diversity to draw from, um our food security is down the...it's just gone.

Dawna Friesen: We're not only deep inside a mountain here, this place is protected by heavy steel doors, three airlocks and a sophisticated video surveillance system and in case that isn't enough-outside...polar bears. A place so cold and remote-it offers unparalleled security because one day our future might lie in the seeds of the past.

Svalbard's Seed Vault may play a vital role in guarding earth's food supply in the decades to come."

Hmmm. Is it going to guard our food supply, or is it going to control it? It's almost like they're preparing for something that they're not telling us. I wonder what that could be? Maybe total control of the food supply? You see folks, what they're not telling you, is that one of the three food suppliers on the planet, Monsanto, is not only genetically modifying our food, and that's a whole other issue, but they've also come out with what's called the **terminator gene**. And what that is, is a new seed they've developed that **commits suicide** or to become **sterile** in the second generation, which means you always have to go back to **them** to get your next batch of seeds. The plants will no longer **self-replicate** which means you always have to go back to them for food! That's total global control of our food supply! You're the only one with the Seed Vault that contains all the Master Seeds! It's exactly like the Bible said would happen in the Last Days! Isn't that wild?

But still that's not all. And the **4th way** that New Age is seducing people right under our noses is with the promotion of a **Heavenly Utopia**.

Revelation 6:1-2 "I watched as the Lamb opened the first of the seven seals. Then I heard one of the four living creatures say in a voice like thunder, "Come!" I looked, and there before me was a white horse! Its rider held a bow, and he was given a crown, and he rode out as a conqueror bent on conquest."

And folks, what we see here in a nutshell, is the classic passage concerning the Antichrist and his rise to power at the beginning of the 7-year Tribulation. As we already saw, the beginning point of the 7-year Tribulation begins with the fulfillment of Daniel 9:27 where the antichrist makes a "peace" treaty with Israel for 7 years, and that's where we get the term 7-year Tribulation. And it's this era of **false peace** that the antichrist **starts** with Israel, is what we see here now with the world. The antichrist comes riding in on a white horse with only a bow and a crown but no arrows. And most commentators say this represents how he's able to rise to power with a **peaceful** coup. In other words, he overtakes the world by means of diplomacy, not war, with the promises of a false utopia, an Era of Peace!

Now here's the point. Can anyone guess what the New Age Movement and the movers and shakers behind this wicked world system are working towards **right now**? Hey that's right! They're building a **False**

Utopia where they get to live in luxury and paradise and the rest of us, at least those they decide who get to live, will serve them forever on planet earth. Isn't that great! I don't think so!

But here's the point. As wild as that is, as crazy as this is, that's exactly what they're doing. They are **reducing the population of the planet** to create this False Utopia and they use terms like "sustainable development," which means **population control**. And this is precisely why feminism, birth control, homosexuality, abortion, and even forced sterilization have been allowed to continue on the planet, because if you think about it, they all have one thing in common. They all effectively reduce the population of the planet! In fact, abortion alone has now killed about **one billion** lives.

And you might be thinking, "Now come on Pastor Billy! This is just too far out. Somebody sprayed chicken juice on you when you weren't looking! This is crazy! This is just a bunch of wacko conspiracy theories. There's no way the leaders in the world are really serious about **reducing the population of the earth** to create a False Utopia. Come on!" Well folks, don't take my word for it, let's listen to theirs, including Hitler. Here's what's been called his "Hitlist" and the real reason why he was killing the Jewish people. He was not only heavily involved in the occult, but he was an

evolutionist and the Jewish people just happened to be at the bottom of his evolutionary list.

Hitler's Hit List

Species Blood Mixture

Nordic (blonde, blue eyed)	Close to pure Aryan
Germanic (brown hair, blue-eyed or less desirable, brown-eyed)	Predominately Aryan
Mediterranean (white but swarthy)	Slight Aryan preponderance
Slavic (white but degenerate bone structure)	Close to Aryan, half-Ape
Oriental	Slight Ape preponderance
Black African	Predominately Ape
Jewish (fiendish skull)	Close to pure Ape

Oh, and by the way, he wasn't planning on stopping with the Jews. He was working his way up backwards from his evolutionary scale. If he could've finished annihilating the Jews, he was going to move on to next with the Black African people, then the Oriental, and so on and so forth until he was left with his master race. And as shocking as that is, people today are still promoting this "cleansing" of inferiors.

- **Margaret Sanger** of Planned Parenthood called for, "The elimination of 'human weeds,' for the 'cessation of charity' because it prolonged the lives of the unfit, for the segregation of 'morons, misfits, and the maladjusted,' and for the sterilization of genetically inferior races."

- **David Graber**, a research biologist with the National Park Service said, “We have become a plague upon ourselves and upon the Earth. Human happiness [is] not as important as a wild and healthy planet. Until such time as homo sapiens should decide to rejoin nature, some of us can only hope for the right virus to come along.”
- **David Pimentel**, a Cornell University Professor said, “The total world population should be no more than 2 billion rather than the current 5.6 billion.”
- **Jacques Cousteau** wrote, “The damage people cause to the planet is a function of demographics – it is equal to the degree of development. One American burdens the earth much more than twenty Bangladeshes...This is a terrible thing to say. In order to stabilize world population, we must eliminate 350,000 people per day. It is a horrible thing to say, but it’s just as bad not to say it.”
- **Bertrand Russell** wrote, “At present the population of the world is increasing...War so far has had no great effect on this increase...I do not pretend that birth control is the only way in which population can be kept from increasing. There are others...If a Black Death could be spread throughout the world once in every generation, survivors could procreate freely without making the world too full...the state of affairs might be somewhat unpleasant, but what of it? Really high-minded people are indifferent to suffering, especially that of others.”
- **Ted Turner** said, “People who abhor the China one-child policy are dumb-dumbs, because if China hadn’t had that policy, there would be 300 million more people in China right now.” And then he later advocated that we reduce the world’s population from 6 billion to 2 billion.
- **John Holdren**, Obama’s Science Czar wrote, “Forced Abortions and Mass Sterilizations are Needed to Save the Planet.” “Women could be forced to abort their pregnancies, whether they wanted to or not; the population at large could be sterilized by infertility drugs intentionally put into the nation’s drinking water or in food; people who “contribute to social deterioration” (i.e. undesirables) “can be required by law to exercise reproductive responsibility” in other words, be compelled to have

abortions or be sterilized; a transnational “Planetary Regime” should assume control of the global economy and also dictate the most intimate details of Americans’ lives using an armed international police force.”

- **Dr. Eric Pianka**, a scientist, gave a speech at the Texas Academy of Science where he advocated, “The need to exterminate 90% of the population through the airborne ebola virus. “We’re no better than bacteria!” Standing in front of a slide of human skulls, Pianka gleefully advocated airborne ebola as his preferred method of exterminating the necessary 90% of humans, choosing it over AIDS because of its faster kill period.” At the end of Pianka’s speech the audience erupted not to a chorus of boos and hisses but to a wild reception of applause and cheers.
- **Dr. Sam Keen**, a New Age writer and philosopher stated, “We must speak far more clearly about sexuality, contraception, about abortion, about values that control the population, because the ecological crisis, in short, is the population crisis. Cut the population by 90% and there aren’t enough people left to do a great deal of ecological damage.”
- And that’s why **Dr. Michael Berliner** wrote of the Environmentalist’s utter contempt for mankind, “Such is the naked essence of Environmentalism: It mourns the death of one whale or tree but actually welcomes the death of billions of people. Is there are more malevolent, man-hating philosophy than this?”

Now folks, I don’t know about you, but it sounds to me like someone’s pretty serious about controlling, or dare I say, reducing the population of our planet, how about you? Is that sick or what? Folks, I wish I was making this up, but we’ve got to deal with the facts! The world we are headed for in the 7-year Tribulation is so stinking evil we can’t even begin to imagine it! In fact, this desire to see billions of people literally die across the planet may be **yet another reason** why people refuse to repent and get

right with God during the 7-year Tribulation. Listen to what they were doing!

Revelation 6:7-8 “When the Lamb opened the fourth seal, I heard the voice of the fourth living creature say, “Come!” I looked, and there before me was a pale horse! Its rider was named Death, and Hades was following close behind him. They were given power over a fourth of the earth to kill by sword, famine and plague, and by the wild beasts of the earth.”

Revelation 9:15,18,20 “And the four angels who had been prepared for this hour and day and month and year were turned loose to kill one-third of all the people on earth. One-third of all the people on earth were killed by these three plagues – by the fire and the smoke and burning sulfur. But the people who did not die in these plagues still refused to turn from their evil deeds.”

Can you believe that? “Who cares if 1/4th of the planet gets annihilated and then later another 1/3rd we want to planet to be reduced to 500 million people anyway! Don’t believe me? That’s exactly what the leaders of the New Age Movement are saying is coming! Check this out!

“A New Age group calling itself the Solar Questers writes, “Those who hinder will be removed...liquidated...(they) must be wiped clean off the face of the earth.”

The authors of a New Age pamphlet entitled Cosmic Countdown claimed to have received messages from a higher intelligence. The pamphlet says, “The world should be forewarned to be on the lookout for (the decimation) of populations...these peoples will eventually be replaced by the new root race about to make its appearance in a newly cleansed world.”

But perhaps the most disturbing comments comes from New Age author, Barbara Marx Hubbard. Researchers John Ankerberg and John Weldon report that, “due to her vast financial wealth and influence among leading world politicians, and industrialists...[she] is having a major impact

behind the scenes. She has been influenced by spirits for almost two decades.”

In her book, *Happy Birthday Planet Earth*, Hubbard wrote, “The choice is: do you wish to become a natural christ, a universal human, or do you wish to die? People will either change or die. That is the choice.”

Hubbard says, “There have always been defective seeds. In the past, they were permitted to die a ‘natural death’. We, the elders have been patiently waiting...to take action to cut out this corrupted and corrupting element in the body of humanity.”

Hubbard’s spirit guides gave her a vision of things to come. They told her that “Out of the full spectrum of human personality, one fourth is electing to transcend...one fourth is destructive and they are defective seeds. Now as we approach the quantum shift from the creature-human to the co-creative human--the human who is the inheritor of god-like power...the destructive one fourth must be eliminated from the social body. Fortunately, you are not responsible for this act. We are. We are in charge of God’s selection process for planet Earth. He selects, we destroy. We are the riders of the pale horse, Death.”

Wow! No wonder they don’t repent in the 7-year Tribulation! These people actually think they’re fulfilling Revelation Chapter 6. The Pale Horse Rider, death! Is that sick or what? In fact, they’re so brazen about it, they’ve even set up an **actual monument**, celebrating it, right now, here in the United States! It’s called the **Georgia Guidstones**. And it’s a New Age stone monolith similar to Stonehenge and in 8 different languages is New Ten Commandments of the New World Order. Listen to what they are.

1. Maintain humanity under 500,000,000 in perpetual balance with nature.
2. Guide reproduction wisely – improving fitness and diversity.
3. Unite humanity with a living new language.

4. Rule passion – faith – tradition – and all things with tempered reason.
5. Protect people and nations with fair laws and just courts.
6. Let all nations rule internally resolving external disputes in a world court.
7. Avoid petty laws and useless officials.
8. Balance personal rights with social duties.
9. Prize truth – beauty – love – seeking harmony with the infinite.
10. Be not a cancer on the earth – Leave room for nature – Leave room for nature.

And for those of you who are having a hard time believing this is real, check out this video transcript of one researcher who went there himself to check it out!

“If you go outside the city of Atlanta-go east 60 or 70 miles to the town of Elberton and go north on Hwy 77 about 10 miles. You’ll find off to the right what’s called the Georgia Guidestones. Looks kind of like Stonehenge – its big, huge granite rocks set up there.

This was done by a guy who gave a pseudonym and came in and paid cash, had this company come in and set these things up in 1980. Called himself R.C. Christian, um but that’s not his real name-it says there right on the stone – a pseudonym, false name.

On these Georgia Guidestones, it gives the Ten commandments for the New World Order. Ten commandments for the New World Order-the first commandment was to “Maintain humanity under a half billion”.

I went there and looked at those things and went-hold on a minute! Today’s population is 6 billion. They want to maintain humanity under one half billion. Looks like a lot of people have to die for their plan to work, which is by the way the plan.

Jacques Cousteau said we have to eliminate 350,000 people a day- a third of a million people a day would have to be eliminated to save mother earth. Bill Clinton said we have to reduce the population of the earth to 1 billion. There are a lot of folks who want to reduce the population of the earth.

The bible command is quite the opposite-”Be fruitful and multiply, replenish the earth”, you know God said go fill it, have a bunch of kids. The Bible said He designed it to be inhabited so it’s definitely the opposite of what God wants.

How does Margaret Sanger tie into overpopulation in this whole propaganda? Well Margaret Sanger was a tragic individual. She believed in reducing the population of the earth using birth control using homosexuality, using just about anything than doing what God commanded to be fruitful and multiply and replenish the earth.

So Margaret Sanger started a group called Planned Parenthood, which many people have heard of. They are one of the key people today in the abortion industry, I mean absolutely murdering nearly 5,000 people a day are being murdered by abortion. So Margaret Sanger we have largely to thank for that, other factors are, of course, involved too but it’s really sad and I’m sure she is going to have to answer to God for what she’s done with her teaching.

She taught that inferior races like Blacks and Jews and Hispanics really need to be eliminated. She wanted to set up her birth control clinics in these lower class neighborhoods. People she didn’t think deserved to live and slowly get them sterilized.

She was really involved in the eugenics movement, which became very unpopular by World War 2 because Hitler took the obvious conclusion. Hitler was the ultimate evolutionists and if evolution is true, then you find the superior race - Hitler of course thought it was the blonde haired blue-eyed Germans or Norwegians and so they are the superior race so everybody else should be slowly executed-starting with the Jews, then you have the blacks and on and on it goes.

Yeah Margaret Sanger is a tragic person in history and what she did is much worse than Adolf Hitler. Hitler only killed like 6 million. Margaret Sanger and her type with the abortion industry are responsible for killing 100 thousand million – that’s a billion people.”

Wow! Is that evil or what? And folks, the sad thing is, even if the elite who are planning to build this False Utopia by the reduction of 90% of the

population, even if they could pull it off, they have no clue who they're dealing with.

John 8:44 “You belong to your father, the devil, and you want to carry out your father's desire. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies.”

Which means, even if the elite could pull off this mass murderer program for their False Utopia, satan, would turn right around and murder them too! They're being duped by a false teaching that has come from actual demons in the Last Days, just like the Bible said would happen in the Last Days!

Folks, what more does God have to do! He doesn't want you to be in the 7-year Tribulation. You saw how wicked it's going to be! It's going to be horrible! And that's why, out of love, He's given us all these signs of the **Rise of Falsehood of False Christs, False Myths, False Teachings**, and again today with even more **False Prophets** of the New Age Movement with this push for a **Food & Population Control** to show us that the Tribulation is near and the 2nd Coming of Jesus Christ is rapidly approaching. And that's why Jesus Himself said:

Luke 21:28 “When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near.”

People of God, like it or not, we are headed for **The Final Countdown**. And so the point is this. If you're a Christian here today it's time to get busy! Stop bickering and start working together, and let's get busy saving souls! But if you're here today and you're not a Christian, then I beg you, please, heed the signs...heed the warnings...give your life to Jesus today...because tomorrow may be too late! You don't want to be in the 7-year Tribulation! Amen? Let's pray.

To find the way to God, to understand the *truth* of God's Word, and to received the gift of eternal *life*, begin by repentance and faith through a prayer like this:

“Dear God, I understand that I have broken Your Law and sinned against You. Please forgive my sins. Thank You that Jesus suffered on the cross in my place. I now place my trust in Him as My Savior and Lord. In Jesus' name I pray. Amen.”
