

The Final Countdown – Rise of Falsehood Part 7

“One day this police officer pulls over Al again who’s driving his car and said, ‘Sir, you’re driving way too slow on the freeway, could you please drive a little faster?’”

And so Al says, ‘Oh, I’m sorry. I saw the sign with the ‘15’ on it and assumed the speed limit was 15.’

So the officer explains, ‘No sir, the speed limit is 65, the highway is 15.’

Then the police officer looks in the backseat and sees Kenny and Wes shaking like leaves totally freaked out.

So he says to Al driving the car, ‘Excuse me sir, but what’s wrong with those two?’

And Al replied, ‘Oh, that’s because we just got off Highway 215.’”

Now folks, how many of you’d say that Kenny and Wes were having the **fright of their life**, you know what I’m saying? Uh huh! Shaking like leaves. But seriously folks, as bad as that was, did you know the Bible says there’s a time that’s going to be even more frightening than driving with Al? Uh huh! And that time’s going to happen when you see the rapture of the Church! And the reason why is because for those who refuse to accept Jesus Christ as their Personal Lord and Savior, they will be catapulted into the 7-year Tribulation and it’s not a joke! You’ll be shaking like a leaf too because it’s an outpouring of God’s wrath on a wicked and rebellious planet. In fact Jesus said in **Matthew 24** it’s going to be a “time of greater horror than

anything the world has ever seen or will ever see again. And that “unless that time of calamity is shortened, the entire human race will be destroyed.”

But praise God, God’s not only a God of wrath, He’s a God of love as well. And **because He loves you and I**, He’s given us many warning signs to show us when the Tribulation was near and Jesus Christ’s 2nd Coming was rapidly approaching. Therefore, in order to keep you and I from experiencing the ultimate bad day of being left behind, you don’t need to be a detective to figure this out folks, we’re going to continue in our series **The Final Countdown**.

And so far we’ve already seen how the **#10** sign on **The Final Countdown** was **The Jewish People**. The **#9** sign was **Modern Technology**. The **#8** sign was **Worldwide Upheaval**. And **last six times** we saw how the **#7** sign was **The Rise of Falsehood**. And what we saw there was that God lovingly foretold you and I that when we see an **Increase of False Christs, False Myths, False Teachings** and **last time even more False Prophets** spreading New Age lies in the Church via **Food & Population Control** that’s happening right now before our very eyes all across the planet, exactly like the Bible said would happen in the Last Days and so guess what? It’s an indicator from God **you’re living in the last days!**

But that's still not all. And the 5th way that New Age is seducing people right under our noses is not only with a promotion of a **Hollywood Mogul** and a **Healthy Earth** a **Healthy Body** and a **Heavenly Utopia** but it's also with the promotion of a **Heavenly Host**. That's right folks, I'm talking about **UFO's and Aliens**. And folks, I'm telling you, this is one of the biggest lies ever to hit the planet earth! But don't take my word for it.

Let's listen to God's.

John 8:31:44 "To the Jews who had believed Him, Jesus said, "If you hold to My teaching, you are really My disciples. Then you will know the truth, and the truth will set you free." They answered Him, "We are Abraham's descendants and have never been slaves of anyone. How can You say that we shall be set free?" Jesus replied, "I tell you the truth, everyone who sins is a slave to sin. Now a slave has no permanent place in the family, but a son belongs to it forever. So if the Son sets you free, you will be free indeed. I know you are Abraham's descendants. Yet you are ready to kill Me, because you have no room for My word. I am telling you what I have seen in the Father's presence, and you do what you have heard from your father."

"Abraham is our father," they answered. "If you were Abraham's children," said Jesus, "then you would do the things Abraham did. As it is, you are determined to kill Me, a man who has told you the truth that I heard from God. Abraham did not do such things. You are doing the things your own father does." "We are not illegitimate children," they protested. "The only Father we have is God himself."

Jesus said to them, "If God were your Father, you would love Me, for I came from God and now am here. I have not come on My own; but He sent Me. Why is My language not clear to you? Because you are unable to hear what I say. You belong to your father, the devil, and you want to carry out your father's desire. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies."

Now folks, according to our text, the Bible clearly says that satan is not only a murderer and a liar but he's the what? He's the **father of all lies**. And that means whatever undermines the truth about Jesus and what He came to do and how we can be saved is what satan's all about. And folks, believe it or not, this is precisely what he's doing with the UFO Alien Movement! It's not only demonic, but it's yet another satanic lie just to draw people away from Christ!

The **1st way** we know UFO's are clearly demonic in nature is because **They LIE Like Demons**. You know, just like **satan**! Stop and think about it. We know that the whole belief of UFO's and aliens are a lie because it's all based on a lie called evolution, right? Stop and think about it. The whole premise of aliens is that they're a what? A higher evolved race, right? But wait a second. if evolution is no true and it's not, and we saw that for two weeks in our study, then how can these things have ever evolved into a higher race in the first place, right? Which means...it's a lie! If evolution can't take place on this planet, then it can't take place on any planet! And if evolution can't happen here, then logically, it can't happen anywhere! This is your first clue that something's wrong here! The whole premise of higher evolved aliens and UFO's is based on a lie and lies come from satan! In fact,

it's so obvious of as lie that even the secular UFOologists admit something doesn't stack up! Check his out!

“When I got out in 1989 we had cataloged 57 different species. Oh, you have individuals that look very much like you and myself that could walk among us and you wouldn't even notice the difference-except for some of the things that-oh-they might be able to go ahead and even in a dark room and touch and object and go ahead and identify what color that object might be.

They would have a heightened sense of smell, sight-uh- hearing. The situation is that you have various types of what we normally call “greys”. We didn't call them greys in the military but you have at least 3 types of the greys. You had some that were much taller than we were. The unique thing that I would like to point out for the most part that the entities that we did catalog, were in fact humanoid.

Now this created a situation where the scientific community was trying to figure out why that would be the case, because you would expect that if life evolved on other planets that they would take on some type of other-uh being so to speak, not necessarily look humanoid or be bi-pedals such as we are but apparently we got quite a few of the species out there that are humanoid in appearance and that creates a question that yet has to be answered by science.”

I'll answer it for you...**it's a lie!** Yeah, you're right! There is a problem here. If evolution is true then why are all these supposed alien creatures humanoid just like us? I mean, you'd think you'd get a blob or some random shape once in a while if evolution is true, if all of life supposedly came from some random chance event in the universe. But no! They're all humanoid like us! Folks, that's you're first clue you're being lied

to! It doesn't add up! And that's because it a lie that's based on a lie called evolution!

And when you realize that, it makes you think just how dark and cunning and deceptive the enemy really is! In order to pull off this Last Days lie of UFO's and aliens today, you have to **first** get the lie of evolution ingrained into the minds of the people around the world, in order to pull it off. Which means, he's been working on this baby for 150 years, starting with Charles Darwin and it's not coming to fruition in our lifetime! Is he evil or what? Slowly, methodically, waiting patiently over many many generations, he first got us conditioned to the lie of evolution then he pounces in for the kill to lead people away from Jesus in the Last Days with UFO's. Correct me if I'm wrong, but I'm thinking that's exactly what a demon would do, amen?

But that's not all. The **2nd reason** why we know UFO's are clearly demonic in nature is because **They TEACH Like Demons**. You see folks, demons not only **lie** but they propagate those lies with **teachings**, i.e. false teachings! And little do people know that the **teachings** that are supposedly coming from these Aliens and UFO's have their roots in the occultic beliefs of the New Age Movement. Hey what a surprise! Anyone see a pattern here? You see, the average person thinks that they are **making contact and**

receiving new teachings from these heavenly hosts orbiting the planet when in reality they are helping to spread the beliefs of the New Age Movement.

Shocker! And to show you what I mean, let's take a look at these teachings that are supposed to be coming from these aliens and UFO's and you tell me if it's not promoting New Age again!

- All of us are little gods.
- The earth is a living entity and we need to worship her and change our ways or we will be destroyed.
- Jesus, Muhammad, and Buddha all came from the E.T.'s to assist mankind in our next step of evolution.
- There is no such thing as sin, we do not need to be saved.
- Orthodox Christianity has it all wrong. Jesus' real message was to teach us that each one of us can become "christs."
- To aid in contacting these "heavenly beings" one should refrain from certain foods and practice meditation
- Mankind needs to unite into a one world government and religion or we will be destroyed.
- The devil or Lucifer is actually a good guy who has come to free us.

What? You come all the way across the universe to tell me that satan is a good guy? Excuse me? That's sounds demonic! You'd think you'd have something better to tell us than that! And that's what these researchers say:

Dr. Walter Martin: "The big problem is not what they are but who they are. The key to it is their theology. They're all saying the same thing, and all of it is bad-mouthing the Bible. This tells me that what the Bible says was going to take place is taking place. What you're dealing with is another dimension of reality which the Bible frequently mentions. It's called 'the realm of the prince of the powers of the air.' In other words, this is a supernatural manifestation which Christianity calls demonic."

John Ankerberg: “In light of the messages given by the UFO entities, how credible is it to think that literally thousands of genuine extra-terrestrials would fly millions or billions of light years simply to teach New Age philosophy, deny Christianity, and support the occult? Why would they do this with the preponderance of such activity already occurring on this planet? And why would these entities actually possess and inhabit people just like demons do if they were really advanced extra-terrestrials? Why would they consistently lie about things which we know are true, and why would they purposely deceive their contacts?”

Yeah, that is a good question. Why would you supposedly come all the way across the galaxy just to promote the rise of the antichrist, support Occultic New Age teachings and debunk **only** Christianity? I mean, gee whiz, you'd think if you were a **real alien** you'd share with us some secret technology or help us find a cure for cancer since if you're supposed to be so higher-evolved and intellectually superior to us. But no! You come all the way across the galaxy just slam Jesus, Christianity, and the Bible, and promote the antichrist kingdom and say satan's a good guy! That's totally demonic, folks! Just like satan!

But that's still not all. The **3rd reason** why we know UFO's are clearly demonic in nature is because **They COMMUNICATE Like Demons**. Now, if you were paying attention to that list of teachings earlier, what was the method of contact these beings say we need to use in order to contact or communicate with them? We need to abstain from certain food and meditate so we can get ourselves into an altered state of consciousness **then** they will

speak to us? They call it channeling! Yet, the Bible just happens to say it's **demonic!**

Deuteronomy 18:9-14 “When you enter the land the LORD your God is giving you, do not learn to imitate the detestable ways of the nations there. Let no one be found among you who sacrifices his son or daughter in the fire, who practices divination or sorcery, interprets omens, engages in witchcraft, or casts spells, or who is a medium or spiritist or who consults the dead. Anyone who does these things is detestable to the LORD, and because of these detestable practices the LORD your God will drive out those nations before you. You must be blameless before the LORD your God. The nations you will dispossess listen to those who practice sorcery or divination. But as for you, the LORD your God has not permitted you to do so.”

Why? Because God wants you to know the truth and He doesn't want you deceived by demons! And **yet** that's precisely what these supposed higher evolved beings say we need to do! In order to contact them I have to use occult techniques that the Bible forbids! Here's one lady in action talking to aliens!

JZ KNIGHT: God does not live outside of you. God is you.

While JZ Knight is one of the more successful mediums, she is certainly not alone. A nearly identical doctrine is preached from a series of channelers who believe they are in communication with extraterrestrial spirits from other planets and galaxies. In a documentary, “UFO's and Channeling” the late actor Telly Savalas reveals that the purpose of channeling these alien entities is entirely consistent with the purpose of the New Thought/New Age Movement to change the thinking of mankind.

Telly Savalas: “Tonight we're going to show you some film that might change the way you think about life.”

Next, we are introduced to a woman who channels a spirit calling itself

Leah.

“Leah” speaking: “Hello Phillip, how are you today.”

Phillip: “Very good Leah, how are you”

“Leah”: “Very good, thank you. So, what is it that you wanted to know?”

Phillip: “Where are you from?”

“Leah”: I am from Venus

Phillip: I don't think anybody is going to believe that you or anybody else could be from Venus. Could you explain to us how you could be when everybody knows it's uninhabitable.

“Leah”: “They thinks it's uninhabitable because it is not habitable by physical life forms. We have bodies of light’

While “Leah” rambles on with fantastical ideas, she soon compels the audience toward global unity. A message found throughout the new age movement.

“Leah”: “And what occurs here on this planet will affect the rest of the universe. Can you, with all of you're different ideas, all of you're different races-come together as one planet and one people. We have dedicated millennia upon millennia to this idea.”

So, you not only come all the way across the galaxy just to slam Jesus, Christianity, and the Bible, and promote New Age teachings as you just saw, including, again, that satan's a good guy! But the only way I can receive this “new enlightenment” is by using demonic practices that the Bible just happens to forbid? I mean, you'd think if you're really this higher-evolved highly advanced civilization that I could use a walkie talkie, or a new

fangled cell phone or even one of those fancy “Kirk to Enterprise” devices. But no! I have to use and can only use a demonic means to communicate with you for this new information! Folks, give me a break! This is demonic! And it’s exactly what the Bible said would happen in the Last Days!

1 Timothy 4:1 “The Spirit clearly says that in later times some will abandon the faith and follow deceiving spirits and things taught by demons.”

Hey! Looks like that verse has come to pass! It’s time to get motivated! But that’s still not all. The **4th reason** why we know UFO’s are clearly demonic in nature is because **They TRAVEL Like Demons**. Let’s take a look at how demons/angels travel according to the Bible.

2 Kings 6:15-17 “When the servant of the man of God got up and went out early the next morning, an army with horses and chariots had surrounded the city. “Oh, my lord, what shall we do?” the servant asked. “Don’t be afraid,” the prophet answered. “Those who are with us are more than those who are with them.” And Elisha prayed, “O LORD, open his eyes so he may see.” Then the LORD opened the servant’s eyes, and he looked and saw the hills full of horses and chariots of fire all around Elisha.”

Or in other words, they were the Angels of the Lord. And folks, what we see here is the classic passage where the prophet of God Elisha was being hunted down by a foreign King. And he asked God to open the eyes of his freaked out servant to see just how well protected they really were by God’s angels. And it’s this passage, among many others that tell us just how angels travel, including demons who are of the fallen category of angels.

Now, here’s the point. Wonder of wonders, this ability to appear and

disappear, and materialize and dematerialize, pop on the scene and pop out like angels, is precisely what UFO's do. Let's take a look.

UFO experts are saying that these beings are not so much physical in nature as they are spiritual.

- And that's because they clock them at speeds up to 15,000 mph making right turns which would instantly destroy anything physical like this video shows

And that's why researchers say they are massless by our physics, i.e. spiritual in nature. Hmmm. Demons are spiritual, aren't they?

- UFO's are not only able to go faster than the speed of sound, but they make no sonic boom like a normal physical object does. Another clue they're spiritual.
- Radar has never recorded the actual entering of UFO's into our atmosphere.
- Even with supposed millions of advanced civilizations in outer space, it would be almost impossible if just once a year for an extra-terrestrial craft to find us out here on the limb of our galaxy. Yet we are seeing literally tens of thousand of these so-called craft yearly.
- The so-called "aliens" seem to be able to live in our atmosphere without the help of respiratory devices.
- UFO's have been fired upon scores of times by American, Russian, and Canadian pilots, but these pilots have never been able to physically bring down a craft or capture it.
- UFO entities seem to have the ability to materialize and dematerialize at will as if coming from another doorway or portal, which is what the Bible says angels and demons can do.

And this is why many UFO experts are now saying that based on decades of research, these beings aren't coming from outer space but inner space. In other words, they're coming from another dimension:

Dr. Jacques Vallee said, "They're more like windows into another dimension."

In fact, in an official statement from Flying Saucer Review by editor **Gordon Creighton** he says, "There seems to be no evidence yet that any of these craft or beings originate from outer space."

Brad Steiger said he thinks the chances are very good that, "We are dealing with a multi-dimensional para-physical phenomenon which is largely indigenous to planet earth."

Arthur Clark, the famous science fiction writer observes, "One theory that can no longer be taken very seriously is that UFO's are interstellar spaceships."

In other words, these things are **not** coming from outer-space, they're coming from inner-space, they're coming from another dimension which the Bible calls the Spirit realm. And wonder of wonders, once again, it fits the profile of DEMONS.

But that's not all. The **5th reason** why we know UFO's are clearly demonic in nature is because **They POSSESS Like Demons**.

Matthew 8:16,28 "When evening came, many who were demon-possessed were brought to him, and He drove out the spirits with a word and healed all the sick. When He arrived at the other side in the region of the Gadarenes, two demon-possessed men coming from the tombs met Him. They were so violent that no one could pass that way."

And of course, Jesus later in the context, Jesus drives those out too.

But here's the point. The Bible not only clearly says that there demons

walking around on the planet, but one of the things that demons like to do is what? Inhabit people, who are walking around on the planet, right? It's called **demonic possession**, and as creepy as that is, that's the facts. Now here's the point. Can anyone guess just what it is that these supposed UFO's and Aliens like to do with people they come in contact with? Hey, that's right! They like to **possess them**, like this guy!

“On the evening of October 25th 1973, a young Pennsylvania farmer, Stephen Fuleski and at least fifteen other witnesses saw a bright object hovering over a field near them. Stephen grabbed his rifle and went to investigate.

It was then that he noticed something walking along by the fence. They were hairy and long armed with greenish-yellow eyes and a smell like burning rubber was present. Stephen sensed that these creatures were not friendly and fired a tracer bullet over their heads and when they kept on coming, he fired directly at one of them.

The creatures then all disappeared into the woods and the glowing object disappeared from the field instantaneously. UFO researchers as well as a State Trooper were called in to investigate.

When they arrived the people there told them that Stephen had been growling like an animal and flailing his arms. His own dog ran toward him and Stephen attacked the dog. Stephen then collapsed and after a time began to come to his senses.

The entire group commented on the nauseating sulfur like odor that was present.”

Hmmm...sulphur-like odor that was present...That just so happens to be the same smell the Bible uses to describe the Lake of Fire? I'm sure that's a coinky-dink, right? Yeah right! Folks, UFO researchers admit that when a

person does have an encounter with supposed Aliens and UFO's, that they habitually do one of three things:

1. Go deeper into the Occult/NewAge..hey shocker!
2. They kill themselves...commit suicide!
3. Or they go insane and become demonically possessed like that man!

And people, that's why even secular researchers in the UFO field are saying they're demonic! They see the obvious connection!

Dr. Jacques Vallee: "We are dealing with a yet unrecognized level of consciousness, independent of man but closely linked to the earth. I do not believe anymore that UFO's are simply the spacecraft of some race of extraterrestrial visitors. This notion is too simplistic to explain their appearance, the frequency of their manifestations through recorded history and the structure of the information exchanged with them during contact.

An impressive parallel can be made between UFO occupants and the popular conceptions of demons. UFO's can project images or fabricated scenes designed to change our belief systems. Human belief is being controlled and conditioned, man's concepts are being rearranged and we may be headed toward a massive change of human attitudes toward paranormal abilities and extraterrestrial life." (i.e. they're deceiving us)

The 'medical examination' to which abductees are said to be subjected, often accompanied by sadistic manipulation, is reminiscent of the medieval tales of encounters with demons. The symbolic display seen by the abductees is identical to the type of initiations ritual or astral voyage that is imbedded in the occult traditions of every culture. Thus, the structure of abduction stories is identical to that of occult initiation rituals."

UFO researcher **Lynn Catoe** stated, "A large part of the available UFO literature is closely linked with mysticism and the metaphysical. It deals with subjects like mental telepathy, automatic writing and invisible entities as well as phenomena like poltergeist or ghost manifestations and 'possession.' Many of the UFO reports now being published in the popular press recount alleged incidents that are strikingly similar to demonic possession and psychic phenomena."

Dr. Pierre Guerin an eminent scientist associated with the French National Council for Scientific Research says, “UFO behavior is more akin to magic than to physics as we know it. The modern UFO-nauts and the demons of past days are probably identical. What is quite certain is that the phenomenon is active here on our planet, and active here as master.” (i.e. they’re controlling things)

John Keel one of the most informed persons in the world on UFO’s, author of the now-classic *UFO’s: Operation Trojan Horse* states: “The manifestations and occurrences described in this imposing literature on demonology are similar if not entirely identical to the UFO phenomenon itself. The UFO manifestations seem to be, by and large, merely minor variations of the age-old demonological phenomenon.”

John Ankerberg: “Among UFO contactees or others who communicate personally with the alleged extra-terrestrials there are also literally 1,000’s of cases of what can only be termed spirit possession. The fact that these supposedly advanced beings from outer space prefer to possess their contacts after the manner of demons is further evidence that we are dealing with an occult phenomenon.”

Now folks, I don’t know about you, but if even the secular researchers on UFO’s, you know the experts, are saying these entities are demonic in nature, then I’m kind of thinking they’re probably demonic in nature, how about you? Uh yeah! Slightly!

But that’s still not all. The **6th reason** why we know that UFO’s are clearly demonic in nature is because **They’re REBUKED Like Demons.**

Mark 1:21,23-27 “Jesus went into the synagogue and began to teach. Just then a man in their synagogue who was possessed by an evil spirit cried out, “What do you want with us, Jesus of Nazareth? Have you come to destroy us? I know who you are – the Holy One of God!” “Be quiet!” said Jesus sternly. “Come out of him!” The evil spirit shook the man violently and came out of him with a shriek. The people were all so amazed that they

asked each other, “What is this? A new teaching – and with authority! He even gives orders to evil spirits and they obey Him.”

Now folks, here we see again, another text were dealing with demonic possession, but this time I wanted to point put Who was it that clearly had the power over them and the authority over them to cast them out? Jesus right? And gee folks, wonder of wonders, can anybody guess, just what happens to be the one **surefire** way to get rid of these beings when they come your way? Hey, that’s right! It’s when you **command them in the Name of Jesus Christ to leave** and they do! Come on! That’s a demon, like this researcher shows:

“Far from the abductee population including all those with religious beliefs, there is one group of people that, by and large, is notably absent. They are Christians, those wo are often (these days unflatteringly) described as ‘Christian Fundamentalists.’

Many people in the world claim to be a Christian; that is, they have Christian ideals or morality, and may even regard themselves as good people. But I am talking about what are known as ‘born-again,’ Bible believing Christians. It is as if ET’s tend to avoid this select group of people. This reality has been largely ignored by many UFO researchers.

Muslims, Buddhists, Jews, agnostics, all seemed to claim abduction experiences. As more case studies were examined, a puzzling trend emerged. The so-called Christians reporting the abduction experience tended to be people who intellectually expoused the existence of God, but didn’t apply it personally. (i.e. not true Christians) But there seemed to be an obvious absence of devout, Bible believing, ‘walk the walk’ Christians. Where were they in this equation?

One experience by a Mr. Bill D., took place at Christmas in Florida in 1976. His abduction started out typically, i.e., late at night, in bed. Earlier in the

evening he saw some anomalous lights through his living room window over a forest north of his home. He assumed it was a police helicopter searching for drug runners or something.

Whatever it was, it agitated his dogs for several hours thereafter. He eventually went to bed. He was lying in bed kept wide awake by the barking dogs when paralysis set in. He was unable to cry out. He could see nothing but a whitish grey, like a mist or fog, although he sensed someone or something was in his room. His wife didn't waken.

The next thing he knew, he was being levitated above his bed. By this time, he was alive with terror, but he couldn't scream. Here is where the story becomes very interesting. He states, 'So helpless, I couldn't do anything. I said, 'Jesus, Jesus, help me!'

When I did, there was a feeling or sound or something that either my words that I thought or the words that I had tried to say or whatever, had hurt whatever was holding me up.

I fell, I hit the bed, because it was like I was thrown back in bed. I really can't tell, but when I did, my wife woke up and asked why I was jumping on the bed.'

This was the first time that experienced field investigators had ever heard of an abduction being stopped, and this man did it by just calling on the Name of Jesus.

Another experience of stopping an abduction with the Name of Jesus Christ goes like this. One man shared, 'Back about 1973 my wife had a strange experience in the middle of the night.

At the time we knew nothing about UFO abductions, so we had no category in which to place it other than extremely 'lucid nightmare.' It has many of the abduction 'components.'

The point is that she stopped the entities and the whole experience with the Name of 'Jesus.' It's vital to get this information out.' I suggest that the answers they have been looking for but do not want to hear may be – 'God is real, and the Bible is true.'

This interpretation is further supported by the ‘space brothers’ single-minded obsession with undermining the Bible’s account of the nature and mission of the only ‘One’ who appears to be able to stop them – Jesus.”

My name is Joe George and I’m the State Section Director for the Mutual UFO Network from Brevard County Florida. I’m also Lead Field Investigator. When we get a call for an investigation, we take all the information we could over the phone and then we send investigators out sometimes myself-sometimes other investigators working with me. And we follow up to do an investigation report. To these people they were sincere. They have sincere experiences and alot of them looking for help and they felt that being we were involved as researchers and investigators that we could be of some help to them.

Joyce Erins: My name is Joyce Erins...(pause)...um...I’m a floral designer and I was laying in bed, my husband and I. I was laying on my right side and all I could see when I opened my eyes-all I could see was this red light above the window and I could see my husband’s shoulder but I was like paralyzed. Their skin, looked alot like elephant skin. They had the big bulbous head with the big red-brown eyes.

Joe George: As an honest researcher, I realized that I couldn’t just count these people out because the stuff that they had was so bizarre. Most of the researches in the realm said it wasn’t possible to stop an experience. Knowing that, I called some of the leading researchers in the country. So I said, “Guys. I have a very unusual case here.” This man-we’ll use the name Bill- and during his experience in fear he calls out “JESUS!JESUS! JESUS!” or “Jesus, please HELP ME”. By calling out, he abruptly stops his abduction experience. These entities can be stopped in the name and authority of Jesus Christ.

Joyce Erins: Once down in Coco, this was after I had accepted Jesus Christ, they tried to come and I kept saying No. Jesus please help me. And I took on the empowerment of Jesus Christ and I stopped that.”

Now folks, maybe it just me but, if it walks like a demon, talks like a demon, travels like a demon, acts like a demon, and is rebuked in the Name of Jesus Christ like a demon, I’d kind of say, we’re dealing with demons

here! Hello! Of all things to stop an actual alien encounter is to rebuke it in the Name of Jesus Christ alone, and it flees? Come on folks! That's a DEMON!

But that's still not all. The 7th **reason** we know that UFO's are clearly demonic in nature is because **They DECIEVE Like Demons**. Hey folks, as if what we've seen so far wasn't enough proof that we're dealing with actual demons here, little do people know that UFO's are also being used to **explain away the rapture of the Church!** Check it out!

1 Thessalonians 4:15-17 "According to the Lord's own word, we tell you that we who are still alive, who are left till the coming of the Lord, will certainly not precede those who have fallen asleep. For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever."

Now here we see **just one** of the classic passages in the Bible that deals with the evacuation of the Christians, or the rapture, just prior to God's wrath being poured out on the whole world during the 7-year Tribulation. But little to people know that UFO's are being used **right now** to explain away this event. **Right now** people are being prepared to think that it's **not GOD** coming to get His Church, it's the UFO's that got them! And for obvious reasons! Think about it! Put yourself in satan's shoes. Here you have an event that you cannot deny, you can't spin it away, it really

happened, millions of people, all around the world, suddenly disappeared. And it's specifically and only Christians. So the logical normal response to those left behind would certainly be something like, "Oh no! Why didn't I listen to my Christian wife or brother, co-worker, or whatever. They were right, the Bible's true! I better get right with God now!" People en masse will get saved all over the world **because of the shock of the rapture**, right? Not anymore! People, I'm telling you the enemy is slick! This is what all this has been leading to. This is the Last Days lie! This is what he put into motion 150 years ago with Charles Darwin! When people witness other people disappear all across the planet in the blinking of an eye, they won't connect it with God or the rapture or even Christianity. No! It was the aliens that came and got them, but we'll be okay. Don't believe me? Here's what here's what your average UFO enthusiasts is being taught right now!

Barbara Marciniak is a very famous New Age author and channeler. In her book *Bringers of the Dawn* she documents what she claims extra-terrestrials from the star system of the Pleiades have told her. "There will be great shiftings within humanity on this planet. It will seem that great chaos and turmoil are forming, that nations are rising against each other in war, and that earthquakes are happening more frequently. Earth is shaking itself free, and a certain realignment or adjustment period is to be expected. The people who leave the planet during the time of earth changes do not fit here any longer, and they are stopping the harmony of earth. When the time comes that perhaps twenty million people leave the planet at one time, there will be a tremendous shift in consciousness for those who are remaining."

Channeler Thelma Terrell, who goes by her spiritual name, "Tuella," wrote a book called *Project World Evacuation*, these are some quotes from

that book: “Our rescue ships will be able to come in close enough in the twinkling of an eye to set the lifting beams in operation in a moment, and all over the globe where events warrant it, this will be the method of evacuation. Mankind will be lifted, levitated shall we say, by the beams from our smaller ships. These smaller craft will in turn taxi the persons to the larger ships overhead, higher in the atmosphere, where there is ample space and quarters and supplies for millions of people. The Great Evacuation will come upon the world very suddenly. The flash of emergency events will be as a lightning that flashes in the sky.”

Various UFO Channelers say, “The cataclysms are all part of purifying this Earth back to a millennium. What is going to happen when you reach a certain point is that you will have the first wave of ascension. Those whose bodies cannot take this change will go in the first wave of ascension. They will be taken up and their bodies will be changed in the twinkling of an eye. In the twinkling of an eye they will be removed from the physical completely into the new spiritual body. There will be many visits from the galaxies by inter-dimensional beings, as from the Pleiades, to assist and in some cases to rescue people and take them into higher places. Those are the flying machines that you are seeing coming into your galaxies that have been preparing themselves for up to the last forty years. Some never die on this earth, these missing persons have already been taken, as their time was not up and they were not meant to go through a demise. They went through a lift-off in UFO’s.”

And just to make sure we fall for this LIE, this Last Days LIE,

Hollywood’s right there already there helping satan out. Here’s just one of their movies promoting it.

On August 28th, 2009 NASA sent a message into space farther than we ever thought possible...

...In an effort to Reach Extraterrestrial Life

(Scene flying over a nighttime city skyline)

NBC Reporter: Stephen Hawking, astrophysicist and inarguably the smartest man on the planet warned us about the possibility of aliens from outer space.

(Flashes back to the city: A blue beam of light shoots down towards the ground)

Another Reporter: Hawking says that if extraterrestrials visit us-the outcome might be similar to when Columbus landed in America. In other words, it didn't turn out to well for Native Americans.

(Back to the city-many blue beams of light hitting the city streets)

MAYBE WE SHOULD HAVE LISTENED

(Scene of beams causing damage as large clouds of smoke emanate from the ground)

(Scene changes to untold numbers of people screaming as they are being beamed into the sky towards the inside of a large UFO)

DON'T LOOK UP"

And that's just one of their movies. Sometime they just beam them up instead of suck them up, sometimes the aliens land and flat out get them, but as you can clearly see, Hollywood has already helped us come up with several different scenarios to "visualize" this lie to explain away the rapture.

And folks, I find it interesting that they just happened to specifically say

DON'T LOOK UP when that's exactly what Jesus says we need to do.

Luke 21:28 "When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near."

But no...the enemy's been working for 150 years to train us to don't look up when these people disappear...you have no worries...look down and be glad that you are now one of the chosen ones who can enter the Age of

Utopia! And it's a lie from the pit of hell! Folks, what more does God have to do? We are headed for the greatest time of **deceit** this world has ever seen or will ever see again! And you don't want to be there!

If you're reading this today as a Christian, it's time to get motivated and do something about it. Start sharing the Gospel! Do something! But if you're reading this today and you're not a Christian...I beg you please, call upon the Name of Jesus **now**, get saved, otherwise you are running the risk of being left behind. And when people disappear it will have **nothing** to do with UFO's and you will **not** be entering the Age of Utopia! It will be the 7-year Tribulation, you're worst nightmare!

To find the way to God, to understand the *truth* of God's Word, and to received the gift of eternal *life*, begin by repentance and faith through a prayer like this:

“Dear God, I understand that I have broken Your Law and sinned against You. Please forgive my sins. Thank You that Jesus suffered on the cross in my place. I now place my trust in Him as My Savior and Lord. In Jesus' name I pray. Amen.”
