

The Final Countdown – One World Religion

Part 1

“Every year Orson and his wife Janette go to the Air Show here in Vegas and every year Orson would says to Janette, ‘You know, Janette, I’d like to ride in that there airplane.’

And every year Janette says, ‘I know, Orson, I know, but that airplane ride costs ten dollars, and ten dollars is ten dollars.’

Well, this one year, apparently recently, Orson and Janette go to the air show again and again Orson says, ‘Janette, I’m getting older and if I don’t ride that airplane this year I may never get another chance.’

So Janette replied, ‘Orson, that there airplane ride costs ten dollars, and ten dollars is ten dollars.’

Well, the pilot overheard them and he said to them, ‘Folks, I tell you what. I’ll make you a deal. I’ll take you both up for a ride and if you both can stay quiet for the entire ride and not say one word, I won’t charge you, but if you say one word it’s ten dollars.’

So Orson and Janette they agreed and they went up in the plane.

And so the pilot he’s doing all kinds of twists and turns, rolls and dives, but not a word is heard. Then he does all his tricks over a gain, but still, he doesn’t hear a single word.

So finally they land and the pilot turns to Orson and says, ‘My goodness, I did everything I could think of to get you to yell out, but you didn’t.’

And Orson replied, ‘Well, I was gonna say something when Janette fell out, but ten dollars is ten dollars.’”

Now folks, how many of you guys would say that’s a little surprising of Orson there, you know what I’m saying? I mean, gee whiz, I know the finances are tight, but Janette make great cookies man. I mean, I’d give her

at least 20 bucks before she fell out. But seriously folks, did you know the Bible says there's also going to come a surprising day to the whole planet, when people really are going to be falling all over the place, and that's going to happen at the rapture of the Church. And the reason why it's going to be such a **surprising time** is because for those who refuse to accept Jesus Christ as their Personal Lord and Savior, they will be catapulted into the 7-year Tribulation and it's not a joke! It's an outpouring of God's wrath on a wicked and rebellious planet. In fact Jesus said in **Matthew 24** it's going to be a "time of greater horror than anything the world has ever seen or will ever see again. And that "unless that time of calamity is shortened, the entire human race will be destroyed." But praise God, God's not only a God of wrath, He's a God of love as well. And **because He loves you and I**, He's given us many warning signs to show us when the Tribulation was near and when Jesus Christ's 2nd Coming was rapidly approaching.

Therefore, in order to keep you and I from experiencing the ultimate bad day of being left behind, even worse than riding in a plane with Orson, we're going to continue in our series **The Final Countdown**. And so far we've already seen how the **#10** sign on **The Final Countdown** was **The Jewish People**. The **#9** sign was **Modern Technology**. The **#8** sign was **Worldwide Upheaval**. The **#7** sign was **The Rise of Falsehood**. The **#6**

sign was **The Rise of Wickedness**. And the **last 6 times** we saw how the **#5** sign was **The Rise of Apostasy**. And what we saw there was that God lovingly foretold you and I that when we see not only the **world** going down the tubes, but even the **Church** going down the tubes, which is happening right now today all over the world, thanks in part to a massive flooding of **Phony Baloney Believers in the Church, Greedy Believers in the Church, Worldly Believers in the Church, Occultic Believers in the Church, and the last time, a massive flooding of Deadly Believers in the Church**, in other words, dead, fake, phony Christians. And what we saw there was this was being done by the lies of The Liberal Christianity Movement, which is not Christianity, and it's tricking people into thinking they're Christians when they're not! They're fake, they're phony they're dead **and** they're taking over the Church with their New Services, their New Scripture, and their New Savior, exactly like the Bible said would happen when you are living in the Last Days!

But that's not all. The **#4** sign on **The Final Countdown** that God has given to us to lovingly wake us up is none other than **A One World Religion**. What? Are you serious? Uh huh! And folks, I'm telling you, pay attention. The Bible is clear. All the religions of the planet, one day, are going to come under the head of one man, the Antichrist, and his buddy the

False Prophet. And these dead, fake, phony Christians we just saw, they're going to go right along with it. But don't take my word for it. Let's listen to God's.

Revelation 13:3-9 "One of the heads of the beast seemed to have had a fatal wound, but the fatal wound had been healed. The whole world was astonished and followed the beast. Men worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, 'Who is like the beast? Who can make war against him?'

The beast was given a mouth to utter proud words and blasphemies and to exercise his authority for forty-two months. He opened his mouth to blaspheme God, and to slander his name and his dwelling place and those who live in heaven. He was given power to make war against the saints and to conquer them. And he was given authority over every tribe, people, language and nation. All inhabitants of the earth will worship the beast – all whose names have not been written in the book of life belonging to the Lamb that was slain from the creation of the world. He who has an ear, let him hear"

In other words, you better pay attention to this! Folks, according to our text, the Bible clearly says that there's really coming a day when all the inhabitants of the earth are going to be busy worshipping who? The antichrist himself, right? One day, the Bible says, the whole world will be unified into **A One World Religion** that is actually **satanically inspired**. But that's the question. "Could this really happen? Could the whole world really be deceived into creating **A One World Religion** that the Antichrist is going to hijack and take over? And is there any evidence that this is really

going to take place just like the Bible said?” Uh, yeah! You bet there is! And it’s happening right before our very eyes **right now!**

And the **1st way** we know we’re really headed for **A One World Religion** is due to a **Welcoming of All Faiths**. That’s right, I’m talking about the **Interfaith Movement**. You see, put yourself in the Antichrist’s shoes. If you’re going to deceive people into creating **A One World Religion** then you’ve also got to get rid of any sense of one religion being superior over another, right? And this is precisely what the Interfaith Movement has done. This term, by the way, interfaith, is the new buzz word for A One World Religion. When you see this anywhere in the news or print, Interfaith, or interfaithism, just supplant it for what it is. It’s talking about the formation of A One World Religion because that’s what it means. And promoters of this movement would have you and I believe that **all religions** are valid pathways to God. In other words, all roads, no matter what the belief is, lead to heaven. Therefore, they say, there’s no need to argue or fight with one another. We just need to respect, tolerate and find common ground with one another. We need to work together for the common good of saving Mother Earth and the planet keep humanity from destroying itself, right? How many of you guys have heard that? **Or this...** “After all, in light of the terrorist attacks on September 11th, we all know that “religious

differences” are the main cause of war, right? No, it’s not, that’s a lie and we’ll explode that myth in a little bit. But this is what Interfaith or interfaithism teaches, which as you can tell is diametrically opposed to True Biblical Christianity. But granted, on the surface, it sounds nice, it sounds politically correct, but as far as the Bible is concerned, **there is no such thing**. If a person says they’re an interfaith Christian, they’re an oxymoron. **Why?** Because according to their own definition, Jesus was apparently the most intolerant bigoted person who ever lived because He said this:

John 14:6 “I am the way and the truth and the life. No one comes to the Father except through me.”

Now here’s the problem. According to our societies Interfaith Movement, you cannot make a more “intolerant” statement than that! But people, that came from the lips of Jesus! And I don’t recommend you call Him a “religious bigot”! But this is what “interfaith” teaches. You have to deny what Jesus said, right there, and in essence call Him a liar, and instead say He’s NOT the only way to heaven and that all religions are valid pathways to heaven. And can I tell you something? **You can’t do that as a genuine born again Christian!**

But you might be thinking, “Come on Pastor Billy. This is America. We’re a Christian nation. There’s no way people are going to be able to pull off this Interfaith Movement and create **A One World Religion**. Maybe in

some other country, but not here! Nobody's ever going to fall for this."

Really? Folks, I'm here to tell you that not only have many **well-known people** here in America already done so, even to the highest levels of society, Hollywood, the Government, you name it, but they're about to put the whole thing in place!

The **1st proof** that we know really are headed for a One World Religion is the **Chronological Proof**. Folks, what most people don't realize is that this One World Religion is not only **going to be** put into place, because the Bible said it would, but what people don't realize is that it's been in the planning stages for a long time. Check out the progress for yourself:

CBN News on Global Religion

Lee Webb: The United Nations are pursuing the development of a one world religious organization. Today, on the United Nations 55th Anniversary, CBN reporter Wendy Griffith takes a look at what's behind this push for a global religious voice.

Griffith: After awhile, the drums, chants and prayers representing many of the world's leading religions all started to sound alike, somehow losing their flavor in a melting pot of spiritual soup. The first ever Millennium World Peace Summit of Religions and Spiritual Leaders took place at the United Nations in August <2000> and some believe it marked the first major step toward a movement to usher in a global spiritual body that may one day speak for all religions.

Robert McGuiness with the Family Research

Counsel says it appears that the hidden agenda is to unite people under one religious organization so they will peacefully accept U.N. goals such as population control, abortion rights and one world governments.

Ted Turner (speaking at the U.N.: Instead of all these different gods, maybe there's one god who manifests himself and revealed himself in different ways to different people. Ya know what about that, huh?

Griffith: CNN's founder and billionaire, Ted Turner was the Honorary Chair at the World Religions Summit. Turner, known for his critical views on biblical Christianity, promoted the New Age concept that there are many ways to heaven.

Turner: And the thing that disturbed me, is that my religious christian sect was very intolerant. Not that intolerant of religious freedom for other people but we thought-they thought we were the only ones going to heaven.

Griffith: Other reporters of a Religious Global Voice come down hard on evangelical Christians who refuse to adopt their new age agenda.

- 50.2008: Tony Blair launches his Faith Foundations to help Unite the World's Religions

Tony Blair: Faith Foundation

Matt Lauer: Talk about this Faith Foundation, the idea, and correct me if I'm wrong-paraphrase is basically to bring people of different faiths together to solve global problems like poverty. Given the fact that so many conflicts in this world have been based on religion. How do you feel that religion can now bring people together in this critical time?

Tony Blair: Well that's a good point. I mean it's precisely the reason by having the Foundation, it might be what happens in the modern world that everyone's been pushed closer together. That's what globalization is doing. The world becomes a smaller place. Religion, either becomes the means for pulling people apart and dividing people-can become then a source of conflict. I'd like religion and religious faith, people of different faiths to work together in peaceful coexistence and make religion a source of reconciliation and a source of peace.

Matt Lauer: And to talk to one another...

Tony Blair: Well, what we got to do, both in our foreign policies but also in things like this Faith Foundation-try to bring people-Muslims, Christians, Jews, other religious faiths together. We've got to create the circumstances in which those people that believe in a modern future for that region succeed and those people, the extremists, are put into retreat.

- 51.2009: World Parliament of Religions is held in Melbourne Australia. Up to 8,000 people from "various faiths" participated in discussions about "Climate Change" and the "Eradication of Poverty."
- 52.2010: Tony Blair begins to Court Pastor Rick Warren and enlist his aid in Uniting the World's Religions.

- 53.2010: Interfaith Meetings in Manhattan begin to be held twice a month by Christian, Jewish, Muslim and other religious leaders and it's supported by the Obama White House, which has identified interfaith work as a public policy goal.
- 54.2010: The G8 World Religions Summit was held where, among other things, a sacred fire was lit and participants were told that "Mother Earth needs to hear that we love her and they offered up to her a prayer of gratitude. Other rituals were performed to invoke "the spirits" and to encourage all that "there is not only one way, there is many ways."
- 55.2011: Another Global Day of Prayer
- 56.2011: Another World Peace Summit (Note: Many of these Prayer Days and Peace Summits are targeted to Youth)
- 57.2012: Rick Warren begins promoting King's Way as an attempt to bring evangelical Christians and Muslims together as an overall part of his PEACE Plan. A document was produced that stressed points of "agreement" between the two faiths, including belief in "one God" and it also called for the sharing their faith with one another but not for the purpose of conversion.
- 58.2012: A Global Charter of Conscience was drafted by a group of 50 international academics, politicians, and NGO leaders representing various faiths that encouraged the world to "live together in peace with their religious differences."
- 59.2012: Pope urges religions to root out "Fundamentalism."
- 60.2012: Vatican calls for the Establishment of a One World Government and a New World Order that will "to serve the common good of the human family" and be a "moral force" that has the "power to influence."

Now folks, correct me if I'm wrong, but when you take a look at the timeline, I'd say somebody's pretty serious about this **One World Religion**, how about you? I mean, it's almost like they're following some sort of a **Chronological Plan** to get us to go along with it, how about you? Uh huh! And it's coming to a planet near you!

But that's not all. The **2nd proof** that we know really are headed for a One World Religion is the **Coercive Proof**. You see folks, just in case you

don't go along with being politically correct and popular like the rest of the world, with this Interfaithism, they also have a backup plan to **make you** go along with it. And that plan is to **coerce** you into this lie by fear and manipulation! I mean, haven't you heard? If we don't go along with this One World Religion, the planet is going to blow up! We've got to put aside our differences aside and come together as religions to save Mother Earth! Haven't you heard? The planet is in danger of **Global Warming**. Really? Folks, it is my proud honor to expose this lie for what it is. In fact, it's such a big lie that even the Founder of the Weather Channel is blowing the whistle on it. Check it out for yourself!

Global Warming Lie:

Glenn: If a scientist says the temperatures are up point zero 1 degree (.01)-lead story around the country and every newspaper, but when somebody with decades of experience comes out and says "global warming" is a manufactured crisis-no one cares and you can hear a pin drop. How do I know? That is exactly what happened last week when the founder of The Weather Channel wrote an article that began and I quote-

"It is the greatest scam in history. I am amazed, appalled and highly offended by it. Global warming; it is a scam." - John Coleman, Founder, The Weather Channel.

But since that opinion doesn't fit nicely in the mouth of the media beast: hello NBC-uh- you probably didn't hear a word about it. Well now you will. John Coleman is the founder of The Weather Channel. He was also the first weatherman ever on Good Morning America and he is currently weatherman at KUSI News in San Diego. John, your head about exploded when the NBC thing this week. Is that what was the breaking point for you?

John Coleman: <chuckles> Well I've been listening to all the global warming talk for a long time and posting material about global warming on our website, but finally, the crescendo of global warming myth, nonsense, exploded in my head and I had to write a real rant and that's the one that got noticed. It's on our website and was picked up by icecap.us. Picked up by Drudge. First thing you knew it was all over the newspapers, all over the radio, all over the TV sets and I created a bit of a stir and all I was doing was telling you the truth as best I know it.

Glenn: What was the turning point for you? I know that you said you went in to look for an honest answer. You thought maybe it's real. What was the thing that stood out and you said this is absolutely bogus.

Coleman: Well, when i looked at the "hockey stick" graph that was produced in Manning's original report and it showed a steady line temperature through the millennium and a sudden rise. I knew that was incorrect. I knew it couldn't possibly be and I started asking experts about it and I started digging into how that was produced. And I found out it was bogus science. It wasn't real. The numbers had been massaged. The whole thing had been created. What bothered me was that the other scientists had accepted it. Well why did they possibly do that? And I think that the real answer to that question is that they all have an agenda. An environmental and political agenda that said "Lets pile on here-we're all gonna make alot of money. We're gonna get research grants. We're gonna get awards and we're gonna become famous." I guess that's what happened.

Coleman: There are scientists speaking out. There are hundreds of them speaking out. There are thousands who signed a petition; 19,000 on a petition against global warming. There are many scientists speaking out but the mainstream press is totally ignoring them.”

Hmmm. Now, let me get this straight. 19,000 scientists and the Founder of the Weather Channel say Global Warming is totally bunk...and yet the press continues to ignore it and still promote it...WHY? Because what'd he say? **They have an agenda.** And yes, part of it is money and power, but part of it is to become the ultimate excuse to form A One World

Religion. We need a global catastrophe to get the global religions to work together. Don't believe me? Let's look again at the Environmental Worship video we saw and you tell me if it's not being used to draw all the religions on the planet together.

NBC News Tom Brokaw: And back in this country a provocative and timely question in the debate over energy policy; what would Jesus drive? This is the centerpiece of a new energy conservation campaign, but some say the gospel has no place in the debate over gasoline. Here's NBC's Don Teague

<tv ad>God saw that it was good..

Teague: As TV ads go, this is something different

<tv commercial continuing>..yet too many of the cars, trucks and suvs that are made that we choose to drive are polluting our air

Teague: Not because it carries an environmental message but because of the obvious audience it targets.

<tv ad continues> so if we love our neighbor and we cherish God's creation, maybe we should ask, "What would Jesus drive?"

Fox News:

Mark Hemmer: What would Jesus drive, huh? Environmental evangelism. It's a new way to raise awareness about global warming. Our Fox religion correspondent Lauren Greene joins us with more on that. Hi! Good morning. Who's pushing Christian green lines?

Lauren Green: Hey! Well a lot of people, it really is across the board theoretically speaking or religiously speaking. Here are the top green religious people according to Live Earth.

We've got Rev. Joel Hunter. He's a senior pastor at Northland Church in

Longwood, Florida. He was actually offered Head of the Christian Coalition but turned it down because he wanted to focus on issues such as poverty and environmental protection.

Then Norman Hubble is a theology professor out of Australia. He edited something called the Earth Bible.

Then of course there's Pope Benedict XVI and yesterday he issued a statement that said, "The people of faith must listen to the voice of the earth or risk destroying its very existence."

We also have the Archbishop of Canterbury-Rowan Williams-head of the Anglican Church and of course the Buddhist leader the Dalai Lama.

But one thing you should add to this list is the National Evangelical Association because 2 years ago it issued a letter to 50,000 member churches which means it's 30 million evangelicals saying that, 'We affirm that God-given dominion is a sacred responsibility and that government has an obligation to protect its citizens from the effects of environmental degradation.'

So it's a big movement all across the board."

Hmmm. Looks to me like this manufactured crisis is being used to get all the religions on the planet to come together as one. Gee, where have I heard the before? And that's exactly what the Bible said would happen, when you are living in the Last Days. And by the way, this is why they changed the term from "Global Warming" to "Climate Change." Because they didn't want to get caught in the lie, so they switched to a more generic term so as to avoid this to Climate Change. But hello! Last time I checked, **climate changes everyday!** Where's the crisis? It's a lie!

But that's not the only lie. Another lie they're trying to coerce us into going along with A One World Religion is this, "Well, haven't you heard **Religion is the main cause of wars**. And if we don't come together as one, the planet is headed for destruction!" Really? How many of you guys have heard that lie? Uh huh! And let me demonstrate why it's a lie. Let's take a look at what's really the major cause of wars.

WHAT REALLY CAUSES WARS?

- Congo Free State - 1886-1908 - 8,000,000 - Control of colonial profit and power base
- Feudal Russia - 1900-1917 - 3,500,000 - Political control
- Turkish Purges - 1900-1923 - 5,000,000 - Ottoman Empire collapse/Political control
- First World War - 1914-1918 - 15,000,000 - Balance of power
- **NOTE:** The First World War killed more people than all the religious wars in the past. 6,000 men a day died for 1,500 days in World War I.
- Russian Civil War - 1917-1922 - 9,000,000 - Political control
- Soviet Union, Stalin Regime - 1924-1953 - 20-45,000,000 - Political control
- China Nationalist Era - 1928-1937 - 3,000,000 - Political control
- Second World War - 1937/38-1945 - 55,000,000 - Balance of power/Expansionism
- Sino-Japanese War - 1937-1945 - 21,000,000 - Expansionism
- Post-WWII German Expulsions from Eastern Europe - 1945-1948 - 1.8-5,000,000 - Post-war policies. Retributions/Soviet and Eastern European control
- Chinese Civil War - 1945-1949 - 2,500,000 - Political control
- People's Republic of China - 1949-1975 - 40-80,000,000 - Political control
- North Korean Regime - 1948- 1.7-3,000,000 - Political control
- Korean War - 1950-1953 - 2,800,000 - Political control
- Second Indochina War - 1960-1975 - 3-4,000,000 - Political control
- Ethiopia - 1962-1992 - 1,500,000 - Political control

- Khmer Rouge - 1975-1978 - 2,500,000 - Political control
- Afghanistan - 1979-2001 - 1,800,000 - Political control/Soviet expansion
- Kinshasa Congo - 1998- 3,800,000 – Political control &Resources

Now folks, maybe it's just me, but once you look at the facts, I'd say we're being lied to! Religion **is not** the biggest cause of wars, it's the anti-God man made agendas that are! It's **politics** not religion! And they're using this fear and manipulation to **coerce** us into going along with this One World Religion, exactly like the Bible said would happen, when you are living in the Last Days.

But that's not all. The **3rd proof** that we know really are headed for a One World Religion is the **Promotional Proof**. Hey folks, as if what we've seen isn't enough, this Interfaithism Movement is also being promoted by virtually every single mover and shaker from around the world. Just in case you aren't politically correct or scared into doing it, they're using Hollywood, the Governments, and even the Vatican to help "educate you" and promote this lie to go along with a One World Religion. But again, don't take my word for it. Let's listen to theirs.

Prince Charles of England launched a new movement called Respect, in order to, "Promote tolerance among the world's religions."

Global Warming promoter Al Gore made this amazing statement: "The richness and diversity of our religious tradition throughout history is a spiritual resource long ignored by people of faith, who are often afraid to open their minds to teachings first offered outside their own system of belief. But the emergence of a civilization in which knowledge moves freely and

almost instantaneously through the world has spurred a renewed investigation of the wisdom distilled by all faiths. This panreligious perspective may prove especially important where our global civilization's responsibility for the earth is concerned."

But he's not the only one. Hollywood, the Governments, and even the Vatican are promoting this One World Religion:

Oprah: One of the mistakes human beings make is believing that there is only one way to live and we don't accept that there are diverse ways of being in the world . . . that there are millions of ways to be a human being and many ways, many paths to what you call God. Her path might be something else and when she gets there she might call it 'the Light.' But her loving and her kindness and her generosity — if it brings her to the same point it brings you, it doesn't matter whether she calls it God along the way or not.

Audience Member: And I guess the danger that could be in that is that is sounds great on the onset, but if you really look at both sides, I....(Oprah cuts her off)

Oprah: There couldn't possibly be just one way!

Audience in general: What about Jesus?

Oprah: What? What about Jesus?

2nd Audience member over several voices: You say there isn't only one way. There is one way, and only one way, and that is through Jesus!

Oprah: There couldn't possibly be only one way with millions of people in the world!

2nd Audience member: Just because you say there isn't, because you say...

Oprah: No! There couldn't possibly be...

2nd Audience member continues: ...you intellectualize it and say there isn't, if you don't believe that, you are all buying into the lie.

 C-SPAN: U.S. Senate Chamber

Today's opening prayer will be offered by a guest chaplain Rajan Zed of the Indian Association of Northern Nevada.

Man heard in background: Lord Jesus forgive us Father for allowing the prayer of the wicked which is an abomination in your sight..

Senate leader: The Sergeant of Arms will restore order in the Senate

 Good Morning America

Charles Gibson: Let me ask you some questions about faith. Which is a tough subject to talk about. Do we all worship the same God? Christian and Muslim?

George W Bush: I think we do. We have different routes of getting to the Almighty.

Gibson: Do Christians and non-Christians and Muslims go to heaven in your mind?

Bush: Yes they do. We have different routes f getting there.

 Dave Hunt discussion from 1986

Hunt: The Vatican and the Roman Catholic church-it's Pope is currently leading the greatest ecumenical movement in history in order to unite all religions under Rome's leadership. In 1986, pope John Paul II gathered in Assisi, Italy the leaders of the world's major religions to pray for peace. There were snake worshippers, fire worshippers, spiritists, animists, Buddhists, Muslims, Hindus, North American witchdoctors. I watched in

astonishment as they walked to the microphone to pray. The pope said they were all praying to the same God and that their prayers were creating a spiritual energy that was bringing about a new climate for peace. John Paul II allowed his good friend the Dalai Lama to put the Buddha on the altar in St. Peter's Church in Assisi and with his monks to have a Buddhist worship ceremony there, while Shintoists chanted, rang their bells outside.

The prophesied world religion is in the process of being formed before our eyes and the Vatican is the headquarters of the movement. Is this not spiritual fornication?

But that's not all. This One World Religion also has a new symbol. Maybe you've seen it. It's called COEXIST and it looks like this:

King Abdullah of Saudi Arabia has been planning for years to, “find a way to unite the world's major religions in an effort to help foster peace, and believes a new international organization will help make that dream a reality.”

Chief Rabbi Yona Metzger, one of the two Chief Rabbis of Israel said, “We need a United Relations of Religions, which would contain representatives of the World's Religions as opposed to nations. United the world's faithful is key to world peace. We must promote a respect for the differences among various religions. A Church, a mosque, a synagogue or a holy temple must be embassies of God and we have to spread this idea to our believers.” He has suggested that the Dalai Lama could lead the assembly.

Muslim Leader Adnan Oktar recently met with three representatives from the re-established Jewish Sanhedrin, to discuss how religious Muslims, Jews and Christians can work together on rebuilding the Temple.” An official

statement about the meeting has been published on the Sanhedrin's website, "We are all the sons of one father, the descendants of Adam, and all humanity is but a single family. Peace among Nations will be achieved through building the House of G-d, where all peoples will serve." Oktar added that the Temple, "Will be rebuilt and all believers will worship there in tranquility." And, "The Temple could be rebuilt in one year."

Now folks, correct me if I'm wrong, but I'm kind of thinking somebody's taking this **One World Religion** kind of seriously, you know what I'm saying? Everybody's promoting it! Even to the highest levels of society! Exactly like the Bible said would happen, when you are living in the Last Days!

People, what more does God have to do? He loves us. He doesn't want us going into the 7-year Tribulation! And He certainly doesn't want us to go to hell! This is why Jesus told us the truth. He is THE way, THE truth, THE life and NOBODY comes to the Father except through HIM. There IS ONLY ONE WAY TO HEAVEN. And all this lie of A One World Religion where they say all paths lead you to heaven is a lie! It's actually **ensuring** that YOU DO GO TO HELL! And yet, this is why, out of love, God's given us these signs of a **One World Religion** today to show us that the Tribulation is near, and that Christ's 2nd Coming is rapidly approaching. And that's why Jesus Himself said:

Luke 21:28 "When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near."

People, like it or not, we are headed for **The Final Countdown**. And so the point is this. If you're a Christian here today it's time to get busy! We've got to lay aside our differences, not the truth, and get busy working together saving souls! Amen? They need to know that **JESUS IS THE ONLY WAY TO HEAVEN!**

But if you're here today and you're not a Christian, then I beg you, please, heed the signs...heed the warnings...give your life to Jesus today...because the last place you ever want to go is **hell**. Take the way out...the **ONLY** way out...Jesus Christ. Call upon His Name and ask Him to forgive you of all of your sins, and go to heaven. Amen?

To find the way to God, to understand the *truth* of God's Word, and to received the gift of eternal *life*, begin by repentance and faith through a prayer like this:

“Dear God, I understand that I have broken Your Law and sinned against You. Please forgive my sins. Thank You that Jesus suffered on the cross in my place. I now place my trust in Him as My Savior and Lord. In Jesus' name I pray. Amen.”
