

The Final Countdown – One World Religion

Part 2

“Alrighty, well hey apparently, with all these jokes going on, Kenny & Al decided they needed a break from me, so they decided to do a road trip, you know this guy thing, and go to Nebraska and visit Al’s family there on the farm.

And so one day they’re walking through the woods there on this farm and they came upon a big deep, black hole. And so Kenny, being a guy, he picked up a rock and tossed it into the hole and stood listening for the rock to hit bottom. But the problem was, as he listened, there was no sound.

And so Kenny turned to Al and said ‘Hey Al, that must be one deep hole...let’s throw an even bigger rock down there and listen to see it hit bottom.’ So Al and Kenny found an even bigger rock and they both picked it up and they lugged to the hole and dropped it in.

But as they were listening for some quite time, again, they never heard a sound. So again, they agreed, man, this must be one big hole and so they decided to throw something even bigger into it.

And so Al spots this railroad tie nearby and so he and Kenny pick it up, and they’re grunting and groaning, and they lug it back to the hole and toss the railroad tie in. But again, not one single sound.

But all of a sudden, this goat comes flying out of the woods, running like the wind, and it flew right past Al & Kenny and it jumped straight into that hole.

And so Al & Kenny they’re amazed, and they were just standing there totally dazed when all of a sudden, an old hayseed farmer came out of the woods and asked them if they had seen a goat.

And Al & Kenny they told the farmer of the incredible thing they just saw where a goat flew right out of the woods, ran and leaped into that big hole. And so Kenny asked the farmer if this could have been his goat.

And the old farmer replied, ‘Naw, that can’t be my goat...he was chained to a railroad tie.’”

You know, Al & Kenny just seem to find trouble even when they're not looking for it, you know what I'm saying? But that's right folks, believe it or not, did you know the Bible says there's also going to come a day to the whole planet, that's going to be very troubling when people really will be falling in a pit, so to speak, and that's going to happen at the rapture of the Church. And the reason why it's going to be such a **troubling time** is because for those who refuse to accept Jesus Christ as their Personal Lord and Savior, they will be catapulted into the 7-year Tribulation and it's not a joke! It's an outpouring of God's wrath on a wicked and rebellious planet. In fact Jesus said in **Matthew 24** it's going to be a "time of greater horror than anything the world has ever seen or will ever see again. And that "unless that time of calamity is shortened, the entire human race will be destroyed." But praise God, God's not only a God of wrath, He's a God of love as well. And **because He loves you and I**, He's given us many warning signs to show us when the Tribulation was near and when Jesus Christ's 2nd Coming was rapidly approaching. Therefore, in order to keep you and I from experiencing the ultimate bad day of being left behind, worse than going on a road trip with Kenny & Al, we're going to continue in our series **The Final Countdown**.

And so far we've already seen how the **#10** sign on **The Final Countdown** was **The Jewish People**. The **#9** sign was **Modern Technology**. The **#8** sign was **Worldwide Upheaval**. The **#7** sign was **The Rise of Falsehood**. The **#6** sign was **The Rise of Wickedness**. The **#5** sign was **The Rise of Apostasy**. And **last time** we saw how the **#4** sign was **The Rise of A One World Religion**. And what we saw there was that God lovingly foretold you and I that when we see **all the world's religions** on the planet coming together as one, which is happening right now today all over the world, thanks in part to the Lie of **Interfaith**, that's an attitude of a Welcoming of All Faiths, that's been totally **Planned Out Chronologically, Coercively Forced Upon Us** with fear and manipulation, and **Heavily Promoted** by **Hollywood**, the **Government**, and even the **Vatican**, uh so guess what? Its an indicator from God **you are living in the last days!**

But that's still not all. The **2nd** way we know we're really headed for **A One World Religion** is due to a **Watering Down of the Truth**. That's right folks, I'm talking about the **Ecumenical Movement**. And once again put yourself in the Antichrist's shoes. You see if you're going to deceive people into creating **A One World Religion** then you **not only** have to get rid of one religion being superior over another, but you must certainly get rid of any sense of absolute rights or wrongs, right? Why? Because if people

still think there are genuine absolute rights and wrongs, then it going to mess up your attempts to get everyone saying all religions are right and that none of them is wrong, right? And this is precisely what the **Ecumenical Movement** is doing.

And for those of you who may not know, Ecumenicalism is defined as “the organized attempt to bring about the cooperation and unity of all believers.”⁷ And at the onset, that sounds pretty good. But what they don’t tell you it’s come to mean all believers, meaning even those outside of Christ, no matter what they believe, whether they believe in Christ or not! And their so-called “unity” is being sought not on the basis of **truth**, but from a “watered down version of it.” But people, I’m here to tell you, the Bible is clear. We Christians, genuine believers in Christ, do not join hands with somebody who’s preaching a “watered down version” of God’s truth, i.e. **a lie!** Rather the Bible says we need to come out from among them and **be ye separate!** I didn’t say that. God did.

2 Corinthians 6:14-17 “Do not be yoked together with unbelievers. For what do righteousness and wickedness have in common? Or what fellowship can light have with darkness? What harmony is there between Christ and Belial? Or what does a believer have in common with an unbeliever? What agreement is there between the temple of God and idols? For we are the temple of the living God. As God has said: I will live with them and walk among them, and I will be their God, and they will be my people.” Therefore, Come out from them and be separate, says the Lord. Touch no unclean thing, and I will receive you.”

Folks, according to our text, the Bible clearly says that when it comes to unbelievers, i.e non-christians, what are we supposed to do? Hang out with them, witness to them, love them enough to tell them the truth about Jesus being the only way to heaven, because we're concerned about their eternal destiny, but the last thing we ever want to do is to be what? Is to be to be "yoked" with them, right? The word "yoked" literally means there, "to bound together with or to have fellowship with." Why? Because it's like oil and water. It doesn't mix! It can't mix! It'll never mix. Why? Because you cannot mix a **lie** with God's perfect holy truth! And that's Paul's argument there! Why in the world would a born again Christian try to mix God's truth with the devil's lies! What do righteousness and wickedness have in common? What fellowship can light have with darkness? What harmony is there between Christ and Belial? In other words, how in the world can a Christian go along and link hands with this One World Religion? **You cannot meld the two together!** They deny that Jesus is the only way to heaven! And that's why Paul writes, "Come out and from among them and be ye separate! Touch no unclean thing, including this lie of a One World Religion **says the Lord!** And yet, that's exactly what the Ecumenical Movement is trying to get us to do!

And the **1st way** they're trying to get us to do that is by getting us to repeat the lie that **We Just Need to Love**. If only we would love each other, then peace will come to the planet, like this video shows.

United Religions Initiative

Peace. It should be the natural order?

Peace. Why is it so hard to find?

Peace. Why do people try so hard to prevent it?

Why do so many people divide, split and fracture the one face of humanity?
Is there something you can do to heal the violence? Yes.

Religiously motivated violence can end. This is your invitation to be a Peacebuilder. In the year 2000, a unique global community took the initiative to end religiously motivated hate and violence by founding the United Religions Initiative. Because of URI, Indians and Pakistanians of diverse faiths are looking beyond the boundaries that divide them. Because of URI, Christian and Indigenous Peoples of Latin America are creating a new world of mutual respect. Because of URI, Jews, Muslims, Christians in the Middle East are learning that the only security is peace.

In just a few short years, the United Religions Initiative has spread to 50 countries on 5 continents. In a few short years, former enemies have stopped seeing each other as the "other" and started seeing each other as themselves.

B'Hai, Christian, Muslim, Jew, Zorastrianism, Buddhist, Sikh, Hindu. All around the world, URI is helping people experience the shared human face behind the different human faiths. Achieving on a deep, personal, spiritual level what can personal governments and organizations can unable to accomplish before. Now more than ever this initiative must become a shared initiative.

One neighborhood. One community. One region at a time."

Huh? Don't you want to be a peace builder? Folks, how many of you have heard of this lying propaganda before? We just gotta love to bring

peace to the planet. And here's just one of the verses they quote out of context to suck us into it!

John 13:35 "A new command I give you: Love one another. As I have loved you, so you must love one another. By this all men will know that you are my disciples, if you love one another."

Well folks, there you have it, from the lips of Jesus Himself. We're all supposed to love one another. Just join hands and link together with anyone and everyone, including people of different faiths and peace will come to the planet! Eeench! Wrong answer! First of all, peace only comes to the planet when the Prince of Peace Jesus Christ comes back to the planet! Hello! And as far as loving one another, yes we are to love one another, as Christians, **not support those who support satanic lies!** Yes, we are to be concerned about the lost, yes we are to pray for them, yes we love them enough to tell them the truth that Jesus is the only way to heaven, but we're not to believe like them, and link hands with them! Why? Because it's a lie! Jesus is the only way to heaven. I didn't say the He did!

Besides, can we really "get along" with those who believe that we ourselves are gods, or that we'll burn in a mythical place called purgatory where we purge away our sins in order to get into heaven, which is denying the cross? Can we really "join hands" with those who would have you and I believe that sin is just an illusion, or that hell is only make believe and that

heaven for some men will be to endlessly satisfy their lusts with as many virgins as they want, which only happens after they kill a bunch of people? And can we really “get along” with those who are claiming to be Christians yet state that one has to keep the sacraments to be saved, or that satan doesn’t exist, or that Christ’s work on the cross is not secure? Can we really “join hands” and have fellowship with those who would have you and I believe that Jesus is not God but the archangel Michael, or worse yet, that He is the spirit-brother of satan himself...lucifer? I don’t think so! The answer is obvious! **Come out from among them and be ye separate!**

Why? Because God says to! You cannot have fellowship with those who are leading people to hell! He doesn’t like that! Don’t believe me? Let’s take a look at what’s going to happen to this One World Religion movement that says you just gotta love one another, during the 7-year Tribulation.

Revelation 18:4-8,23 “Then I heard another voice from heaven say: Come out of her, my people, so that you will not share in her sins, so that you will not receive any of her plagues; for her sins are piled up to heaven, and God has remembered her crimes. Give back to her as she has given; pay her back double for what she has done. Pour her a double portion from her own cup. Give her as much torment and grief as the glory and luxury she gave herself. In her heart she boasts, ‘I sit enthroned as queen. I am not a widow; I will never mourn.’ Therefore in one day her plagues will overtake her: death, mourning and famine. She will be consumed by fire, for mighty is the Lord God who judges her. By your magic spell all the nations were led astray.”

Can I tell you what one of those **spells** is? Just love! Link hands and join together with anyone and everyone no matter what they believe,

including that Jesus is not the only way to heaven, and form a One World Religion so that peace can come to the planet. It's all happening **right now**, right before our very eyes, and that's exactly what the Bible said would happen, when you are living in the Last Days.

But that's not all. The **2nd way** the Ecumenical Movement is getting us to fall for the lie of a One World Religion is by getting us to repeat another lie and that is this... **We Just Need to Tolerate**. Huh? How many of you guys heard that one? You should NEVER JUDGE. You just need to tolerate. And here's another verse they quote out of context to suck us into it.

Matthew 7:1 "Do not judge, or you too will be judged. For in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you."

Well folks, there you have it. The Bible says we should never judge another person, no matter what they believe, no matter what they say, we just love them and accept them, right? Wrong! Folks, I'm here to tell you this is another one of the biggest lies the enemy has thrust upon the Church in these Last Days. And the reason why I know is because if we weren't supposed to judge anyone or anything, no matter what they say, believe, or do, including their supposed version of God then why did Jesus say this.

John 7:24 "Stop judging by mere appearances, and make a right judgment."

Folks, Jesus isn't saying we should never judge! He didn't say to **never** make a judgment. He said **when you do judge** make sure that it's **right!** Get your facts straight! He said it right there! And if we're really never supposed to judge, then why did the Apostle Paul say this?

1 Corinthians 6:1-5 "If any of you has a dispute with another, dare he take it before the ungodly for judgment instead of before the saints? Do you not know that the saints will judge the world? And if you are to judge the world, are you not competent to judge trivial cases? Do you not know that we will judge angels? How much more the things of this life! Therefore, if you have disputes about such matters, appoint as judges even men of little account in the church! I say this to shame you. Is it possible that there is nobody among you wise enough to judge a dispute between believers?"

Folks, I don't know about you, but it sure sounds like we Christians are not only **supposed to be judging**, but we're supposed to be judging up a storm, right? And so the question is, "Why in the world do people quote Matthew 7 and say we're never supposed to judge? Well hello! They're quoting it out of context! Matthew 7 is dealing with a **hypocritical judgment** where a person's judging somebody of something when they themselves are guilty of doing the very same thing, if not worse! How do we know? Because the rest of the text says that the one person judging has a log in their eye and the other only has a speck of dust in their eye. But if you read the rest of the passage it doesn't stop there. It doesn't say **don't ever judge**. It says first take the log out of your own eye and then you can what? You can **rightly judge** and remove the speck from the other person's eye!

The whole point of the passage, and John 7, is to **not say** that we're never judge **but just the opposite!** It says to get rid of your hypocrisy first, get your facts straight first, so you can make a righteous judgment, right?

And yet, this is what the Ecumenical Movement is saying we should never do! That **We Should Never Judge** between right and wrong. We need to accept everything as right and nothing is wrong! And we just need to tolerate. But the problem is, they don't tell you that they've changed the definition of tolerance. And here's how they're sucking us into it. Let's take a look at what this guy says again.

Josh McDowell: *Steeling the Mind of America: Tolerance*

Some of you are saying, 'Wait a minute, I thought tolerance was good?' That's the problem. That's the problem! Little Johnny comes home from school and that very sincere Christian mother from the most fundamental evangelical church meets little Johnny and says, 'How was school today?'

'Oh Mommy.'

'What you talk about?'

'We talked about tolerance.'

And that Christian mother goes, 'Oh that's wonderful. You know Jesus told us to be tolerant.'

ABSOLUTELY NOT!! That mother is undermining everything she believes and it won't take years. It will only take months to come back and haunt her. Your saying hold on a minute, I don't get this. The reason is this. Right now there is two distinct definitions of tolerance. One, I call a historical traditional tolerance. It's a one that almost everyone who is here has been conditioned to think by and how you're listening to me through traditional

tolerance. I am speaking from a whole new definition of tolerance. Traditional tolerance would be defined by Webster: To bear or put up with someone or something that is not specially liked. Or you know in our circles we say, 'God has called me as a Christian to love the sinner but to hate the sin.' That's one of the most bigoted statements you could make today. You make that statement in the average classroom today and that entire class would turn on you. The bigotry and the intolerance to say, 'Love the sinner hate the sin' The reason is, there is a second definition of tolerance and I would say that 80% of the time, outside the walls of the church, when you hear the word tolerance whether the media, the magazines, the school or what - it's not the tolerance you were conditioned to think by. It's a whole new definition of tolerance, 80% of the time-it's a new definition.

The tolerance you were brought up with is now referred to as negative tolerance. The new tolerance is called positive tolerance. It's defined this way. Every single individuals values, beliefs, lifestyles and claims to truth are equal. Let me repeat that- ALL values, ALL beliefs, ALL truth, ALL lifestyles are equal and if you dare to say there is a value, belief, a lifestyle or claim to truth greater than another that is called hierarchy and that's the new definition of bigotry. A bigot today has nothing to do with racism or anything. A bigot today is someone who's committed to moral hierarchy that there's differences in values and beliefs, lifestyles or claims to truth. Positive tolerance adds the word-praise. What it means is this- we not only want your permission, we demand your praise and if you do not my value, my lifestyle, my claim to truth as equal to your own--now listen to this--as equal to your from the heart you are a bigot and you are intolerant. From the heart. It's called positive tolerance.

Let me show you just how it's hit the church. Just in a little brief one. Can you tell me historically what has been the number one verse quoted from the scriptures by Christians and non-Christians, Christian young people, non-Christian young people, the media, everything. What's the number one verse quoted historically by the scriptures. John 3:16. Do you know what it is now? Have you all been listening? Have you even been listening to your own young people? Can anyone tell me now, by far way out far from everything what's the number one verse quoted even from Christian young people from the bible. Number one now, what is it? Judge not, that you not be judged. Listen! Why? The moment you make a judgment you're saying there's hierarchy and that makes you a bigot and intolerant and it makes you stand against the number one virtue in culture. Tolerance. All is equal.

Christian love and the number one virtue of culture today cannot coexist. In fact, I'll go as far as to say that Christian love is the number one enemy of the number one virtue in the culture: Tolerance.

In fact, men and women, I'll say this. I believe now it's a point as a pastor, as an evangelist-someone like that. It is very difficult to be popular and faithful. Jesus loved that woman at the well. And in love and compassion He said to her, 'Go call you're husband.' she said, 'sir, I don't have a husband.' And in loving compassion Jesus said, 'That's right. You've had five husbands and the one you're living with right now is not you're husband.' Jesus exposed her lifestyle. He was witnessing to her. He exposed her lifestyle. Now speak to me. Did Jesus expose her lifestyle as an alternate lifestyle or a sinful lifestyle?

Audience: "Sinful lifestyle."

Josh: "You're a BIGOT! What right do you have to say that?! You're INTOLERANT! Who do you think you are to think you have the corner on truth. What right do you have to make any moral judgment on someone!"

He did it in love. If you don't believe me that that's not true- you try it anywhere in culture right today. You just travel with me into the high schools and universities. And Jesus did it in love. Christian love and tolerance cannot coexist. We had better wake up."

Why? Because everything we believe in as Christians is at risk! Think about it! Because of this new definition of tolerance they put on us, we're now going to become **the new enemy of the state!** All that we believe in, all of Christianity, all the Scripture is based on **absolute** right and wrongs! Jesus is the **ONLY** way to heaven, not one of many. The Bible declares that there is **ONLY** one God; not several or that we can become gods ourselves. The very Ten Commandments are all **absolute judgments** of what's right

and wrong from God! You shall not murder, you shall not commit adultery, you shall not steal, etc. **You cannot tolerate that!**

PLUS, how can all values be equal? What if someone's "value" was to molest his or her children? Is that right? Am I supposed to accept that? If you bought into the new definition of TOLERANCE you would have to say yes. Yet, every ounce of your being says NO! What if it was another person's "value" to teach their children to steal for a living? What if it was a mother's "value" to teach her daughter a fulfilling lifestyle called prostitution? What if father had a "value" he wanted to teach his son called being an abuser of women? Now can I tell you something? Some religions on the planet today **do teach that!** They treat women as prostitutes and they force into a subservient lifestyle and even kill them if they don't like them. I'm supposed to accept that? In certain religious cultures today, people get their hands chopped off for stealing or their heads chopped off just for disagreeing. Do we agree with that? Should we tolerate that? I don't think so! It's true Biblical Christianity that's freed people historically from these tyrannous belief systems by setting the standard of right and wrong!

And yet, the Ecumenical Movement says **We Should Not Judge** between right and wrong, and instead we need to **tolerate** anything as right and nothing as wrong, to bring peace to the planet. And it's all happening

right now, right before our very eyes, even in the Church, just like the Bible said would happen, when you are living in the Last Days.

Oh, but that's not all. The **3rd way** the Ecumenical Movement is getting us to fall for the lie of a One World Religion is by getting us to repeat this lie... **We Just Need to Rethink**. You know what I'm saying? Don't be harsh. Don't be judgmental. Don't be intolerant. Just "rethink" this idea of Jesus being the "only way to heaven" and that God is the "Only One" worthy of worship. Really? That's not what the Bible says we need to be doing!

Deuteronomy 6:13-15 "Fear the LORD your God, serve Him only and take your oaths in His Name. Do not follow other gods, the gods of the peoples around you; for the LORD your God, Who is among you, is a jealous God and His anger will burn against you, and He will destroy you from the face of the land."

Now folks, how many of you guys would say that God doesn't want His children worshipping other so-called gods? Hello! Sounds to me like He takes it kind of Personal, you know what I'm saying? Why? Because His children are supposed to lead people the **heaven** and instead they're working with people who are **leading others to hell!** And this is exactly what the Ecumenical Movement is doing! They say **We Need to Rethink this Command** to worship only God, to say there's only one way to heaven, and instead accept these other gods so we can have peace on the planet and a

One World Religion. AND just in case you don't "rethink" this on your own, and be popular like the rest of the world, they got a backup plan. They plan to "re-educate" you, the next generation through the **media** and the **secular education system**. Don't believe me? Let's take a look at what being taught in our schools and you tell me if it's not been hijacked to get our kids to "accept" a One World Religion and the Antichrists Kingdom, coming to a planet near you!

GLOBE PROGRAM

It's been said that the best teachers are often found in the corners. Well interestingly enough someone sent this article to me from a small town newspaper. Look at what they are beginning to teach in public school.

Would you hire Soviet Mikhail Gorbachev to teach your children about American values? I'm sure you would say, "You've got to be kidding!" No, I'm not kidding. His philosophy is being taught in 10,350 of our United States Schools today.

Let me explain. The curriculum in these 10,000+ schools is patterned after this socialized program. This program is called GLOBE and it is being promoted worldwide.

GLOBE teaches:

- 1) Earth Worship (pantheism)
- 2) Evolution.
- 3) Socialized Medicine.
- 4) World Government
- 5) Animal Rights (animals seen as brothers & sisters)
- 6) Redistribution of American Wealth to other nations.
- 7) Contraception and "Reproductive Health"
- 8) Legal Abortion
- 9) Debt Forgiveness to third world nations

- 10) Adoption of the gay rights agenda
- 11) The elimination of the right to bear arms
- 12) Setting aside massive amounts of private land where no human presence is allowed

GLOBE stands for Global Learning and Observation to Benefit the Environment. Mikhail Gorbachev is the head of an organization called Green Cross International, operating right here in the United States. Gorbachev is working to create World Government and he's helping to implement this education scheme. His also joint partnership with UNESCO which is the source of much of the anti-American education curriculum as well as the International Baccalaureate program. This GLOBE program is funded and implemented through the Federal Department of Education created under GOALS 2000 and has now carried over in "No Child Left Behind."

No Child Left Behind? It should be called No Child Left Unindoctrinated."

Indoctrinated in what? Anti-God, Anti-American ideals to "erase" any and all sense of Patriotism, and instead "accept" a One World Government and a One World Religion. Looks to me like somebody's hijacked our school system to brainwash, how about you? And if that surprises you, it shouldn't. In fact, it's even worse. One man shares this:

"Many public schools have become pagan religion indoctrination centers. These schools now teach children anti-Judeo-Christian beliefs and pagan religions, and try to mold children's minds through the latest techniques in behavioral psychology.

Here is just a small sample of the flood of "spiritual" sessions, (remember religion is supposed to be taken out of school) taking place in classrooms throughout the country.

Altered states of consciousness:

Human sacrifice: Students are given lessons on death education and lessons advocate the cultural endorsement of abortion and euthanasia as a way to prepare the new generation to accept many new forms of sacrifice, such as the notion of sacrificing oneself for the “common good.”

Is this what our children should be learning? Should schools turn children into Earth-and spirit-worshippers? Should parents pay property taxes for public schools that promote pagan religions?”

Uh, can I answer that? No! I thought kids need to learn Reading, Writing, and Arithmetic and instead they’re being “re-educated” to hate America, hate the Christian God, and accept the Antichrist’s Kingdom! And folks, this is all happening right now! I’m not making this up! It’s the pre-stated goals of the humanists who took overtook our School System to specifically prepare **our children** for the New World Order. I didn’t say that they did!

- “Education is thus a most powerful ally of humanism, and every American school is a school of humanism. What can a theistic Sunday School’s meeting for an hour once a week and teaching only a fraction of the children do to stem the tide of the five-day program of humanistic teaching?” **Charles F. Potter, Humanism: A New Religion (1930)**
- “I am convinced that the battle for humankind’s future must be waged and won in the public school classroom by teachers who correctly perceive their role as proselytizers of a new faith: a religion of humanity. These teachers must embody the same selfless dedication as the most rabid fundamentalist preachers, for they will be ministers of another sort, utilizing a classroom instead of a pulpit to convey humanist values in

whatever subject they teach, regardless of educational level – preschool, day care or a large state university. The classroom must and will become an arena of conflict between the old and the new – the rotting corpse of Christianity...and the new faith of humanism.” **John J. Dunphy, “A New Religion for a New Age,” The Humanist, January/February 1983**

- “Every child in America entering school at the age of five is mentally ill, because he comes to school with certain allegiances toward our founding fathers, toward our elected officials, toward his parents, toward a belief in a supernatural Being, toward the sovereignty of this nation as a separate entity. It is up to you teachers to make all these sick children well by creating the international children of the future.” **Harvard Professor of Education and Psychiatry, 1984**

Our schools have been hijacked to get our children to “rethink” Who God is, and that Jesus is the only way to heaven, and that America should remain a sovereign nation, just so they’ll go along with a One World Religion and the Antichrist’s Kingdom. And it’s all happening **right now**, right before our very eyes, exactly like the Bible said would happen, when you are living in the Last Days!

Folks, what more does God have to do? This is not a game! This is real! This is really happening! But God loves us. He doesn’t want us going into the 7-year Tribulation! And He certainly doesn’t want us to go into HELL! And that’s why, out of love, God’s given us these signs, again, of a **One World Religion** to show us that the Tribulation is near, Christ’s 2nd Coming is rapidly approaching. And that’s why Jesus Himself said:

Luke 21:28 “When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near.”

People, like it or not, we are headed for **The Final Countdown**. And so the point is this. If you're a Christian here today it's time to get busy! We've got to lay aside our differences, not God's truth, and get busy working together saving souls! Amen? They need to know that **JESUS IS THE ONLY WAY TO HEAVEN!**

But if you're here today and you're not a Christian, then I beg you, please, heed the signs...heed the warnings...give your life to Jesus now...because if you continue to follow this lie of a One World Religion...you're going to end up in **hell**...In fact, you might just be one click away, like this man shares.

“How many of you think that you'll go to hell?”

The world has themselves convinced that this is a place that they are not going to. No man wants to believe he's going there.

You know some of you, you've read this text, I know that there are those of you, I know, I know based on what God's word tells me, some of you in this place that hear my voice will go to the place I describe today. Some of you are headed there, you don't think you are but even now you provoke God by your very attendance of His worship today because you have not Christ. You have no hope. You're without God. But you don't think you'll go there. You think that somehow you're going to reason, you're going to figure out because of something that you have done or are doing or hope to do in the future, somehow you plan to miss that place.

Three people every second are passing into eternity. (Snapping fingers) That fast, souls are going out of this world into an eternal hell or an eternal joy. And God's Word says that most of those are on the broad way to destruction, Christ is the only way to the Father. Those who are Buddhist in

this world are passing into damnation. Those who die practicing Muslims are going. Practicing Catholics if they are worshipping Mary they are not worshippers of Christ. One of those clicks has your name on it.

To find the way to God, to understand the *truth* of God's Word, and to received the gift of eternal *life*, begin by repentance and faith through a prayer like this:

“Dear God, I understand that I have broken Your Law and sinned against You. Please forgive my sins. Thank You that Jesus suffered on the cross in my place. I now place my trust in Him as My Savior and Lord. In Jesus' name I pray. Amen.”
