

The Final Countdown – One World Religion Part 3

“Alrighty, well hey, after last weeks’ “flying goat” joke with Al and Kenny, Al and I thought it was funny but Kenny didn’t, so he decided he needed a break from me and Al. So Kenny decides to go fishing, and not just any ol’ fishing, but ice fishing.

And you might think that’s impossible to go ice fishing here in Vegas, but Kenny’s a pretty determined guy! He actually found a spot to go ice fishing so he got up really early in the morning and goes out onto the ice with his tent, his pick and his fishing rod, and starts to pick at the ice.

And then all of a sudden, he hears a big booming voice: ‘THERE’S NO FISH UNDER THE ICE.’

Well Kenny he’s startled and looks around but he hears nothing so he starts to pick at the ice again.

But then all of a sudden, he hears the voice again, ‘THERE’S NO FISH UNDER THE ICE.’

So now Kenny’s getting a little edgy. And so he looks up says, ‘God, is that you?’

But still, there’s no answer, so he starts picking again.

But then all of a sudden, even louder he hears, ‘THERE’S NO FISH UNDER THE ICE!’

So Kenny yells out in terror, ‘God? God? Is that you?’

‘NO, IT’S THE MANAGER OF THE ICE RINK!’”

Well, he found a spot to go ice fishing! That’s what he gets for trying to hide from me and Al, right? But seriously folks, how many of you guys would say Kenny just needs some help, you know what I’m saying? That’s

what he gets for trying to **escape** from me and AI! But that's right folks, believe it or not, did you know, one day, the Bible says **the whole planet** is going to try to **escape** some **serious problems**, and that's going to happen at the rapture of the Church. And the reason why they're trying to **run and hide** is because for those who refuse to accept Jesus Christ as their Personal Lord and Savior, they will be catapulted into the 7-year Tribulation and it's not a joke! It's an outpouring of God's wrath on a wicked and rebellious planet. In fact Jesus said in **Matthew 24** it's going to be a "time of greater horror than anything the world has ever seen or will ever see again. And that "unless that time of calamity is shortened, the entire human race will be destroyed." But praise God, God's not only a God of wrath, He's a God of love as well. And **because He loves you and I**, He's given us many warning signs to show us when the Tribulation was near and when Jesus Christ's 2nd Coming was rapidly approaching.

Therefore, in order to keep you and I from experiencing the ultimate bad day of being left behind, even worse than going ice fishing with Kenny, we're going to continue in our series **The Final Countdown**. And so far we've already seen how the **#10** sign on **The Final Countdown** was **The Jewish People**. The **#9** sign was **Modern Technology**. The **#8** sign was **Worldwide Upheaval**. The **#7** sign was **The Rise of Falsehood**. The **#6**

sign was **The Rise of Wickedness**. The #5 sign was **The Rise of Apostasy**. And the **last two times** we saw how the #4 sign was the Rise of **A One World Religion**. And what we saw there was that God lovingly foretold you and I that when we see **all the world's religions** on the planet coming together as one, which is happening right now today all over the world, thanks in part to the Lie of the **Interfaithism** and last time the **Ecumenicalism**, which is a Watering Down God's Truth by saying **We Just Need to Love, We Just Need to Tolerate, and We Just Need to Rethink** this God thing and that Jesus is the Only Way to Heaven. Why? So we can go along with a **One World Religion**. I don't think so! But that's exactly what God said would happen, when you are living in the Last Days. Oh, but that's not all. The 4th way the Ecumenical Movement is getting us to fall for the lie of a One World Religion is by getting us to repeat this lie... **We Just Need to Blend**. Huh? Come on! Don't you want to just work together? Haven't you heard? We are the world, we're God's children, and we'll make the world a brighter place for you and me, if we just start **blending**. Don't believe me? Wasn't anybody paying attention to the Michael Jackson Funeral? They used that whole thing as a platform to get us to go along with a One World Religion. Watch for the symbols in the background and listen to the message.

Michael Jackson Memorial: Song: We Are The World

The performance of “We Are the World” accompanied by the lyrics to the song projected on a big screen, with many letters replaced by the religious icons of the world’s faiths.

<Darryl Phinnessee>

There comes a time when we heed a certain call
When the world must come together as one

<KEN STACEY>

There are people dying
And its time to lend a hand to life
The greatest gift of all

<Dorian Holley>

We can’t go on pretending day by day
That someone, somehow will soon make a change, make a change

<Judith Hill>

We are all a part of God’s great big family
And the truth, you know,
Love is all we need

<Orianthi Panagaris>

We are the world, we are the children
We are the ones who make a brighter day
So lets start giving

<Judith Hill>

There’s a choice we’re making
We’re saving our own lives

<Judith and Orianthi>

Its true we’ll make a better day
Just you and me.”

Huh? It’s true! We’ll make this world a better place if we just start
blending. You know, form a One World Religion. Did you see the symbols

there? In fact, if you were paying attention, they did the exact same thing during the 9-11 memorial services. Let's take a look at that.

“President Bush pointed out that 9-11, this “Day of Infamy” was a spiritual event with spiritual implications. He only hinted however, at what these implications could be.

The first inkling came a few days later at the services held for 9-11 at the Washington Cathedral. During this service, we saw clerics from Christianity, Judaism and Islam present themselves in full regalia. They were fully unanimous in their assertion that “we all worship the same God.”

This theme would again be apparent when Oprah Winfrey led a “prayer service” in Yankee Stadium. This time, we were treated to prayers and “words of wisdom” from Protestant Preachers, Catholic Cardinals and Bishops, an Eastern Orthodox Bishop, Islamic Imams, Jewish Rabbis, and Hindu Clerics.

But strangely missing from these services were Christian Fundamentalists. The omissions were intentional because our beliefs are incompatible with the goals and objective of the New World Religion.

“Fundamentalists” groups which do not fit into the mold can now be marginalized as cults, and wiped out in the most profound fashion, while the liberal “Christianity” represented by the mainstream denominations is held up as acceptable.”

Why? Because they'll go along with a One World Religion. And again, Lord willing, we'll get to that in the next study. But the problem is, that's not what the Bible says! But don't take my word for it. Let's listen to God's.

Romans 16:16-18 “Greet one another with a holy kiss. All the churches of Christ send greetings. I urge you, brothers and sisters, to watch out for those who cause divisions and put obstacles in your way that are contrary to the teaching you have learned. Keep away from them. For such people are not

serving our Lord Christ, but their own appetites. By smooth talk and flattery they deceive the minds of naive people.”

Folks, I don't want you to be naïve, and that's why the Bible clearly says that even though we're supposed to be nice to each other as Christians, when it comes to those who cause **division**, what are we supposed to do? We **keep away from them!** Titus 3 says we kick them out of the Church! We don't give them a holy hug? We don't give them a holy kiss? We give 'em a **holy kick!** We kick them out of the Church! Why? Because they're teaching things contrary to the truth and they're stirring up trouble!

And yet, this is exactly what the Ecumenical Movement is saying we **shouldn't do!** They say, “Don't kick them out of the Church, give them a voice. Don't say stay away from them, **blend** together with them and we'll make this world a brighter place for you and me! Excuse me? And for those of you who think this could never happen in the Church, I'm here to tell you, it's already happening! In fact, there's a new term for it. It's called **salad bar religion**. Check this out.

“Salad-bar religion denotes the trend where people pick and choose religious beliefs, doctrines and practices – mixing and matching them much as they would select food in a cafeteria.

This is not just popular among non-Christians, but also among people who consider themselves to be Christians. People borrow from different traditions, then add them to whatever religion they're used to. But they don't want anything to do with organized religion.

Americans write their own Bible. They fashion their own God. More often than not, the God they choose is more like a best friend who has endless time for their needs, no matter how trivial.

Scholars call this, ‘domesticating God,’ turning Him into a social planner, therapist, or guardian angel. We have trivialized God. We assume that God is the butler who serves you for one reason, to give you a happy life. We’ve turned Him into a divine Prozac.”

Why? Because haven’t you heard? If we just blend together with other religions, and refashion God into this Giant Grandfather in the Sky who wouldn’t hurt a flea, and accepts anything and everyone, including those who don’t believe Jesus is the only way to heaven, then we can have peace on the planet. Really? And this is precisely what the Ecumenical Movement has done! They’ve actually conditioned us, even in the Church, to think that we’re broadening the gospel when in actuality we’re compromising the gospel and actually redefining what it means to be a Christian. In other words, we’re not doing what our opening text says we need to do. We’re not getting rid of heresy, we’re propagating it! And now, those in the Church who take a stand for sound teaching and correct doctrine like we’re supposed to, are being labeled as the “divisive” and “unloving” ones! Do you get it? It’s the complete reversal of the text!

But you might be thinking, “Come on Pastor Billy. This is crazy! I can see this going on in the Liberal Churches, but there’s no way that Mainline Denominations, Evangelical Christianity, is ever going to go along

with this. No way!” Really? Well let’s take a look at what’s going on in the American Church **right now** and you tell me if we’re not blending our Christianity into a One World Religion, starting here in Las Vegas. They just finished up their 25th Annual Interfaith Forum. Let’s take a look.

Interfaith Forums 2012

Aleda Nelson: Good evening everyone. Hi, um, a lovely spirit here this evening with everyone. Very friendly and cozy and a perfect evening to welcome here to our 2nd forum in our 25th season in the Interfaith Forums. My name is Aleda Nelson and I’m the moderator for the evening.

We’d like to thank the Interfaith Council, the Interfaith Forum Committee and of course Grace In The Desert Episcopal Church.

Our panelists this evening are-first of representing Islam, Dr. Aslam Abdullah is the Director of the Islamic Society of Nevada.

Then we will be hearing from our Episcopal representative, Reverend Dr. Jim Wallis from Grace In The Desert Episcopal Church.

Following Jim will be Mr. Teji Malik representing the Sikh faith from Gurdwara Baba Deep Singh temple.

From humanism we have Mr. Mel Lipman who’s the immediate class president of the American Humanist Association Union.

From the Church of Jesus Christ of Latter Day Saints, Mrs. Ruth Johnson is here and in addition to community activist, she’s on the Board of Public Affairs Committee-is that right? Yes. Of the Church of Jesus Christ of Latter Days Saints.

And representing the B’hai faith is Mrs. Elham Khomassi

First of all we assume that our religious beliefs are our most deeply held beliefs and as such, we do not try to change the beliefs of others. There’s no

debate. There's no challenging. There's no defending one's belief in this environment.

- The Global Faith Forum kicked off Thursday. Hundreds of Christians, Muslims, Jews, Hindus, Buddhists and atheists have convened at NorthWoods church in Texas in an effort to try to understand one another.
- Representatives of Jewish, Catholic, Protestant, B'hai, Mormon, Sikh, Vedic Druid and Muslim beliefs in Sacramento read scriptures from each of their religious texts, including six verses from the Quran, calling for all faiths to live in harmony. Again and again they uttered the refrain, "Let there be peace on earth and let it begin with me."
- A Bishop is now urging Christians to call God Allah. The Catholic leader believes it would help ease the tensions between the religions.
- Christians are celebrating religious diversity. On Pentecost Sunday, Christian churches across the United States are dedicating their worship to a celebration of our interfaith world. Progressive Christians thank God for religious diversity! We don't claim that our religion is superior to all others. We can grow closer to God and deeper in compassion – and we can understand our own traditions better – through a greater awareness of the world's religions. Sponsored by The Center for Progressive Christianity – Pluralism Sunday, will be promoted throughout churches and participating churches will be profiled in publicity releases, creating an evangelism opportunity for your congregation. The number of people looking The Center for Progressive Christianity's website is topping 40,000 per month! "We believe Pluralism Sunday is an opportunity for progressive churches to reach some of the many people who are turned off by Christianity because of exclusivist claims some Christians make about it."
- Many Born-Again Christians hold Universalist Views Barna finds. One in four born-again Christians believe that all people are eventually saved or accepted by God. A similar proportion, 26 percent, said a person's religion doesn't matter because all faiths teach the same lessons. And an even higher proportion, 40 percent, of born-again Christians said they believe Christians and Muslims worship the same God.

- The United Methodist Church's Claremont School of Theology has launched a program to train leaders. "There are a variety of beliefs regarding exclusivity in each of the traditions, and not all Christians, Jews and Muslims believe that their way is the only way." "Christians, Muslims and Jews will now have the opportunity to take classes together to learn about each other's religious traditions, to study topics that deal specifically with interfaith issues and to build bridges through coursework that assists them...our society's future religious leaders."
- Churches now promote Islam. Dozens of Christian churches, from Park Hill Congregational in Denver to Hillview United Methodist in Boise Idaho, and First United Lutheran in San Francisco to St. Elizabeth's Episcopal Church in Honolulu, are planning to send "A message both here at home and to the Arab and Muslim world about our respect for Islam" with a time to read the Quran during worship this Sunday. The Interfaith Alliance of Human Rights First is calling on Christian clergy to read portions of the Quran during their services Sunday.
- In fact, Churches are now letting other religions use their facilities. Heartsong Church near Memphis is allowing members of the Memphis Islamic Center to hold Ramadan prayers in its building and Aldersgate United Methodist Church in Alexandria Virginia allowed the Islamic Circle of North America to hold regular Friday prayers in its facility. But is this what we should be doing as Christians? I don't think so, as this man shares.

Fox and Friends: All Faiths Welcome?

Two Protestant churches are taking some heat for opening their church open to Muslims needing a place to worship

<sign> Heartsong Church welcomes Memphis Islamic Center to the neighborhood

Because their own facilities were either too small or under construction.

Some see it as a Christian duty. Others disagree. We're back with Governor Huckabee with more on this. So is this counter against everything these churches stand for?

Huckabee: Well you know, as much as I respect the autonomy of each local church-you just wonder, “What are they thinking?” I mean, if the purpose of a church is to push forth the gospel of Jesus Christ and then you have a Muslim group that says that Jesus Christ and all the people that follow Him are a bunch of infidels who should be essentially obliterated, I guess I have a hard time understanding that. I mean if a church is nothing more than a facility and a meeting place. Free for any and all viewpoints without regard to what it is then should a church be rented out to show adult movies on the weekend? I mean where does this end? How far does it go?

- Oh, but that’s not all. A Prominent Church in Michigan removed its cross Tuesday and has changed its name as part of a series of moves intended to make it more inclusive. C3Exchange was formerly known as Christ Community Church. The Rev. Ian Lawton, the Church’s pastor, said the name change and removing the cross was designed to reflect the church’s diverse members. “Our community has been a really open-minded community for some years now.” “We’ve had a number of Muslim people, Jewish people, Buddhists, atheists...we’re catching up to ourselves.” “We honor the cross, but the cross is just one symbol of our community.” In fact, they were so excited about it, they even videotaped it.

Can I tell you something? That’s what’s wrong with America. We’re removing the Cross of Christ **literally**, and we’re paying a heavy price for it. But folks, correct me if I’m wrong, it sure looks to me like people, even Christians, are blending together with other religions, how about you? Sounds like a One World Religion is right around the corner! And that’s exactly what the Bible said would happen, when you are living in the Last Days.

Oh, but that’s not all. The **5th way** the Ecumenical Movement is getting us to fall for the lie of a One World Religion is by getting us to

repeat this lie... **We Just Need to Submit**. Huh? Would you stop resisting?

Would you stop being a fundamentalist? If you don't knock it off and

submit, we're going to have to take you out! I didn't say that, God did.

Listen to what He said this One World Religion is going to do to the

resisters.

Revelation 17:1-2,5-6 "One of the seven angels who had the seven bowls came and said to me, 'Come, I will show you the punishment of the great prostitute, who sits by many waters. With her the kings of the earth committed adultery, and the inhabitants of the earth were intoxicated with the wine of her adulteries.' The name written on her forehead was a mystery: **BABYLON THE GREAT THE MOTHER OF PROSTITUTES AND OF THE ABOMINATIONS OF THE EARTH**. I saw that the woman was drunk with the blood of God's holy people, the blood of those who bore testimony to Jesus."

You know, that He's the only way to heaven. But folks according to our text, the Bible clearly says that this One World Religious system is not only going to seduce the world's government and people, and in other places work with the Antichrist, with this feel-good message of, "We just gotta love, we just gotta tolerate, we just gotta rethink this whole evangelical Christianity thing and blend together with other religions." But it also says **for those who resist**, she what? She'll be drunk with your blood, right? In other words, if you don't **submit** to her **you're going to die!** And folks, as creepy as that sounds, that's what the Bible clearly says. But here's the point. What's even creepier is just how close we are to the fulfillment of this

passage. You see, in order for this passage to be fulfilled, you need **three things**. A Woman Figure to represent the World's Religions, because it's a **woman** that rides the Beast, a **Mother** of prostitutes. And you need an **Antichrist** figure to work with, because it says she **rides** the Beast, or Antichrist, and three you need some sort of a **Global Authority System** to **punish** those who don't obey, right? Well folks, all three are on the verge of being fulfilled!

The **1st sign of this fulfillment** is the **Woman Figure**. Folks, believe it or not, we are already seeing how we are being conditioned to move away from the Male Patriarchal system of Religions, i.e. a Male Deity, to a Female Deity. And as we saw before, it's even happening in the Church. Let's take a look at those quotes from Feminism in the Church again.

- Mary Daly, who considers herself to be a Christian feminist, says this about traditional Christianity: "To put it bluntly, I propose that Christianity itself should be castrated." The primary focus of the 'Christian' feminist is to bring an end to what they perceive as male-dominated religion by 'castrating' the male influence from religion. Daly continued by saying, "I am suggesting that the idea of salvation uniquely by a male savior perpetuates the problem of patriarchal oppression."
- Herchurch.org is the website for Ebenezer Lutheran Church in San Francisco. On Wednesdays they open their sanctuary for the "Christian Goddess Rosary." They say that, "the exclusive emphasis of God as Father supports a domination structure that oppresses and subordinates women." They also encourage people to pray the "Hail Goddess Prayer" that states, "Hail Goddess full of grace. Blessed are you and blessed are all the fruits of your womb. For you are the MOTHER of us all."

- Jann Clanton author of, “*God, A Word for Girls and Boys*” says “Masculine God language hinders many children from establishing relationships of trust with God. In addition, calling God “he” causes boys to commit the sin of arrogance... Calling the Supreme power of the universe “he” causes girls to commit the sin of devaluing themselves. For the sake of “these little ones” we must change the way we talk about God.”
- And one of the hottest books that’s being promoted in the Church right now is called “The Shack” and if you look at it, it’s not only openly New Age in doctrine, but it actually presents God as a woman...shocker!

But folks, as you can see, even the Church is being prepared to accept a female deity. But feminism is not the only one trying to get us to change to this female deity. If you think about it, other religions are all ready to go. For instance, Catholicism has their worship of **Mary**, right? Environmentalism has their worship of **Mother Earth**. The Eastern Religions have their Ying/Yang principle of the male and **female** duality system. Hinduism has their worship of the goddess **Shiva**, and even Wicca and Witchcraft have their **Goddesses** to worship as well. In fact, what’s wild, the European Union has already picked their new symbol. Can anybody guess what it is? Check it out!

As you can see, I'm not making this up. It's all out there. But as you can see, the whole world's ripe for a female deity called The Woman that Rides the Beast.

But that's not all. The **2nd fulfillment** of this passage that's on the verge of coming to pass is the **Antichrist Figure**. You not only need a Female Deity, but you have to have an Antichrist person for the Female Deity to work with, right? And as we saw before, the Antichrist Figure is going to be a Political Figure that people actually worship as a god, during the 7-year Tribulation. But it's a good thing we don't see any signs of that happening any time soon! People worshipping a political figure as god! Yeah right! It's already happening! Let's take a look.

MSNBC: Obama god?

Evan Thomas of Newsweek: "Obama's really had a different task as we're seen too often as the bad guys and he is a very different job from Reagan-- was all about America, and you talked about it. Obama is "We are above that now." -- We're not just parochial. We're not just chauvinistic. We're not just provincial. We stand for something. I mean in a way Obama's standing above the country. Above the world. He's sort of god."

Excuse me? Obama is like God? I don't think so! But folks, if that surprises you it shouldn't. As we saw before, this is just the tip of the iceberg of people even here in America worshipping a political figure of a man as god.

An artist in Iowa created an inaugural parade of Barack Obama, riding on a donkey, making his own triumphal entry complete as adorers wave palm fronds along with a "Secret Service" escort.

Another artist planned to unveil a portrait of Barack Obama in a Christ-like pose with a crown of thorns upon his brow at New York City's Union Square Park, marking the president's 100th day in office.

In fact, Newsweek not only carried a picture of Obama with the caption of "Second Coming" and another issue called him the "God of All Things."

And lest you think this is all just one big coincidence, we even have people for the first time in our nation's history saying that a political figure, a man, is our Lord and Savior. Don't believe me? Check this out.

Jamie Foxx: "First of all give an honor to god and our lord and savior Barack Obama."

Giving honor to god, our lord and savior, Barak Obama... Who in the world would have ever thought that the day would come when we would see somebody here in America call a political figure of a man, "god our lord and savior?" **But it's happening now!** And that's exactly what the Bible said would happen, when you are living in the Last Days.

But that's still not all. The **3rd fulfillment** of this passage that's on the verge of coming to pass is the **Global Authority Figure**. Remember, you not only need a Female Deity, and an Antichrist for the Female Deity to work with, but you have to have a Global Authority to punish those who resist, right? She's going to be drunk with their blood! And again, I'm so glad we don't see any signs of that...happening...any... time...soon! Yeah right! Folks, believe it or not, it's already begun! As we saw earlier, people

all over the world are already calling for the Global Religious Headquarters.

Let's take a look at that again.

King Abdullah of Saudi Arabia has been planning for years to, “find a way to unite the world’s major religions in an effort to help foster peace, and believes a new international organization will help make that dream a reality.”

Chief Rabbi Yona Metzger, one of the two Chief Rabbis of Israel said, “We need a United Relations of Religions, which would contain representatives of the World’s Religions as opposed to nations.”

And speaking of United Nations, believe it or not, they’ve already stepped into this role by promoting what called, “Defamation of Religions” where believe it or not, Christianity and preaching the Gospel will now become “illegal” across the globe. Don’t believe me? Check it out!

“Hi, this is Jay Sekulow of the American Center for Law and Justice. I’ve just gotten off the air. I’m here in the radio studio but I wanted to bring you this very important update. I’ve just authorized and established today, sending our teams to New York to the United Nations. Here’s what’s happening. We’re sending lawyers from our Washington, D.C. office, our Government Affairs Office as well, as well as our New York City office which by the way is just a couple of blocks from the United Nations.

We’re going there because the U.N. is going to be considering a resolution from an organization called the O.I.C. that’s the Organization of the Islamic Conference. They are the largest group inside of the U.N. They represent over 47 countries. All of them Islamic. They are trying to criminalize anyone who speaks out against Islam, in other words by quote “defaming” Islam. If you say Jesus is the way of salvation that would be deemed an act of defamation. And what they are trying to do is get a U.N. resolution that says that speaking out against Islam would be a violation of International Law. In effect, this would be criminalizing the proclamation of the Gospel.”

And lest you think they won’t ever get you never make you submit to this One World Religion where Christianity and preaching the Gospel is illegal, don’t worry, just like with the public schools, they’re coming after your kids. Check this out.

UN Rights of the Child:

Huckabee: Right now the United States is one of only two countries in the world that is not signed onto a treaty that very well may get the government involved in how you raise your kids. Why haven't we heard about this? Let's ask Mike Farris. He is a constitutional lawyer, Chancellor of Patrick Henry College in Virginia and founder of the Homeschool Legal Defense Association and a leading advocate of parental rights. Why haven't we heard about this treaty that's being proposed?

Michael Farris: Well it's been sitting in limbo ever since 1995. The political climate simply wasn't right for it to be sent to the Senate for ratification. Madeleine Albright, on behalf of the Clinton Administration did sign it in '95, but the time is right now. The Obama administration, particularly Secretary of State, Hillary Clinton and Barbara Boxer in the Senate believe that this is their hour. And it's probably going to be coming up for ratification either this fall or maybe next spring, but sometime in this session of Congress we're going to see this U.N. treaty that tells all parents and children how their lives will be governed through the U.N. by the United States government.

Huckabee: I mean this will be huge and we're not hearing about it Mike. So first of all, to the skeptic-how do I know this is really gonna make a difference in the way the case law could be applied. Are there any instances in the past where children were sort of maybe taking on their parents in a courtroom setting?

Farris: In Washington state, for a number of years they had a state law that paralleled the U.N. Convention on the Rights of the Child. It's since been repealed, but when I was a lawyer in Washington state, a 13 year old boy went to the social workers through his public school counselors and complained that his parents took him to church too much. They went Sunday morning, Sunday night and Wednesday night prayer meeting. The social workers were outraged about this amount of church and they removed the boy on an emergency basis.

Huckabee: Out of his own home?

Farris: Out of his own home! On an emergency, which is for child abuse.

Serious matters. The 72 hour hearing came along 3 days later. I was the lawyer for the families. The only issue in the case, was how much church. And the judge said, “You know what? I think once a week is enough for any 13 year old boy and if you want to keep custody of your son, you have to agree to only take him to church once a week.”

Folks, it’s all happening right now. Who would have thought, in our Nations History, we’d ever get to the point where some Global Authority would actually tell us when we could and could not take our own kids to Church services, and how many times, otherwise, we’re going to come and take them away. In other words, **submit** to this Global Authority, or pay a price. Gee, where have I heard that before?

Folks, it’s all happening **right now**, right before our very eyes, and that’s exactly like the Bible said would happen, when you are living in the Last Days! People, what more does God have to do? This is not a game! This is real! But praise God, God loves us. He doesn’t want us going into the 7-year Tribulation! And He certainly doesn’t want us to go into HELL! And so that’s why, out of love, He’s given us these signs, again, of a **One World Religion** to show us that the Tribulation is near, Christ’s 2nd Coming is rapidly approaching. And that’s why Jesus Himself said:

Luke 21:28 “When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near.”

People, like it or not, we are headed for **The Final Countdown**. And so the point is this. If you’re a Christian here today it’s time to get busy!

We've got to lay aside our differences, not God's truth, and get busy working together saving souls! People need to know that JESUS IS THE ONLY WAY TO HEAVEN!

But if you're here today and you're not a Christian, then I beg you, please, heed the signs...heed the warnings...give your life to Jesus now...because I'm telling you, if you continue to follow this lie of a One World Religion, that there's many paths to heaven, you're actually going to end up in **hell**. Jesus Christ is the only way to heaven. I didn't say that, He did! And folks, hell is the last place you ever want to go, like this mans shares. We'll close in prayer after this.

“Contrary to the father of lies, God Word describes hell as the place where God pours His wrath on the wicked.

God's Word declares in **Romans 2:5-6,9** that ‘But because of your stubbornness and unrepentant heart you are storing up wrath for yourself in the day of wrath and revelation of the righteous judgment of God, who will render to each person according to his deeds. There will be tribulation and distress for every soul of man who does evil.’

God's Word speak of this in **Hebrews 10:26-31** that there will be a ‘certain terrifying expectation of judgment and of raging fire which consumes the enemies of God...severer punishment...for we know Him who said, ‘Vengeance is mine. I will repay.’ It is a terrifying thing to fall into the hands of the living God.’

Will hell be a good time? Contrary to the father of lies, hell will not be a place of friendship and rock music, but of misery, darkness, and isolation. The only thing you will hear from others are their cries of torment.

Jesus Christ warned in **Matthew 8:12** ‘The subjects of the kingdom will be thrown outside into darkness where there will be weeping and gnashing of teeth.’

The Bible speaks in **2 Peter 2:17** of the wicked “for whom the black darkness has been reserved.”

God Word declares that there is no rest for the wicked in hell. **Revelation 14:11** states, ‘And the smoke of their torment goes up forever and ever; they have no rest day and night.’

Jesus said of the Day of Judgment in **Matthew 25:41,46** ‘Then He will say to those on His left, ‘Depart from Me, you who are cursed into the eternal fire prepared for the devil and his angels... Then they will go away to eternal punishment, but the righteous to eternal life.’

God’s Word says in **2 Thessalonians 1:7-9** that ‘He will punish those who do not know God and do not obey the gospel of our Lord Jesus. They will be punished with everlasting destruction and shut out from the presence of the Lord and from the majesty of His power.’

God’s Word also describes hell as a lake of fire. If you refuse to turn to Jesus Christ for eternal life, you too will go to the lake of fire forever! What are you going to do? Don’t go to hell. Please. I beg you. Don’t go to hell.

All of these people in the New Age movement that believe that everybody’s going to heaven, that you can worship anything, that you can worship a flea, you can squeeze a tree, you can worship a crystal, you can worship the stars, I’ve got news for you.

They’re not going unless they accept Jesus Christ as their Lord and Savior because the Word says that the only way to the Father is through the Son.”

To find the way to God, to understand the *truth* of God's Word, and to received the gift of eternal *life*, begin by repentance and faith through a prayer like this:

“Dear God, I understand that I have broken Your Law and sinned against You. Please forgive my sins. Thank You that Jesus suffered on the cross in my place. I now place my trust in Him as My Savior and Lord. In Jesus' name I pray. Amen.”
