

The Final Countdown – One World Government Part 1

“One time this Pastor decided to do a visual demonstration for his congregation to add some emphasis to his sermon. And so he placed four worms into four separate jars.

And the first worm he put into a container of alcohol.
The second worm he put into a container of cigarette smoke.
The third worm was put into a container of chocolate syrup.
The fourth worm was put into a container that had good clean soil.

And so at the conclusion of the sermon, the Pastor reported the following results:

He said, “As you can see, the first worm in the alcohol...is Dead.
The second worm in cigarette smoke...is Dead.
Third worm in chocolate syrup...is Dead.
But the fourth worm in good clean soil...is Alive and Well!”

And so the Pastor asked the congregation, ‘Now what did you learn from this demonstration?’

And Kenny, sitting in the back row said, “Well apparently, as long as you drink, smoke and eat chocolate, you don’t get worms!”

No, no, no! Oh boy! Now you know why Kenny no longer comes to the Wednesday Night Bible studies! Love you Kenny, but man, it had nothing to do with getting worms. You can still come back though! But seriously folks, how many of you guys would say that Kenny came to the ultimate **wrong conclusion** there? Okay, slightly! But that’s right, believe it or not, did you know the Bible says one day the whole planet’s going to come to an even worse conclusion than that one? You see, the Bible says the

7-year Tribulation starts off with a false peace and a false utopia of the Antichrist. But Antichrist comes and convinces people to think they just entered the greatest time of their lives, when it's actually the worst of time in the history of mankind. You talk about a horrible wrong conclusion! And that's all begins at the rapture of the Church!

And folks, the reason why it's going to be such a **horrible time** is because for those who refuse to accept Jesus Christ as their Personal Lord and Savior, they will be catapulted into the 7-year Tribulation, and it's not a joke. It's an outpouring of God's wrath on a wicked and rebellious planet. In fact Jesus said in **Matthew 24** it's going to be a "time of greater horror than anything the world has ever seen or will ever see again. And that "unless that time of calamity is shortened, the entire human race will be destroyed." But praise God, God's not only a God of wrath, He's a God of love as well. And **because He loves you and I**, He's given us many warning signs to show us when the Tribulation was near and when Jesus Christ's 2nd Coming was rapidly approaching.

Therefore, in order to keep you and I here at Sunrise from experiencing the ultimate bad day of being left behind, even worse than apparently Kenny drawing his own conclusions, we're going to continue in our series **The Final Countdown**. And so far we've already seen how the

#10 sign on **The Final Countdown** was **The Jewish People**. The **#9** sign was **Modern Technology**. The **#8** sign was **Worldwide Upheaval**. The **#7** sign was **The Rise of Falsehood**. The **#6** sign was **The Rise of Wickedness**. The **#5** sign was **The Rise of Apostasy**. And the **last six times** we saw how the **#4** sign was the Rise of **A One World Religion**. And what we saw there was that God lovingly foretold you and I that when we see **all the world's religions** on the planet coming together as one, which is happening right now today all over the world, thanks in part to the Lie of the **Interfaithism**, the lie of **Ecumenicalism** and the last time **3 times** with the Rise of a **Global Persecution**, that you are seriously living in the Last Days! And folks, as we saw, that time is **now!** We already saw it's happening through the lies of **Propaganda**, the examples of **Persecution**, the **Plan** already being in place and the **Implementation** already begun...beheading! And last time, the **Excuse** and **Execution** is already here, even in America! And so the point was this. We better get united, we better stop beating each other up, and we better start getting motivated for the right things, because it's only going to get worse!

But that's not all. The **#3** sign on **The Final Countdown** that God has given to us to lovingly wake us up is none other than **A One World Government**. Are you serious? Yeah folks, the Bible is clear. One day the

whole planet really is going to be under the control or government of the Antichrist. But don't take my word for it. Let's listen to God's.

Revelation 13:1-7 “And I saw a beast coming out of the sea. He had ten horns and seven heads, with ten crowns on his horns, and on each head a blasphemous name. The beast I saw resembled a leopard, but had feet like those of a bear and a mouth like that of a lion. The dragon gave the beast his power and his throne and great authority. One of the heads of the beast seemed to have had a fatal wound, but the fatal wound had been healed. The whole world was astonished and followed the beast.

Men worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, Who is like the beast? Who can make war against him? The beast was given a mouth to utter proud words and blasphemies and to exercise his authority for forty-two months. He opened his mouth to blaspheme God, and to slander his name and his dwelling place and those who live in heaven. He was given power to make war against the saints and to conquer them. And he was given authority over every tribe, people, language and nation.”

Now folks, according to our text there, the Bible is clear. There really is coming a day when all the inhabitants of the earth will be under the authority or government of who? The antichrist, right? One day, the whole world will be unified into **A One World Government** that is actually **saturnically inspired**. It says it right there in the text. But again, the question for you and I is, “Could that really happen? Could the whole world really be deceived into creating **A One World Government** that's saturnically inspired and is there any evidence that it's really going to take place just like the Bible said any time soon?” Uh, yeah! It's happening now!

And the **1st proof** that we know really are headed for a One World Government real soon is the **Chronological Proof**. Folks, what most people don't realize is that this One World Government is not only **going to be** put into place, because the Bible said it would, but what people don't realize is that it's been in the planning stages for a long time. CNBC's "Squawk on the Street" Kissinger Interview from the NYSE

Erin Burnett: What do you think is the most important thing for Barack Obama? Obviously you are here to talk about the anniversary for U.S./China diplomatic relations but if you had to say this is going to be the country, or the conflict or the place that would define the Obama administration, what would it be?

Kissinger: But he can give new impetus to American foreign policy partly because the reception of him is so extraordinary around the world. I think his task will be to develop an overall strategy for America in this period when, really, a new world order can be created. It's a great opportunity, it isn't just a crisis."

- 2009: Obama declares that, "All nations must come together to build a stronger, global regime."

Barack Obama: "North Korea broke the rules. Once again. By testing a rocket that could be used for long missiles. This provocation underscores the need for action, not just this afternoon at the U.N. Security Council, but in our determination to prevent the spread of these weapons. Rules must be binding. Violations must be punished. Words must mean something. The world must stand together to prevent the spread of these weapons. Now is the time for a strong international response and North Korea must know the path to security and respect will never come through threats and illegal weapons. All nations must come together to build a stronger global regime."

- 2012: Vatican calls for a "World Political Authority" for the "common good."
- 2013: Vice President Joseph Biden called for the creation of a "new world order" with new financial institutions, updated global rules, and a prosperous China.

Joe Biden New World Order: “The affirmative task we have now is uh is to actually um create uh a New World Order because the global order is changing again and the institutions of rule that worked so well in the post World War II era for decades, they need to be strengthened. Some have to be changed. So we have to do what we do best. We have to lead.”

- 2013: Pope Francis met with leaders of non-Catholic religions, such as Orthodox, Anglicans, Lutherans and Methodists, and others including Jews, Muslims, Buddhists, Hindus, and even non-believers to “recognize their joint responsibility to our world, to all of creation, which we have to love and protect,” and the United Nations Chief is now saying that Pope Francis is a, “Global Spiritual Leader.”

Why is that important? Well, if you’re going to have an Antichrist, you need a “Global Spiritual Leader” called “The False Prophet” in the Bible to help promote the Antichrist and his agenda for a One World Government. Not saying **he is** the False Prophet, but you can see all the pieces coming together, can’t you? Folks, correct me if I’m wrong, but when you take a look at the timeline, I’d say somebody’s pretty serious about forming this **One World Government**, how about you? I mean, it’s almost like they’re following some sort of a **Chronological Plan** and they’re just about ready to pull the whole thing off, how about you? And that’s exactly what the Bible said would happen, when you are living in the Last Days!

But you might be out there thinking, “Hey man, come on Pastor Billy, there’s no way America’s going to go along with this! This is crazy! This is just some wacky conspiracy theory stuff! We are a Christian Nation! There’s

no way our leaders here in America would ever undermine our Country's sovereignty and go along with a One World Government! That's insane! I mean, after all, our Declaration of Independence says, "We are endowed by our Creator (i.e. God) with these rights!" There's no way a faithful American would ever give up our Sovereignty for a One World Government.

Well folks, I hate to burst your bubble, but that brings us to the **2nd** **proof** that we know really are headed for a One World Government is what I call the **Administration Proof**. You see, we've already seen in our text that the Antichrist's government is going to be satanically inspired. Therefore, if America, yes, even America, is going to go along with this One World Government, then at some point, logically, we're going to have to "**snub**" if you will, out total Christian heritage and foundation, that our Founding Fathers set up on the principles of the Bible, **as well as**, turning away from God Himself, right? You **have to** if you're going to go along with a satanic inspired system. Don't recommend it, but logically, that's what you have to do. Well folks, I hate to be the bearer of bad news, but believe it or not, that's what our current administration is doing! Now, they're not alone, other administrations have done it too, but this one has actually gone down on record as being the most Anti-Christian administration in American

History. But don't take my word for it, let's listen to the facts. Your first clue should have been when this speech was given in Washington D.C.

2006.

Obama: "Whatever we once were we are no longer a Christian nation at least not just. We are also a Jewish nation, and a Muslim nation and a Buddhist nation and Hindu nation and a nation of non-believers.

And even if we did have only Christians in our midst, if we expelled every non-Christian from the United States of America, whose Christianity would we teach in the schools? Would we go with James Dobson's, or Al Sharpton's? Which passages of Scripture should guide our public policy?

Should we go with Leviticus, which suggests slavery is ok and that eating shellfish is abomination? How about Deuteronomy, which suggests stoning your child if he strays from the faith? Or should we just stick to the Sermon on the Mount - a passage that is so radical that it's doubtful that our own Defense Department would survive its application?"

- September 2007 – For some reason, Obama chose not put his hand over his heart during the singing of the National Anthem.

Obama unpatriotic during "Star Spangled Banner":

Rep. Jack Kingston: The famous picture of him standing with Bill Richardson, Hillary Clinton have their hand over their heart, saluting the flag during the pledge and Obama has his hands deliberately down. THAT is disturbing to me.

Bret Baier: Fox News on Obama visit to Georgetown U.

Baier: Obama's visit to Notre Dame is not the only Catholic institution raising eyebrows when it comes to President Obama. Officials at Georgetown University covered a monogram symbolizing the name of Jesus because it was inscribed on the stage where the President spoke Tuesday.

The monogram, IHS, which comes from the Greek for Jesus, was covered with a triangle of black painted plywood.

Catholic League President Bill Donahue says, "The cowardice of Georgetown to stand fast on principle tells us more than we need to know...But the bigger story is the audacity of the Obama Administration to ask a religious school to neuter itself before the president speaks there"

Robert Gibbs: I, I, I haven't seen the comments Lester, but I can assure you that the President believes in the Declaration of Independence

We’re lumped right in there with them, as we saw in our last study!

But folks, correct me if I’m wrong, but it sure appears to me that our current administration is not only snubbing their nose at God and mocking our Christian heritage. But it sure appears they’re heading down an Anti-Christian/Anti-God route that is precisely needed to prepare us for accepting an Antichrist government that is actually satanically inspired, like the Book of Revelation says is coming, right? Gee, it’s almost like we’re living in the Last Days or something and we need to get motivated! But that’s still not all. Lest you think I’m playing party favorites and just picking on the Democrats, folks, you got to realize, it’s both of them!

And that’s why the **3rd proof** that we know really are headed for a One World Government is the **Quotation Proof**. Folks, it doesn’t matter what party you belong to anymore. This is the illusion. This is the lie! They have both become infiltrated by globalists who want a One World Government and a New World Order! Let me give you an analogy. It’s like asking this question, “Who would you rather vote for? The Gambinos or the Corleones?” Okay, they’re both in it together. But don’t listen to my words,

let's listen to theirs. You tell me if they don't want this One World

Government and a New World Order...it's all over the world!

- **Henry Kissinger** “Today America would be outraged if U.N. troops entered Los Angeles to restore order. Tomorrow they will be grateful. When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well-being granted to them by the World Government.”
- **Walter Cronkite** “It seems to many of us that if we are to avoid the eventual catastrophic world conflict we must strengthen the United Nations as a first step toward a World Government. To do that, of course, we Americans will have to yield up some of our sovereignty. That would be a bitter pill. It would take a lot of courage, a lot of faith in the new order. Pat Robertson has written in a book a few years ago that we should have a world government, but only when the Messiah arrives. He wrote, literally, any attempt to achieve world order before that time must be the work of the devil. Well, join me. I'm glad to sit here at the right hand of satan.”
- **Al Gore** “The climate bill will help bring about global governance. It is the awareness itself that will drive the change and one of the ways it will drive the change is through global governance and global agreements.
- **French President Chirac** said during a speech at The Hague that the UN's Kyoto Protocol represented, “The first component of an authentic global governance. For the first time, humanity is instituting a genuine instrument of global governance.”
- **David Rockefeller** “We are grateful to the Washington Post, The New York Times, Time Magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subject to the bright lights of publicity during those years. But the work is now much more sophisticated and prepared to march towards a World Government.”
- **Strobe Talbot** (Clinton's Deputy Secretary of State) “In the next century, nations as we know it will be obsolete; all states will recognize a single, global authority. National sovereignty wasn't such a great idea after all.”
- **Richard Falk** “The existing order is breaking down at a rapid rate and the main uncertainty is whether mankind can exert a positive role in

shaping a new world order... We believe a new order will be born no later than early in the next century..."

- **Mikhail Gorbachev** "Further global progress is now possible only through a quest for universal consensus in the movement towards a new world order."
- **Nelson Mandela** "The new world order that is in the making must focus on the creation of a world democracy, peace and prosperity for all."
- **George McGovern** "I would support a Presidential candidate who pledged to take the following steps... At the end of the war in the Persian Gulf, press for a comprehensive Middle East settlement and for a new world order based not on Pax Americana but on peace through law with a stronger U.N. and World Court."
- **George Bush Sr.** "If we do not follow the dictates of our inner moral compass and stand up for human life, then his lawlessness will threaten the peace and democracy of the emerging new world order we now see, this long dreamed-of vision we've all worked toward for so long. Bush: We have before us the opportunity to forge for ourselves and future generations, a New World Order. A world where the rule of law, not law of the jungle governs the conduct of nations. When we are successful, and we will be. We will have a real chance at this New World Order. An order in which a credible United Nations can use its peacekeeping role to fulfill the promise and vision of the U.N.'s founders."
- **Madeleine Albright** "Today I say that no nation in the world need be left out of the global system we are constructing."
- **Mikhail Gorbachev** "The victims of the September 11th attacks will not have died in vain if world leaders use the crisis to create a new world order."
- **Robert Muller** (Former Assistant Attorney General of the U.N.) "We must move as quickly as possible to a one-world government; one-world religion; under a one-world leader."

Assorted quotes of World Leaders and the New World Order:

Reporter: What sort of financial deal should Obama be seeking to strike when he travels to China next month.

George Soros: You know this would be the time because you really need to bring China into the creation of a New uh, uh, uh World Order. Financial World Order. Ah, they are kind of reluctant members of the IMF. They play

along but they don't make much of a contribution so I think you need a New uh, World Order that uh China has to be part of the process of creating it. I think the makings of it are already there because the G20, in agreeing to peer reviews effectively is moving in that direction

Fox New reporting during House Hearing

Maxine Waters: What guarantees are you going to give this liberal about how that will reduce the cost of a gasoline at the pump if we let you drill where you say you want to drill.

John Hofmeister: I can guarantee to the American people because of the inaction of the United States Congress ever increasing prices unless the demand comes down and the \$5 dollars will look like a very low price in the years to come if we are prohibited from finding new reserves, new opportunities to increase supplies.

Maxine Waters: And guess what this liberal will be all about. This liberal will be all about socializing uh umm will be about <hesitates> taking over and the government running all of your companies

RT Hon Gordon Brown MP: Our position was not that. Our position was to support action so that the will of the international community-that Saddam Hussein disclose and dispose of weapons-be reinforced. And at the back of my mind was this sense that, if the international community did not act here, then the international community would find it difficult to gain credibility for acting in other areas, and this New World Order that we were trying to create was being put at risk

The London Summit 2009

Gordon Brown: I think a New World Order is emerging and with it the foundations of a new and progressive era of international cooperation.

Feb 25, 1972: President Nixon - Hangzhou, China

You'll believe deeply in your system and we believe just as deeply in our system. It is not our common beliefs that have brought us together here but our common interests and our common hopes. The interests that each of us has to maintain our independence and the security of our peoples at the hope

that each of us has to build a New World Order in which nations and peoples with different systems and different values can live together in peace.

11/30/1989 Mikhail Gorbachev: Sheraton Chicago

That does not describe why the world has changed so much and why the world has turned so much toward a New World Order and a new kind of civilization

11/16/91 George H.W. Bush: Speech to US Congress

Bush: Until now, the world we've known has been a world divided. A world of barbed wire and concrete block. Conflict. Cold War. Now we can see a new world coming into view. A world in which the very real prospect of a New World Order.

Headline: 'NEW WORLD ORDER' TO SAVE THE EARTH

06/20/07 Gordon Brown:

The first decade of the 21st Century that out of what will be seen as the greatest restructuring of the global economy Perhaps one even greater than at the time of the industrial revolution a new world order was created.”

Gee, what’s that sound like? Folks, I’m not making this up! Sounds to me like somebody’s taking this **One World Government** and New World Order thing pretty serious, how about you? And lest there be any misunderstanding where this One World Government and satanically Antichrist system is leading to, let’s remind ourselves why the Bible calls it satanic. Here’s what it’s leading to. It ain’t pretty. It’s called total slavery!

Revelation 13:16-17 “He also forced everyone, small and great, rich and poor, free and slave, to receive a mark on his right hand or on his forehead, o that no one could buy or sell unless he had the mark, which is the name of the beast or the number of his name.”

Now folks, the Bible clearly tells us that the Antichrist’s system is not only going to be over the whole world, but he’s also going to force the

whole world to receive some sort of a Mark into their right hands or foreheads, in order to buy or sell, right? **Total slavery** to the Antichrist, if you don't go along with his system, you're going to be shut out of the system! You won't buy or sell. And folks, believe it or not, that too is already here. One man, Aaron Russo, exposed the whole thing a few years ago before he mysteriously died. Hmmm, I wonder why? Here's the actual conversation he had with one of these Globalists, pushing for this One World Government, and you tell me if they're not planning on this Mark of the Beast system, to control what you buy or sell.

Aaron Russo:

This is Aaron Russo, a filmmaker and former politician. To his left is Nicholas Rockefeller of the infamous Rockefeller Banking and business dynasty. After maintaining a close friendship with Nicholas Rockefeller, Aaron eventually ended the relationship, appalled by what he had learned about the Rockefellers and their ambitions.

Aaron Russo: I got a call one day from a Terry woman I knew, and she said, 'Would you like to meet one of the Rockefellers?'. I said, 'Sure, I'd love to'. And we became friends and he began to divulge a lot of things to me. So he says to me one night- [11 months before Sept. 11th 2001] There's going to be an event Aaron...we are going to go into Afghanistan so we can put in pipelines from the Caspian Sea. We are going to go into Iraq to take the oil and establish a base in the Middle East and we're going to go into Venezuela and then try and go in and get rid of Chavez. And the first two they've accomplished. Chavez they didn't accomplish. You're going to see guys going into caves looking for <laughs> looking for people that their never gonna find-you know he was laughing about the fact that you have this "war" on "terror". There's no real enemy. He's talking about how by having this war on "terror", you can never win it...because it's an eternal war and so you can always keep taking people's liberties away.

I said how are you going to convince people that this war is real? He says by the media. The media can convince everybody that it's real. I mean you know you just keep talking about things. You keep saying it over and over and over and over again and eventually people believe it.

You know you create the Federal Reserve in 1913 through lies. You create 9/11 which is another lie. Through 9/11 you then are fighting a war on "terror" and also you go into Iraq, which was another lie. And now they're going to do Iran. So you know, one thing leading to another leading to another, leading to another.

So now what are you doing this for? What's the point of this thing? I mean you got all the money in the world you'll ever want. You got all the power, you know. I said you're hurting people, I said, it's not a good thing. And he would say why do you care about the people for. Take care of yourself and take care of your family.

And I said to him what are the ultimate goals here. He said the ultimate goal is to get everybody in this world chipped with an RFID chip and have all money be on those chips and everything on those chips and if anybody wants to protest what we do or violate what we want. We just turn off their chip.”

Wow! Revelation 13 right before our very eyes! So much for a wacky conspiracy theory! Folks, this is all happening right now, it's not make believe, it's real, and we better get motivated. It's exactly what the Bible said would happen, when you are living in the Last Days! **It just happens to be happening now!** And here's the point. What more does God have to do? This is not a game! God doesn't want us going into the 7-year Tribulation and He certainly doesn't want us to go into HELL! And so that's why, out of love, He's given us these signs of a **One World Government** to show us

that the Tribulation is near, Christ's 2nd Coming is rapidly approaching. And that's why Jesus Himself said:

Luke 21:28 "When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near."

People, like it or not, we are headed for **The Final Countdown**. And so the point is this. If you're a Christian here today it's time to get busy! We've got to lay aside our differences and start getting busy working together saving souls by the Spirit of God! Amen? That's the answer to the ills of our country, as we saw last week! There's still hope! In fact, this guy says the same thing.

"Since the recent election, we've seen same-sex couples lining up at courthouses in several states to receive their marriage licenses, and hundreds of people gathering in public places to light up marijuana cigarettes in the states where it has just been decriminalized.

This is only the tip of the iceberg. The moral decline we see on television programs – blatant immorality, senseless violence, media-friendly gay and lesbian behavior – is just a reflection of the moral corruption that has infected our entire nation. These are indeed dark days...but there is hope.

For far too long, as a nation we have neglected – and even rejected – the Word of God and His commands. Yet the Scriptures are mighty, able to penetrate even the most hardened and darkened hearts with convicting, life-giving power. This is the only cure for a sin-sickened country that is about to slip into a moral abyss, and it is why we must proclaim the Good News."

In other words, stop goofing off, stop beating each other up, and start getting busy working saving souls, sharing the Gospel, amen? That's what'll turn our country around in the nick of time, amen?

But if you're here today and you're not a Christian, then I beg you, please, heed the signs...heed the warnings...give your life to Jesus today...because the last place you ever want to be is in the **Antichrist's Kingdom**. THAT CHIP that you heard them talking about putting into people all over the planet is the TIP OF THE ICEBERG! Take the way out...NOW...the ONLY way out...through Jesus Christ. Call upon His Name and ask Him to forgive you of all of your sins, and escape the Wrath to come. Amen?

To find the way to God, to understand the *truth* of God's Word, and to received the gift of eternal *life*, begin by repentance and faith through a prayer like this:

“Dear God, I understand that I have broken Your Law and sinned against You. Please forgive my sins. Thank You that Jesus suffered on the cross in my place. I now place my trust in Him as My Savior and Lord. In Jesus' name I pray. Amen.”
