

The Final Countdown – One World Government Part 2

“During the initial space flights into space, apparently the Russian Cosmonauts discovered that ink pens didn’t work well under zero gravity conditions. In fact, they didn’t work at all.

And so to beat the problem, the Russians used their ingenuity and spent over \$2 million dollars over 6 full years in designing a pen for use in space.

And when they were done, the pen would actually work under zero gravity conditions due to the pressurized ink that they built inside. In fact, it worked well under sub zero conditions, underwater, on glass, and virtually any surface known to mankind.

And the Americans...hey, we just used a pencil.”

Give it up for American ingenuity, right? But that’s right folks, I think you can agree by that story that obviously some nations have different ways of getting the job done, right? Some better than others apparently. But that’s not the point. Here’s the point. Did you know one day the Bible says that all nations on the planet are going to combine together their ingenuity into a so-called great project for the planet? And the irony is, they think this project is going to be the world’s greatest breakthrough, when in reality it’s the world’s greatest nightmare! It’s called the Antichrists kingdom and you don’t want to have any part of building that! And of course, that all begins, at the rapture of the Church! And folks, the reason why it’s going to be such a **nightmarish time for the world** is because for those who refuse to accept

Jesus Christ as their Personal Lord and Savior they'll be catapulted into the 7-year Tribulation and its not a joke. It's an outpouring of God's wrath on a wicked and rebellious planet. In fact Jesus said in **Matthew 24** it's going to be a "time of greater horror than anything the world has ever seen or will ever see again. And that "unless that time of calamity is shortened, the entire human race will be destroyed." But praise God, God's not only a God of wrath, He's a God of love as well. And **because He loves you and I**, He's given us many warning signs to show us when the Tribulation was near and when Jesus Christ's 2nd Coming was rapidly approaching.

Therefore, in order to keep you and I here at Sunrise from experiencing the ultimate bad day of being left behind, even worse than some people's misguided ingenuity, we're going to continue in our series **The Final Countdown**. And so far we've already seen how the **#10** sign on **The Final Countdown** was **The Jewish People**. The **#9** sign was **Modern Technology**. The **#8** sign was **Worldwide Upheaval**. The **#7** sign was **The Rise of Falsehood**. The **#6** sign was **The Rise of Wickedness**. The **#5** sign was **The Rise of Apostasy**. The **#4** sign was **The Rise of A One World Religion**. And the **last time** we saw how the **#3** sign was the Rise of **A One World Government**. And what we saw there was that God lovingly foretold you and I that when we see **all the world's governments** on the planet

coming together as one, which is happening right now today all over the world. And we saw that with the **Chronological** proof, the **Administration** proof, and even the **Quotational** proof, where they even admit that's exactly what they're up to! There's no conspiracy here! It's demonstrated fact! They admit it! And so guess what? It's an indicator from God, like it, lump it, or leave it, **you're living in the last days!**

But that's still not all. The **4th proof** that we know really are headed for a One World Government is what I call the **Tactical Proof**. Boy, is the enemy slick, or what? Folks, what most people don't realize is what we're seeing in world events, the tactics they're using to put this together behind the scenes, is the exact same tactics that the Bible said the Antichrist himself will use, nearly 2,000 years ago, to set up his One World Government. But don't take my word for it. Let's listen to God's.

2 Thessalonians 2:1-12 “Concerning the coming of our Lord Jesus Christ and our being gathered to Him, we ask you, brothers, not to become easily unsettled or alarmed by some prophecy, report or letter supposed to have come from us, saying that the day of the Lord has already come. Don't let anyone deceive you in any way, for that day will not come until the rebellion occurs and the man of lawlessness is revealed, the man doomed to destruction. He will oppose and will exalt himself over everything that is called God or is worshiped, so that he sets himself up in God's temple, proclaiming himself to be God.

Don't you remember that when I was with you I used to tell you these things? And now you know what is holding him back, so that he may be revealed at the proper time. For the secret power of lawlessness is already at work; but the one who now holds it back will continue to do so till he is

taken out of the way. And then the lawless one will be revealed, whom the Lord Jesus will overthrow with the breath of His mouth and destroy by the splendor of His coming.

The coming of the lawless one will be in accordance with the work of satan displayed in all kinds of counterfeit miracles, signs and wonders, and in every sort of evil that deceives those who are perishing. They perish because they refused to love the truth and so be saved. For this reason God sends them a powerful delusion so that they will believe the lie and so that all will be condemned who have not believed the truth but have delighted in wickedness.”

Folks, according to our text, the Bible clearly says whatever you do, don't reject God's truth, you better deal with the facts, right? Why? Because if you don't, you're going to be one of those people who are perishing falling for the lies of the Antichrist, and notice what his tactics were to get people to fall for it. How does he get the job done? How does he dupe the whole world into not only following him but even go along with this One World Government? Well apparently, it's **deceit**, right? His tactic is using a satanic lying counterfeit deceit. It's a pack of lies! And that shouldn't be because he's satanically inspired, which means he's all about what satan's all about! Lies, deceit! Lies, deceit, right? That's satan! So is it any surprise that the Antichrist does the same thing to dupe people into going along with a One World Government? Of course not! Makes perfect sense.

But here's the point. I don't know about you, but I'm so glad we don't seen any signs whatsoever of people around the planet using satanic evil

deceitful tactics to delude us into going along with a One World Government, any...time...soon...Yeah, right folks! They're already using them in high gear, all over the planet! Okay? We're being duped!

And the **1st evil tactic** they're using to get us to go along with a One World Government is the deceit of **Fear & Manipulation**. Once again, put yourself in the Antichrist's shoes. If you're going to deceive the whole world into creating **A One World Government** then you first have to get everybody on the planet into a total state of fear, right? Why? Because then you can manipulate them. He's not dumb! He knows what he's doing! He knows historically people are more apt to surrender their freedoms in a time of fear than in a time of peace. So, if you create a crisis, you can manage the outcome. If you create a fearful event, you can manipulate the people to do whatever you want to have done, whether they realize it or not!

And folks, if you've been paying attention, this is precisely what's been happening to our country for the last several years! For instance, in order to drum up fear, to manipulate us, we are being told that we have a "health-care crisis," a "child care crisis," an "economy crisis," a "constitutional crisis," a "terrorist crisis," and of course, that dreaded "environmental crisis."⁷ We don't have problems anymore. No! Everything is a horrible crisis just waiting to explode! AHHH! And because of these

“crisis” that are seemingly out of control, we have been manipulated, whether we realize it or not, into a constant state of fear and we’re starting to cry out for what they want us to cry out for. Some global entity, some external savior, some universal global government to fix all these global crisis that are seemingly out of control. We’ve been duped! And you might think, “Come on, does this lying deceitful fear tactic really work on people, to get them to surrender their freedoms and go along with a One World Government?” You bet it does!

And the **1st thing** this fear manipulation tactic of the Antichrist is leading to is a **Universal Congress**. Again, put yourself into the Antichrist’s shoes. If you’re going to get the whole world to go along with a One World Government, then you first have to have some sort of **Global Congress** or Governing Body to oversee the whole operation, right? Well folks, guess what the United Nations and countries around the world have been working on for decades? **Right now** folks, there is waiting for approval, or is **already in place**, the plans for **absolute total global control of the whole world**. **Right now**, there’s a **Universal Law** of the land called the **Earth Charter**, which is being proposed as a new universal law to unite all peoples of the world in order to save the planet...you know...the CRISIS thing! It’s going to blow up! AHHH! Save us! Save us! And for those of you wondering what

it's all about, here's the new universal law they're wanting all of us to follow.

The Earth Charter is stated as being, "A declaration of fundamental principles for building a just, sustainable, and peaceful global society in the 21st century." It was created by a commission from every corner of the globe, including world leaders such as Mikhail Gorbachev, Steven Rockefeller, and the drafting effort involved more than 100,000 people in 51 countries.

So what exactly does it contain? "It clearly lays out the Constitution for a New Green Order." "The choice is ours, form a global partnership to care for Earth and one another or risk the destruction of ourselves and the diversity of life." But the real intent behind the Earth Charter, and the Global Green Agenda is to eliminate national sovereignty and place all humanity under the control of a single "Earth Government."

In fact, Mikhail Gorbachev said, "My hope is that this charter will be a kind of Ten Commandments, a 'Sermon on the Mount', that provides a guide for human behavior toward the environment in the next century." And Maurice Strong, a founding co-chairman of the Earth Charter and advisor to the U.N. said, "The real goal of the Earth Charter is that it will in fact become like the Ten Commandments."

In fact, speaking of the Ten Commandments, the Earth Charter has been place into it's own "ark" called the "Ark of Hope" a totally mockery of the Biblical Ark of he Covenant that housed the real Ten Commandments. It's carried around by "ark walkers" and the four sides have various artwork depicting the four directions (north, east, south, and west), and also four elements (earth, water, fire, and air). The top of the ark also features artwork that represents the fifth element: spirit. And around the edges of the top are a variety of religious and cultic symbols, including the occult pentagram! Gee, that should tell you the source! In fact, here's the video of it's unveiling.

'Fundamental changes are needed; in our values, in our institutions, and our way of living. The Earth Charter provides and ethical foundation for building a more sustainable world-respecting nature, universal human rights, economic justice and a culture of peace.

The creation of the Earth Charter was achieved through a decade long, worldwide, cross-cultural dialogue, commonly shared values. Beginning with the 1992 Earth Summit in Rio de Janeiro, Brazil. The Earth Charter drafting process continued gaining momentum at the 1995 Earth Charter International Workshop in the Hague, Netherlands.

These unique participatory and inclusive process continued over the next 5 years through national and regional workshops worldwide. A new face began in the year 2000, with the official launching of the Earth Charter.

We make this gift of service to all our brothers and sisters in the human family; especially to the children, to those who suffer in poverty and under oppression, and to future generations.

It is vital for humans and for nature, that the Earth Charter movement continues to spread it's message of hope for a brighter future.”

For a brighter future? Or for the ultimate excuse to create a One World Government? Folks, sounds to me like the Antichrist is using an evil lie, a deceitful tactic in the Last Days... AHHH! The planet is going to blow up!...to get us to go along with a One World Government, how about you?

But that's not all. If you're going to have a universal law of the land, then you need a **Universal Governing Body** to oversee this law, right? Well hey, that's why **right now** there's a document called **The Constitution for the Federation Earth**, with plans for a World Government, World Supreme Court, World Capitols, and a World Police.⁹ And the only thing holding it up is ratification, which they're hoping is going to take place real soon.

But wait a minute. If you're going to have a universal governing body then you need a **Universal Judicial System** to make sure people obey this new World Government, right? Well hey, that's why, **right now**, there's a **World Criminal Court** that went into effect **July of 2002**, thanks in part to the signing of the treaty by Bill Clinton on his last day in office. Thanks Bill! Thanks for your help in forming a One World Government.

International Criminal Court

“Some of the worse crimes ever known have been committed during the 20th century. Millions of children, women and men have been victims of unimaginable atrocities that have deeply shocked the conscience of humanity.

Unfortunately, in the past, such crimes have often gone unpunished. Millions of people died during two World Wars and in fighting in Rwanda, Sierra Leone, and in former Yugoslavia.

The International Criminal Court is the first criminal court with jurisdiction over the most serious crimes threatening the peace, security and well being of the world.

In 1998, during the Rome Diplomatic Conference on the International Criminal Court, 160 countries negotiated a treaty to design the world's first permanent international criminal court.”

Yeah! Awesome! Now we have a court system to make us obey this World Government! But that's not all. If you're going to have a universal judicial system to enforce this universal law then you need a **Universal Army** to punish those who don't obey this World Government and World law, right? Well gee that's why, **right now**, Tony Blair, the former British

Prime Minister, has been calling for **NATO** to become the future “military arm of a new world order rather than strictly a defensive alliance.”¹¹ And if you think about it, we’ve already seen NATO exercise more and more military force over the sovereignty of nations, right? In our lifetime. I wonder who’s next? But here’s the point. Sounds to me if you put all this together and I’d say somebody’s pretty serious about forming a **One World Government**, how about you? And the tactic they’re using is fear and manipulation! And that’s exactly what the Bible said the Antichrist would do, when you are living in the Last Days!

But that’s not all. The **2nd thing** this fear and manipulation tactic of the Antichrist is leading to is a **Universal Behavior**. Yeah, they’re going to dictate everything folks. Once again, put yourself in to the Antichrist’s shoes. If you’re going to deceive the whole world into creating **A One World Government** then you have to provide a **Universal Standard of Behavior** so that you can dictate universal compliance, right? Well gee, guess what? Again, this is what the United Nations has been working towards for decades. And again, they’re using fear and manipulation to pull it off!

For instance, **right now** in order to preserve our supposed endangered earth, AHHH! thanks to the **World Heritage Protection** program, the UN

has full authority over millions of acres of land right here in America.¹² Such areas include Yellowstone National Park, the Statue of Liberty, the Grand Canyon, and the Yosemite Valley, just to name a few. Then, in order to preserve our supposed endangered food supply, AHHH! **right now** the **World Food Summit** continues to meet to govern what crops we can grow, what livestock we can raise and even what we get to eat.¹³

But that's not all. In order to preserve our supposed endangered air, land, and water supply, AHHH! **right now** a program called **Agenda 21** has total plans to dictate our total behavior. Things such as what job we can get, what housing we can have, what education and health care we get, what means of transport, and even how many children we can have...just like China! Don't believe me? Here's what this program is promoting.

“If you were to hear that in the very near future the United States will have no privately owned property, no air conditioning, no dams, no paved roads, no way to correct rivers for flood control, no golf courses, no pastureland used for grazing, would you believe it? These are all mandates of a United Nations program called Agenda 21. Here is a list of some of their “Unsustainable” Targets...

- Ski runs
- Grazing livestock
- Disturbing of soil surface/plowing of soil
- Building fences
- Commercial Agriculture/Modern farm production
- Chemical fertilizers
- The use of fossil fuels
- Any industrial activity

- Single family homes
- Paved and tarred roads
- Railroads
- Floor and wall tiles
- Technology
- Range lands, fish ponds, or plantations
- Harvesting timber
- Hunting
- Logging activities
- Dams and reservoirs, straightening of rivers, and power line construction
- In fact, they will not only control your birth, they will control your death, young and old alike. Here's the actual commercials.

Agenda 21 How will it affect you?

We have only one earth. Our living planet that helps to sustain life. We are warned this life system is in crisis.

Fresh water. Clean Air. Good soil. The things we need to stay alive are being destroyed. Sustaining the environment is something we all have a vested interest in. After all, who wants pollute the water or the land?

Let's look at the Chinese Communist government and it's one child policy. Just like marriage in China, there are numerous hurdles you must overcome before permission is granted. For a Chinese couple to have a child, they have to get a birth license. In order for the couple to get a license, they have to go through a procedure that runs through local Communist Party functionaries. Without a birth license, no hospital or doctor can treat the mother or the child before, during or after the birth. The Chinese are required to inform the authorities of any illegal birth. In short, the Chinese government is in complete control.

Since China is one of the 5 permanent members of the U.N.'s Security Council, it has a great deal of influence on U.N. policy and how they view population control.

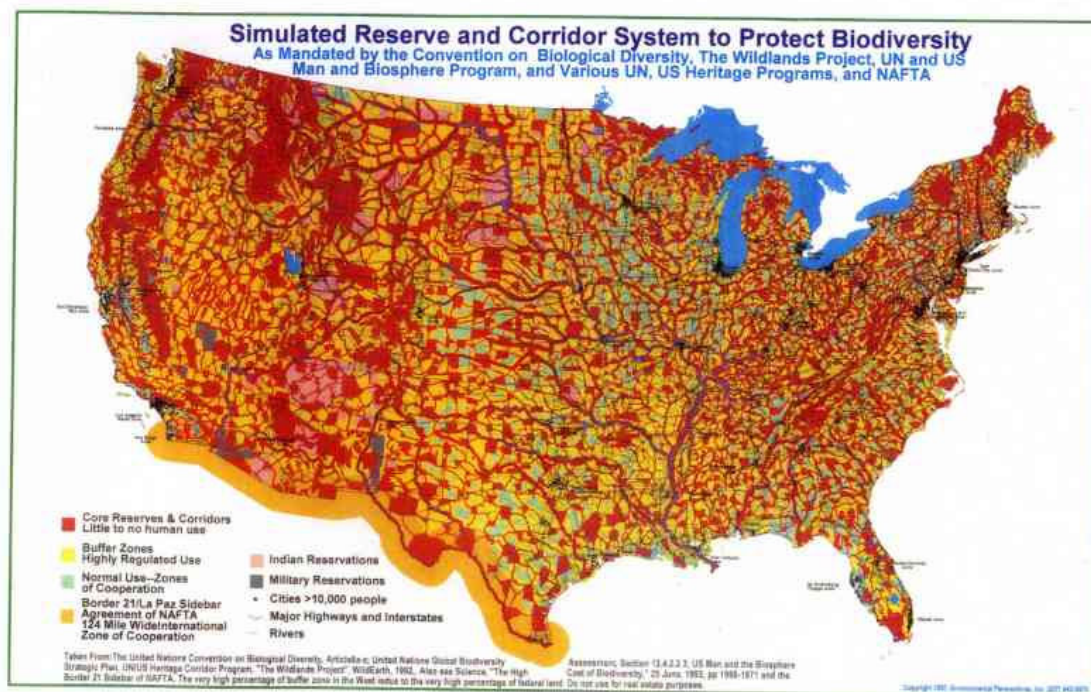

China's one child policy now being considered as a viable solution towards Sustainable Development.

The P.C.S.D. shows their support in this very idea; and in their 1998 publication.

"We must move toward stabilization of the U.S. population and a reduced rate of population growth in the United States and the world." ---Sustainable America: America's Environment, Economy and Society in the 21st Century. <Forward by Al Gore>"

Yeah, you've lived a good life. And don't you know according to Agenda 21 it's your patriotic duty to let them pull the plug on you, if you're old or have a deformity, to make room for the rest of us! People, this is sick! This is the kind of society the Antichrist is building using fear and manipulation. We've got to do this to save the planet!

But that's still not all. In order to preserve our supposed endangered animals, AHHH! you know, because they're more important than humans nowadays. **Right now** they have something called the **Biodiversity Treaty** that's getting ready to dictate where you and I get to live and where the animals get to live, at least those they decide who get to live in the first place.¹⁵ In fact, in the next page is the actual map.

And what's strange about this map is not only how wild it is in the first place, but it starts to shed light to this passage of Scripture in the Book of Revelation.

Revelation 6:8 "I looked, and there before me was a pale horse! Its rider was named Death, and Hades was following close behind him. They were given power over a fourth of the earth to kill by sword, famine and plague, and by the wild beasts of the earth."

So, let me get this straight. According to the Bible, 1/4th of the earth is going to die during the first half of the 7-year Tribulation by means of sword, famine, plague, and wild beasts? Hmmm. I can see the sword thing, and famine, and plague, but who's concerned about wild beasts nowadays, right? I mean they're all in zoos and protected areas, right? Well not if these guys get their way. Put all this together. Thanks to the Earth Charter and

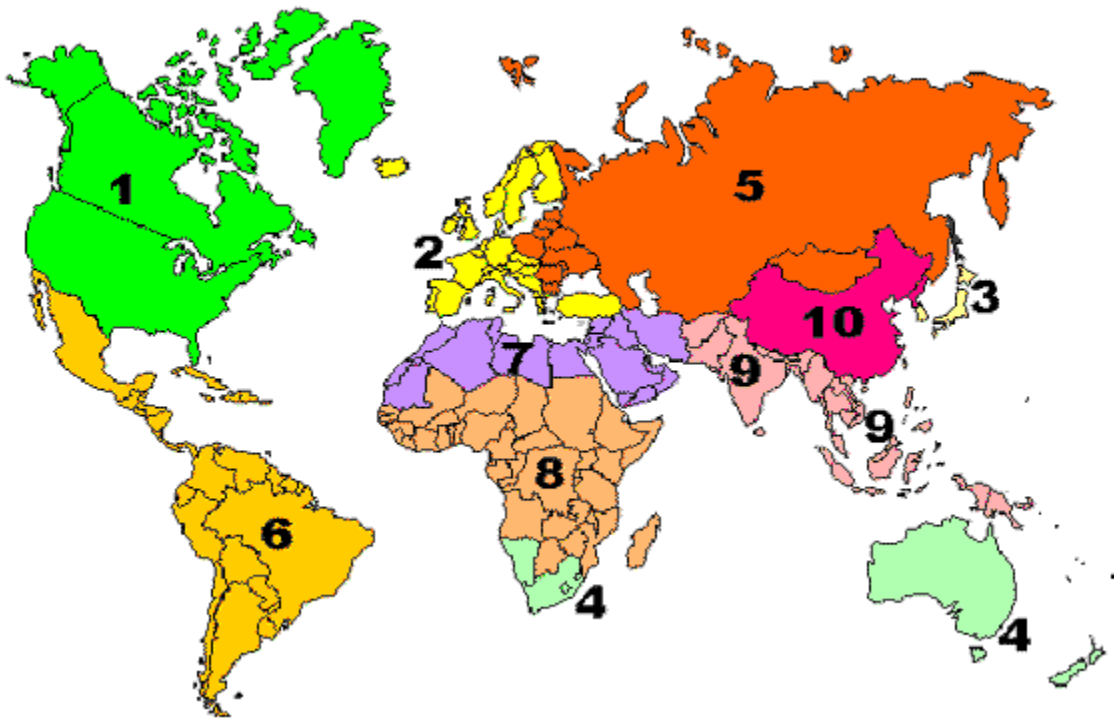

thanks to Agenda 21 and the Biodiversity Treaty, we might very well see for the first time in mankind's history, a massive resurgence of wild animals all over the place, even in America! And man, once that famine hits in the text...they're going to be hungry! I wonder what they're going to do? And the Bible says, one day, 1/4th of the planet is going to die by means of the sword, famine, plague, and wild beasts. Even **minute** passages like this are coming to life for the first time in our history! Isn't that wild?

But that's still not all. But that's not all. The **3rd thing** this fear and manipulation tactic of the Antichrist is leading to is a **Universal Border**.

Revelation 17:9,12-13 "And now understand this. His ten horns are ten kings who have not yet risen to power; they will be appointed to their kingdoms for one brief moment to reign with the beast. They will all agree to give their power and authority to him."

Now folks, according to the Bible, we see how the Antichrist's kingdom is going to be split up into ten different parts ruled by ten different kings or leaders, right? And then, at one point, they surrender their power and authority over to him, right? It says it right there! And boy, it's a good thing we see no signs of that happening...any time...soon. People splitting the planet...up...into different kingdoms...yeah, right! It's happening **now**! And again, the tactics they're using is fear and manipulation. You've heard the rhetoric, "Don't you want to ensure peace across the planet? Do you want to have another economic crisis like what we just came out of? Don't

you want to guarantee the prosperity for the generations to come? Well hey, then join us in creating **10 World Regions** to assure proper global control and everything will be just fine!” And folks, they’re not just doing this, they’re actually promoting exactly **10!** Not **5**, not **19**, not even **122**, but **10!** Check it our for yourself!

New research programme on global democracy established

A global research programme facilitated and coordinated through a convening group of ten persons based in ten world regions was established last year with core funding from the Ford Foundation. The programme's new website was now launched. The BGD Programme brings together academic researchers, civil society activists, entrepreneurs, journalists and officials to "explore how 'rule by and for the people' can be understood and practiced in relation to global issues". One of the programme's lead questions is how affected people can participate in and control the governance of global concerns. BGD's administrative office is located in the Centre for the Study of Globalisation and Regionalisation at the University of Warwick in the United Kingdom. In November 2008 findings of the programme's pilot project on Civil Society and Accountable Global Governance were presented at the United Nations in New York (in the picture, taken by Durlabh S. Mahanshi).

The programme is organised around five main projects which address (1) Conceptualising Global Democracy, (2) Citizen Learning for Global Democracy, (3) Including the Excluded in Global Policymaking, (4) Structural Redistribution for Global Democracy and (5) Intercultural Constructions of Global Democracy. New research programme on global democracy established

A global research programme facilitated and coordinated through a convening group of ten persons based in ten world regions was established last year with core funding from the Ford Foundation. The programme's new website was now launched. The BGD Programme brings together academic researchers, civil society activists, entrepreneurs, journalists and officials to "explore how 'rule by and for the people' can be understood and practiced in relation to global issues". One of the programme's lead questions is how affected people can participate in

Folks, I wish I was making this up, but this is really happening! In fact, if I didn't know better, I'd say the antichrist is probably going to use the exact same type of Mark of the Beast type technology that we saw last week to not only control what people buy or sell, but I'd betcha he'd probably use

the same technology to control people's movements from one of these 10 kingdoms to another, how about you? But here's the point. But we don't see any signs of that do we? Well gee folks, all I know is Mexican Officials are starting to do this with their border. Check it out.

CNN Lou Dobbs Report:

“Mexico is highly critical of U.S. Immigration policy, but it's taking extraordinary measure when it comes to its own immigration crisis. Mexico is taking drastic measure to control its illegal immigration across its Southern border. Now, Mexico will reportedly use an electronic chip to curb illegal immigration from Guatemala and Belize. The biochip implant will replace to so-called local pass currently being used to enter the country. In 2006, Mexico arrested 200,000 people trying to enter their country illegally.”

What? Gee, maybe there's something more behind this so-called “immigration crisis” then what they're telling us. Maybe they're using fear to manipulate us into getting one of these implants. But they wouldn't do that would they? There's no way our government here in America would force us to get an implant to track our every move...” Or would they? Maybe we should've been paying attention to the congressional hearing for John Roberts when he was being grilled for the position of Chief Justice of the Supreme Court. You tell me if somebody's not planning on tracking our every move, even here in America!

John Roberts confirmation:

Joe Biden to then appointee John Roberts: And we'll be faced with equally consequential decisions in the 21st century.

Can a microscopic tag be implanted in a person's body to track his every movement. There's actual discussion about that. You will rule on that, mark my words, before your tenor is over. Can brain scans be used to determine whether a person is inclined toward criminality or violent behavior? You will rule on that.

Dr. Katherine Albrecht: I think the real concern that most people have, is that at some point, the government would say, "Line up and get your chip."

But hey, that'll never happen... "You will rule on that mark my words." Folks, I don't know about you, but if congress is talking about implanting microscopic tags into people to track their every move, then my guess they're probably going to implant microscopic tags into people to track their every move, how about you? And Biden is the Vice President and Roberts has been the Chief Justice for a while now. I wonder when he's going to rule on it...just like he did with the Health Care...we though he'd never go alone with that...Folks, we better wake up! This is all happening before our very eyes **right now!** God warned us 2,000 years ago! Jesus Christ is coming back and it might be a whole lot sooner than you think. The Antichrist's One World Government is being formed before our very eyes he's using fear and manipulation to get it done, and you better be ready.

And as always, this is the point. What more does God have to do? This is not a game! This is real! God doesn't want us going into the Antichrist's kingdom, and He certainly doesn't want us to go into HELL!

And so that's why, out of love, He's given us these signs of a **One World Government** to show us that the Tribulation is near, Christ's 2nd Coming is rapidly approaching. And that's why Jesus Himself said:

Luke 21:28 "When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near."

People, like it or not, we are headed for **The Final Countdown**. And so the point is this. If you're here today as a Christian, it's time to get busy! We've got to lay aside our differences and start getting busy working together saving souls by the Spirit of God! Amen? But if you're here today and you're not a Christian, then I beg you, please, heed the signs...heed the warnings...give your life to Jesus today...because the last place you ever want to be is in the **Antichrist's Kingdom**. He's going to make you take THAT CHIP and it's going to be your utter worst nightmare! Take the way out...NOW...the ONLY way out...through Jesus Christ. Call upon His Name and ask Him to forgive you of all of your sins, and escape the Wrath to come. Amen?

To find the way to God, to understand the *truth* of God's Word, and to received the gift of eternal *life*, begin by repentance and faith through a prayer like this:

“Dear God, I understand that I have broken Your Law and sinned against You. Please forgive my sins. Thank You that Jesus suffered on the cross in my place. I now place my trust in Him as My Savior and Lord. In Jesus' name I pray. Amen.”
