Video: Various Videos “Dear Pastor Billy Crone, I have a lady that works for us and when she first came to us she did not believe in God or Satan. Because of your Creation Series and what I have read to her from the Bible and its predictions that were over 2,000 years old she is coming to believe in God and Jesus Christ. She has a 10 year old daughter that I am sure is being taught evolution. And I have been praying to the Lord that if I can get the mother and I can also get the daughter. Her husband was a Catholic, however not practicing. She really has turned around watching your Creation Series when she comes to work for us. May be soon when I get to babysit her daughter she will let me read the Bible to her and talk to her about Christ, the Lord willing. However, at the rate you going with the Book of Revelation; Jesus Christ, He will already have returned and be gone. God Bless you and what you are doing.” (Kathy)

Video: Various Videos “Dear Billy, I am getting an incredible blessing from your Revelation series and will start on your creation series shortly. I would be pleased if your series of The Final Countdown could be sent to my sister-in-law who lives in South Africa (I am living in England But originally come from Zimbabwe). This material would be shared to her home group and then to her community. Many thanks and may God continue to bless you and your ministry. As we know that the church is being openly persecuted and I pray for the work you and others do daily. In England we have too many people "playing Christianity" and the falling away is alarming...come Lord Jesus. In Christ's name.” (Dave)

Video: Various Videos “First let me thank you so much for sending me those DVD's. They are a blessing for me and my friends. Once we were awake one night through listening and meditating with the DVD's, the word of God. We had joy and not even tired. Please pass this blessing to Billy Crone, our brother in Christ, we need more people like him to help Christians stand up and get firm for Christ before the rapture and spread the good news for the salvation of many. Knowing that Jesus gets all the Glory for the fruitful ministry of Get a Life Ministries, please acknowledge that my friend and I, share those messages around the place. Thanks for your precious help which will never be in vain and will store treasures in heaven. Yours kindly, hoping one day I will see you guys in person. If not, be assured that we will be seeing each other in heaven.” (Serge from Canada)

Video: Various Videos “Dear Pastor Billy, we received the packages of media a few days ago and are so very thankful for your kindness and generosity! We are really excited to start sharing them more with those around us here in KC. The day we got them the kids ran inside and started watching "A Fearful Creation" (keep in mind they are eight and four but they LOVED them!) We hope to send you further updates soon about how the Bible studies go and such. Thank you so much, once again! Shalom in Christ Jesus to you and your congregation. In Christ.” (The Mills Family)

Video: The Book of Revelation “shared - so love this, So happy to have a great pastor to listen to on facebook.” (Rosemary)

Video: Various Videos “My son is in prison and unable to access computers or CDs. Do you have printed (texted) sermons that I could download and send to him. Or a book that I could request thru the prison system. I found you by accident while on Craigslist. There was a lot of trash talk and then there was this post out of the blue about dinosaurs which caught my eye... I clicked on the site and started listening, then sent it to my husband who also listened and was impressed. We're not church people, but this sure caught our attention, since that time my husband has talked to my son in prison about what we listened to, we told him we would try to find the printed information! I will have you send the books to my son at the Prison once they are approved by the Warden. My son will read the books and pass them on to the next inmate...One book will pass thru over 300 inmates (one unit wing). Due to the fact of segregation in the prisons...after the book is read it is left on a table and picked up by a another inmate...read then recycled the same way. It takes quite a few months for approval from the Warden, but once approved I can have you ship right away. Thank you again” (Pam)

Video: Various Videos “I just found you on the internet and I haven't heard preaching like this ever. I am amazed. Do you come on TV and if so when. What radio station do you come on. I see you on the internet but it doesn't show you up plain enough for me. I want to know more about you. I going to do some searching. Is there any other preacher , preaching this way in the USA. Especially in around Tupelo, MS .I mean to truly humble yourselves , pray and turn from your Wicked ways. I believe most people are playing church. But after watching you , I can see hope.” (Nancy from Mississippi)

Video: Various Videos “Hello, Pastor Crone. I just wanted to say thank you for putting your sermons/teachings on sermonaudio.com so that others who don't live in your area may listen and learn from them. There is a terrible shortage of pastors like you who stand for the truth of Jesus. Your teachings have truly been a blessing. Thanks again for your work for Christ. There are millions out here that are craving the Truth of Christ and can't find it near our homes and have to rely on pastors like you on sermonaudio.com...Peace.” (Bruce from Georgia)

Video: The Final Countdown “Pastor Billy, I want to thank you from the bottom of my heart for your kindness. I did get the package. It is more than I expected. Thank you. I promise as soon as we have the funds, we will cover the expenses of the material. I will present the message about the signs our heavenly father gave us to alert us of the eminent 2nd.Coming of our Lord. I will present it to all the Spanish speaking souls in my area. I'm having to make some adjustments in the way of presenting the material. We are calling it the "10 SIGNS" . We are using them with an Evangelistic touch. I attach some flyers that I made and are been distributed by the brothers at church. I plan to work on and perfect the Spanish version of this material. For now, I am already giving it to the church. We actually gave the second sign last Sunday. It will go on for the next 8 Sundays and then I plan to take it to the local radio and in faith present it there too. I believe that along with the Gospel (Salvation) message, this message (about the end time signs) is and should be a top priority for pastor across the world. I am even thinking it would be wonderful to take this presentation to TV channels across Latin world. People are open to this subject at this time. Especially with the Mayas calendar ending in

December 2012. I myself think it will be wonderful to share this "REAL" VERIFIABLE material even on TV. For many months I followed certain programs on the Univision and TeleMundo TV channels. There I have posted "real" information on this subject. I hope some producers see it and recognize its validity and jump on it to present it fully. I really wouldn't even mind if they present the material just to get their ratings up. What would be important is that people are informed of these end time signs and the eminent return of our Lord. I do know the chances of this happening of course are low, because I now and recognize the enemy is in control of these secular TV companies, and that is the least thing we want, but I do it anyways. Every time an end time video is posted and they give us a chance to post comments about them. I post real stuff there. Once I have the power point presentation of all 10 signs ready in Spanish. I will send it to you. I am sure there is a brother that speaks the language that can share its message to the Spanish speaking souls there....but just in case....My wife jokingly said to me the other day....Honey tell the pastor that if he does not have a Spanish speaking preacher....tell him that we'll pack our things and move to Niagara, NY to start a Spanish ministry there. I told my wife.....Honey stop that.....You know God!!! Again pastor. Thank you for your help and may God richly bless you. PS: Just a last note. As you know. Centro Cristiano Para La Familia (Family Christian Center) is a ministry of the main church: Valley Community Chapel. There, the lead pastor of the church, pastor Tom mentioned to me that he would be interested in seeing the material you sent me, so I will be sharing it with him too." (Pastor Tony)

Video: Various Videos "Hey, love your work."

Video: The Book of Revelation "As usual great. And as usual - straight to the heart. We cannot have a revival until we have the revival in our hearts first. I've been going through some real tough times & God always uses you to reach me. I've been seeing people whom I thought were strong Christians falling into delusional teachings (ie-UFO's & aliens). The battle is strong & getting harder daily. I could use some brotherly/ sisterly prayer, as I work in a sea of darkness & few family members that I can share God's grace with." (Debbie from Texas)

Video: Various Videos “Not every preacher has the intestinal fortitude to do what you are doing pastor Bill. Most people today want the preacher to go "gucchy gucchy goo" in their ears to make them giggle on Sunday, and not preach the Word because they might feel guilty and maybe squirm in their seats. They don't want The Light in the sermon, only feel good stuff. God bless you Bill.” (Mike)

Video: Various Videos “In pastor John Hagees new book Can America Survive 10 prophetic reasons it wont....It says the IRS is watching these little churches and can take them from the people if they say anything wrong....Well what they concider wrong. I would like to incorporate some of them into my PowerPoint. Thank you for your time.” (Brad)

Video: Various Videos “Hi Billy, Even though we are living a world apart the truth of Scripture is undeniable, timeless and universal! I stay in Richards Bay, South Africa with my wife and two children. After school I studied to become a pastor but to my shock discovered a world riddled with lies and occult theologies. In the end I could not stay there as I refused to conform to the Masonic ideologies they tough. In stead of learning the truth about God's Word, I ended up leaving with more questions than I could have ever imagined. God is however true to His Word and for the past 16 years of my life I have been studying, searching, exploring, investigating and exposing the enormity of the lie the world is telling. The irony is that they forced me to search for the truth which I found in the place they try to obscure, the Bible itself. Although many things have become clear over time, understanding and knowledge of our enemies teachings and methods, many more questions remained for which I finally found the answers in your series: The Witness of Creation! I came across the series during a search relating to the UFO lie and it's tie as an excuse for the rapture on You Tube. It took me forever to download it all as well as your excellent series: The Final Countdown. The truths within it not only filled many gaps I longed to understand, but it has since given us an unprecedented tool to share the gospel with anybody willing to listen by sharing the You Tube clips on CD. I am well aware of the seriousness of the persecution of the church in America and our prayers are with you. With us there are no churches left that has not been infiltrated and converted to the "Purpose Driven" craze and all the heresies it sets forth. We have been asked to leave every single evangelical church in our area because we could not stay silent. From a world perspective we are alone, but they do not understand or know the truth of the real body of Christ. The time of Laodiceans is truly upon us! Thank you for your ministry and your obedience. Your message is being heard

all over the world and giving hope to us that stand alone. If you can find the time I will be grateful if we could share some correspondence. I have much to share towards your series.” (Henk)

Video: Various Videos “Hi Pastor Billy Crone I am of the Greek Orthodox church from Cyprus and i came across your videos on you tube and I am glad finally someone has come out and read and explained the Book of St. John. In the Orthodox church they do not read it unfortunately. I try and follow your services every Sunday live as we are 8hrs in front because they are in English and here in Cyprus obviously they are in the old Greek which sometimes is a bit hard for me to understand as I was raised in an English speaking country but of Greek descent. May God always be with you.” (Theodora)

Video: The Book of Revelation “Pastor Billy, Your weekly sermons are something I truly look forward to and give me the energy to keep going. I usually listen to each one at least five times. Your brother in Christ Y'shua.” (Craig in California)

Video: Various Videos “Pastor Billy Crone you are beyond words. What you mean to my life is indescribable. You saved me from a shark church with False self appointed Prophet and you inspire me with truth everyday. I am constantly watching your sermons and they lift me up during this time of physical illness,spiritual warfare, and social persecution. I love ya so dearly as my dear Pastor/Brother in Christ. I have never come across anyone so on point and that delivers the message brilliantly and truly has Holy Spirit working powerfully. I could go on and on...as others have said yes truly glory goes to God first. However as a vessel he is using, you stand out with flying colors to luminate many to the light of Christ. With my deepest affection and appreciation to you and your family.” (Purvi from California)

Video: The Book of Revelation “Hi Pastor: The Lord was truly glorified in church today!!! Everyone I spoke with seemed so excited that they were able to make it to hear what the Lord gave you to say. May hearts be changed so that the Name of Jesus can be proclaimed. Hope that you are having a wonderful day and thank you again for being an ambassador for the Gospel!” (Timmy)

Video: Various Videos “Hi Pastor Billy! I was introduced to you thru Cutting Edge Ministries and have watched a lot of your sermons on You Tube. You cause me to really search my heart as to my convictions and walk with the Lord. I also believe that the time is short and we are living in the last days. I have purchased "Please Don't Go to Hell" and "One Second After You Die". End time prophecy is a consuming interest with me and just amazing to see how God is orchestrating events for His purposes. I will continue to follow you on "Get A Life" ministry and I am enjoying your Revelation series. May God continue to bless you and your ministry!” (Patrick)

Video: The Book of Revelation “greetings pastor Crone i just wanted to say i have been really enjoying the latest revelations study .these days we see many different "religious organizations" making the same mistakes as Sardis. i hope all is well with you and your family .have a great week!” (Ken”)

Video: The Final Countdown “Brother in Christ, I’ve been watching and listening to your series “The Final Countdown” and not to butter you up, but it is very well done and researched. I’m looking to get permission to be able to hand your series out on a DVD format. We, as in my wife and I, are starting a little ministry which sole purpose is to get information into hands of believers and non-believers. We are currently in the process of putting together witness material for Jehovah’s Witnesses. The goal for that is a DVD that details their beliefs in contrast to the gospel, which people can hand to a JW when they come to their doors, instead of closing the doors on them. That is being put on the back burner for time being to be able to put your presentation on a DVD. I’m writing this in regards of asking your permission to be able to edit down each section into 10 min parts, so we can get all 10 onto one disc. We look forward to hearing your thoughts on this matter. Our entire goal is to get information into hands of those who need it. Your series is one that has got my mind moving and thinking, and I know that it could get those that we come in contact with, minds moving as well. God speed brother and I look forward to your response.” (Mike)

Video: Various Videos “Hi Billy, I continue working with you for the glory of God, I really appreciate you, and I really love you as my brother in Christ. I am so happy to see the great work you do for God, and the encouragement you give me and my friends. I hope I will see you one day to shake your hand. Thanks very much. Your beloved brother in Christ.” (Serge from Canada)

Video: Various Videos “God bless you! Pastor Billy Crone helped God get my life with God back on track. I stop my sinful addictions and I'm looking forward to the day Christ shows the whole world that He is Lord! I love you guys and I thank God for you guys and youtube haha because without youtube i probably would have never seen your videos! Keep preaching and keep up with your faith in Christ. God bless. :)”

Video: Various Videos “I watched alot of your vids. Not many Pastors like Billy Crone, he knows how to speak the truth and tell it like it is, which is why I can learn to appreciate it more. Take care.” (Kevin)

Video: Various Videos “I have been enjoying the messages by Pastor Billy especially the Dinosaur series I started that and had to watch the whole series before putting it down. I was especially impressed by the enormous amount of evidence presented, if this information was made public knowledge it would revolutionize the teaching curriculum of the schools in the U.S. but like bro Billy said regarding those responsible, there is no fear of God before their eyes. I have just completed the Last Countdown which is a vivid

reminder of what will be the fate of those outside of Christ and our responsibility as witnesses to be faithful.” (Sidney from Bahamas)

Video: Various Videos “Hi Pastor Crone! I was on YouTube and have been watching your videos and God has sure enriched my life through your ministry. Anyway, hope all is well with you and yours! God bless!” (Chris)

Video: Various Videos “Dear Pastor Billy, Thank you so much! I would love to get more of your teachings for sure. I actually put up an entire page on my own website just for your Revelation video studies and another entire page for The Final Countdown Video Studies, on which I also included the Student's Guide so that people could fully study this if they want to. That was an awesome series by the way! I made sure to also link to your site because you are one of the very few pastor's out there who are still actually preaching the WHOLE Word of God and people really need to hear it in today's world! I've also included your revelation video studies on a few other pages that pertain to the end days that we find ourselves living in today in order to expose as many people as possible to the Truth of God's Word. I'm very interested in watching your Creation Series video studies next because it's another area I study myself and I also have pages up for that too where people can see for themselves that science actually backs up the Bible! I have some great videos and movies on that page along with links to some other really wonderful sites that focus entirely on Creation and Intelligent Design. Take care & may God continue to bless you abundantly! Your Sister In Christ & In His Service.” (Lisa)

Video: Various Videos “Hello dear Pastor, I have been a marathon with your sermons, the light of my day that powers me up to face any challenges. I realize clearly and broke into tears of gratitude that this whole illness is the ONLY reason I came to Christ. If it had not been for this, I was just about to move to the Ashram fulltime to serve demons! Your series about "if God cares then why do I suffer?" hit home. EVERYTHING happens for a reason and my case is so obvious how the Lord flung me into truth and scooped me up from evil (yes it was painful along the way but what could be more important?). Then again I was saved from false prophet with your wonderful help! God is SO good. Thank you so much for caring and asking about me. I know you are so busy. You are my hero seriously! I am growing everyday in my relationship with the Lord and you are instrumental in that. I could ramble on for a long time and fill the whole page about how wonderful and helpful you are to me and others but I will be considerate of your time and spare ya:) and hold back. Love to you and family.” (Purvi from California)

Video: One Second After You Die “Hi Mr. Crone, My husband, Sam, and I are listening to your sermon on youtube right now...."one second after you die". We live in Akron, NY. My husband was speaking to one of his co-workers today (Dennis who led my husband to the Lord back in 2001) and Dennis was telling him about you and told him to listen to your sermons on the end times. Dennis visited your church when he was on vacation (he now lives in Medina, OH) We belong to a church but would love to come visit yours. Dennis was also telling him about some of your CD's and tapes that he got from your church on different subjects. He was so excited to tell my husband about you that we wanted to contact you and like I said...come visit your church. It's nice to see someone so on fire for God on the internet...there is so much junk on there these days. Thank you for your testimony.” (Sam & Terri)

Video: Various Videos “The chicken crossed the road to get to the banquet on the otherside, where Chickens from all over the globe gather to Thank Billy for not eating their family and friends. Main course is Turkey, Partridge and Duck. lol” (Laurie from Texas)

Video: A Judged Creation “God is working in my life. One of the things you discussed in your sermon about Noah's Ark was "two of every kind" were loaded on the ark and you discussed how dogs were bred and how they evolved from just two dogs after coming off the Ark...I had my doubts about that and the many breeds that have results from JUST TWO DOGS until I was listening to an audio cd about dogs. The title: Inside of a Dog: What dogs See, Smell and Know by Alexandra Horowitz. On the second cd

they discuss how dogs have evolved and been domesticated from wolves and foxes, both are relatives of the dog. There was an experiment started in the 1950's with silver foxes where they tried to domesticate it by choosing the ones for breeding that were more docile going by each silver foxes action...if the fox would allow the scientist to pet it, feed it from their hands and if they actually sought contact from the handlers they allowed it to breed. This experiment is still going on, they keep breeding the ones that are less wild and more tame. As a result, (the shocking results in my opinion) not only did they breed a more domesticated breed of fox these foxes actually changed in physical appearance. They started looking more like dogs. If you get a chance you might want to use this as a source after you read this part of the book for your book you are writing about Fearful Creation if it isn't too late to add it. What was also amazing to me it took a very short time for these changes to take place...not thousands and thousand of year like evolutionist would have us believe. I would love for you to read this book. If I can get a chance I want to try to burn this one cd for you. I don't think you will have time or want to listen to all of this book on CD. Thanks for bringing me close to God. I didn't know what a Christian really was till I met you. You have changed my life and my "afterlife"...because of your sermons and your media ministry I know God and one day I will be in Heaven with him. God Bless you and your wife/children.” (Lynn from Florida)

Video: Various Videos “Billy: Thank you so much for the package that I received yesterday. It was marked 2 of 2 so I'm still searching for 1 of 2. But I'm looking so forward to doing the workbook and watching the DVD's. I cannot thank you enough for helping me find the Lord. I feel so blessed to have you as a friend. Thank you again. Bless you.” (David from California)

Video: A Marriage Built to Last My dear and precious brother and sister in the Lord, Just want to share a praise report with both of you, to say "THANK YOU!" for all of your loving prayers and to ask that you continue to pray for our daughter, Mary! Yesterday morning I sent our daughter an invitation to go eat breakfast with me and just spend a little time with me. We had such a pleasant time, for the first time since she left nearly a year ago. Before the day was over, and I was going to take her back to her house, she looked at me and asked if I'd like to help her pack. I was caught off guard and it nearly threw me into shock! Of course I said, "Yes!" Then I asked if I might ask what was wrong. She simply said that she wanted out and wanted to come home...our home! So, I took her to get her belongings and brought her home. She has expressed her remorse for the past year, said that she still loves her husband and wants to begin the process of seeing her marriage and family totally and completely healed and restored! She told me that the reason she left was because there simply wasn't and had not been any

communication between her and her husband for years and that she couldn't continue to live that way. This is when I told her about ordering a copy of your DVDs, "A Marriage Built to Last". I explained to her that I had ordered them to give her and her husband for Christmas last year, but she left before I received them. So, I kept them and showed them to her last night. She says she is going to watch them and when she asks me to, I will talk to her husband, explain what she has shared with me and ask him to watch them too. She is aware that this, most likely will not be an easy journey, but she said that she's willing to do whatever it takes and she isn't going to give up! They are going to need a lot of prayer from as many prayer warriors as is possible, to see them through this in order for the healing and the restoration to take place, for their Salvation, and for their family's healing and restoration as well! Mary's husband never signed the divorce papers! He refused, he said because he loves her and he isn't giving up! PRAISE the LORD for HIS LOVE, HIS GRACE & HIS MERCY!!! Again, "THANK YOU BOTH SOOOOO MUCH Brother Billy and my dear and precious sister Kate!" Words cannot describe the joy that is filling our hearts right now, with our daughter and her youngest daughter in the guest room, sleeping so peacefully, knowing they're home...and on their way to seeing the family and the marriage that will be built to last!!! Alleluia! Thank you Jesus!!! Amen! In His service." (Vicki from Tennessee)

Video: Various Videos "Pastor Billy - I am a huge, huge fan of yours. I try to watch as many videos of yours as I can, following along with my BIBLE. I can watch/listen to your words all day. Thank you for your time and I hope we can stay in touch. Please keep doing what you do and GOD BLESS!" (JJ)

Video: Various Videos "Howdy Ho Pastor Billy! I'm so blessed by all your sermons...especially the ones where you turn all red and start foaming...LOL! Wait...that's all of your sermons! Don't ever subdue your Passion for Christ! We need more Pastors like you to just say it as it is and not beat around the bush...just get into it! I downloaded your Killer C and T pod casts as well as "Is there Life After Death" and shared them with others...on my iPhone. I liked it so much I ordered the DVDs...I must say I also like your jokes or should I say your intro to your sermons. I laughed when Brother Begay had a purple suit on and you were describing the Pharisees dressed in purple. May the God of Abraham, Isaac, and Jacob continue to Bless you! I love your straightness with the congregation and wish ALL Pastors had the same Passion for Christ! Aloha my Brother, and if I never meet you on this side of the dirt, then I'll look forward to meeting you in Heaven! Maranatha!! Aloha." (Woody from Hawaii)

Video: Various Videos "Hey Pastor! I want you to know your call and concern for me is such a blessing. It feels so wonderful to know someone is praying for me and just that you took the time to check on me means more than you can imagine. Here is just a small poem: Pastor Billy Crone who specializes in sobering the spiritually stoned, Spreading the news about how sins can be atoned, Loving purely God's children as his own, Revealing truth of prophecy as bible has shown, Warned me of Apostasy with a call on the phone, Is an inspiration when I feel all alone, Through whom a care package to me was flown, I ask: Can we get a Pastor Billy Clone of Pastor Billy Crone and send him to the west coast zone? :) he he (Not really for cloning but it rhymed and gets the message

across!) Hope that made your heart smile. I can't count the number of times you've made mine rejoice. I love ya Pastor, thanks for all you do. your sister in Christ.” (Purvi from California)

Video: Standing Firm “I just saw Standing Firm two nights ago with my husband; we rented it at home. WOW! Then I saw your video talking about the movie's theme of suffering. I would love to add you as a friend here on FB, because you impressed me as a Godly pastor. His blessings to you and your family!” (Bron from Georgia)

Video: Various Videos “Hey Pastor Billy, Been watching and sharing all your info and videos. Thanks for the knowledge you give and all you do through Him. See you on the other side.” (Mark)

Video: The Book of Revelation “I don't really have a church to go to my family and I have been looking for one it's not like I didn't go before to church because I did but for some reason the church had a lot of issues and there's no church any more and I have gone to three other churches and the same thing happens and I kinda lost faith in the church not so much on Jesus but I have a hard time trusting people because I think everyone is a phony but after hearing The Book of Revelations I have rely just been humbled and decided to keep looking for a church and not get lost spiritually I have never asked for help spiritually and I never went to any of the pastors to help me with some of the questions I have I was always scared that I would be looked at like I wasn't spiritually strong but I know that was a big mistake I know you have a lot of thing to do and I know you are very busy but I actually trust you you have been the first pastor that has spoken so strong and firm in a sermon.” (Esmeralda from Texas)

Video: Will the REAL Church Please Stand Up? “Thanks for the great message Pastor Crone. Sadly most Christians in the UK aren't interested in serving God. My Husband was a pastor, we saw the worst Christians ever. Sadly the zealous people are the ones in cults. It came as a shock to me when I got saved that the Christians didn't have the same zeal I saw when I was a Mormon.”

Video: The Final Countdown “Dear Pastor Billy, We watched your video about the Final Countdown and one day we would like to visit your church (we're in the Bronx, NY), maybe we could take our four boys on a road trip next year to visit you!!! By the way we did see your powerful testimony and Google all we could related to your ministry--after watching "The Final Countdown"...LOL...It's a bit funny but we were not looking for anything regarding the end of times and we believe the Lord led us to your study; It all started when I asked my wife "Why is it still dark in outerspace if the Sun (which lights refelects/lights-up the Earth) is so powerful?" We came across many pages looking for the answer and one in particular called our attention. As we watched this interesting video we came across your teaching about UFOs (on the right of the Youtube screen) and how they are not from God-The Final Countdown came later, and to our amaze I have always told that to my wife but she was not sure and taught UFOs were possible and could be for human good...LOL...Need I say more, CONFIRMATION! That is the great deceive tactic that Satan wants to use regarding the Rapture. It's already being use-to

seduce humanity. We love the way the Holy Spirit uses you to touch so many lives. In his service.” (Elvin and Katty)

Video: The Final Countdown “Hi Pastor Billy, thank you so much for your ministry of truth. If you ever come to Hawaii maybe you could speak at Calvary Chapel Pearl Harbor. Our Pastor is Dereld Skinner. He is well versed in Bible Prophecy and the end times too. Check out our web site if you have time. God bless and keep you.” (Johnny)

Video: Various Videos “Hi Pastor Billy, My husband, Henk, has been trying to get hold of you via e-mail and Skype. I think it is difficult because of the time difference. Things are happening so fast now, and I hope we will be able to chat before the countdown reaches 0. Your videos have given us so much hope for the time we have left on this earth. Thank you for making them accessible to the whole world. My son is crazy about dinosaurs and he was thrilled to hear that many are still alive and well. We understand that your time must be very limited and we pray that you will be able to complete whatever God placed you on earth for (before Jesus comes to take us HOME). We spread the word of you ministry to everyone who just looks in our direction. I trust that some of them will find the true Father of maybe come back to us for prayer or advice. Most people in our community are so "purpose driven" in the wrong direction. I wish I could "beam" you here to spread the real Truth to them. God Bless. P.S. The chicken in SA is real chicken and really tastes like chicken.” (Corne from South Africa)

Video: Various Videos “im currently making a flyer that takes u to youtube for saved and non-saved people to view ur ministry. i feel ur creationism one hits people best. but i c no info on getting dvds that people can obtain from u and r able to make copies for redistribution. i thinks its important to have access to dvd networking when ur message will no longer b available on the internet. iits the new way of giving gospel tracks since most people throw away or dismiss them. i have had many people give me discs to watch and ask to distribute. maybe this is allready available and i could not find it. u have caused me, or i should say Christ has gotten me to spread the good news. Praise God!” (Eric)

Video: Back to the Basics “I just listened to Pastor Billy's Sermon on Prayer getting back to the basics....What a sermon!” (Lynn from Florida)

Video: Back to the Basics “Awesome sermon on serving....Your sermons are amazing. You really seem inspired by God. I heard an awesome sermon by Adrian Rogers. He said, that there are three things another Pastor has told him, that all 'true' Christians ought to be doing. Praying, witnessing and reading their Bible....who else has said this???? Oh yea, YOU...what made it interesting was he said for 15 minutes each day- READ Your Bible 15 minutes each day---Tell someone about Jesus 15 minutes each day---Pray everyday. I thought that was really an awesome idea. I want to make that my goal and never forget a day. Hope you are doing great.” (Lynn from Florida)

Video: Various Videos “THANK YOU my dearest Pastor for your righteousness that gives me hope that people are not all wicked...with all my constant exposure to deluded family and friends living in sin's grip, demonic Guru's and Christian cults, as well as knowledge of all that is going down...the hope and light that you are is GOLDEN

and critically needed for me and our brethren everywhere! Thank you for letting me share my heart...Love to you and family. God bless always.” (Purvi from California)

Video: Various Videos “We've finally watched your sermon of last week early this morning. Something was seriously wrong with our internet last weak an we could not follow the live stream. The miracle of this was that we saw the 'How Great Thou Art' part perfectly. There is a huge story behind this or rather that followed this. I am a music teacher as well and please tell the gentleman (Dan was it?) that I just know that every single angel in heaven was silent when he started to sing. We had a very 'Standing Firm' like week. It is going to continue next week but we have faith that everything will turn out as God intended for us. We will be fine. We will try to be part of your service tomorrow - if our internet connection allow it. Isn't it amazing that we can 'be there' even from the other side of the world. WOW! As soon as we get it working we are going to invite people over to join us for the sermons. People in Richards Bay really need God in their lives and I think your sermons show that God's children is not boring. Our closest friends did not believe in the rapture. It caused a bit of tension in our friendship so we decided to give them space. He then got hold of your Revelation series and praise God!, now they are so exited about it. They own a pet store and he wants to put up some shelves for dvd's. So you must send us anything that we can duplicate to spread the Truth around. Sorry, about this long message - we'll have to talk soon. God Bless. P.S. Tried out a new chicken recipe - and lived to tell the tale.” (Corne from South Africa)

Video: Various Videos “I love QUAIL! Hi Pastor Billy, I just wanted to say a HUGE Holy Ghost Thank You for helping me understand what's going on in the world through Gods eyes with your Revelation and Final Countdown series. Video: The Book of Revelation “I think Pastor Billy's a wonderful person and as an admittedly non-churchgoing Christian, for me, it is SUCH a relief for somebody like him with a little GUTS to really tell the American church like it is and that fake, phony religious practices mean nothing, that it's all about being REAL, being honest with the Lord Jesus Christ in prayer.”

Video: A Fearful Creation “Dear Pastor Crone, I offer my sincerest thanks and gratitude for your service. My name is Troy, I am a 17-year old senior in High School in Western New York. I came across your church when searching Itunes for Apologetics, Dinosaurs, etc, and I've been watching the "Fearful Creation" series. I have two more to go, but already I have downloaded other series of yours. You see, all my life God has impressed upon me to become a Pastor. I am currently training as a Christian Apologist Pastor, and plan on going to Liberty University Online after two years at Community College for it. For a long time, Answers In Genesis, Way of the Master, and other such sources have had my constant visits. Over this past summer, while friends were out partying and whatnot, I stayed home - each and every day - studying Young Earth Creationism, Apologetics, Prophecy, Theology, the like. I felt that God impressed upon me back at the start of May to write a website - "The Truth." (thetruth-blog.blogspot.com) I have gotten hits from all across the globe - from Brazil and Mexico to Israel and Egypt to Russia and Australia, all over. When I felt compelled to write, I felt he was telling me it would be read worldwide. I found that difficult... but within a matter of weeks he proved me wrong - people all over read it. My point is, you may not often get emails like this, or you may get a plethora of emails and not have the time to email back, which is understandable. But I wanted you to know that although I have only seen a few videos from your church at NFBC, I do plan on watching more, and though much of what you've gone over in the "Fearful Creation" series I already learned in the past few years, some of it I have not. God bless you, Mr. Crone, I hope to hear from you but if not, that is understandable. I merely wanted you to know that you are already playing an important role as a Pastor to a 17 year old who started a website when he was 16, evangelizes to friends, family, and strangers alike on a daily basis - even though we've never met, nor spoken. So thank you, very much, for all that you do.” (Troy)
