Video: Are We Living in the Last Days? “Every single last one of my christian friends have turned to satan, they too have fallen for the devil's tricks. I see "our" true numbers dwending down to such a small margin now! God have mercy on us all.”

Video: One Second After You Die “This is an awesome series. I've been looking forward to more. Praise be to our Lord and Saviour Jesus Christ. God bless.”

Video: Various Videos “Hi Pastor Crone, I have seen a lot of your sermons on YouTube and I really like them a lot. I have been watching the “one second after you die” series it’s a lot of good info and it makes sense. I too agree that everyone deep down should know God does exist and they are in denial. Thank you for reading and for making and having the videos posted; it’s a good resource for Christians to learn.” (James)

Video: Various Videos “Thanks Billy C for the enlightenment and passion you bring to awaken a passive and uninformed population to the critical hour we live. Grossly dark deception is on the rise and evil seems to prosper as people gain empty notoriety for a few minutes; and yet, the God of eternity is fully in control.” (Charlie)

Video: The Final Countdown “This Pastor is on fire with the Holy Spirit!! God Bless Him. He has taught me alot in this series. Jesus said, I am the Way, the Truth and the Life, NO ONE comes to the FATHER but through me. Accept Jesus, before its too late. Why would you play around with your eternity? Remember its forever, forever, forever.”

Video: One Second After You Die “haha sometimes i resist from clicking on your videos that i have subscribed to because i know I'll be glued to my monitor for hours on end and not get sufficient sleep. but they are highly entertaining as if you were not listening to somebody preach. By the way I have always wondered this, is there a crowd in front of you or do you record these aside from your live preachings?”

Video: Wax On Wax Off (Mark Neumann) “Mark Neumann! Great sermon! Hey- isn't Kary's team the Steelers?...I remember that sermon from a month or so ago...if it is- I think its funny that they are in the super bowl...Only God could do it....lol! Let me know- Im curious!”

Video: One Second After You Die “pastor crone sure does like to say "hello!!" "ya know what I mean?" and "I didn't say it" :) but I like his messages.” (Nicky)

Video: The Final Countdown “One of the Best series on YouTube. I am going to send it to all my friends and relatives. Everyone needs to see this. I thought I knew most of waht the NWO was doing but this Pastor had many new things that blew me away. Thank you. A sister in Christ.”

Video: Once Second After You Die “hey great message on Hell. I was looking for a church in my Area I live in Somers CT which is next to springfield Mass. You know of any churches in the area ..thanks again.”

Video: Wax On Wax Off (Mark Neumann) “5 stars! i have books from Johnathan Edwards.”

Video: What Does the Bible Say About UFO’s “Thanks for sharing. Billy Crone is 100% correct. watch my video response above or check out my channel. I can tell you for certain that this phenomenon is totally real and totally happening. but every thing Bill Crone is saying is TRUE. I caught them on film. All I can say is that the Lord showed me for sure, without a single doubt whatsoever, they are demons. These demons are everywhere. We need to accept Jesus Christ as our Lord and Saviour for protection. Everything in the Bible is TRUE!!”

Video: Are We Living in the Last Days? “anyone who has not yet repented of their sin must do so now. Jesus will seal you with the gift of the Holy Spirit and give you power over evil. Jesus is the only way!!!! Please repent now!”

Video: Various Videos “PASTOR BILLY CRONE, SHOULD BE, WITHOUT ANY DOUBT, & WITH WAY OVER-DUE PUBLIC RESPECT, THE NEXT PRESIDENT OF THE UNITED STATES! COME ON FOLKS! WE NEED NEW DIRECTION & I SEE NO ONE OTHER MAN THAN PASTOR BILLY CRONE AS BEING THE MOST QUALIFIED TO TEACH THE AMERICAN PEOPLE THE TRUTH ABOUT COMMON SENSE!”

Video: The Attack of the Killer C’s “God bless you pastor and now i got to do my part amen.”

Thanks again for everything, and please let Pastor Billy know that his work is appreciated, and his sense of humor, too.”

Video: Various Videos “Hi Billy.....I just had to write you.....I am having a great time over here watching dvds! My friend stopped by last week and we watched Get A Life together.....she is anxious to meet you and share...we both loved hearing your testimony...When I first started looking at the dvds, I chose one of the Creation dvds first...it sounded like a good place to start...you know, in the Beginning.... but then I decided I could not wait to get into Revelation and I am glad I did that.....it is EMPOWERING to finally view what God has planned.....I wanted to hear this years ago..you are right...pastors do not want to preach about prophesy.....I am just beginning the 3rd disk in the first box !! You know where to find me most days and evenings in

front of my big screen..I only have a laptop..so I am going to research what electronics that I could invest in to burn dvds without a tower/ pc...you mentioned no copyrights so it is ok to do that, right? I want people to see this ... I think my 18yr. old son, should meet you...anyway, would love to meet your family...prayers and blessings for you and yours.”

Video: The Book of Revelation “Dear Pastor Billy; We have been really enjoying your DVD's and video's. Recently we started the Revelation series. A sister in Christ.” (Ina)

Video: Various Videos “I WANT TO COME TO YOUR CHURCH!!! Im a 36 year old mother in Wisconsin that grew up in the lutheran church, had my children baptised as infants (all 6 of them) and some even confirmed.... constantly felt that it just wasn't enough for me... keep looking into any and every "religion" I could to see what would fit better.... I bought books upon books and found that I started to buy into pagan ways.... I searched for the truth in God and the bible so that I could tell others it was empty and worthless... I found you instead! Pastor Billy, I have watched all the series you have and purchased many to pass on to others... I encourage others to keep those DVD's in motion and to never let them stop for too long. What an amazing impact that your preaching has had on my life and the lives of many others even here in Wisconsin. What an amazing God we have that I was able to stumble across your 10 commandment series and get saved. I had known so much about how the Gov't and its conspiracys in our country worked, I knew about the elf towers, underground gov't and aliens as I was fortunate enough to have a friend link me to a former member of the CFR to learn so much more. I found that your ministry was what I needed to link our days we are in to the bible and the only way to bring me peace and comfort in all that I was learning and fearing was Jesus Christ. I thank you for that Pastor Billy and I pray for your ministry daily that it continues to thrive and that it keeps reaching out to others. I sat last night and watched your final countdown series yet again with an unsuspecting soul who had no idea he was about to be thrown into a night with a passionate pastor that would make his head spin.... (I love watching peoples reaction to you right away) as I was watching I thought how I needed to email you and let you know how you are impacting others... God Bless you, your ministry and Im hoping that myself and a few others will be able to visit your church real soon.” (Lisa)

Video: Radio Interview “I enjoy listening to Pastor Crone when he does his radio interviews with Dr. Stan Monteith out in Monterey Bay CA. Take care and God bless.” (Chad)

Video: Various Videos “Dear NFBC, Your DVDs are a real blessing to our family & friends here in Queensland, Australia. There's such apathy amongst Christians in this country, so we find your ministry like a breath of fresh air. God bless you in what you are doing for Christ & His Kingdom. You are in our prayers. Christian love.” (Nigel & Leonie from Australia)

Video: The Book of Revelation “hello pastor billy from Janice in Canada. I would be happy to hand out some dvd's of your revelations presentation. I have several dvd's that are waiting for just such a purpose. I'm really enjoying the series. Much of what you

present I have been aware of and studied for some time...Most people don't believe me or think i'm crazy of course the haarp especially ah well...i'm afraid they will find out soon enough.. very refreshing to hear it presented by a minister that is not part of their agenda. keep up the good work sir! Wish I could find a pastor of your calibre where I am.”

Video: Various Videos “you guys are the best church ever. eventually one day we will get to move there and attend nfbc. i pray something will happen soon. God bless.” Ciera from Rhode Island)

Video: Various Videos “Billy crone is such a great pastor.. very insightful with The Word. Keep at it Billy!”

Video: The Book of Revelation “Well- The Steelers won=) Glory to GOD!”

Video: The Book of Revelation “Thank God for a minister that knows the agenda. People wake up! What most people don't know is that this has been in the works for years. They don't realize that the depression of '29 was created by them just as is happening now. They don't realize that the diseases that are running rampant were created by these people and the vaccines that were to heal us will further erode our health. The media has been designed to destroy our morality. Turn to Jesus and be washed clean. Repent now!”

Video: The Book of Revelation “He's a passionate minister and i for one am happy to hear someone that knows what the real issues are. Holler away pastor crone :)”

Video: Various Videos “Thanks for all that you do. You and Pastor Billy have really made a difference in my life and bought me closer to God. I was watching one of his videos and I realized why people often feel like there is no God, and often why they think he is not communicating with them. I also have an answer for those that wonder if God really exist. I have noticed the more I read and watch dvd's on God, the more I pray and reflect on God/Jesus and all he has given us, the miracles of his...that the closer I feel to him. It is when we don't pray and don't stay close to God that it seems like he is not there....The further we remove ourselves from him the farther away he seems to us....which is in all our doing. This Niagara Frontier Bible Church has really bought me closer to my Lord Jesus and Our Father in Heaven. Thank you for this.” (Lynn from Florida)

Video: God is After Your Heart Being After His (Rondell Hamilton) “this guy is a very nice person i talked to him and he has the holy spirit in him he is the question man at nfbc and they are lucky to find such a man. They have billy crone also who is next to preach

moses jesus it seems like they get the best preachers i hope i can one day be on there level amen.”

Video: God is After Your Heart Being After His (Rondell Hamilton) “That was deep and on point. If you have any question this is the man. He helped me and he can help you through God’s Word. God bless you and your family Mr. Hamilton.”

Video: A Young Creation “Billy Crone is the man. He is excellent.”

Video: The Book of Revelation “I haven't been on YouTube in a while. You videos were the first ones I came back to. It's good to see you're keeping up with this series.”

Video: Various Videos “I enjoy listening to Billy Crone and he touches alot of subjects that alot of people are afraid to. The first video I watched was about what the Bible says about UFOS and it really sheds alot of light on what I have encountered and thought for a while. God bless you and this ministry.” (Russell from Canada)

Video: One Second After You Die “nobody sleeps in this guy's church...whoaaa... “

Video: The Ten Commandments “I'm scared about these thought-life sins. I hope the Holy Spirit will bring conviction when such are committed - that's all I have to say because there is usually no conscience in those type of areas.”

Video: One Second After You Die “Billy, you rock for the Lord!!! May Jesus bless you powerfully with His presence.”

Video: The Final Countdown “We are down to the wire and everybody especially Christians need to decide what they want to do. Serve Christ or this world. The time is close. You will have to choose your life or Christ.”

Video: Various Videos “Hello Pastor Billy, I really enjoy listening to you on Dr Stan's show (across the internet) and find your sermons nothing short of breathtaking! Please keep up the good work as you've certainly helped me immeasurably with my faith. I enclose a cutting from last Sunday's South China Morning post which I hope will add to your salvo of information regarding the removal of God from society. God Bless. (Paul)

Video: Various Videos “Hello Pastor Billy. Just wanted to let you know...I have been listening to you for a couple of weeks now, almost constantly. Well, I've been a drunk for about 30 years now. Even two weeks ago I had about six beers and then got into the alcohol that my husband got as christmas gifts from people at work. I'd drink till I couldn't stand up. I quit about a week ago cause your messages hit home, but it was a struggle. I kept asking Jesus to remove the desire for it. After 6 days I broke down and had a beer. Guess what! I didn't like it! I had 3 actually and couldn't finish it. No desire to get drunk anymore. No desire for a beer anymore. Jesus set me free after 30 years! It looked pretty impossible from my point of view, but Jesus did it. Thank you Jesus and

thank you Billy. I'm gonna testify all over your videos too! Thank you, thank you, thankyou. (Janice)

Video: Various Videos “Thank you so much. You teachings have helped me and my friends learn a lot over the last several months. Its really inspiring to find a teacher out there that is legit and on fire for God. We are planing a trip some time to come to your church and see you in action for real :) but once again keep up the good work and thank you so much for all you have done. We really love the Revelation study. lol Any idea when you will have it finished? i jumped ahead recently on Youtube and i see your just now on chapter two! lol Thank you again my brother in Christ. God bless.” (Aaron)

Video: The Book of Revelation “I've got to say it again, that was a wonderful message.” (Mary from England)

Video: An Intelligent Creation “Evolution has a lot of holes in it. There are no holes in God's plan for the earth, for the universe or for any of you. I hope you realize that before He comes back as judge. Jesus is coming back soon. His creation has been abused and disregarded for too long. Look how your science is destroying the earth. You are structured to believe only what they want you to believe. Open your eyes and your heart to God and you see with new eyes.”

Video: An Intelligent Creation “On human evolution, the only evidence they have are skulls, pictures, text and graphs. No where in this world will anyone find ACTUAL whole body skeletons showing anything evolving from anything, and that includes the animal kingdom. ALL evidence is text, drawn pictures, and graphs. All derived from man's imagination and a desire to do their own will. Genesis 1:1 In the beginning God created the heaven and the earth. Someday, everyone will know.”

Video: A Special Creation “ive come to the conclusion that evolution is a lie. It is an effective way to control people if they think every human being is nothing more than a monkey.”

Video: A Marriage Built to Last “Thank you very much... my marriage is at the point of no return.... I;ve struggled on my own to understand what went wrong and how to resolve the issues... to little success..and with two young children detriment... In your sermon you identified for me that I am doing everything wrong... I could feel the pain and sorrow lift from my body as the revelation of your words struck home. I prayed the prayer at the end and i can only thank you for sharing this by saying...God Bless You!!”

Video: An Intelligent Creation “Great video and I agree with what was said in this video.” (Norway)

Video: Get A Life! “Wow! I love it, thank You Jesus, While we were yet sinners Christ died for us. Amazing love.”

Video: Various Videos “Billy: We are watching your videos on youtube again. You are awesome! The Lords is definitely with you! Thanks for making the Word so clear and exciting for all! God Bless!!!” (Andrew from California)

Video: Various Videos “I listen to Pastor Billy's sermons daily. Some of them are so good I have listened to certain dvd's twice. He is an awesome speaker.”

Video: Various Videos “Since October, I have tried to use your videos as my Sunday Church, being that I do not belong to one, here in North Carolina, and have not attended since I left Virginia. I am a Christian, or as I prefer to call it, a sinner saved by God's grace, being that the term Christian has become used by so many unworthy of Its Title. I have no home Church and honestly have not sought one since moving to NC. I have tried to live as God would have me, though in all honesty, I have failed several times. It was not until I stumbled onto one of your videos while searching for aliens, that I realized what I have missed by abstaining fellowship with a Church, and that your videos is the best substitute I can think of. Now, most of my Sundays is shared with my Sister in Va and myself, watching the same videos and discussing them afterwards. I continue to watch more even after our discussion has ended, and even a few other Preachers, however, your videos is my favorite and I find your topics to match what interests me most.” (Richard)

Video: Various Videos “Pastor Billy. My friend and I are going to plan a visit to your church. We decided that visiting your church and possibly getting a chance to talk with you more would be a real highlight in our searching. I decided that I am going to write a study guide for my use for the Revelation series.... There is just so much information and I think without it people that I try to reach with it will be lost.... (we are slower here in Wisconsin... all the dairy air I think) I listened to the UNSHACKLED testimony and the story was remarkable... I think we share MANY similarities that way, as do so many other lost people. AGAIN as always your ministry is TRULY TRULY a blessing and the Holy Spirit is working strong in you... what an amazing GOD! Thank You.” (Lisa)

Video: Various Videos “Hey Pastor Billy. My name is Leah Watkins and my husband Jim and I have been watching your Revelation videos on Google Video now for the past few months. We would watch a sermon a night and needless to say, we caught up with you pretty quickly so we have been going to your web sight and watching the other topic sermons. We especially enjoy the count down ones because of the ease of sharing them with others. We wanted to start sharing the Revelation videos at church but after realizing that there was some where in the ball park of seventy videos and that only covers the first two chapters... We decided to go with the slimmed down "Count Down" ones instead... We would like to thank you for your prayers that you have often mentioned on your videos, cuz us here at The Vine Youth Ministry's (ie) "That crazy church down south" is'a needon all the healp it can git!? We live in Lyons Georgia and our church is three mils. away in Vidal Georgia, you know... where all of the onions come from. So if you are ever in our neck of the woods, swing by and "haller" at us and if you come down in April we can hook you up with a comp-low-men-tree sack of onions to take back with you on the plain. The "easy breath" sacks fit nicely in any carry on bag. Which makes it easy to

share them with the people sitting next to you on the plain... Cuz, Sharing is just good southern hos-poe-tal-i-tee! We'll be preying for you, so keep up the good work and if you don't mind, give us a "Hey yall!" on your next Revelation video. Your Friends.” (Jim and Leah)

Video: Various Videos “Hi Pastor Billy :) I sure would like to come to your church! Why don't you all move here to Minnesota! :) You are a wonderful Pastor and brother in the Lord. I listened to your Rev. video about the "Big Cookie".... I laughed so much! It really felt good to laugh! Sometimes I look up at the Lord and say to Him... what a joy you must be to Him and I ask Him to help you to always keep your joy in these last days! Come move to Minnesota!” (Deb)

Video: An Intelligent Design “you make this so fun, Pastor Billy. xD praise God for lively Pastors and for the truth!

Video: Various Videos “I have listen to Pastor Billy before over the internet and he is pretty cool and boldly preaches God's Word that is directly from the Bible.”

Video: Various Videos “Pastor, I'm so grateful, but also overwhelmed. I am starting a new youth group in a new church in Holly Ridge, NC. as a labor of love, we are meeting at a school cafeteria for now. For years I have done my own research into creation vs evolution, and have coordinated youth retreats to St. Augustine Fl. to teach young men to learn for themselves. I wish I could tell you my whole testimony, but I'm sure niether of us have time. I thank you so much.” (Michael)

Video: The Book of Revelation “That was great Pastor. Thanx a million.”

Video: Various Videos “Mr. Crone, I've heard you on Youtube and I think you are doing a wonderful work in the name of Jesus.” (Tim)

Video: Various Videos “We received the materials and are very thankfull. The first we watched was don't go to Hell as I am a avid believer that true wisdom begins with the fear of god after what he has shown me. My father actually sat through the whole program without taking off when it got in-depth. He was rather quiet afterwards. This is great due to how my father is. It basically meant he was thinking pretty heavily. We have been watching movies such as Fireproof, Flywheel, Facing the Giants, etc... It has slowly broken down that shell around his heart to the point he is now openly and inwardly thinking upon the gospel. I know in my heart that Christ's love will prevail through my life and my families. I have faith that his love for us can and will irradicate all fears and forces who oppose us. Recently I have purged myself of much things that I now know are not the Lords will for me. Various movies in my collection, Old habits, and being scared of witnessing to others are taking flight out the window. I have also found that in doing so I am being persued/retaliated against by evil in situations wich are too bizar to mention for fear of ridicule. These situations are just to hard to share. The difference is I now take honour and pride knowing that it is for my king that I face such things and if I fall, it will be in his name and none others. It is only an oppurtunity in-

which I can give to the lord my loyalty and love during the heat of this battle we are all born into. Please tell Mr. Crone that I am praying for him and his ministry, to stay strong and remain vigilant. God has given me new eyes. I see how this world is failed and only wish to store my treasures in heaven and lead others to do so as well. I am a new Christian and am very thankful for the material you have supplied which is greatly needed to nurish my knowledge during this new and promissing journey. May god bless you!” (Lyle)

Video: Various Videos “The sermons and teachings of Pastor Billy have become a staple in my life. Most every single day I listen to the DVDs or I read something relating to what he has put out. At work I can't listen to his DVDs but I have printed up his written sermons and read them when I have a slow moment. I am learning so much about God from him. I have NEVER felt God in my life as strongly as I do now. It has become obvious to me the reason I didn't feel God in my life like I do now is because I was not looking in the right places. I believe in the work you and Pastor Billy do. Thank you for all that you do. Every chance I get I tell who ever will listen about God and Pastor Billy's teachings from the Bible.” (Lynn)

Video: Various Videos “Hello Pastor Crone. My name is Tammie. I have been listening to your sermons on youtube. What a difference my life has seen in just the last couple of months. I had thought of myself as being a good Christian and a good Bible scholar until watching and learning from you. A little background on me. I have gone to many denominations of churches in search for the truth only to become more confused as time went on. I had began to question if the churches and their doctrines were to keep the people oppressed and subdued. If it was a propaganda to gain control over people. I questioned so much that I have forgotten most of the questions. It seemed I help onto just enough to keep me in "Christian" status and be able to keep that name. I wanted to know more but couldn't find it. My brother was trying to do so as well. He was definitely not a Christian in any means. One day he called me up and said I had to check you out. I was very skeptical of this because of it being youtube. I took the chance and watched your UFO series. Man what a change came over me. I was once again hungry for the word and the touch only God can deliver. I rededicated my life to the Lord and nothing has been the same. My brother and I use your videos as worship. We watch them and then we have a discussion that sometimes lasts for hours. The knowledge that we have gained by reading the word with you and learning from you is incredible. We are anxiously awaiting your new videos. I am also spreading the word of my learnings and telling others about your ministry. I am thrilled to know that there is someone that is willing to be used of God and willing to inform us as to God's wishes and warnings. I know that God is truly in your videos because his evidence is all over me as I watch them. I can feel such a presence as I have never before in my life. Thank you for making these videos public and sharing God with the youtube world. I feel so fortunate and blessed to be a part of this great movement and look forward to meeting you when we get to heaven. I pray that God's blessings will be showered down on you and yours so greatly that measuring them will be out of the question. I will be praying for your ministry and your church folks. God bless you!!!!”

Video: Various Videos “Hello Pastor Crone. I wanted to thank you so much for the videos. We are making them available to our church for copy to anyone who wants, and also will be sending copies to Colorado to my family, and I am hoping they will take them to the churches they go to also.. I hope that your message will reach out to so many. We have been watching your videos and we are blessed from them tremendously! We are very excited to get this message out among our friends and family... It seemed that God had to use someone from clear across the country to get my attention back to where it belongs! I had been questioning so many things and confused about what true christianity looks like or for better words lived like, since there is such a mixed signal from the leaders in our church, and open preaching/teaching about things that just simply did not align with what I was reading and studying in my bible. And what you had been saying to was what I had been reading about in my bible, and telling my husband was missing from our church. I had been in dismay that I was wrong, and that I was "legalistic" in my approach to my salvation and walk with the Lord. I have, since our conversation returned to my studies with greater enthusiasm and joy. I love the Lord, and I want to be obedient, it is not for my salvation, but because of my devotion to Him. It seems that the bible is being used to excuse sin, and it was right up close and personal I was seeing this and being taught. Romans had been taught/used to excuse away sin, and not to realize our freedom from it. I have begun to read the passages in Romans in a way that makes me happy and filled with peace, and not cringe at the words.. My prayer is that I will be as wise as a serpent and harmless as a dove! Anyhow, I just wanted to thank you for your explanations, because I had been doubting so much of what I thought was truth, and it was reassuring that I was not mixed up in how I was reading/understanding the bible. I am on my feet again and moving towards the the prize I have in Christ Jesus! God is good! May He bless you and keep you! In Christ.” (Kalli)

Video: God is Love “i had to watch this series sometimes 3 times. i love it. if every one believed all that is written in the bible,wouldent that be fantastic..thanks for faith,,thank you God.”

Video: An Intelligent Creation “Pastor Billy Crone is speaking the truth. Evolution is a fairytale for grownups. There is too many evidence to list here to support a young evidence the evolution don't even want to touch since they can't argue against it. Evolution is impossible both mathematically and physically.” (Norway)

Video: What Does the Bible Say About UFO's? “Emails warning of this need to be mass produced and sent to the so-called churches as well as their congregation members. Jesus Christ is the only Salvation there is. No other has died and risen again to save the lord. Your blind if you don't believe in Christ. Your eyes are open to the world and not his salvation if you don't have faith in him.”

Video: Various Videos “Pastor Billy, I am very grateful and feel unable to thank you in a proper manner for your gift to my family and my church. When I got my package today and saw it filled with more than one or two video series I was filled with an amazing mountain of joy. I feel like I just pulled a coin from a fishes mouth. Me and my wife and my two sons named David-Josiah and David-Elisha watched the creation videos from about 3pm until just now at 10pm. It was very eye opening for my wife and confirmed much of the my prior study into the subject. Having that affirmation feels really great, and gives me confidence in presenting this information with others. Thank you for the gift, it was much more than just material, it was a blessing and a smile that has been sorely needed in my home for some time. Your Fellow Servant in Christ.” (Michael)

GODTUBE and tangle for leading me to you and a few others on here that teach the real truths. i would really love to go to your church but i see it not happening . please pray for my whole family and my best friend and her family too . also i pray with you and your church to continue all that you are doing you gave me hope . you are a rareity.” (Yvonne)

Video: Various Videos “Hello Pastor Crone, I hope things are going well for you and may god continue to bless you and your ministry. I have listened to your Final Countdown series and am currently in the Revelation series. I find them very uplifting, because as a Christian who loves the Lord I know where I am going. However, in the same breath, a concern has risen in my life over the RFID issue. I was not fully aware of this chip until I heard about it from your ministry. I am a solder in the U.S. Army, I am also a Christian. Thanks.” (Rich)

Video: Will the REAL Church Please Stand Up? “Evening Pastor, I'm enjoying this series. Just finished with the second part. When you talked about Easter and the Resurrection, I had to write and say, I hope there are many that realize the Passion of the Christ. When I see those images of Jesus being beaten and then his walk to be crucified, I'm reminded of God's Passion for us, how much he LOVES us! He didn't just hang from a cross and die, he suffered, for us, for our sins, so that we may be saved through his son. God shows us with that how much he loves us! I thank God for loving me like that, for no man in this world, would ever suffer like that, and die on a cross for anyone, not even family. But people would die like this for God, because he first loved us, and in return we love him just as passionately as he loves us. Because in our hearts, we know God and we trust him. For me, it's easy to love God and always trust him. I love his commandments, as they are a discipline for us. Just because his ten commandments are in the old testament, doesn't mean we aren't to go by them. They are God's laws, and should be taken seriously. I thank you for your many sermons Pastor Billy, because they have given me a better understanding of God and his book. Praise the Lord! Amen. God bless.” (Marilyn)

Video: Radio Interview “Dear Billy, I just listened to your interview with Dr. Stan Montieth and agree with you 100% about Oprah and the new age teachings, plus the end days we're in. Jesus Christ also let me find Him when I was knee-deep in the new age in the early 1980's. These days, the truth is rarely found coming from the pulpits in America. Wish I could convince my cousin in Buffalo, NY, to attend your church. He doesn't have a clue and won't listen to me. Come quickly, Lord Jesus! God bless you and your ministry.” (Heidi)

Video: Various Videos “Hi pastor Billy, I am watching with more and more astonishment your last teachings online. Are we in the last days or not! This is beyond creepy now! Our country is going right down the drain if you ask me, this is so not done, but hey everything goes in Holland, doesn't it? Oh well lucky for you Americans never do these stupid things huh?” (Lilian from Holland)

Video: Various Videos “Dear billy and co. My names andrew and I live in Hastings on the southcoast of England, I just wanted to thank you all for your great videos that I've been watching on YouTube, a lot off so called Christian leaders don't talk about a lot of the topics that you cover so well, including good humour in your sermons amoung others so I just wanted to say thanks again! Ps i'm watching your creation vs evolution series and I've directed one of my friends to it in the hope he sees the truth because he really loves science but not god, so if you could pray for him, his name is Jason, I'll be very grateful. With love from andy and family from Hastings,England!! See you all in the kingdom:)”

Video: Various Videos “I saw your Final Countdown series on ENDTIMESTUBE.com and then I purchased your 2-part videos. I am a Christian, but have found myself being "caught" up in the world and not really paying attention. God has been nudging me to wake up and realize what is happening now. I want to thank you for your presentation and let you know that I have been sharing them with those around me. I know that it is inspired by God and that we now must wake up! I have also found your presentation on Radio Liberty. My request is; would you know of a church in my area.? I live in Tacoma, WA and as you may know, it's a very difficult place to find a church. I have, in the past, had difficulty and found trouble in the churches around here, which is one of the reasons I have stopped attending. Please let me know if you have any suggestions. Again, thank you!” (Irene Whitman)

Video: The Book of Revelation “Hi Pastor Billy, Just wanted to say that we saw the sermon, and it really helped Séamus to know that youse all prayed for his situation. Also, the message that suffering is not something strange for a Christian, it's actually to be expected, has helped him understand his situation more. So thank you... By the way, I

was utterly shocked by that picture of people laying hands on the bull at Wall Street! I found a video at youtube, and they were even walking around it, chanting... As you know, before Christ saved me, I used to be a witch, and watching that video, everything they did was witchcraft. They found an image, imbued it with significance, raised energy through chanting etc, even cast a circle, and when they prayed "God bless America", you know rightly that it wasn't the God of the Bible. They were worshipping Baal... or Mammon. Yet I've still found some Christians who I've shared this with telling me that I'm over reacting, and they were just following biblical examples (Jericho, apparently... though that was a battle situation, completely different.) Such blatant idolatry is scary stuff. It has moved me to pray more for the US, and for believers over there. On a side note, one of your sermons, you were talking about things that people say, without ever thinking what it means, or where it comes from. You know the song, "ring a ring a rosies..." There is another meaning to that, besides the one that you mention. When I was a witch I was taught that it was a coven ritual disguised as a children's song, so that non witches wouldn't know what was being practised. If you look at what happens, the kids join hands, dance in a circle, and collapse to the floor. I was told that this was a coded way of teaching kids to dance in a circle, raising energy, then collapse to release that energy. Whether this is true or not, I don't know. But I know that there are witches in England who use this nursery rhyme to instruct their children in elementary magick techniques." (Mary)

I tried several times to stop viewing this material on my own but was and am only successful through Christ Jesus. Praise the Lord!"

Video: Radio Interviews "Hello Pastor Crone! I download and listen to most programs on Radio Liberty with Dr. Monteith. I have listened and am currently listening to your program. I am from a little town in Indiana. I attended & was saved at an Independent Baptist Church in a rural setting near my home. To get to the point quickly, I have attended many churches since. They all seem to be interdenominational or the ministers send short messages within their message to the people that we all (Churches) need to be

uniting for the end times. The music is way to modern for me, even though I am only 47. My soul isn't 'filled' with anything & I leave the services empty. Most Churches large or small all are members of have an affiliation to the world council of Churches. My question would be, how do I find 'the' Church in Houston Texas? Any guidance is really appreciated." (Jim)

Video: Radio Interviews "Hello Pastor Crone, I heard you on Radio Liberty with Dr Monteith today and I agree with you very much that Lucifer has put all his ducks in a row and has set the table for the Beasts of the Apocalypse to come forward on the world scene. The final Beast will use, I think, an exotic combination of occult science fueled with ultra-advanced technology to perform works of wonder that will convince the whole world that he is God." (Rob)

Video: Various Videos "Dear Billy Crone. I'd like to say that it was your " last days " short films that caught my attention and I was impressed by how well your people and yourself have put these films together, I've done my research on NFBC and what you say and it's clear gods spirit speaks with such passion through you, I'm a bit jealous of your congregation because in England our Christian leaders don't speak clearly or have as much passion for fear of being branded crazy, I'm 31 now and the last year I've been with a small church group and next Sunday I'm being baptized but I've had a fire burning inside me about wanting to speak as you do for couple of years now and I can't ignore it anymore, Gods blessed me with great strength, being an encourager, strong sense of sticking to gods word and not watering it down as most leaders do among other gifts, I just need the right leadership now. On another subject I've been speaking to one of England's leading witches who claimed he was god so I've told him of Jesus, what he did and told him he needs to repent but so far to no avail but I did find out that in England the pagan, Wicca religion is losing it's believers to Christ in big numbers which I found amazing, praise god so I think Sods Spirit is on the move we just need more leaders like you and your ministers. Please share this with your church for encouragement. I'm now watching your videos on dangers of casual Christians, perhaps the biggest threat we face, anyway thanks again for contacting me I hope to speak soon!"

Video: Get A Life! "Respectable pastor Billy Crone ! I woes watch videobiography of your past life . I have simmilar life hear in CROATIA Sex Drugs and Rock and Roll. Sorry on gramma eror! When i listening wats hapening in US about crime its simmilar is

Video: Various Videos "We have started showing the videos to our teens and the preacher has announced to the congregation that we will be showing the videos for the whole church on Monday nights after the Tri state pastors convention this month, so we are looking forward to that. And just a little side note: in the past couple of weeks, my husband and i have been going back and forth to Fla because of our pregnant daughter-in-law. and every time we go to the hospital, we are i.d.ed. they say it is for security but we

noticed that every time we would go threw the trouble of digging out our license, that the room information that was printed on our passes would be wrong...you would think that if they were so concerned with security, that they would at least get the room number or at least the patients name right.... but every time we stood in the seemingly never ending line, the thought would always pop in to my head "we need some way to just swipe a card or something and just go in" and that's when i realized that this had nothing to do with security and all to do with driving people to want a "more convenient way".... needless to say, we just stood calmly in line, ill take a long waite over a chip any day... any hoooo, thanks again and God Bless Yall!!! Talk to you soon!" (Jim & Leah from Georgia)

Video: The Final Countdown "Pastor Crone, We are watching your series "The Final Countdown" and it is fascinating. My teenage kids are very watchful. I was looking online at cutting edge and found your series on Revelation, but it only got as far as Chapter 2. Is that as far as you are, or is there a complete series available? God bless, and may we open our eyes to see and our ears to hear." (Phil from South Dakota)

Video: Various Videos "I just sent you guys a donation. I want you to understand how grateful we are that the Lord has worked such a miracle through your church and into our lives. We have finished watching everything that you have sent us. We only wish that you where local so we could physically attend services. We are still looking for churches near by but most seem to just want to tickle peoples ears thus making God look more like a mere financial or Marriage guru instead of our lovingly heavenly father. Money is extremely tight right now with me and my wife but we plan to order more of your videos as soon as we can. Maybe Billy can come down here to Texas sometime and give us a sermon at the local church." (Lyle)

Video: Various Videos "Hello Pastor Billy Crone, I wanted to write to tell you "THANK YOU" for all the encouraging words through the gift of preaching. I have learned much and continue to learn. Since I am in New Jersey, I consider the media series "SERVICE AT HOME." There is no excuse for anyone to say that they cannot attend service. Again, thank you and may the blessing of JESUS CHRIST be upon you and your family always. Also a special blessing to those who aid in making the media series available and all those who help throughout. Be blessed dear brother." (Anthony)

Video: Various Videos "I thank God to put you in my way, Thanks to you I will certainly focus on Jesus Christ. Thanks to you and against I fined the internet and can write to you in Spanish and you will see it in English. Dios te Vendiga and your entire family, I am sure with your message I can help my family and many more. I come from a very small town in Mexico and they are all Catholics since they remember no one can question anything. Thanks again." (Betty)

Video: Various Videos "I stumbled across your videos a few months after getting saved, and was trying to figure out just how am I going to explain ALL the things I've amassed from tons of reading and research (and boy there is alot!) to my friends without sounding like a conspiracy nut, and after praying I found your sermons at cuttingedge, bought some

and boy have my prayers been answered! You truly have an inspiring story on how you got saved, and truly have been blessed by God's Holy Spirit. I have posted my testimony along with some of your sermons including the Final Countdown on my blog and am also hoping to reach friends and family on facebook. I've been following your study on Revelation and boy I don't know how ANYONE can deny we're living in the last days.”

Video: The Book of Revelation “I am watching the vol 7 dvd series, and "WOW" I got a revelation about Paul, Paul was an Apostle with special spiritual gifts bestowed upon him. Apostle Paul, was beaten, stoned, lost at sea, snake bite, and more ... Paul was crazy one would think, BUT NOW THINK THIS: WITH PAULS' SPIRITUAL GIFTS, WHAT DID PAUL SEE THAT WOULD ACCOUNT FOR HIS STRONG BEHAVIOR, WHAT DID HE SEE IN PEOPLE, PLACES AND THINGS? NOW THAT IS SCAREY IF YOU THINK ABOUT ITI WILL NEVER BE THE SAME AGAIN AFTER TONIGHT, not with that REVELATION. I DON'T THINK WE CAN AFFORD TO STAY THE SAME.”

Video: Various Videos “Thank you Pastor Billy! I have managed to distribute the videos that I've had so far. My friend Daphne is trying to get her vicar to accept them for the church library. I think it's unlikely... they are Church of England, and very "wet." But God love her for trying. I've been in Manchester today with some true Christians, and they've distributed your material in the past. We had a great day passing out tracts, and one of the men was street preaching. I'm hoping to get up to see them again soon, and if

so I'd be glad to bring up your dvds, for them to distribute. Some of them have gone into Christian centres where they run libraries where materials can be borrowed by various members. I don't know how many have been viewed that way. Three people today that we were witnessing to seemed to really understand the gospel by the way. It's not like Africa, where you might get a whole group of people fall on their knees crying and repenting. In England three people is amazing. But anyway... the people today were an old Irish lady, life long Catholic, who suddenly realised it was all about Jesus. Her whole countenance changed when she understood that. Then we had a non practising Muslim, who definitely knew he was a sinner, and after asking a lot about hell, how could he be saved, said he knew the Koran was wrong about Jesus, then accepted a Bible which he walked off reading. Then we had a homeless man playing a penny whistle. He said he believed in reincarnation and ghosts etc, so I shared a little of my testimony, told him what Jesus had done for me. Later he went up to one of the men and started talking to him, and they are meeting with him next week. Manchester's very busy, there were probably thousands of people walking back and forth. But three is wonderful all the same. One would have made heaven rejoice. So, it's been a good day.” (Mary from England)

Video: Various Videos “Hi Pastor. I've just been watching some of your videos on youtube about the end times.. and really you made me look at my faith again..I've been Christian for 4ish years now and was baptized but not fully.. lol We'll you see I'm 6'5 and as funny as it sounds I didn't totally submerge.. due to being so big and trying to be baptized in a bath. Its been bugging me since then, a thought thats been eating away at me really .. I keep feeling a niggle that I should do it again with full submersion.. Could you tell me everything I should have done or should do to truly be sure that I'm saved? I'll go a little deeper into my 'walk' in faith so far.. I was pretty much a run of the mill guy.. and I always considered myself 'Christian' .. although as I got older I didn't really know the true meaning of being Christian in hindsight. I got caught in the 'God is love and In everything.. and that all religions are right and none can claim to be the only truth - the only way' ..Anyway we skip forward to 4 years ago, I remember suddenly becoming really hostile towards this idea of a 'God' So I confronted my Christian mother about Him and said the tradition lines 'If God exists why would he allow bad things to happen to good people!' etc etc. I remember thinking back on each of these arguments and wondering why I was so hostile towards my mothers belief in God.. and hostile towards God himself.. wondering where this sudden strange anger/annoyance had come from..

Anyway this lasted about 3 days where I kept going at her trying to prove that God didn't exist .. that he couldn't exist... Well at least the God of the bible.. At that point in my life I obviously didn't believe in Him or 'spiritual things' so I was on a mission to 'enlighten' my mother ..but on about the third night of these arguments I was alone in my house and there was a .. wind.. now that might sound strange that I took note of a random wind and it did seem strange to me.. But this just felt different.. although I didn't want to admit it.. the only thought going through my mind was 'Wind of change' as If saying I was now in a different place with God.. I obviously didn't say anything about this to anyone.. because I didn't even want to admit there was a God or spiritual beings.. so I just kept my mouth shut and tried to put it out my head. After this initial 'experience' I had 2 other similar happenings within the next 2 week period.. the 2nd of these 'experiences' happened when I was walking through my house with the lights flickering on and off as I walked underneath them.. with the wind causing the doors and cupboards to repeatedly smack open then slam shut.. as I walked into each area of my house.. this experience was more intense than the previous and made it seem almost as if it was a slightly sterner warning.. or and sterner urging .. But I still tried to brush this 2nd episode off.. putting it down to faulty electrical wires and .. 'just wind' And then the final 'experience' I had in the 3rd week of this period.. I was lying in bed just trying to sleep when all of a sudden I felt a change in the atmosphere as If all happiness had been sucked out of the air around me. I felt uneasy and a cold sweat kick in.. lying there with my eyes tightly shut.. acting normal but knowing something was amiss although not wanting to speak or admit it.. hoping that if I didn't acknowledge it.. It would just go away. So I rolled over and tried to act as normal and get to sleep .. then I heard my name 'Mark' whispered quietly.. which I brushed off as an ad on T.V.. So I got up and turned it off.. to reinforce the fact. I then went back into my room although I still felt the heavy.. powerful.. darkness .. that had sucked the happiness from the room.. I knew something else had come in It was that same feeling I had with the initial 'wind' except this presence was far more intense ..As I got back into bed and lay on my side again I felt a knee behind my head.. as If someone or something was kneeling over me from behind.. although I cant be certain.. I thought this must be what was whispering in my ear.. and again I heard 'Maark' this time slightly louder and extended with a more intense presence pressing on me .. again I brushed it off to moving my head on the sheets.. Yet again! I heard 'Maaark!' This time getting even louder and more intense.. I knew at this point that something was definitely wrong or rather that it was getting serious .. BUT still I tried to brush it off as getting nervous over nothing and breathing deeper .. so I tried to breathing in and out several times making 'Maark' 'Phewww' sound as I inhaled and exhaled .. to convince myself it was indeed my breathing..And at this point I was shaken to my core.. It Screamed 'MAARRRKK!' at me with such a ferocious fury and intensity that I have never experienced in my life .. I felt so small and weak .. This being was not just screaming at me but screaming through me.. I don't know how to describe it in any other way .. It felt like It screamed through me.. really shaking me to my core.. I couldn't even speak or scream even though I was really trying to .. I was completely paralyzed with fear and no sounds were coming out my mouth.. Although In the back of my head I knew all along what had to be done.. But I had previously refused to do it..After 5 seconds of this earth shattering.. core crushing fear and booming scream .. I knew the time had come to admit that I believed in Jesus .. I knew these words were the only ones that would even be able to come out my mouth.. I

screamed 'JESUS PLEASE SAVE ME!' at which in an instant the whole atmosphere lifted and I was left in cold sweat.. completely shaken .. thinking about what had just happened... and about what I had just done.. I had admitted that Jesus was real .. which meant that now I had to find out about him and follow his commandments .. So the next day I asked my mother to get me a Bible so I could find out about this 'God' and 'Jesus' and all the things that went along with them..Sorry for any grammatical errors I just rushed through this abit as Its extremely late here in Europe. Cheers.”

Video: A Special Creation “Hi pastor Billy. A few days ago I did see that video you did where the Christians laid hands on that bull at the stock market? I passed it on to my pastor right away, he said he knew about the bull but had not seen the people actually

laying hands on it. Thanks for the info! Was listening to your series the special creation, I had listened to it on the internet, but now I was also watching and somehow I missed the clip last time off an evolution add on video where there are apes in it and a voice is telling us that Jesus' holy sperm was in the beautiful loins of these apes. I almost fainted, and puked at the same time. I thought I had seen the most blasphemous things already on tv and otherwise but this tops it for me right now. I saw you spitting fire almost out of your mouth! There are no words to describe how I feel about that piece of video, I guess it's the same for all honest Christians...How low can humankind go.....Keep them good messages coming and keep educating all of us! God bless you and your family and ministry!" (Lilian from Holland)

Video: Get A Life! "Your story on how you got saved, in the Get A life Sermon, had a VERY strong impact on me (as to all your sermons), so much so--i had gotten back from a 2 week trip out in Arizona last week and before I left, after watching the sermon, I felt "compelled" to post my own testimony on my blog--because of the "what if the rapture happens while I'm away" mentality started hitting me bigtime. i also posted all your final countdowns from you tube along with it and started emailing everyone to read my blog and watch the videos." (Roxanne)

Video: Various Videos "Hey Pastor Crone. Just wanted to say that it's a wonderful blessing to hear your sermons on a regular basis. It's been a blessing to my family and myself. You think maybe sometime in the foreseeable future if God wills it, you could preach here in India? Just curious. Would be wonderful. If you could keep me in your prayers that would be great, trying to seek God in terms of a relationship that I dearly seek and just want to do what He wills for my life. Take care and God bless. Looking forward hearing from you."

Video: Various Videos "Dear Pastor, My name is Danny from Brooksville Ky. I am a fellow servant of the Lord our God. I'm also a Martial Arts Instructor and Pro. Cage Fighter, well let me give you a little back ground first. I started fighting in 2006 I had a Martial Arts Back ground and thought I would try MMA keep in mind I do not like confrontation well my first fight i lost then i tried again and lost well I learned something from that I had to learn to fight like the rest of the Competitors I only had one problem I live somewhere between way over "yonder" and "Plum Lost" well after a while I found a Gym about an hours drive from my house I went and trained and found myself fighting again this time I won after that I fought again and lost well I some how ended up partnering up with a Gym owner that opened a School about a block from my house(the only block in the town) and i ended up teaching a class and during this time frame I received an injury a torn LCL well i taught my fighting days where over and this was a sign from God. So during my down time I came across a Ray Comfort street witnessing video on you tube and watched and I was saved By God through that experience. I found Myself trying to street witness the next day well after a cussing from what i though was a

sweet old lady I decided to learn what i was doing and found The way the Master School of biblical evangelism and found a non denominational Church (Building) and my Martial art career started to go stale well I started to back slide a little until God used the spoil me not "Rod" so to speak and brought me back that was about two weeks ago well I had to get another job on top of the MMA Gym so I thought about fighting because Jobs are pretty scarce well i had decided to fight in June which would give me time to get back in shape well I was praying for a chance to witness again and God put fighting on my heart well I continued to pray and decided to Dedicate my life to witnessing through and to the world of Cage fighting . Well God put a Goliath in front of me I received a Fight for MMA Big show but not just any fight The ex 155 lbs Champ not only that it is in like Three weeks so first I took it to God in prayer and said if you want me to compete against

this guy i will well He called my Bluff and He gave conformation and I found out the fight will be on T.V. and I Get to Proclaim God on National T.V. not bad For my first Pro fight did I mention i'm a BIG underdog But as with David when he ran at Goliath despite my disadvantage God is with me Because i fight to Glorify God so when the Mic. is in front of me I will proclaim his name and I need your prayers pray for this new ministry and pray the spotlight dose not got to my head The first time I tried to fight without God and you know where that lead I don't want to let our God down with vanity please pray that that don't happen because I can mess all kind of stuff up..and pray for my opponent and pray that when God allows me to witness to him after the fight pray for that seed and pray for the Gospel tracks i give out and i do thank you for reading and for any prayers My prayers go up for you and NFBC and the media ministry may Yeshua Bless and keep you."

Video: Various Videos "Dear Pastor Crone: I would like to download a few of your videos and pass them around my Army reserve unit. Though I doubt you would have a problem with this, I would still like to ask your permission. I do have some people around

me living in darkness, both in and out of the church. I'm watching your video concerning UFO's (for about the fifth time, I love this video). I think you just convinced me of the rapture. Thank you for your time, Sir." (Patrick)

Video: Various Videos "Hullo from DownUnder, We came across you & your website via Cutting Edge which is one of the few sites we visit or buy DVDs & books from. We initially bought the 36 volume set on Revelation, volumes 1 to 6 from there. We do not have a "Church", or more appropriately an assembly we go to any more here. Like the U.S. we-that is Australia as a nation- are sadly "losing it". When I tried to point out the truth & the diversionary tactics used by the enemy, I was dismissed, laughed at, called paranoid & delusional, or insulted one way or another. "Bible college", which I attended for 3 years part time, was another experience during which I saw the Deception at first hand at the training level for minister & pastor. Young fresh people mainly attended, with no idea of what they really were going up against, nor really, Whom they were going to speak for, or to those they would. Their life experience "quota" was so limited, they often could not comprehend what evil is & what the supernatural was. The most amazing, disheartening thing was that even in Spiritual Warfare classes, no mention was made, by

anyone of how to deal with people. Anyway to get to the point, we-Paul, Neave my wife & Aaron our 9 year old son- truly appreciate your works & thank you for being amongst the few who are actually standing as Watchmen, Biblically speaking. We watch & listen to your DVDs as well as those by a few others. For us this is closer to an Assembly we would attend than anything I care to mention here. I was a Senior Psychiatric Nurse on night duty for many years. I worked with our current Deputy Prime Minister Julia Gillard's dad at times in the institution we worked at. There was extensive witchcraft in the hospital administration, both nursing & medical. I saw things which caused me to doubt the normally perceived reality (shapeshifting, cold sulphurous smells, people pulling solid oak doors off their iron hinges etc)I left work eventually because "it" got to me & I had no defences other than Yahweh being caring of me in ways I did not see. I eventually became a Christian-the true story of the events is much too extraordinary for this email to say the least. My wife Neave whom I married about 10 years ago became a Christian after a disastrous marriage to an American millionaire friend of Serge King(Kahuna). This man was extremely high ranking in a cult I will not identify for now, however I learnt a few things from Neave about the plans of "the enlightened ones". I suppose I am writing to you to say Thank You because we often feel "alone" & shunned by other "believers", yet we sense a difference in people such as you. Thank you, Yahweh please bless you also.” (Paul)

Video: Are We Living in the Last Days? “Oh my gosh, that database where the lady could see where that guy lived & worked & his id # was scary. That guy that got the microchip seems very nervous, (there is no rest for the wicked). In Hell you would be killed over & over & tormented eternally. Do not be afraid of the person who will kill the body and after that can do NO MORE. I will stand up and not get this chip. Take my house, take my car, take the things I own and kill me. I will stand up for my Yehweh.”

Video: One Second After You Die “As per normal pastor Billy is speaking the truth. all he says is true, all he states is fact. Open your eyes, open your ears, open your mind but most of all open your hearts to the truth. At the very least think about this, if you believe & its true. Then you have gained everything, but if you believe & its not true. You have lost nothing, so just from this one point, you tell me what is the best think for anyone to do logically. Believe & gain everything & lose nothing or not believe & if its is true, lose everything. God gives us freewill, the choice is yours, I pray you make the right one. God Bless you all.” (Danny from North Carolina)

Video: The Book of Revelation “i thank you so much for making clear the word of God to all who want to listen i find it harder to find the truth in this world on anything anymore but when i do find it i really do respect it thanks agian .and keep the truth coming for all those who have not heard it correctly so they wont just grab anything that sounds good.”

Video: Radio Interview “i guess no one really knows what to say to this .but it is only because it is so true.pastor crone you are well recieved from my point of understanding .i choose not to go to church anymore because of all the salad mixing going on . i feel i am

better off trying it alone at this point in time .and there are those out there that really do believe that 2 and two are five it is scary out there in the so called christain world.but i find some are more like you and that helps me to move forward in my journey toward God .i have learned more on tangle than i have on or in any church so far .i also see alot of mixing it up here too but i can just turn it off and move on to another place.God be with you always where ever you are in Jesus name.”

Video: Radio Interview “gee violent persecutions in our country?, the beheadings are already in our backyard---thousands in Mexico along our own border have been beheading in wars between drug cartels, and that guy Muzzammil Hassan who started a Muslim/American Bridges TV network to promote the image of Muslims in the US--goes and beheads his wife then tries to claim diplomatic immunity are you kidding me, and here in our own country!--and of course with the exception of people like Lou Dobbs,+ Glenn Beck its mostly a media blackout. The American Church is truly in for a rude awakening. Praise God for Pastors like Billy Crone, leading the charge to wake not just American Christians but reaching the lost---before its too late.”

Video: Will the REAL Church Please Stand Up? “very powerful... I can agree to the assertion that our bad example is turning poeple off, I used to get confused why people would do that because of our mistakes but the religion trend is seen as a ceremony and a day to day thing...”

Video: Radio Interview “thank you for doing these and all the other things you are doing for the truth.i do love to hear it on the radio show as well. do not stop doing right .the times are evident of all you are saying right now .Gob be with you always.”

Video: Radio Interview “Thank God, what a terrific message. I have only been officially born again since Oct 2008, and the church i have been attending, literally is avoiding bible prophecy with a 10ft poll, then actually admitted it this past sunday--I couldnt believe it! I then attended their membership class and again, then said they dont have a stance on eschalogy. I nearly hit the floor and took everything i could muster to keep from crying. I pray this church and many others have God wake them up. We really need to start praying HARD for these church leaders to become unblinded. Keep up all your hard work Pastor Billy! God has blessed your ministry! I will do everything I can to get the word out!”

Video: The Book of Revelation “ya know... i think i did the math right... if 6billion (every human appr.) on earth claimed to be CHRISTian at 95% being fruitless (5% get someone

else lead to the TRUE knowledge of CHRIST JESUS that leaves out of the pop. of the entire earth!) about 300 million true believers...just an interesting thought.”

Do you have any videos for 1st timers or non christians so to initiate them or to bring them to know of Jesus Christ, accept Him and convert to Him? Take care, God bless.”

Video: The Attack of the Terrible T's “Thank you.....by the divine grace of God, Pastor Billy was the first one I listened to on youtube a few months back that helped to steer me back into the direction, the narrow path to Jesus. It truly was a turning point when a friend on youtube sent me part 1 of the terrible T's videos. Instantly I found the truth, I found the path but only by the grace of God, of Jesus. To this day, I have never been the same since and have helped to witness for Jesus through 2 people. 2 people who were very anti bible and now they see the changes in me and are slowly turning the pages of the bible again. Praise God, God is GREAT! Thank you for sharing this with me, I appreciate it greatly. God Bless You.” (Goldie)

Video: Various Videos “Pastor Crone, I ran across your teaching on youtube by chance. I really have had a change in myself since your teachings and how passionate you are about Jesus and God's Word. I will keep this short as I don't want to take up a lot of your time. My question is, do you know any churches in Yakima, WA that have a similar teaching style to yours? Thanks in advance. God Bless.” (Jake)

Video: Various Videos “Good Afternoon Pastor Crone, I'm a web listener from Brooklyn, NY and I'm wondering if you can recommend any churches in my area. Thanks for sharing the message, Good Bless.” (Kimberley)

Video: Various Videos “Good morning Billy.....everything here is going GREAT..I took first copies of vol.1 of book of revelation to my sister/brother-in-law this last weekend and along with copies of your testimony ...get a life...AND one second after you die ...we viewed your testimony first and they enjoyed it...so I will continue to plant the seed...dvds.....and let YOU and the Lord go to work.....I received two more vol. of Revelation yesterday...8 and 9.....thank you for everything.....also, several people at the rink have started sharing the copies I am burning over there...GOD IS AWESOME AND I AM REJOICING FOR HIS PROMISED ANSWERS IN EVERYTHING.” (Loyce from Palm Springs)

Video: Radio Interview “Hi Pastor, I'm listening to your show on Dr. Stan. I have been listening to your shows and they really are great, the way you put it all together. Your people are certainly lucky to be given the truth, from a real Christian. It's so hard to find a good church. Things are really out of control in this world. Thank you for what you do. I did order some more tapes. I am glad that Dr. Stan has you on often. We don't know the time of the last days, but we certainly know the season, according to the Bible. Thank you for all the info you give us.” (Peg from Arkansas)

Video: Radio Interview “Hello Pastor Billy, We listen to you on Radio Liberty. The Lord led us to Dr. Stan through Brother Kent Hovinds website. We were saved in 2004. The Lord has blessed us with selling our home and getting us up here in the Beautiful Blue Ridge Mountain in Virginia. Thank you for your faithfulness and will pray for you, your family and church.” (Trudy)

Video: Various Videos “pastor billy, being led to your sermons was truly a blessing from God and I'm sure with His help via your DVDs because your preach the clear uncompromising word of God along--with clear proof via daily headlines and news--that leaves people without excuse, literally! i am sure your congregation must be crowded--what i find so spiritually moving is that your church makes it such a high priority to get the message out to everyone, there so many of those prosperity pimps (as u call them) out there! i will continue to pray that He keeps blessing and expanding your ministry, while there is still time--i'm sure the intense persecution might be coming rather quickly the way things seem to be happening. God Bless you pastor Billy.” (Roxanne)

Video: Various Videos “Hi Pastor Crone! We are the couple that came and visited your church after Christmas from Cleveland, Ohio. We were able to make copies of your messages (revelation series and final countdown) and another Pastor watched them and just loved them. In all honesty, we were kind of surprised that he would even watch them, as he is a very strong KJV only man. What a blessing you are! We've been able to pass out over half of the DVD's, and have heard great things. God is doing a great work through you, Pastor Crone. Just the fact that someone like that Pastor would watch them, knowing you preach out of the NIV, is a really big deal. It is in little areas like these, that we see God working and breaking down barriers to reach hearts. Thank you and please keep up the good work! Thanks again and take care! “ (Phil & Janean)

Video: Various Videos “Billy, Thanks for the DVD's. We are almost through the first Revelation set. We really have learned much from the original Greek words. We have loaned out the Final Countdown series to another family and they finished it in days and are ready for more. We used to attend an ELCA church. The" final-straw" pastor was into praying to the Goddess or Heavenly Mother. We now attend a Wesleyan church with a very conservative pastor. However, he does not want to get into Revelation. He doesn't like it, and considers all time after the death of Jesus "end-times". I want my family to be ready, and really question my attendance as an endorsement of the current pastor's position and what that shows my family. NY is too far of a drive, however. What to do??? Have a great day and God bless your work.” (Phil from South Dakota)

Video: Various Videos “Hey Pastor Crone, I have indeed shared your content with others, non christians too. That marriage series was a big plus to a few people, some of them still have to make that choice to choose Jesus though. God bless.” (Ryan from India)
