Video: Various Videos “First off I would like to say that I am happy to have found this community. My name is Kyle and I live in Calgary, Canada. I have been frequently watching Pastor Billy Crone's videos via youtube the past while. There is a serious passion that he has in his video's that I want to feel when I speak on the word of God. I just wanted to say hello, and I am happy to be a part of this community. There is much I hope to learn. Thanks.” (Kyle)

Video: Various Videos “Currently my family and I are enjoying the “Book of Revelation” series. I really don’t want to take a chill pill though because I’m so excited about the return of our Lord and that’s more than just a good thing. Me, my brother, and possibly a few friends will be hitting the Dallas Christmas Parade this weekend with another ministry to street preach and witness so thank you for keeping us in your prayers. A Hidee Hoo sounds great to me! Maybe I can play it to our Sunday Bible study as a surprise sometime soon. :) Take care and thank you guys for all of the love! We sincerely cherish the fellowship of your congregation.” (Lyle from Texas)

Video: The Book of Revelation “Dear Pastor Billy: I have just finished your study of Revelation from the DVD's I purchased some time ago on Chapter 1:1-4b and I would like to purchase the rest of them. I have learned so much just from the first package of 6 DVD's and am looking forward to learning more. In Christ Jesus.” (Jean from Canada)

Video: Back to the Basics “this actually made me cry. the thought of not having a personal relationship with our creator actually hurts.” (Tim)

Video: Back to the Basics “The march of the unqualified was very empowering.”

Video: Various Videos “Hello, im Dok. I first saw some of Pastor Billy Crones vids a couple of years ago. They were on the RFID and Mark of the Beast, very informative. I started watching again with his creation series, and i have to say, job well done. They are very good and informative. It is great and refreshing to see a Pastor, especially a young one, preaching the truth in today's day and age with such passion. Sadly their aren't more Pastors like Pastor Billy. God bless you sir for standing up for God and his Word. I just have one question, whats up with the chicken stuff? Thanx and God Bless.”

Video: The Book of Revelation “Hi Pastor Crone, my name is Samantha. I wanted to know what lesson you are on over the web currently? I had been on you tube listen to your teachings from the book of Revelations and once again so blessed by it. Thanks Pastor.”

Video: Various Videos “Hey pastor, my name is Elvis i'm from n.y.c. Well all I can say is that I watch your teachings alot and i'm very much into bible prophecy. thank you so much for your teachings. Take care.”

Video: The Book of Revelation “Today I watched one of the dvds that you did on Revival and what we need as a people to make that happen. 1. Repentance 2. Prayer 3. Turning away from sin. I forgot which series I know it is the end of times and you are reading from Revelations 3, I think chapter 2. This one was so good that I watched it several times. I learned so much. When you really went into idols and the things that people worship (sports, their jobs, internet, cable tv, food) It really made me look at myself. Also I have a better understanding of the way that some Churches are trying to mix faiths, You have talked about this stuff before but you gave more examples and really went into detail. Your sermon really made me see how God has worked in my life, all my life. Even when I wasn't living for him like I should have been he was there for me. I hope you know which sermon I am talking about. It was really awesome! I wish with all my heart that the Church I go to here would take a stand and have sermons like this. If they did I am sure the attendance would drop drastically. Your sermons and ones like yours do not always make people feel good it makes them see themselves for the first time. They make me realize how sinful I am and have been. It bothers me a lot, all I can do is repent, pray to God to give me the strength to change my weak areas, I need to be more thankful and optimistic and I need to do more to bring souls to God. Your sermons are great. They motivate me to do better. I love the news clips you use too.” (Lynn from Florida)

Video: Various Videos “thank you so much the bible came in and there was a dvd with it. i really wish i could send u money to help out with ur ministry. if things were better off for my family and me then i would. and i know you are doing this because you want to and because Jesus want you to. i plan on learning as much as i can so i can help others. i have this desire to grow in my walk with Christ. your friends in Christ” (Sara)

Video: Various Videos “Paster Billy Crone, First off, my name is Kyle and I live in Calgary, Alberta Canada. I would just like to thank you for your sermons. I have been watching these via youtube and I figured I would start at the beginning since there are almost 500 videos total. These have given me great insight, and has begun to help me rebuild my foundation in my faith. The latest videos that I had finished watching were the 'Attack of the Killer C's'. This series hit home quite a bit, especially the casual, cultural, and compromising. The drive home after work, all I could do was ponder to myself where I sit in life. The next day, I had thought about what my options were in order to break out of the daily grind that I am in. Currently, I go to work downtown for an oil and gas company as a business analyst. At noon I go to the gym, and back to work thereafter. In the afternoon is when I catch your videos. But what I was thinking after having

watched the Killer C's, was how I could go about being a person strong in my faith, and to live through Christ as he asks us. The supernatural gifts that God gives each of us is what I had began to ponder. All of a sudden within the last hour at work a week back, I had a flash into all the motivational speeches I had when I was in school growing up. None of these that I could remember were talks on religion, but these guys were really good at delivering their messages on drugs, alcohol, premarital relations, and other related topics. So I thought to myself, throughout my childhood, my dad had always told me to be a leader. He said he would never be as angry with me if I got in trouble knowing that I was the one who started it. If I had followed someone into trouble, I would be far worse off. My junior high school principle had also repeated the same thing to me as a passing by in the hallway. Every time I saw him, he would always say, "Kyle, be a leader", and continued down the hallway. He was also my football coach for the 9 man league. Now as I continued through high school, I had noticed that I was the person who managed to be friends with everyone. No one seemed to have an issue with me (that they spoke of), and I guess people found me very approachable since I had talked to a lot of people about a little of anything. Furthermore in my last season of junior football, I had received the leadership award as well as Conference All-Star and CJFL All-Canadian. The last thing I remembered was when I had lived in Nicaragua for 2 and a half years (that's another story all together), was that my uncle had asked myself and now my wife to give a talk to some high school students about how Jesus was in our lives. This was probably the pinnacle event in my little flash back because over the split second that all this had came to me, this one seemed to be the most prevalent. All of this to me was God's way of telling me how I am to serve him. Having done a talk to teenagers in the past, I know that the proper message will be received if delivered, and I believe God has given me the supernatural ability to make it happen with a great effect. The reason I wanted to get in contact with you, other than to just open up lines of communication, is to ask you questions about studying and understanding the bible. I am sure that both you and I both know that understanding something and reading something are two different things, so I already know that I have to read the good book first. When I watch you in your videos, you have such great knowledge about the topic you are giving, and provide great application as well. For me, I would like to share in that passion that you show when you are giving your sermons. I am not one to have a discussion with someone about anything unless I know full well what I am talking about. If I do not now, I will simply listen and absorb what I can. The one thing I do not want, is that if I am to take this path that God is leading me down, I want to do it, and know how to answer all the questions. I wish to deliver the message with great conviction and knowledge so that once I have delivered, it has been received and understood to the crowd. Bottom line, I am tired of being that casual Christian...I want to help others live the word of God, and to keep him close so that he does not seem so far away to everyone. I think that in this day and age, seeing how things are turning out, being close to God is extremely important, wouldn't you agree? Thank you Pastor Crone, Look forward to hearing from you." (Kyle)

Video: The Final Countdown "Hey Pastor Billy, I want to say hello and to let you know something interesting about God's providence. When I was being discipled 2 years ago my brother in Christ gave me your Final Count Down along with lots of great teaching dvds. It is now two years later, changed churches and met the Adams and their family.

The LORD brought their daughter into my life this summer as the LORD placed a burden on my heart for teenage girls. So my other brothers and sisters in Christ have DVD swapping parties with the Adams family. We saw Standing Firm and the Agenda recently and it's good stuff. So just wanted to reach out to you as my brother and just give you an air hug and we will continue to pray for you and your family. It's comforting to know that there are brothers and sisters all over the place. Your Sister in the Faith.” (Deanalyn)

Video: Various Videos “Hi! We would like to have many of Billy's videos. These are some really powerful videos. Thanks so much.” (George)

Video: Various Videos “I thank God that he still is using men to speak the truth. Thank you God for sending Billy to help us wake up the sleepy church. Another warrior on the watchtower yelling wake up the enemy is in the camp.”

Video: Back to the Basics “Awesome.... Attitude is huge! We have chances everyday to show love to others...depends HOW we see it--so true! I'm in that line of Unqualified.....we all need to pray for each other. Maybe not expecting the worse out of everyone is a step.”

Video: Various Videos “I have been meaning to check out your dvds....I have heard you on with Dr Stan, who I have been conversing with for a long time now. I love to listen when I catch you on with him. Talk soon.” (Mike)

Video: Various Videos “Merry Christmas Pastor and family, Just a update on what's going on. We typed up a letter to put in my husband's fellow pilot's and flight attendant's file with a wonderful card about God. Some non-Christian, some willing to hear him speak of God's Love and Grace on our family. We also have been blessed our Superintendent of our school to rent out the middle school auditorium for a presentation on Creation, in about 3 months. We will need help with prayer for this event. We have news from a Church in New Mexico that they will begin the study on the Final Countdown, and we will continue to hold bible study with some of your studies given to us this spring and summer. Thank you for your work and bringing this information to us and most of all God Bless you and your family and church family for standing on God's true word.” (The Miller family from Texas)

Video: The Book of Revelation “i'm now watching your the book of revelation series i know im wayyyyy behind but im getting bless every time i thank you god bless.” (HeeJoo)

Video: Various Videos “I find myself each morning watching the videos. It's nice to know that we have an awesome God! With Unconditional Christian love, your Christian Brother.” (Davey)

Video: The Final Countdown “Hello pastor Billy, I just finished watching your series, the final countdown. I am amazed. I just wanted to let you know that I had accepted Christ

around 5 years ago, and had been called to serve him. Through many personal problems and some hindrance by satan, I did not begin to serve Christ immediately. Instead I was mingling in New Age teachings as well, and believing in mixing of the faiths. I was having trouble believing that Christ was the only way to God. Your videos again let me see the truth of Gods word, and the endtime delusion. I am set to go into a christian university in the beginning of january, doing Gods work. I think it is very important for the church to share these current events as you did to show their relation to prophecy. These things are crystal clear. I come from a rebellious life style, and was unrighteous in the past, with different occultic interests. I believed God wants to use me because the experiences I have had allow me to see this clearly. I believe God has told me to tell the people of earth about these things. Firstly, the main thing I want to say is thank you very much for you videos, they helped me alot. Secondly I would like to ask if you have any advice about certain things to do to bring these things into being. Thank you very much. Keep up the good work.” (Gerett)

Video: Various Videos “Great channel and videos.”

Video: Are We Living in the Last Days? “This is really good speaker.. He's worthy of better treatment, i mean, better financing. Come on, you all christian Trumps and Gates", don't you see the potential in this guy?”

Video: What Does the Bible Say About UFO's? “I want to attend a church like this one. Can anyone help me? I'm in Duluth, Mn.” (Willy)

Video: Back to the Basics “Billy, POWERFUL message. You have impacted the way that I look at prayer. The Holy Spirit ministered DEEPLY within me and left me literally crying by the time the message ended. Looking forward to the rest of the series! If only we as a the Church prayed as those children...imagine where our country might be today!” (Patrick)

Video: Back to the Basics “Dear Pastor Billy, We listened to your service today and I must tell you my heart went out to you. I know what it is like to have the Holy Spirit urge you to witness and let the opportunity pass by. My husband and I went to Long Island this week to buy a used scooter lift. The man we bought it from was a nice guy and we talked, yet I didn't say a word. I felt the Lord last night speaking to me about it, I even thought about then as I remember. So today after your service I wrote to this man. So thank you very much for sharing. Please pray for him his name is Jim.” (Merry)

Video: The Final Countdown “I just bookmarked his website. I have heard him before, his energy and enthusiasm is inspiring.”

Video: The Final Countdown “Indeed, I just want to tell everyone here that, (after I have watched just the first video in this series so far), that Pastor Billy Crone is an **excellent, excellent** Bible teacher who is quite obviously led and em-powered and blessed by the Holy Spirit of Almighty God, with a passion and enthusiaism and great and wonderful Biblical and other information that, (even though I have only watched ONE video in this

series so far), that I ***already*** KNOW that this is an End Times Bible preaching series that ****MOST DEFINITELY**** has the Hand of Almighty God both upon Pastor Billy Crone, and, upon everything that Pastor Crone shares with us in this series!!”

Video: The Final Countdown “People, this is ****DEFINTELY, DEFINITELY**** a ****must watch**** End Times Bible series for everyone who has any kind of interest in Bible Prophecy at all!!”

Video: The Final Countdown “Thank you so much for posting this. I just recently have had a genuine opportunity to witness to my in-laws because they are finally realizing that the world is turning upside down. They asked me questions about Bible prophecy for about half-an-hour and I turned them to Rapture Ready. My MIL found this site informational but was having a hard time finding what she was looking for. I read this thread and checked out the first three videos of the countdown and immediately forwarded her the link. I am praying they watch it and see the truth. I am so very thankful that God gave me the opportunity to witness to them with open minds.”

Video: The Final Countdown “I just watched, and 'WOW'! Makes me feel goose bumps!....But happy that I'm blessed enough to not be blinded or deceived!”

Video: A Marriage Built to Last “This guy have me rofling!”

Video: Are We Living in the Last Days? “by the end of this video I had tears in my eyes.”

Video: A Young Creation “One of the best places to find Christians is in prison. Prisons are almost empty of atheists. The reason is that atheists don't believe they can do anything they want but Christians will be forgiven for any kind of crime. This video is a good example of this belief in action.”

Video: Back to the Basics “Keep up the good work. You are doing a great job. I just finished the back to the basics, I viewed them all. In fact they were so good that I listened to some of them more than once. You are a gift from God. Don't let anything get you down and keep focused on God's work. He is really using you to the max! God Bless You, Your Wife and Children.” (Lynn)

Video: The Final Countdown “Hey there, I really just wanted to say thank you for all of your hard work and allowing the Lord to use you. I came across the Final Countdown series a few days ago and just finished it. Wow thank you so much!!! I have been praying to God for a good sermon series for Christmas that He would want me to watch and sure enough I stumbled upon a link to your website the same day when I wasn't even expecting it. I know the Holy Spirit directed me to it, WITHOUT a doubt. Even more amazing is that I heard through that series that God delivered you from the new age movement. He did the same with me about a year ago, so it was very uplifting to hear that about you. God has definitely placed it on my heart to really learn as much about Bible prophecy as possible so this means a lot to me.. Honesty I was blown away and could not stop watching it because of how exciting it was to see how close we may be to the rapture! The Lord has been warning me about that stuff my whole life and that series really put the pieces together. I am definitely passing that series along to as many people as I can. Now I can't wait to start the Revelation series! Anyways I will be keeping you and your church in my prayers. God bless you and keep up the excellent work!” (Garrett from Florida)

Video: Various Videos “Hello my dear Pastor:) It has been awhile and I miss ya! I was just watching your Revelations sermon yesterday. So How r u? Hope you are well. Still having pain and illness and physical issues as well as social persecution but nothing matters b/c I can face anything with the Lord with me. Plus our Saviour is coming back soon and every tear will be wiped from my eye! Praise God! Love to you and your family. Thank you for your love and prayers. Can't wait to meet you in heaven and we can all do an overcoming and victory dance:) heheh...or of course before then if you are ever in cali an invitation to your and fam never expires:)” (Purvi from California)

Video: Various Videos “Merry Christmas & God Bless you all up north at Niagara Frontier Bible Church! I have learned so much & have closer relation with my Heavenly Father. My love for Jesus is stronger. Really understanding the bible more has been so enlightening. I struggle for the words to describe how I feel. Every time a chapter’s true meaning is revealed to me, it is like receiving a present – a new toy; an object of great desire, all shiny & new. I feel an excitement for knowledge. I want to pass on this knowledge. I am sharing the media stuff I have. I know there are many non believers who can be saved, but also there are many Christians who I think don’t truly get it. I was a true believer but look how my life has been enriched; I have a closer walk with Jesus! My worldly problems continue, yet I am happy. I know what is in store for me & nothing on this earth is going to change it. With love to you all.” (Johnna)

Video: The Final Countdown “Pastor Crone, All I can say is thank you for your message. I finished your series on the final countdown and wow! I felt the passion and God spoke directly through you! I was getting excited listening because I have been waiting on the rapture for a long time and I'm so ready to go home! You are an inspiration and blessing. I found the link to your site from raptureready.com. I'm looking forward to listening to some more and I'm starting your series on what happens one second after you die and looking forward to listening. I wish my pastor and more pastors would teach end time prophecy, but that is very rare here in my area. It saddens me. You are a blessing to me! Merry Christmas and thank you for your hard work and dedication!” (Amy)

Video: Are We Living in the Last Days? “It seems that biblical prophecy is being fulfilled at such a rapid rate that by the time you post your latest "Are We Living in the Last Days?" video the information has been surpassed by even more prophecy....Happy New Year, indeed! THANK YOU, Pastor - keep 'em coming!" (Allicia)

Video: Various Videos “Thank you Men and Women of the Niagara Frontier Bible Church for being a big help in saving souls. I been passing out your dvds to people and there eyes are being open to the truth. I just want to say thank you and keep up the good work!!!” (Anthony from Ohio)

Video: Radio Interview “Good Day, My name is Felton. I live in Guatemala, Central America. I have listened to you every time you are a guest on Radio Liberty broadcast with Dr. Stan. I have recently made a donation to your ministry to receive your " A Fearful Creation" documentary. Thank you for your time.”

Video: The Book of Revelation “That was encouraging! The vids at the end reminded me off a Paul Washer sermon, something like "when you can't get the basic salvation message right, don't talk to me about holiness" God Bless.” (Daniel from Texas)

Video: Various Videos “Hi pastor Billy, I wanted to tell you I'm so glad you have live services online. We are so blessed and so excited to tune in when we can. :)” (Angie from Minnesota)

Video: The Book of Revelation “Hi Billy, I am still listening to your Revelation series and finding it easy to share. I hope this email finds you well and I pray you , your family and your Church have an awesome 2011. In His Grip.” (Robin from UK)

Video: Various Videos “Dear Pastor Crone, Have loved watching your teachings on Revelations and your current one on "Back to the Basics". Just wish we had our car going so we could attend services personally but I and my wife are fine with watching over the Internet. God Bless you Brother and let's keep our eyes set on the heavens and hold tightly to Jesus, praying that we have a little more time to reach the lost.....Yours in the Love of Jesus.” (Kurt from New York)

Video: Various Videos “Pastor Billy, I just praise the Lord Jesus Christ for all you are doing and all you have done. I will pray for you so God will allow his word to flow through you. Your teachings have helped me keep on track. It has been a struggle for me

at times to keep sin out of my life. Yesterday I lost a close friend because he refuses to believe the truth. He's into the Zeitgeist beliefs. I can only pray he'll see the truth. It amazes me just how many people like him there are. There must be 1% who actually know and believe the true word of God. I know it can be very discouraging at times dealing with these people. But I encourage you Pastor to keep these teachings coming! I share them with everyone I know. And you are reaching lost people! God Bless." (Will from Florida)

Video: Various Videos "Dear Pastor Billy, I've been listening to the series on a young creation and evolution. I absolutely LOVE them! I've found these areas to be a great witnessing tool! I teach my son all this stuff and then he goes and teaches all his friends, so I'm praying that all this information gets out to many more of our younger generation who were never raised knowing God or the Bible, which unfortunately, is the case with most of my son's friends. He's 20 now and was born again after God spared his life in a horrific car accident that by human terms should have killed him. Although God had great plans for his life as I'm now starting to really see as one of his friends who was an atheist is now a born again Christian! I praise Jesus all the time for this! I know God will continue to use my son to share His Truth with many others too and I couldn't have asked for more than this! :) Anyway, thank you again for your prayers and for having others pray for me too. I really needed it! Last, I just really want to thank you for being a "true" and "honest" man of God! We find so few pastors anymore in today's world that actually teach and preach the TRUTH of the Bible and it's been so refreshing for me to listen to your sermons and learn from them! I thank God for you and the few others out there who teach the Bible as it is too and I pray that God send more harvesters into the harvest field as our world really needs this right now. I know we're living in the end days and that America has basically turned into the modern day Sodom and Gomorah (I haven't even been able to watch regular television for over 2 years now and ended up shutting off my cable because of it), but I do know that there are still many out there who need to hear God's Truth because it's been so twisted by so many professing Christians and preachers these days. So thank you for being a true voice for Jesus and His Word! I really can't express to you how refreshing it was for me when God brought me to your site! :) Right now, I'm watching your Young Creation series and then after that, I plan on ordering the DVDs and study guides to go through too. I'm so thankful you provide everything you do for what people can afford on their own too. Thank you for that. I still live on no income myself, but thanks to my awesome Father's amazing blessings, he's provided me with enough money if I'm really careful. Please let me know if there's anything at all I can do to help your ministry further. I don't have an abundance of money but I do have a lot of time, God-given talent, zeal to share God's Word any way I can, and Bible study/scientific resources. Also, again, thank you so much for your prayers! They really do make a huge difference! Your Sister In Christ & In His Service." (Lisa from California)

Video: Please Don't Go To Hell "Pastor Billy Crone, I am entering my eighth semester of College and will be graduating in the Spring from Houghton College with a Bachelors in Biblical Studies. I enjoyed your youtube videos "Don't go to Hell". Your video came up when I searched belief in Hell on youtube. Hell for eternity is harsh- and as a soon-to-be-

Pastor I just cannot escape the severity of the position. This letter is a thank you for the video and being so straight forward about the reality of Hell and Heaven. I understand that you are a very busy man being a pastor and thank you for reading this message. Keep doing the good work for Jesus Christ and the furthering of His kingdom. Thank you. In Christ our Lord.” (Shawn)

Video: Radio Interview “Pastor Crone, I've heard you on Radio Liberty, and I appreciate your ministry. Thanks.” (Jeff)

Video: The Final Countdown “Hi Pastor Crone! I wanted to just connect and say how much I am enjoying the videos on the internet! I firmly and strongly believe with all my heart that my Father in Heaven leaves nothing to chance when it comes to my hungry heart for the things of Christ. Or of course to His family who also “hunger and thirst for righteousness”, and who shall be filled. Well, through a website of a very Godly man who teaches the Grace of God so wonderfully, and who I thank God for, namely Charles (Chuck) Swindoll, I somehow clicked on a site and then got emails from Godtube! and then, YOU! Australia seems to be so very far behind and oblivious to what’s happening in the world, but I am always searching, and praying to be used for God’s purpose... I know He hears, so I’ll press on and stay hungry and be fed. I give thanks for your passion, and the amazing video connections that you show giving proof of the advancement of the enemy’s plans... of course knowing, that God wins! He won at the Cross! Australian news doesn’t show anything like this, it’s mostly sport, sex, rubbish reality shows, and more sport! I am up to 14 out of 20 on the final countdown now! I have been so blessed by hearing passionate, unwavering teaching. It seems that the Lord answered my need for deep teaching and wisdom about the days and times and seasons first! He knows that when I look up to the sky I may see the weather, but that as He showed me years ago in the Word, I am looking more for “signs of the coming of the Son of Man”. I have listened to my Revelation CD’s every night for many months, because I was, and still am hungry for understanding of God’s Word. I am so pleased that the Holy Spirit has opened my mind to many other resources now via the internet that will satisfy my hunger for ‘end time’ knowledge and further understanding. I will continue to watch your videos and many other interesting topics about the times we are in surrounding yours that the Lord has brought my attention to! Thank you for your obedience and your passion!” (Audrey from Australia)

Video: Various Videos “Your story of ingesting the Word of God something like that. cds in the car, countless vids on my pc, trashed all my music and got some Christian stuff, trying not to set wicked things before my eye ya know. I am continually amazed that each sermon seems better than the last, your adherence to the Bible seems almost unheard of these days. Video: The Secret to a Peaceful Life “First, thank you for the message you gave us today. I do understand. As you know the news I forward to you I hope is in correlation to bible prophecy, not as news of fear but to be ready for Jesus' return and to share that readiness with others who will listen. As you say, "Time to get Motivated". But I will say, that others may feed from the news...FEAR and lose site of God's peace. I will encourage my two sisters to listen to today's message so that they can put things into Godly perspective. Again, thank you.” (Chuck from Ohio)

Video: What Does the Bible Say About UFO's? “i watched one of your videos on ufos in the bible and i heard you ask for testimonies of people who were in the occult and then started having ufo /alien encounters. i was being a meduim and psychic, soul rescue, dowsing , talking to spirits and then these beings started talking to me and said they were angels of god and they were to be my teacher . so what you said is true, i was in occult and they came and sought me out , the story gets long from there. another thing is they came and discredited Jesus, just said he was a ascended master like buddha . hope this helps, would love to talk to you have used name of Jesus to stop demonic attacks after becoming a Christian, which i am now, and serve Jesus till the day im no more. ive heard all of the ascension stuff and much of what you talk about in the video, i got from the demons i was talking to. God bless you.” (Lynne)

Video: Various Videos “Hi Pastor Billy. :) I bought the standing firm film. My husband Dave and I are really excited to watch it together. :) when our kids are sleeping. They are at the busy loud stage of 3 1/2 and 19 months. :) For the videos. What a blessing. We are interested in the dinosaur one of did dinosaurs exist in the Bible!!! Awesome. I missed some of the services, and I would love to watch them. Marriage ones are another we would love. We watched some on YouTube and find them very helpful and very encouraging. I caught some on revelations you were preaching on and I am so glued to the screen. Right now we don't have a regular church yet in our local area. We had visited a few and did attend a church for a bit but were praying where God wants us to be as a family. I also wanted to tell you that I found Niagara Frontier on tangle (Godtube) I was really curious on if anyone spoke of dying. My husbands grandpa was facing his last days and I got online and found your services on one second after you die. Very powerful. I couldn't stop watching. I would watch till my head was drooping and starting to fall asleep. To not wake my babies, I would wear an ear piece. :) When we tune in I do find God touching us in our own home and I know finding your services wasn't by accident. I couldn't wait to show my husband. Funny thing is, he was busy doing things, so I tuned in on a Sunday morning and I put the computer speakers loud and a little later he was sitting on the floor glued to the screen like I was. Awesome. Now he gets it all set up on a Sunday morning instead of me. He beats me to it. I wanted to share with you how your Internet services reach out to people and I know you know, but I'm just so stoked how God works and guides. Watching I also find God convicting my heart and I also just get a

fire in my heart. Thank you for your preaching. We are very blessed to listen in and will continue to. Anyway... Sorry for my ramble... :) Thank you thank you a million. :) :) blessings.” (Angie from Minnesota)

Video: One Second After You Die “This guy made me believe in God again. i didnt believe in God since i saw what happened to British People in WW2 by the Germans. it just..made me not believe in a Man protecting us from above.”

Video: A Fearful Creation “I just loved that video at 47:23 lol. I could use that story the next time somebody starts trying to tell me why the idea of God is absurd. So many times I've heard it, now I know how to tell them the real side of it. I knew evolutionists got nasty if there is something they see as presenting a threat, but I didn't realise they were that dumb.”

Video: What Does the Bible Say About UFO's? “this is the greatest information out there on youtube this 100% TRUTH. he talks about demons and JESUS, enough said.”

Video: Various Videos “The only ministry I have is sending the DVD's to my husband's work place, he won't watch them but I asked if he would take them for others to see. Someone picks it up off the break room table and takes it home, watches it and brings it back to the table for someone else to do the same thing. It keeps going until it finally disappears. I've done that with several DVD's and pray that it glorifies God in some way. Thanks again.” (Joy)

Video: Various Videos “Dear Pastor Billy, I'm from Jakarta, Indonesia and came across your website because I was looking for some biblical material on the NWO to answer my daughter's question on this subject, she's 16 years of age. I have done 13 years of research on this subject, since 1998 our country's economy was part of a regional currency downfall and civil upheaval. It is by God's design that she asked me this question and so many things has progress in such an alarming rate on the NWO, that I'm gearing up to get ready with my family for His second coming. My past was an advertising executive/Creative Director in Multinational Advertising agencies for 14 years and lecturer for 5 years on Creative Strategy & Management. Resigned in 1997 from the corporate environment. Out of the system so to speak. started a small consulting firm & 3 years ago a studio on Creative Thinking but with a biblical perspective and God as the main shareholder. You are absolutely right on masses being brainwashed with consumerism and little did I know in the past being part of that system by creating Advertising Ideas yes it's part of Monarch programming. I have switch camps by now and no longer advise in advertising. I'm using the Bible and recently your video materials to equip myself and others for the End-Times, it's so encouraging to know that you explain Revelation in such a clear and blunt way as it should be. I have encountered numerous excuses from I thought knowledgeable people in my church but they say it's too much symbolism and very vague. My response is always why then is the title Revelation? isn't it suppose to reveal something? not to hide or vaguely explain? Anyway I have never given-up to seek for His Truth and surely your sermons and studies came to my attention by His divine guidance. Seek and ye shall find, ask and it shall be given knock and it will be open. I'm studying and doing a self thesis, to reformat my thinking so to speak on

Economy, Energy, Environment and Eschatology, the 4E's is my title. The 5th E should be Eternity :) Your material comes in at the right time, God's timing! I would appreciate if you allow me to share or ask some insight on some of these matters since I notice you are using a lot of research materials as well beside the Bible. Please advise what you think about this. I believe God has put you on the scene to stand up for what is right as your country and society is spiraling down the tube and mine as well, indeed it is global. For evil to manifest is when righteous men do nothing. I pray for you and your church as you crusade against these evil forces that are destroying and raping our societies. Let's snatch more people from the snares of the devil. One clue for you, do you know what DIGITAL means? I gave it a new meaning. Devil's Intelligent Gadgets In Taking All Life...we shouldn't depend on it as we are more and more digitally wired up, use it in moderation as anything else. Thank you once again, God bless you In His Love.” (Edwin)

Video: Various Videos “Was watching a trailer of City of Angels with Nicholais Cage..and was kinda strange that one of my favorite movies from the past is a movie that is like a modern day Fallen Angel..Its nothing less than sympathy for the devil..He Lust after meg ryan,he jumps from a window and becomes a fallen Angel so he can be with a human..the other fallen Angels even tells him now he is a fallen Angel..Soon after Meg Dies and of course the movie tries to show how cruel God is by taking what he denied his Angels status for..Its nothing less than sympathy for Lucifer and a cruel God..i would

never have seen the message in this movie and many others ..Music has become the same..they almost all have a message in them..like feeding us a little bit of poison at a time untill our spirit /soul is dead in Christ..I had to tell you ,you probly know this but im still learning alot..watch your new videos and channel almost daily..God Bless.” (Bud from Arizona)

Video: An Intelligent Creation “I am a Pastor in Louisiana and I watched this as part of a course I am taking online. You did an excellent job of presenting symbiosis, thanks.” (Tim)

Video: What Does the Bible Say About UFO’s? “My name is Dawna and I just watched your message on ufo's and the bible and I want to thank you for finally explaining to me the truth properly. Before I saw that video I actually had allowed myself to be convinced that ufo's were aliens I didn't know why they were here but that must mean that there is not a god. When I started to believe this I had just stopped going to a church that my husband and I were attending because I didn't think it was right for me and I was in the process of looking for another one when I started to believe this lie. If it wasn't for my husband persisting to tell me that there was a god and how dare I not believe I would have never looked that up and saw your show. So thank you. Also I heard you say at the end that if we needed help finding a good church you could help. Is that possible for California also? If so I live in La Puente, Ca. I would not be opposed to traveling for the church just as long as it isn't too far. Hopefully you can help because every week I am out of church I literally feel myself being pulled more and more further away from God and I don't like it. Thank you for your time.” (Dawna)

Video: The Secret to a Peaceful Life “I was thinking about this just a week ago, about some non Christian shows I loved that were so against the Lord. I laughed hysterically at "Life of Brian" Monty Python's version of a movie basically making fun of Jesus. The funniest part I felt was when Jesus was on the cross and the song "Always looks at the bright side of life" was playing. The other show I thought was amazingly hysterical was SouthPark's Jesus and Satan fighting each other. Disgusting.”

Video: The Secret to a Peaceful Life “Great video Mr. Crone. Everything you said is so true that its unbelievable more Christian pastors aren't teaching this message. It honestly makes me question if those I thought were Christian are really Christians because they never preach against materialism or any of the other trappings of this world.”

Video: Various Videos “We are a very small Fellowship here in Fowey in Cornwall, UK. We have been given a couple of DVDs by your gifted Pastor. We would like to obtain other titles. May God continue to bless your ministry. Sincerely.” (Cyril)

Video: Various Videos “Pastor Billy!!!! Thank you!!!!!!!!!!!!!! We received the videos this evening and I just can't thank you enough on how thankful we are. I'm amazed on how many. We will definitely share this with lots of people. Once I figure out my DVD burner. But I can. :) it can't be that hard!!! :) we are blessed. We started one right away in dinosaurs. My little girl is 3.5 and was watching. She goes dinosaur. Oh no where did

Wish it were here but Lord willing!!!! We'll visit someday. I know we don't have a home church, but I'm honored to call your church my home church from a distance. Many are blessed because of your faithfulness!!!!!! Hope to keep in touch :) :) :) In Christ.” (Angie)

Video: The Book of Revelation “Dear Bro.Billy, Praise the Lord Jesus Christ! I heard a part of your sermon -1a The Book of Revelation on you tube. Bro. kindly put me on your mailing list for your video sermons as we have a very low band width and erratic broad band service. Could you please also send us a copy of the study on The Book of Revelation as this is a hard subject very few preachers touch upon. Thank you so much my Bro. May our Lord Jesus Christ richly bless you all.” (Lancy from India)

Video: The Attack of the Killer C’s “Aloha! I really like the Killer C's, as it brings out what so many people do not see or want to acknowledge. Well stay warm and Praise God! I know, easy for me to say "stay warm".” (Woody from Hawaii)

Video: The Book of Revelation “Hi Pastor Billy, still really enjoying your Revelation DVDs with my friend. Just wanted to know if you had the sermon notes available for download anywhere? Also if you could recommend where I can get a trustworthy timeline chart for the end times (ie the order in which events take place)? I thank you for all your help. May God bless you.” (Tim)

Video: Various Videos “Hi Pastor Billy, I met a woman a few months ago at Calvary Chapel Hammonton and she introduced me to your sermons...she's been a really good friend and a Godly influence in my life. I was raised Catholic but my Mom was a born-again Christian. She passed away when I was 15 so I kinda got "sucked" back into the Catholic mainstream, even attending Catholic College..after college I was kinda lost for awhile, then my boyfriend took me to a Presby. church and that helped draw me back to God, but I was still pretty lost. I accepted Jesus as my personal Savior when I was about 5 in AWANA but only as much as a 5 year old can understand. It wasn't until recently, due to events of the past year, that I re-affirmed my Faith and repented of my sins and FINALLY understand what Salvation REALLY means. It hasn't been all rainbows & butterflies since then though, I'm still going through a lot of trials, and spiritual warfare, on new walk with God. The main reason I had wanted to write to you originally was to inquire about your series on marriage. One of my very best friends, Bethany, (also a born-again Christian) is struggling in her marriage..she's been married about 2 years and things started going south about a year into their marriage. Her husband seems to have severely back-slidden or was maybe never saved at all. I was hoping I could maybe order your series either on DVD or maybe even the book. I'd also like to get a copy for one of my co-workers, who is not saved, but has been asking both Bethany and I for some insight. She's actually hurt me a lot the past few months but I'm trying to get past that, forgive her and do the best I can to help her. She's also having some very serious marriage issues. Another person I'd like to help is my best friend, Susan. She's not saved but DOES believe in God. She just doesn't like "organized religion" and has refused my

invitations to church. I've been praying for a way to reach out to her. We've both had a rough time of it lately and she's recently moved back home to Ohio, where's she living w/her parents and is severely depressed. I'm really worried about her and would like nothing more than to help her see that God is the only way but I don't know how to get thru to her. I pray for her constantly. Right now (when my wireless signal isn't acting up) I'm watching your series "If God Really Loves Me, Then Why Do I Suffer?" I can only watch a little at a time as I keep losing my internet connection. It's been helping a lot. I watched "Standing Firm" last night and it really spoke to me. I've been having a lot of trouble "letting go and letting God" lately...in theory, I can do it, but I still feel stressed out and depressed and angry. I'm working on offering it all up to Him but sometimes it's REALLY hard. Thanks so much for all of your help! God Bless.” (Julie from New Jersey)

Video: Various Videos “Greetings in the Lord. We have a small resource centre in India, We were wondering how we get hold of your creation DVD's and other messages for our library. We do distribute materials to Christian workers and pastors in South Asia. Looking forward to hear from you soon. Every blessings in His grace.” (Jyoti from India)

Video: The Final Countdown “Can we purchase DVD's of the Final 10 Countdown? And can they be shown at a public worship/Bible service? We love the messages and listened to all of them. We want everyone to hear the message of urgent need for salvation! Thank you very much for your ministry!!” (Dave)

Video: The Secret to a Peaceful Life “Hi Pastor Billy, it's about 4:30am sunday morning - just got back from working and watched the misplaced focus sermon. I wanted to shoot out this email to you while it was fresh on my mind, otherwise I will forget. To be very brief, it was an amazing message that spoke volumes to me - scriptures that I thought I knew I now see in a different light - I'm know I get caught up in the "it's not fair" game, but when our focus is on what Jesus went through, our petty dealings are, what I heard one pastor say, "chump change". Thanks for "rightly dividing the word of truth" and the encouragement it provides to us. Blessings.” (Russ from New York)

Video: Various Videos “Greetings, I pray that your holidays went well, and that your new year so far is filled with peace, love, and blessings from our Lord! We, the Soldiers, and the families of the 168th MMB, are really enjoying the powerful messages, and look forward to future messages. Thank you for all you do to spread the Good News of our Lord and Savior Jesus Christ. May God bless always. Blessings and Peace.” (Bill – Army Chaplain)

Video: Various Videos “I recently ordered some DVD sets and shortly after I received them there was a split in our church. Living in a very rural area, very small closeknit town, the split has left me with no place to worship. I know that the Lord is going to get me thru this and direct me, but until He does I have been watching your DVD's and they have really been a blessing to me. Because of your DVD's I can now continue to hear the Word of God preached, and even though I'm not sitting in your church physically I still feel like I'm with other believers. Thank you so much Niagara Frontier Bible Church and

Pastor Billy for your media ministry and your unabashed bringing forth of the Word of God. How wonderful it will be to finally meet ya'll when we all get home. Thank you again so very much, In Christ.” (Mary from Missouri)

Video: Various Videos “My daughter loves watching you videos. She calls them God toons (cartoons) she gets mad when its over. I believe a 3 yr old can comprehend Gods word! I go okay you can watch more.. Want to watch revelations??? :) she goes... Okay! I'll sit and watch with her. I look at her and i think wow...she chooses this over veggietales...We already shared the dinosaur sermon with others. So kool! So excited to tune in with your church. Will be tuning into today's service tonight. It's a good thing when you can't get enough of the word! Blessings from your church family in Duluth, :)” (Angie from Minnesota)

Video: Various Videos “Dear Pastor Billy Crone, I am sending you this email for two reasons - after listening to your five series pod casts (and now going though a second time watching the videos) - I would appreciate a copy of the notes. Is this possible? The second reason is to thank you for the great teaching on creation! I became a Christian some twenty odd years ago. I can remember my first prayer - not the sinners prayer as a new Christian is expected - I raised a Bible I had been given in the air and said "If this is true, you have got me for life, if not I am out of here." After attending a seminar on creation at a local church, reading what I could find and taking to those fore and against. I believed it was true. In recent years I have kept coming back to the creation issue - not to change my 6000 year, 6 day belief, but to try to understand the workings of God's creation. To be able to share my faith with non creationists ... and that is the issue many Christians I know do not believe in a 6000 year, 6 day creation. I hope to study creation / evolution to be able to share God's truth with Christians and Non-Christians. Thanking you in anticipation.” (Jonathan)

Video: Various Videos “Dear Pastor Billy, My wife and I watch your Sunday services via internet quite often, and like the clear way in which you deliver your messages, especially when you say don't take my word for it, but lets see what the Bible has to say. Your video series about end of times was most eye opening and disturbing. Disturbing in the matter that you don't hear these types of messages these days. Disturbing in that the things are unfolding at a faster pace than we ever imagined. Sincerely.” (Jim)

Video: The Final Countdown “Mr. Billy, I recently watched your "Final Countdown" series on youtube and I am very disapointed that I CAN'T FIND THIS ON DVD ANYWHERE!!!!!! I want some copies, I need some copies. What do I need to do to get some copies? I want a big box full so I can stand on a corner somewhere with a sign that says "free DVD" or just conveyintly "drop" them in prime areas. Please let me know what I need to do. Thanks (you referenced that book a lot) P.S. Do you have like a weekly sermon you put out on youtube or anything? Also, sometimes I ponder difficult questions that I need a biblical guidance on. I'm from the Nashville area but live out in liberal Denver surrounded by sheep and sometimes I can't find the right words to defend Jesus, so would it be ok if I ask your opinions sometimes? If not, I understand you're a busy man.” Timothy)

Video: Various Videos “I am interested 2 sets of volumes of Final Countdown to the last days. Your sermon so interesting. I can't afford greater \$. I give \$10.00 for 2 DVDS for Part 1 and 2. I watched the trailer and so interesting as I believe Jesus is coming last generation. I was concerned about Jack Van Impe is making \$\$\$ as 2 Peter 2:3. I don't order JVI videos anymore. The problem he gives people fear and bigotry. Your sermons are excellent. As I got the Standing Firm DVD is very excellent and makes me cry. I love it and 5 stars. I had to get rid Jack Van Impe videos and I wasted \$1000.00 for last 18 years. I don't know if Jack Van Impe is apostasy?? He supports Catholic Church and makes me confused. I watched Charles Stanley and Living Truth are excellent as they don't talk about end times as much. I need this DVD to come in my home to warn my family and neighbors before it's too late. Could sent me 2 DVDS for Part 1 and 2 Final Countdown. I have struggling with old life as I came to Jesus 21 years ago and I need more touched by God. God is love. I was born raised Catholic and I don't have home church yet because they are many problems in the church about apostasy. Please pray for me as I need to be touched and close to God. God has been working with me for searching about what is going to happen in the future. I thank God for Billy Crone. I will look forward hearing from God. Keep good work until the Rapture of Church. God bless.” (Carlos)

Video: Various Videos "Dear Bro. Pastor Crone, Praise be to our God He has brought a stream of life to me thru your preaching. On one of your DVD's that was generously sent to me you gave your testimony. Wonderful testimony, thank you so much. It boggles the mind how God can and does take each individual situation and bring us to Him in love. Awesome, awesome God we serve Pastor Crone. God took me when I was born (back in the '50's), born with a hole in my heart and turned it around, healed me, brought my Daddy to salvation and then me. And to think that He does that with each person that's saved, individually, it's mind boggling. I don't believe that there are words that can adequately describe the majesty of our God! Thank you so very much for your kind offer of DVD's. I sent a small donation to the media ministry last week and had enclosed a list of DVD's that I wanted. Please don't think me greedy about the list of DVD's, I am sooo hungry to hear the Word preached. Our weekly Bible study is just not enough, I must have more of the Word and pray daily that God will help me to apply it to my heart and life and to reach out to others. I pray Blessings, grace, and mercy upon you and yours in the name of our Precious Lord Jesus Christ. A King's Kid." (Mary)

Video: Get A Life! "Hi Billy, I watched the "Get a Life!" and I really loved it. I need life changing inside as I came to Jesus 22 years ago. I want to be free from old life (Flesh). Galatians 5:16-25. The problem is for me I am still struggling with selfishness, lust for things, boredom. I cannot have a revival with my personal relationship with Jesus and do nothing. I have been home most of the time and wasting my time on internet too much. I do not have a revelation from God and How I need what God wants me to do? I am struggling with bondage and stronghold all my life. As I saw in Amazon Canada about your book 10 Countdown. I need the book too please. I can't afford to buy books too. Would you please sent me a book plus the DVDs with CC. As I will give to my sister Jennifer too. She needs that. I will keep watching your internet video. I love your site as Holy Spirit is working in me too. Why God has giving free will?? I don't want to be fall away (apostate) with the choices I make. I need to get out to help others and witnessing as I read James 1:22-27 and 1 John 3:18. My mother were right as she told me reading bible does not make me a Christian as I read John 5:39-40 as Jesus said to me to search the scripture and it points to Jesus and you won't come to me and I can give you eternal life. It worries me as I though I was going to lose my salvation after I fell into my sin. I was afraid unpardonable sin as I read Hebrews 10:26-31. A lot of my friends are praying for me for life changing. Why I am not doing that? Because of fearful. satan keeps attack me alot with worry, lust, fear and selfishness. I believe satan works thru the flesh (old life) Romans 8. Only Jesus can save all mankind from our sins as I watched "Get A Life!". I had tough life and I know LIFE is HARD because my disability, sin, hard of

hearing and my life was big MESS. I await for DVDs and book from the mail and when it will come. God bless your ministry. In Christ” (Carlos from Canada)

Video: Various Videos “Dear Pastor Crone, Thank you for your ministry and stand for Christ. I am blessed to be part of a church that also faithfully stands on the Word of God without compromise! I attend Grace Bible Church in Wappingers Falls, NY. In the midst of ALL the false churches out there, it is so refreshing to be able to watch biblically accurate videos and share them with others FREE so that perhaps they will come to Christ as well. God bless you & your congregation as you faithfully serve Him. If I ever make it up North, I would love to attend one of your services. Love In Christ.” (Linda from New York)
