Video: Various Videos “Brother Billy I Thank God for the ability to hear His message taught through you and in the same breath Thank You for giving God the ability to touch so many with his words spewing from your mouth. There's so much to my story and would love to speak with you. When I found your site God had already been dealing with me, so I spent 17 days listening, downloading and burning to DVD about 16 – 18 hrs a day all the info I could. Now in roughly a month I would like to celebrate and introduce you to your Satellite Church in Jacksonville, Florida. Pastor has given us the Sunday Night Service to show your teachings 1 by 1. My heart tells me to start the churches out with the Killer C's, but would appreciate any input or Starting point you feel would serve a better purpose. You don't know what this means to me. Thank You Again and Praise God, His Son and The Holy Ghost. P.S. There will be no offerings accepted on Sunday Nights and I will be Burning to disk any sermons upon request and have it ready for them the following Sunday Free of Charge.....” (Bobby from Florida)

Video: A Fearful Creation “Modern Lizards being smaller versions dinosaurs in time past makes perfect sense. And the evidence of the living fossils should be enough to disprove evolution. Evolution is a lie, and the Bible is right. Great video. God bless you.”

Video: Various Videos “Pastor Billy thank you so very much..... you sir are a true blessing to me.... I thank God he brought you in to my life....” (Louis)

Video: Various Videos “Pastor Billy, I wanted to thank you again for being here and listening and praying for us. You're church, and you personally, are very much appreciated and we thank God every day that we're able to learn from you teachings on here. No one else had been able to 'reach' me as your videos have done. So much has become clear to me/us vs what it a (scripture) use to seem like. Make any sense?? So anyways, I continue to study and learn all that I can. Please keep on doing what you do, working for our Loving God! Talk again soon. Your friend.” (Clark)

Video: Various Videos “Hi. Just wanted to say a massive thank you for your series on NFBC the videos are just awesome and have helped me in my new standing with our Lord. Totally brilliant.. If I could afford it I'd come from UK just to sit in your church. Best regards. Mark, new in faith and looooving it! Thanks.”

Video: The Final Countdown “Dear Pastor Billy, I have read some of the testimonies and people are listening and telling others all over the world. The Lord has blessed you with this responsibility because He can trust you to tell the truth. I pray for people and if you need prayer I would gladly add yours to the list. My husband and I watched The Final Countdown. LOVED IT! In His Love.” (Merry from New York)

Video: The Final Countdown “Our church picnic was yesterday and talked with some people who go to the later 2nd service (we go to the early) -- turns out yet another "pastor billy" providence of God situation -- and God made sure we knew we were supposed to be at Calvary Chapel. Seems like you already had a final countdown fan club before we ever started going there. According to them it was this friend who had given them a copy of the final countdown, the other guy mike also had the bonus dvds. This friend had given it to them awhile back but according to them, this was a guy you spoke with personally on the phone and offered him dvds (that sounds familiar lol) anyway both John and Mike loved ur dvds, and Johns girlfriend who also goes to our CC also loves ur stuff --- remember i told u the pastor said i was allowed to leave dvds at the church, we'll they were some of the ones taking them and were scratching their heads as to who was leaving them--they were so so excited to be getting more of your dvds. but john has given me a spindle of blank dvds and asked me to burn several sets of the final countdown because he people he'd like to give them to. in fact all three of them want copies of everything u gave me, and plan to have me burn copies for them so they also can give them away.” (Roxanne from New Jersey)

Video: The Book Revelation “Outstanding sermon. Thank you.. Will be sharing with others. Thank you Pastor as always, keeping all in prayers.” (Gretchen from Pennsylvania)

Video: The Book of Revelation “This was an awesome message.” (Craig from California)

Video: A Fearful Creation “Billy, glad you are back to Revelation, but I thought you did a great job with the Job thing...and although I didn't agree with your interpretation at first...you made a convincing presentation and now, I think I was wrong.”

Video: Various Videos “Billy, thanks for the DVD's on creation -- got them yesterday and am looking forward to watching them. Blessings on you and your family.” (Lew from California)

Video: Various Videos “I've NEVER Seen ANYONE like Pastor Billy.....he's a God Send!.....places everything in balance. I love it...I love him! HE"S awesome! I haven't

Video: Various Videos “Brother Billy, Brother Billy, Brother Billy, Praise God. I knew I had downloaded and burnt close to 100 DVD's of everything in the Media Download portion of the site, but I had No idea what I was about to receive from You and GOD. I Thank You and GOD for intrusting me with these important messages from the Lord our Savior. Thank You for a renewed purpose in Life. Above all other request Brother Billy Please, You and the Church keep me and my Family in your prayers. I am a baby and need support to be strong. Satan has already started. He doesn't like us anymore. Yesterday I came home from the shop opened the packages and was amazed to find so much in such a professional way, " The Books are a Treasure." (instead of a guy with a briefcase full of burnt DVD's. I will be steppin to the Churches now). My Goal is to go to as many Churches as I can, also I think I will start a mailing list in Jacksonville. Send to Head of Household. Start with 4 or 5 a week and pray for it to grow as well. With this I hope you will be getting tons of E-Mail from Jacksonville and South Georgia. Again your so wonderful and great. I can only imagine the blessings laid up in our Fathers House for you. God Bless your Family as we live this small moment on Earth for Eternity is near and we will all be Blessed to be in our Fathers House. Jesus just let me be there - I will clean the toilets with Everlasting Praise. I know you like for God to get all the Praise and Glory "as he should" but as a messenger of Christ you do deserve to be treated as a Hero. I can only imagine how many Souls you've saved. God is my Glory but you Brother Billy are my HERO.....Sorry so long, tried to keep it short but you still have my testimony coming one day.” (Bobby from Florida))

Video: The Book of Revelation “I just got done watching your sermon on REV 3:1b on the computer. It was a really awesome sermon. I really like the video on the Laurie Christian and the one at the end. These two videos really hammered in the points you made. I would love to know the titles of these sermons. I have some friends and family that I continue to pray that they will get serious and serve the Lord. I would like to send them these videos. It is so funny that I can't go to the getamedia web site and listen to your sermons on my work computer (they put a blocker on it) BUT if I take the email I get from your Church with links on it I can access your sermons by clicking on the links. Keep up the GREAT work. God Bless you.” (Lynn from Florida)

Video: Various Videos “There's no one quite like Pastor Billy!!!...A much needed voice in the church today...Highly recommend his Book Of Revelation series & The Final Countdown” (Nigel from Australia)

Video: Various Videos “praise God for you!!!”

Video: A Fearful Creation “Thanks for posting what you did, I been praying about such things. I never once doubted God but many others do, so I set out to find scientific truths proving God is real. Thanks again.” (Anthony)

Video: The Book of Revelation “Brother Billy all went awesome Last Night at our first Sunday Night with Gospel Light House Church showing the Book of Revelation study. God Bless and I will stay in touch. Now that we have every Sunday Night maybe we'll get the Wed. Services also. PS It was like you were there you got so many Amens I truly would have thought it was a Live Service. Glory Be To God.....” (Bobby from Florida)

Video: A Marriage Built to Last “Hello Pastor Billy, I've had a listen to 'A Marriage Built to Last' and loved it. I would like to share it with my family and friends. Many thanks and God bless you, your family, and your ministry.” (Lisa from UK)

Video: A Fearful Creation “I need to thank you greatly for your videos. You guys have done the Lord's work!!!! I am SO happy right now! The Church I go to is heavily burdened by a political hierarchy because the best they can do is tell me to "read" the bible..but they certainly haven't tried to zero in on anything like this. I am definitely very appreciative of what you are doing. THANK YOU SO MUCH !!!!!!!!!!! I could probably write a much longer and more detailed email but the important thing is to thank you! Thanks!!! :)”

Video: Various Videos “Dear pastor Billy Crone, You are so wonderful Pastor! It was every single one of those prophecies mentioned that I researched that lead me to Christ (especially Mark of Beast) in addition to my own healing experience. Anyway I am so excited to connect with you as you are really super aware of all that is going on and I had come to similar conclusions (of course not in such depth over a variety of topics) that brought me to where I am and lead me to Christ. I am so grateful to you and pls do tell if you are ever in Cali area. With deep love and respect to you. In awe of the miracle of Almighty God in Jesus Name.” (Purvi from California)

Video: Various Videos “Dear Pastor Billy Crone, I wanted to thank you for sending me 5 dvd sets; they are one's I haven't listened to yet so I'm looking forward to watching them. I have shared your dvds & audio cds with 4 of my nonchristian friends and have told a few more nonchristians about your website & youtube ministry- I think it's great. Thank you so much Pastor Crone.” (Rachel)

Video: The Book of Revelation “just got done watching your sermon on REV 3:1b on the computer. It was a really awesome sermon. I really like the video on the Laurie Christian and the one at the end. These two videos really hammered in the points you

Video: Various Videos “Dear Pastor Billy, Thank-you so much for these wonderful DVD's. When we got them it was better than Christmas Day! WOW WOW WOW! So glad to have them to grow in the Lord with. Hopefully others will want to watch or borrow them also. I know my daughter and her husband will want to watch the one, A Fearful Creation. Again, thank-you so much! In His Love...” (Merry)

Video: If God Really Loves Me Then Why Do I Suffer “Pastor, Thought I would drop you a note to let you know I came across your message "4 of 6- If God Really Loves Me Why Do I Suffer" completely by "accident," though I'm certain it wasn't really....based on the point you made about all the events that came to pass in your life simply because someone "ditched" you in a Chicago hotel lobby....I am convinced that God orchestrates every event in our lives and your message was appropriate for this moment. I have quite an interesting story of events that have transpired over this past year....things I would not have imagined even two or three years ago....and even through the pain....even through the hardship...God is good....all the time!! May He bless you and your family in your faithfulness with sharing His Word!!” (Jim)

Video: The Book of Revelation “Pastor Billy, We just wanted to say thank you so much for your faithfulness in preaching the Word. The message this morning was both a great challenge, as well as a deep encouragement. It does my soul well to know that there are men still faithful in preaching the Word, and the unadjusted gospel of Christ. His call to us as believers, and as His servants, is a call to the Cross. It is a call that brings both death and life. We must deny ourselves, and, at times, walk down that lonely road of biblical and spiritual solitude, but, it is also a call to life, the resurrection life of our Lord, and the joy of God that fills our souls, and is unspeakable and full of glory. May the Lord keep you close to Him, and may you continue to dwell in the secret place of the Most High that you might abide under the shadow of the Almighty. His yoke is easy, and His burden is light, and we who have been called must always contend for the faith once for all entrusted to the saints. The Lord's grace and peace be with you, and continue to fight the good fight of the faith.” (Pastor Jacques from Canada)

Video: Various Videos “I've been watching your videos and just have to say that you are an amazing pastor and have an amazing ministry. Thanks, God Bless you.”

Video: Various Videos “great videos sir!”

Video: Various Videos “Pastor Crone, thank you for sending free DVDs to me. I'm absolutely hooked to listening to your sermons: many have changed my life by altering my perspective & way of thinking.”

Video: The Book of Revelation “Amen.”

Video: A Fearful Creation” I've seen most of this.... it's amazing.... This amazing Chap backs up Dr Carl Baugh and Dr Kent Hovind..... If you really want proof that God is your creator, this is it.... If Job saw a dinosaur/Dragon/Behemoth then surely Dinos really did live along side humans.....I'd rather believe this than believe that a "Big bang" took place without any explanation of where the energy and matter and everything else came from to cause the "Big bang" to happen - evolution is one big lie!” (Philip from UK)

Video: The Book of Revelation “I'm going off to college in about a week and want to cover the rest of your studies of Revelation. This has been such a blessing in my life--the enthusiasm is also greatly appreciated. Jesus is the rock of my life, and I want to witness to people at the university I go to. I never want to receive a letter like the one you showed from a friend or loved one. P.S. I pray that God blesses your church abundantly.”

Video: The Book of Revelation “Lord forgive me. This is such a good video. Praise God.”

Video: The Book of Revelation “that pie video was powerful!!!”

Video: A Fearful Creation “Hello Pastor Billy, I want to thank you for posting your sermons on youtube and allowing people to be blessed through your ministries. Your sense of humor adds to what you're saying, and your clips from “Day After Tomorrow”, starring Mark Newman, are very funny. I will continually keep you in my prayers and want you to do the same for me. I live in Washington and will be going off to college in about a week. I want to be a blessing to the people living in my dorm and will do my very best to win people over to Jesus. I also want to thank you for your videos on the book of Revelation. The churches around my area only preach about prosperity and wealth. I want to thank you for straight up telling the truth. Lord willingly, if I'm ever over on the East coast, I will personally stop by and thank you. Until then, stay blessed in the Lord. A brother in Christ.” (Petr)

Video: A Fearful Creation “Wow,,,you sound very interesting. I love Kent Hovind and Ken Ham as well. I can watch their stuff over and over again. I watched the first video from Billy Crone yesterday and plan on watching the rest of them,,,good stuff too. It's amazing how people can look at the entire creation and believe it happened by chance. Actually, it's amazing to me how people can look at the simplest of things and believe chance. Chuck Missler is another good speaker who has some really good stuff. He does believe in the "gap theory", so I disagree w/ him on that. But he is solid in most other areas. He is very scientific and breaks down the probabilities and statistics of things happening by chance. I see your post didn't last very long on craigslist. I have posted things relating to God and/or Jesus and they didn't last very long either. That's a dark place,,,we need to keep shining some light into it.” (Steve)

Video: Get A Life “I watched your testimony and marveled at the fact that God can restore people who are utterly lost and use them to their full potential. Our God is a big God. Additionally, I want to tell you that your slogan--"just do your homework"--hit home with me. I was raised up in a christian household and never really thought that you have to think of the Bible as homework. I am an Engineering major and see the Bible as a complex, multivariate calculus. In that, I mean that sometimes the students learn calculus by faith and only learn enough to get by or fool the teacher into thinking that they are on the same page. However, there are other students that like to exhaust every example explaining the theories and understand everything down to the "nuts and bolts." The first group of students might pass the class, but they will forget all the information they learned and never apply it to anything productive when the time comes. The other students are the ones who become great engineers, mathematicians, and architects. This is very similar to us Christians. Many people don't do their "spiritual" homework and never end up learning anything. They do, sadly, fool the people around them, and often times even themselves, into believing that they are real Christians. The second group of people do their homework, and go on to become great Christians. Thanks for your reply. Stay blessed in Christ.” (Petr)

Video: The Book of Revelation “awesome teaching awesome preaching. Praise God for Pastor Billy's voice today. we need a few more like him to go forward and sound the truth alarm.” (Laurie from Texas)

Video: A Fearful Creation Radio Interview “i really LOVED your interviews w/dr stan on fearful creation. downloaded and burned it to audio. gonna make some copies to give out at the visitor center in dinosaur national monument and some of those other national parks we'll be visiting..” (Roxanne from New Jersey)

Video: The Book of Revelation “Love you Billy Crone, great message!”

Video: Various Videos “Dear Pastor Crone, Thank you so much for the videos you sent me in addition to the ones I ordered. I listen to them daily while I work on tax returns. I also read the bible before I fall asleep at night & I am thankful for my new found understanding of many passages I read, thanks to you. I feel truly blessed.” (Johnna from Kentucky)

Video: The Book of Revelation “Bring on the TRUTH!!!!” (Andrew)

Video: Various Videos “Good Day Pastor Crone, I've been listening to a lot of your audio sermons and it has deeply touched me. It is so wonderful to finally listen to a Pastor that does not preach that Christianity will bring you earthly riches. We have tried to download material to keep learning at home, but we feel we need to attend a good church. We live in Sunnyridge, Germiston in South Africa. Can you maybe refer us to a church in South Africa with the correct biblical based principals. We do not want this to get in our way of learning more in order to help other people. God changed our lives and we need to tell people how God can help them. Not make the wealthy but make them whole again. Hope to hear from you soon. Kind Regards.” (Belinda)

Video: The Final Countdown “Hello Billy, My name is Will, I live in Anchorage Alaska. I sent you an email before but just wanted to let you know that my wife and I watched "the final countdown" awesome video and really well put together. I wanted to order some of these and give them out to friends and pastors. I really think that it will inspire a lot of people to start living for the Lord and get people saved or at least warn them how dangerously close we are to the end. I had no idea that the technology was in place for RFID's and never heard of them until I watched some of your sermons on youtube. Been watching on "get a life media" now .We are in revelations now and I would like to order these too...Thanks.”

Video: The Final Countdown “I recently met someone who had a 10 part Bible study that you put out a couple of years ago regarding the end of times. I was able to see the last one and was amazed. I was wondering if there would be a way I could get a hold of the study or the cd/dvd's. Thank you for any help you may be able to provide and for all the work you are doing for the ministry.” (Josh from Texas)

Video: Varous Videos “Hey Pastor Billy, I've been checking out your site and it's been a great resource. I'm praying every day for Jesus to use me as witness to his mighty power. It's definitely not been an easy thing. But lately God has shown me he will use me. Please do keep me in prayer. And it would be greatly appreciated if you could send me any media you may have to help my work in leading souls to Christ. You and Dr. Scott Johnson have been a great inspiration. Thank you very much! Praise God!” (Will from Florida)

Video: Various Videos “Hello again Pastor Billy. I just wanted to say that I am very happy for my orders of The Final Countdown (DVD & Radio Interview) Boxsets, A Fearful Creation Boxset and the "Who says the Bible is God's Word?" 3-Disc Set. I have seen all of them, except The Final Countdown Radio Interviews, which I'm in the progress of listening to right now. Nonetheless, I am intrigued and greatly moved and uplifted by your Sermons Pastor Billy. I really feel the presence of God and the importance of the many issues you cover. It's just so wonderful to know that even in this day and age, we can still find genuine, strong, Scriptural men of God like you Pastor. Such a wonderful thing to know!! May God bless you for it. Kind regards.” (Joshua from UK)

Video: Various Videos “To Pastor Billy Crone, Hello, my name is Patricia I have been watching your beautiful sermons on the internet, I'm Australian born & have lived the first half of my life in Sydney though now live in Italy & to my surprise have discovered there aren't any Baptist churches here, I was a catholic though never really went to mass, I have been searching for the truth in many places for years except in the right place. I have been watching Pastor Paul Washer, John Piper & my favourite is Pastor Steve Lawson his sermons are out standing & I feel the presence of The Holy Spirit when he preaches. I would also like to say I'm very grateful for the sermons you do online & hope one day in near future to be able to see one of your sermons live as would love to visit your country.”

Video: Various Videos “I like all of your sermons, and I want them all. It has been a blessing for me in my walk with Christ, and I have this burning desire to know everything, and I believe that through your sermons I can get the truth the whole truth and nothing but the truth. And so I can share these with people in my community, and so maybe one day I hope to become a pastor and I can use this information and share it from the pulpit.” (PV2 Steven from Colorado)

Video: Various Videos “Hi Brother Billy just Chicken in. LOL Have made right at 300 copies and blessing as many in Jax. And South Georgia. As will hear my voice. The sermons never get old I enjoy them better the tenth time than the first. Thank You Again. Love to the Family And Church.” (Bobby)

Video: Various Videos “There's just something about Pastor Billy that other Pastors couldn't get through to me. Pastor Billy is 'on fire!!' when he preaches, ...I guess that's the blessing of having many pastors so as to get a variety because when one doesn't reach or connect with someone, there always (hopefully) another that will show the Truth. I think Pastor Billy has done wonderful in his calling.” (Clark)

Video: A Fearful Creation “We got our DVDs. Thank you so much!!! We're still watching the Fearful Creation series and it is wonderful. We can't wait to watch the others!! My boys ask every day, "Mom can we watch 'the preacher' tonight?" They love your DVDs and they are young, only 8, 6, & 3! Thank you again and God Bless!!!” (Haley from Tennessee)

Video: The Book of Revelation “Wow, I am not quite finished watching today's sermon but I wanted to let you know that hearing it has helped me out so much. Today, I had such a hard time with teaching Children's church and I am wiped out physically, and I am having a pity party for myself. Thinking it would be just easier to give up and take a little me time. What a wakeup call this sermon has been for me, praise the Lord for it!!!! :) Waking up and hearing Him loud and clear!!!!!!! I am lovin this movie clip, I have often used this analogy with the sinking ship when coming to salvation and us Christians spreading the Word to get on the life preserve, IE Jesus. :) Anxious to show this to some people. Thanks!” (Crystal from West Virginia)

Video: Various Videos “I just wanted to thank you for sending my mother the DVDs you sent her, it made her so very happy. She doesn't get out of the house to go to church much and it makes me so happy to know that she'll have hours of God's word from your DVDs! Thank you so much for your kindness and God bless your ministry.” (Sheerah)

Video: Various Videos “My daughter and I watched the first of A Fearful Creation, and the first one of God is Powerful. We both loved them now I have her interested too. And thank you so much for praying for Cal and placing him on the prayer list. I am so happy to send the e-mails and to help in anyway I can. She now wants us all to go visit your church one day. Pastor Billy the Lord is doing a great work in your ministry. The Lord bless you always I will be praying for you and the church body.” (Merry)

Video: Various Videos “praise the Lord for u pastor..we need more like u!!!” (Aaron)

Video: Get A Life (The 11th Hour) “Hey Billy. I saw 11 hour and very nice story. I like the way you talk about your sins and that you can admit that you are not saint! Most preachers do not do this. Next thing I knew you had some experience in past with drugs or bad things.. Because I can see how much you want to help people to not be like this. Thank you for your media.. I believe you do a good thing. God bless.” (Andrey from Prague)

Video: Get A Life (The 11th Hour) “wow Billy..Praise the Lord.”

Video: Eay What God Gives You (Mike Cooper) “this message IS being heard. Oh my. I almost stopped listening. I am so glad I heard this and resisted the urge to stop, move on and see some "other youtube". This is So perfect and true. Thank you for sharing!”

Video: The Book of Revelation “Pastor Billy, my heart was so touched and understood your passion today. We are living in the last days and instead of writing on facebook or farmville (which by the way is a waste of time) who cares if I took the dog for a walk(etc) when there are so many people going to hell because they refuse to give their lives over to God but worst yet won't believe in Jesus. I really felt your passion as you prayed today for us. It reminded me of Jesus praying in John 17. May the Lord give you His peace as you so desperately want other to lead people to Christ and people to get saved. I pray that the Lord will soften their hard hard hearts and understand the truth of about Jesus and that people who hear your message today see the Father's heart for all mankind. I don't want to sound spirtual, I want the same for you--We have to stop having apathy for our fellowman. I, being a woman, look at the softer side of Jesus (God's love) but understand how you see lives that need Jesus so very much. I mean God has saved me by His grace as I feel as a parent loves his child (which of course I never was a parent). But He also wants to takes us by the arm and say--see how much I loved you--I don't want you to perish. Thank you for today--I will keep our church, and you and my unsaved family and friends in my prayers!! God bless you.” (Gloria from New York)

Video: A Fearful Creation “I was lucky enough to spend some time with my mom watching part of a Fearful Creation, and FINALLY someone who says the Behemoth wasn't an elephant or a hippo! they definitely do not have the tail of a cedar tree! That's what I've been saying for years! How great and wise God is, it is almost as if He added the words "that I created along side of you" because He knew people were going to say it described a myth. I was just reading one of my favorite chapters, Genesis 1, and its amazing just how detailed it is and how it specifically combats the ideas of a billions year old universe and evolution. God's word always amazes me! Again, may God bless you and your ministry, my husband and I are praying for you! (Sheerah from New York)

Video: Get A Life “Watched your testimony the other night on you tube. Good stuff, I'm very grateful for your work in Christ. It has helped me witness to a large Baptist church here. You would not believe it! After meeting with the pastor, the next Sunday he said in front of the church he'd not been doing what he should. And we witnessed a transformation at this church. Unbelievable! Praise God and thank you so much for your help.” (Will from Florida)

Video: Various Videos “Hi Pastor i seen a couple of your videos and i think they are awesome. Pray that i will make a difference in Yeshua`s name..Sincerely.” (Jesper from Denmark)

Video: The Final Countdown “Hey Billy, I got the voicemail that you left, I'll try to call you back when I get home from work. I'm out in the "bush" western Alaska. If you guys can pray for me while I'm out here and also the people that are being lead to Jesus, so that satan doesn't deceive them or me while I am trying to present the gospel. Been trying to explain the stuff I learned on the "final countdown" to the people without internet. Thanks.” (Will from Alaska)

Video: Various Videos “Blessings Pastor Crone, Thank you so much for your gift from the ministry, we really appreciate it so very much. We pray that God continues to use you to spread his Word throughout the four corners of this earth...where everyone may come to the TRUE knowledge of Jesus Christ. We will definitely put these resources to great use in our family where it will help us in our family's home bible fellowship. God Bless you and your family! We also are in need of prayer for GOD to lead us to a good bible-teaching church that is teaching sound doctrine.” (Andre & Mystiqua from Louisiana)

Video: Various Videos “Dear Brother, First, Billy let me tell you that I really love you very much as my brother in Christ and as a part with me of the body of Christ. I praise God that he put you on this planet to reach lost souls and christian's heart. And don't worry I know it as all to do with God because we are all instruments in his hand so that he gets all the glory. I take the liberty of calling you Billy cause I feel really connected to you and your ministry because I have to same goal to spread out the TRUTH and only the truth by preaching nothing else but the Full Gospel like you do and as christians should do. I agree that because of the love of Christ for us we should tell the truth and share our love to all nations even if we receive tomatoes at our faces (hehehe) I started a long time ago to share and show your DVD inspired messages and predications from God to people and brothers and sisters in Christ. I am also making copies to give free to people for purpose of Evangelisation. It takes a lot of time to burn each copy of a DVD with a computer but it's worth it and am ready to do it. So I hope God works for the best for both of us so that his word could get Through using me and you together as partners. I am glad to be part of your ministry and hoping someday to come and visit you like the Apostle Paul's desire when he wanted to come personally and shake hands with his beloved brothers. And give you a big hug (hoping not having a pile of doodoo on one hand. hehehehehe just joking, in reference to one of your message) By the way, my mother tong language is : French (just wandering if you speak french also) Thanks in advance.” (Serge from Canada)

Video: Various Videos “I just want to say thank you, for everything. And May God bless you and all that you are doing. When I first got onto youtube, and looked up anything on Revelations...YOU were the first one to show up, the first one that I seemed to understand, and it actually felt like 'the hand' lead me to you. Your friend in Christ.” (Clark)

Video: Various Videos “Hello brother Crone! My name is Jonathan from Birmingham, Alabama. I must say I greatly enjoy your sermon's. The final countdown was spot on with me, and I see the signs everywhere. I currently work a UAB Hospital in Birmingham and must say not to much surprises me. I'm currently watching a fearful creation and love it! I wish I could attend your sermons in person. Thanks.”

Video: Various Videos “Pastor, your absolutely the best ! I can't watch enough of your video's. You have opened so many hearts to the real deal of gods love and wrath. Words can't even say how wonderful your teaching's are. Glory be to God ! Thank you for your time, a hungry soul.” (Amber)

Video: Various Videos “Dear Billy Crone, Hi, my name is Brad and I am a missionary with Tentmaker's Bible Mission in Kenya, Africa. I was introduced to your "Final Countdown" series while still in the states-and really love it! Thank-you for sharing and making available the truth about biblical prophecies. I have actually been using some of your stuff on a class I teach here in Kenya-and have seen how good and necessary it is, especially here in Africa, where they are so eager for and drawn to any kind of thing that is deemed "prophecy." There is a real need and opportunity for true prophecy to be taught to the people here. So let me just be straightforward with you: I would really love

it if you would be able to come to Kenya in order to do a true biblical "prophecy conference" specifically for the pastors of Kisumu. I am asking that you would prayerfully consider this. Obviously, there would be a lot of questions, things to discuss, and details to work out in order to make this happen. Please let me know if you would even be interested in doing something like this. Thank-you for your time."

Video: Standing Firm Movie "Pastor, I know you don't want accolades, but I'm going to be give them anyway. You were powerful in the movie. It's not easy to play yourself, but since your focus was obviously giving the Gospel and ministering to hurting people, you spoke from your heart and did what you do naturally (or should I say through the power of His Holy Spirit). I pray this film will be a tool to bring many to salvation in Christ. Great job, and thank you for giving of yourself. BTW, thanks for powerful Sunday morning preaching!" (Joan from New York)

Video: A Fearful Creation "Dear Pastor Crone, I live in Sacramento Ca. and I believe the earth was made in six 24 hour days and is only around 6,000 years old. And not only did man live with dinosaurs, but Noah had them on the Ark. I am always glad when I can find "evidence"(God left us) to support this. I found out though, after asking people at my church, that many do not believe this. They all say that they take the bible literally(as do I). So I tell them how the bible says it was made in six 24 hour days, therefore man had to live with dinosaur. But they still don't think so. So ask them to show me verses that say millions of years and dinosaurs died out before man got here. Guess what, they can't. Or I hear things like they must have died before the flood, so none were on the Ark and so God only showed Job a cave painting of a dinosaur. Which makes me wonder, just what they used for paint back then that can last underwater for so long without fading away Another person said that God just put the bones and footprints there to "trick us" and make us think lived with man. IF that were true, would that not be an example of God lying to us. I was told by one person with believed in an old earth that I should not be trying to argue him to my side. So my question is this, should I be trying to change peoples minds by showing them all the physical evidence or asking them to show me in the bible where they see millions of years? Or because this is such a divisive issue just let it go? I am thinking that even though this THE issue in Christanty, it is a very important one because if people think the bible is wrong on page one, why would they trust any page on it?(Which is just what we are seeing today.) In Christ's Love." (Scott)

Video: Various Videos "Hi Pastor Billy, I wanted you to know that I have been sharing your website with friends and family. I believe I told you in the past that you preach one of the messages that I've always felt the church needs to hear. BE THE CHURCH! and stop messin' around! You have inspired me to seek the Lord in this area. God has been revealing His plan for me in many awesome ways over the last 3 years, but very intensely over the last 6 months. My family and I are allowing Him to lead us wherever, whatever, and whenever He wants. This may sound crazy,(because sometimes it does to me) but we are moving to Southern Utah. I believe the Lord wants to use me to start a church out there. It's a long story and you'd have to be in my shoes to understand it all. We are going to take a leap of faith, but God has shown us that He will be with us every step of the way. God has used you to encourage me. All of my Christian life I've been told or been

made to feel that I don't qualify to serve the Lord in full time ministry. Seeing that you and I are nearly the same person, with the same backgrounds, and same passion, made me realize that God can do extraordinary things through the most ordinary of people. I always believed He did that in the Bible, but never thought He could use me. God used Peter's and Abraham's examples to finally reach me, Acts 4:8-13, emphasis vs.13, Matthew 14:28-29. Genesis 12:1, 22:1-14. I'm not calling you an average, ordinary guy. Let's face it, Did you ever in the 1980's, imagine Almighty God doing anything through you like He is today? I think you and I are unique in the eyes of the Lord. I pray He uses me to impact the Church and the world just as He is using you. Thank you for your example and encouragement. You certainly are a part of God's plan for my life! I hope we can stay in touch to share what God does in our lives. May God continue to bless you, your family and your ministry, Your brother in Christ.” (Brian)

Video: The Book of Revelation “I got your set of dvd's on the book of Revelation and they have really blessed my family. We have had a hard time finding a good church down here in Florida we are going to start watching your messages online. Thank you for all you do and we have you and your whole church in our prayers. It will be a great day when i get to meet you in Heaven. God Bless.” (Eric & Doris)

Video: Various Videos “Hi Pastor Crone. My name is Katrina and I'm from Perth in Australia. I have been watching your sermons on (you tube) while working every day. I have to operate a Removal & Storage company owned by my partner and do struggle with the stresses involved as he doesn't come into help me much. I have found that money is making my life terribly miserable and I want a way out, which works best for my family of x4 children. The funny thing is the company is called Guardian Removals, our logo is a guardian angel. As a child I was brought up with my family as a Seven Day Adventist and keep questioning their beliefs. But I related and understood your words about the world now and end times. GOD means everything to me and I keep asking him the same question “which church does he want me to attend?” I've tried other different religious churches and find the people there to be not welcoming, judgemental or snobby. So I fell off the spiritual path and became a alcoholic as other problems in my life have been too difficult to deal with and thought this would be an escape!!! But it wasn't at all. Since hearing you preach I have not drank alcohol and tried to be a good Christian. Thank you for your good words. The reason for me telling you this is let you know people around the world are listening to you. I have even prayed that my partner of 7 years would come to GOD as his father was a member of the Masonic village cult, which we did not know to after his passing. Could you help me by praying for my family and ask GOD to find me a church? Thank you for your time. GOD BLESS.”

Video: A Special Creation “Excellent exposition. Excellent. Just excellent. However, I see some atheists getting upset about the matter. Obviously, the pastor here has debunked evolution with respect to this topic. But even if after hearing this, you don't use your logic, and come to conclusion evolution still stands, then please, go watch more movies. You have to use your common sense my friends. Evolution messengers are really false prophets. Where are the fossils for transitional bats? Really. It's very clear that Darwin was wrong about his predictions of the millions of fossils that would be found. Oh man;

this other theory is so funny; I started laughing. He he. A bird directly right out of a reptile? Ha ha ha; on you atheists, go to such lengths; you crack me up. Come on, if you don't want to believe and obey God, just say so, and let's all be done with it. But to come up with such silly theories; I just can't believe it's coming from real scientists. If I were a dean of science, I would take back your degree. Ha ha; oh man. I feel so sorry for you atheists.”

Video: The Final Countdown “I really wish he could speak in chapel at me school. It would really open the eyes of my teenager friends who are involved in drinking/smoking/sex. They make fun of me and my best friend for being christian. They say "You're fourteen. Live life up before you have none left". I say their hypocrites. You call yourself a christian yet you go off every weekend and get drunk and have sex? God, please open their eyes. Great video.”

Video: A Fearful Creation “This will never be allowed in a public school. As believers we must study creation diligently and educate our children at home. They study evolution a few weeks a year at school. We must stop ignoring the subject and start countering it with truth at home. This is good stuff.

Video: Various Videos “Howdy Ho!) I find myself saying that all the time! Billy and NFBC- I am very excited to see Standing Firm!!! I haven't checked Amazon yet to see if I can purchase there- but if I can't please tell me where I can! Still watching your videos- it is really the only "church" I visit at the present time. I thank the Lord for your hard work and efforts and I know you give all the glory to Him! Praise Him! Lifting "Standing Firm" up in prayer along with your congregation/families and friends! Love all of you!! In Christ- redeemed by His blood!” (Kristi)

Video: If God Really Loves Me Then Why Do I Suffer? “Your series of, "why God allows suffering"...one of your best ever. Pastor Billy, you have touched many lives. Someone told me when I was there that your world wide ministry was larger then the home ministry. That is such a miracle if that is true. You really are doing God's will on such a large scale...do you even realize it? I just copied a bunch, near 100 cds that I am

going to go stick in the windshield of the high school students tomorrow. I think I will hit the college parking lots next. I do wish I had people here to share this type of fellowship and witnessing but I am thankful that I am doing what I believe God wants me to do. Because of you I am on the right path. Thank you much for all you do. Let me know when your books come out so I can purchase them.” (Lynn from Florida)

Video: Various Videos “Hi Pastor, I just want to let you know that i've decided to give Jesus my life and i've decided to get baptized. About the videos i've been talking with my mom, and we were thinking about all of them, cause we really could use them, cause people are deaf and blind here in Denmark. Many of the churches if not all. and we need your creation series for the young people. we will be more than willing to pay for the shipment and leave a donation.” (Jesper)

Video: The Book of Revelation “Dear Pastor Billy, I am presently working through your Revelation series and I am up to tape 16 and I wanted to thank you for the blessing these tape have been so far. As the end times are closing on us I have found your material extremely informative and motivational. Here in the UK the falling away is all but complete and it is difficult to get sound biblical teaching from the pulpit. Most preachers are scared of offending the congregation and only tell them what they want to hear. There appears to be no urgency, but thankfully through your tapes people who watch them are becoming aware of our impending destiny. Thank you once again and may God continue to bless you and your ministry. Yours in Christ.” (Dave)

Video: Various Videos “Pastor Billy, I am a big fan of you, I have watched almost every video you have made.” (Arturo)

Video: Various Videos “I love your preaching very much. I wish to become a pastor as well, and I must say that you inspired quite a bit of that desire. I've never heard a pastor make as much sense as you, and you're also the first pastor that's ever made me anxious to listen to the next sermon. I will definitely get your videos...just as soon as your assistant reads that e-mail you had to resend to her ;) God Bless.”

Video: Various Videos “Pastor Billy, It has become my life, me and my daughter watch your studies on youtube almost everyday. Just as a comment: I was so involved on the conspiracy theory, but since I watch you on one of those videos the Lord Jesus have touch me soo deep. Thank you. I pray to the Lord that gives me the courage of pastor Billy Crone, the passion of Paul Washer, and the knowledge of Kent Hovind. God Bless!”

Video: Various Videos “Hi Mr. Crone, my name is Jake and I live in Rochester. I absolutely LOVE your ministry and I have listened to your final countdown study, all of your evangelical studies and your Revelation study. (Not to play church). Thank you for your reply. In Jesus Name.” (Charlotte from Kentucky)

Video: Various Videos “Just thought you might like to know apparently your dvds are making a BIG impact on our Calvary Chapel Church. Apparently Calvary Chapel, Hammonton is going to be formally doing the 10 week The Final Countdown study the church leadership is absolutely loving your stuff. Video: Various Videos "Hello, writing from france, passionate christian for 3 years , running after God from birth (33 1/2 now)... Love your message. PEACE to you and your family , great soldier of Christ. God with us allways. Amen."

Video: Various Videos "Hi Billy,

I have recently become a born again christian, and not long after doing so, I discovered you online, like a sign from heaven, i was lead to you, where you answered many of my questions. I have joined a church which i have attended to for almost 3 months now, and i do have my concerns with this church, i see no passion from the people who attend there, they seem to be as you describe as plastic christians, who think they are saved, but still sin. They have not welcomed me with open arms, they do not join as a family, or even a team, it almost seems like it's just an obligation to them, they'd rather be somewhere else, can't wait to get out of there, nobody takes the time to get to know one another, it's sad, i expected more! But I'm not judging them, even though they seem to judge me, being a single mother, not working at the moment, I seem frowned upon, rather than being given guidance, rather, i wish to awaken them, so they are no longer a dead church. I have spent hours and hours, writing down info from your videos on youtube and sending them out to all the churches here in Australia, and the residents, in hope of saving as many souls as possible, and giving them the blessings of the O'mighty God again, before it's too late. I consider myself to have been a good, kind, caring and generous person, always putting others first, have done so all my life, my mistake was, i wasn't doing for Jesus, I wasn't turning to Jesus, praying or asking for guidance. I have not had religion thrown my way, and so had my back turned to it, i wish with every inch of my soul today, that that could have been different, as if it were introduced to me in my youth, i would not have sinned so easily, been led by deceiving people so easily, my life would have turned out incredibly different, better, and most importantly, i would have been asking for forgiveness and guidance in my doings, and it is very upsetting to know that religion has been taken from the children all together today, as it's made it so easy for the children to be deceived and fall trapped in a web of lies the world spins today, which does not include Jesus at all. But i for one, will never turn my back on Jesus again, and i plan on opening the eyes of as many others as possibe, so they may see the truth as i do. Which

brings me to asking of you Billy, if you could possibly send out copies of your dvd's eg: final countdown and revelation, so that i might get word around even faster, and with your oomph... i believe that is the trouble today, people know longer have that fear of God in them, and they need it to wake them up. You're doing great work, keep it coming, even i continue to watch you, to keep myself awake... Bless you pastor Billy, may piece and love be with you, and i know Jesus is loving you. Kind Regards.” (Kimi from Australia)

Video: The Final Countdown “Dear Pastor Billy, I just started watching your Final Countdown Series. As much as I have gotten into the age of earth and dinosaur issue, the End Times signs fascinates me even more. As I write this I am on number 4 of 20 and dude, even though I know it's going to happen it still gives my goosebumps to hear about it coming true. Guess what, awhile ago we got a new Pastor and because our last Pastor believed in millions of years I assumed the new one did too. Well I finally got up enough guts to ask him about it and I'll be a monkey's uncle, but he believes in a young earth, dinosaurs on the ark etc. I still don't see him preaching series about it right now, but baby steps is OK. In Christ's Love.” (Scott from California)

Video: The Book of Revelation “I'm really enjoying the latest revelations series. I've seen all of them that are on Youtube and I'm about ready to start over again. I use Youtube a lot to paste the gospel in the comment notes of videos. It's sad to see some of the blind and even hostile remarks but I know the Lord will bless it for those who are

seeking on the other end. Please pray for my household. We have been really down lately because we are having a hard time finding a good church. We were attending a church in our area that seemed fine at first but the pastor seems afraid to speak about both heaven and hell. Someone basically said that he wants to tell it like it is but was threatened that he'd be bumped because it would rub people the wrong way. How sad. I believe that once you take away half the truth, it leaves one with little reason (out of ignorance) to accept the other half. At first our mens groups had around 4-5 people then it dwindled to absolutely no one but me and maybe one other. A lot of them seemed to have been scared off when I proposed we go hit the streets and minister to the homeless rather than sporting events, going out to eat, etc... I really want to find a church in our area where the preacher is full of the Spirit and the people don't look at you funny if you occasionally praise the Lord out loud in service. Most of the congregation is elder and they even frown upon clapping after a song. We've just lost so much morale. If not for our Sunday night bible studies at the house with friends and family, we'd be pretty depressed. I've already seen the Book of Revelation series and I absolutely think it's wonderful. I wouldn't mind getting a copy of at least the first few to watch with my family and friends at home. Do you remember that Tyndale discipleship course you sent me? Well we are sure putting it to use. We have bible study at my house every Sunday evening and we go through it as part of our study. I so look forward to the day we are caught up into the air with our savior. I can't help but feel everyday could be my last day to walk this earth and I get excited because I know no matter how much the enemy constantly tells me that God doesn't love me, that he promised me he would come to receive me during that final moment. So many times I've pulled up my map here at work on my desktop to see if NY by any chance has somehow possibly gotten any closer. Lol! Well.. You know you have my prayers. I will lift my request up to the father that your congregation stay strong. Take care!" (Lyle from Texas)

Video: The Final Countdown “Dear Pastor Billy Crone & ministry associates. Recently I found your website and would like to thank you for your blessed work and ministry. I thank God for brothers like you that offer their teaching material to people on the internet. I am sure it is blessing countless souls around the world including myself. I myself have been blessed and would very much like to share this material with the Spanish congregation and community in my hometown. I have the blessing and privilege to serve our Lord as a pastor for a Spanish ministry within the local church here in Yucca Valley, CA. We are located in what is known as the “The High Desert” in southern California. I would like to get your blessing and permission to duplicate your teaching/material into the Spanish language and share it with the Spanish community in my hometown. I promise the duplicated material will not be used for profit or any other purpose other than to bless others with its message. If you would agree to my request I would like very much to obtain a full transcript of your presentation if it is available. I noticed that the PDF download you offer are not the full transcript of your presentations. Having them would greatly help me with the translation work. Also if your “media” ministry associated would help me with media materials, I can also translate into Spanish everything you show in the screen. I offer to give you credit for your work and give you a copy of the completed work, so that if you choose to do so, you can use it in your ministry to bless the Spanish speaking souls in your community. I await your response. In His name and for His glory.” (Pastor Tony)

Video: The Book of Revelation “Pastor, I caught your Sunday service on your site. Wow! Hey that’s what I’ve been thinking about recently. I believe God showed me something and I call it the 1% theory. Meaning 1% of Christians believe every single thing in the Bible especially the prophecies. The road many will choose is wide and narrow few choose. Then discernment, 'the days of Noe', God only save Noah’s 8... So what’s 1% of 6.5 billion... Then consider depopulation and what’s stated in the Georgia Guide Stones. It just made me have a different perspective. What do you think? God Bless.” (Will from Florida)

Video: Various Videos “Hi my name is Veronica and I recently began a study on Revelation with a small group that meets in our home on Monday nights. As I began my lessons during the week I began to do searches online to get more information and understand and 'revelation' than I was getting from my study guide. In the process I found your YouTube videos on The Book of Revelation. Thank you SO much for not only posting them but for breaking it down and going into depth on each verse/chapter. It's exactly what I was looking for. I then went to your website and saw that we can order those for free!!! WOW what a blessing... I began to do so and ordered the first two volumes but then thought that it would be more costly from an administration perspective for not only you but for the banks as well if I ordered them all using the same method of entering the one penny that you would return. So, I'm writing to first tell you DO NOT send me back the pennies. There is no need for that. However I'm also writing to let you know I would LOVE it if I could get ALL the volumes sent to me with the first two volumes I ordered online today. Although our budget is very tight at this time I do hope to be able to send a donation in the future. As a final side note: My husband and I watched the movie you made Standing Firm. I wanted to let you know that as a possible way to pay you back, if you needed an actress / director assistant on your next film I'd be willing to donate my time. (Yes I actually have experience and a resume.) I don't pretend to be a big movie star, nor do I have a desire for it without God. I do however recognize how visual and media driven our society has gotten and I love using my talent to help advance the Gospel whenever possible. I've turned down good paying commercial work because I felt it contradicted principals I stand for in my faith, so work is scarce but God provides and I trust Him first. Thank you again for your dedication to teach the truth no matter how difficult the subject matter, and the generous offer to provide it for free for those who can't afford it at this time. Praying for many blessings in your present and future days in Jesus' precious and mighty name! Thank You!” (Veronica from Missouri)
