Video: Various Videos “Watched the entire Countdown series last night and am in the middle of the series about evolution and dinosaurs. I am so glad there is a minister, such as yourself that is PROCLAIMING THE TRUTH in these the Last of the Last Days. What you are doing means so much to me and is so incredibly refreshing and encouraging... and is emboldening me to speak out as the level of urgency (not FEAR) is turned up. In Christ.” (Tamra)

Video: What God’s Power Can Do For You “you truly have a gift of making God sooo real and for us (ahem older) christians you confirm our faith and solidify our beliefs...so glad to see your new services.” (Darlene from Canada)

Video: What God’s Power Can Do For You “Just passed your excellent studies on to a new brother in our Lord.. thanks for your work :)” (Mark from England)

Video: Various Videos “Ive really enjoyed watching and sharing your videos shared with me by Kevin Boland :) Have a great day! and happy belated birthday to you!” (Stormi from Oklahoma)

Video: Various Videos “Thank you very much for the DVDs. We have received two lots of orders! This ministry has been such a blessing to us. God has given us an opportunity to know the truth. We have learned so much in a few sermons then all the Sundays in a year at the church we were going to. We were in a pentecostal church, but i have found out so much in the bible, that the church contradicts. So we are looking for a new church, that is bible based and has church discipline. We are going to make copies and get them out there for people to see and hear in Tasmania. I hope this will bring more people, even Christians to a new understanding of who God is and what Jesus Christ did on the cross. Looking forward too seeing more sermons. God bless you and the ministry far across the world! If you ever around this way, let us know.” (Rebecca from Australia)

Video: A Judged Creation “I received the two Judged DVD's. The DVD's are actually for one of the inmates we serve in our prison ministry. I know he is looking forward to viewing it and I thank you for your promptness. Blessings.” (Elly from California)

Video: Various Videos “Pastor Billy, God has made His presence felt so strongly in our lives since the first time my two sons and I listened to your sermons. My oldest son has accepted Jesus as his savior in part because hearing you talk about our Lord got his attention and made him want to learn more. My youngest has been reading his Bible regularly, he looks forward to Church services all week and is out of the pew before being officially dismissed. As for me, I had a rough childhood. I never quite lived up to my mother's expectations and always felt like I was standing outside life and watching others live. I was a clutz as a kid and had numerous injuries, four broken arms, numerous sprained ankles and knees. However two major accidents changed my life completely. I was hit by a car while riding my bike and had stopped to cross the street, I was 14 years old at the time. A year and a half later I was in a relationship with a guy 4 years older than me and in the service. I got my hand caught in a meat grinder helping to process a deer my father's friend had shot hunting. My entire left hand was damaged, I am now

missing 2/3 of my middle finger on my left hand and my other fingers were deformed slightly but still perfectly functional. I felt that God had abandoned me. I had prayed for salvation years earlier but I never could say I felt the presence of God in my life and truly had a relationship with Him. I spent years trying to find what would make the pain and emptiness go away. I got involved in relationships for the wrong reasons and had premarital sex justifying it by saying that "I loved him at the time" When God brought my husband into my life I didn't see it as the blessing it truly was. God then provided me with 2 beautiful healthy boys. I started to take the boys to church but I still felt empty. About this time I started having some marital difficulties and thought we were headed for divorce. I was as low as I could get and I approached a Christian girl that went to your Church and asked her why she was always so calm. She simply replied "Come to church with me". I knew that she was a Christian, she never made a secret of it and we often talked about God. I am sorry to say that it took me almost a year to take her up on her offer. Your sermons taught me so much about the Bible that I got excited. You included information on people who were martyred for their faith and on those who just simply did what God told them. The information was always interesting and I wanted to know more. These were stories I had never heard before. I found myself taking notes in church which was something the church I grew up in discouraged. I couldn't help it there were things I wanted to remember, names dates, treatment people received for being Christian and I wanted to be able to go over the verses again. For the first time in my life I couldn't ignore what I needed anymore. I knew I needed God in my life. I prayed openly and honestly for the first time in a long time, I confessed my sins without justifying them and I told God that I needed Him to control my life because I was making nothing but poor choices and ending up feeling alone. I opened myself up completely and asked the Lord on my knees to help me, That was the first time I felt close to God. It felt like there was a reassuring hand on my shoulder and I felt a sense of relief, There was a feeling of hope joy and love that can't be put into words. That day changed everything for me. I keep my Bible with me in my purse and I just found several different apps for on my phone that not only help you study the Bible but are full versions of the Bible I am now never without my Bible and I thought that you might like to know that your openness and honesty about who and what God is and what we can do to be better Christians has helped me a lot. God Bless you in all you do." (Julie from New York)

Video: Various Videos "Thank you for the great lessons at Church every Sunday."
(Elisabeth from Nevada)

Video: Various Videos ""Billy, my husband and I really appreciate your online sermons (we listen from Washington state). Love all of your apologetic topics! We've been listening to you for over a year :) Thanks for preaching the truth :)" (Laura)

Video: A Judged Creation "Pastor Crone, Thanks so much for your time yesterday on the phone. I am half way through the series now on A Judged Creation... it is answering all my questions about the GE, just as you suggested it would. The only problem I have now is sleep deprivation because I can't get this stuff into my brain and soul FAST ENOUGH! I am limited during the day of course because of the children, but I have to tell you, my VERY squirmy 6 year old son actually sat in one spot to watch your sermon

on THE GARGANTUAN boat... he was totally INTO it. I am thinking I may just let him watch the whole series if he wants to... I believe the Lord has a call on my son Andrew's life in this arena of Dinosaurs and the flood and creation... defending it. Thank you again for ministering in the way that you do... you are like a fire hose of the Holy Spirit and I am relieved because that is how I feel so often... I just need to add to my intercessions, stepping out in faith and start speaking it to non-believers. I would love for your wife to contact me about homeschooling ideas. As I said before, I have small children and I do feel the Spirit leading me into doing some kind of unit study on the 7 days of creation... spending one month or so on each unit? But seriously I could spend a YEAR on each day! :-) I am excited for what the Lord has for us.” (Tamra)

Video: Various Videos “Pastor Crone, I don’t know if you respond to individual emails but I am hoping you do with this one. Your ministry has taken my end times fears and turned them into comfort. As a Christian, I do believe we are witnessing the book of Revelations unfold before our eyes. It's exciting but it is scary. God Bless.” (Earl)

Video: Various Videos “I’ve watched a few of Crone's sermons in the past, and I really enjoyed them. He's got a style that is easy to understand, and I really liked that in "The final countdown" he provided evidence to back up the things he was saying. I also ordered Volume 1 & 2 of the relationship series DVD's. Thanks again- I hope your day is blessed!” (Stormi from Oklahoma)

Video: Various Videos “Hello Pastor Billy, Thank you for the DVDs you have sent so far. They have been a blessing in our lives. We have been passing some of them around for others to hear. Though these have been Christians, I am hoping for unsaved to hear as well. I do have a few friends from school that are unsaved. They are not interested to hear about Jesus and what He came here to do for us all. We hope you have settled in well into your new church, and we are praying God will continue to move in your life. Thank you and God bless.” (Rebecca and Pete from Australia)

Video: Various Videos “I need to get a hold of some more videos. I think I'll try to buy you out lol im going to need multiple copies of the final countdown and i will probably grab the rest of the revelation studies got lots of people wanting copies by the way is it not amazing to see bible prophecy just unfolding before our eyes. Keep up the good work and always God bless.” (Kevin from Oklahoma)

Video: Radio Interview “Hi Pastor Billy, I heard you on the radio today in the Denver area on the 1360am dial. The station is called The Lion. I didn't hear all of your talk but you were talking about ancient civilizations that were highly advanced. How can I get information/DVD's on this subject? Thanks.” (Mike from Colorado)

Video: Various Videos “I want you to know I received the two videos you sent. 'Does God Really Exist?' and 'Got Peace?' Thank you so much. I hope they are just as much a blessing as the others I've seen. They will be circulated as always. Thanks again. God Bless you and your ministry.” (Joy from Indiana)

Video: Various Videos “Hey Billy, I have accepted Jesus as Savior. I just want to thank you for all your work. You've taught me a lot about religion and current events. I think its amazing what is happening right now with the middle east discussions and the isolation of Israel. The 7 year peace treaty seems right around the corner meaning the rapture is even sooner. Natural disasters are on the rise and hitting closer and closer to home. My town got flooded by Irene and also felt the tremors of the earthquake on the east coast. I hope people will wake up to these events and whats to follow. God bless.” (Jason)

Video: Various Videos “I got my first batch of video's and would like to make a donation to pay for the rest of the postage and then some if that is possible. please tell me how to do that.... I am very please with the videos that we got and have already began watching them. They are a blessing to me and my family! Thank you so very much! They will be an aid in helping win sole for Heaven! Thanks again!” (Sherry from Michigan)

Video: Various Videos “God bless you Pastor Billy, I love you in the name of Jesus Christ our Lord and savior!” (Heinzel)

Video: Various Videos “pastor billy crone is a fierce messenger of the Word, thanks for the help on my walk and GOD bless, may we all rejoice together in HIS glory one day.”

Video: The Final Countdown “Mr. Crone reveals more truth to this world than I have heard from any other person alive who is currently in ministry. He speaks form the spirit of God. All teachers and preachers of biblical prophecy must awaken for the time is now. Take Billy's example and become watchful lest your savior comes upon you as a thief. I will say one thing now, you will hear much more of this in the near future as our voice gets louder for we strongly oppose the forces of darkness who wish to enslave the many.”

Video: A Fearful Creation “That was amazing, very inspirational :)”

Video: Got Peace? “I've been freaking out lately, acting just like how Pastor Crone is acting (wringing my hands in fear) about selling my house that a girl is getting a loan for and it's just taking some time. I should have never question His character or His love. I worry about my future & must keep rejoicing in God & repeat the verse in Romans about the future God has for me.”

Video: Does God Really Exist? “Another great video.” (Dick)

Video: What God’s Power Can Do for You “I was checking like 10 times a day until the new sermons were out... Woo Hoo!! We love ya Billy!! Hope everything is going great for you in your new place. :)”

Video: Various Videos “From what I have seen from you, YOU work for God...You/your ministry has been such a blessing to me. Because of you, I have a close relationship with My God and Jesus. Because of you I understand what a real Christian is and what God/Jesus's goals are for me. Thank you for all you have done.” (Lynn from Florida)

Video: Various Videos “Jesus bless you and your ministry :) You are right on point as far as i'm concerned.” (Janice)

Video: Discipleship 101 “Just watched the live service. I did not realize that I had to click the play button to see the service. Have to keep that in mind for next week. I am really learning watching the service. God bless you all for making it available to us all.” (Cal)

Video: Various Videos “I just wanted to thank for all you do. All your work in helping us grow, and spreading God's Word. You do a great job. You are a man of God and have a great love of Him. He is foremost in your life. I thank you for your unselfish service to the Lord. You have helped me and my family in a great way to grow and become more like Christ. I thank you with all my heart. You are a tremendous example of how we are to be. I thank the Lord for you. God is doing mighty things through you. God Bless you and your family. God Bless, Your Brother in Christ.” (Floyd from New York)

Video: Discipleship 101 “Just finished watching the study tonight. I am glad the live services are working. This study is very insightful.” (Cal)

Video: Various Videos “Hello Pastor Billy Crone, I've been listening and watching your dvd's for a while now. I have never really been taught much about the bible in the past but have been really into wanting to know and learn about the bible and God. I am from The Netherlands but moved to the USA in 2003. I'm a 30 year old woman and live in Indiana. My boyfriend is very sick and won't get better, I've been through a lot of hard times since I moved here and fought myself through it fairly well. Nevertheless, after I started watching and listening to you I have come to the conclusion that there is more. I am extremely interested in learning how to become one with God and learn everything I can. The problem is that I'm very skeptical of many preachings and find a lot of "Christians" to be hypocritical which made me very leary of a lot of things as far as faith is concerned. Luckily this is changing now that I've learned about you. I hope you will keep putting out these teachings for us so I can keep learning from you on my road to God. I really love your revelation studies a lot. Is there anything out there that may teach me every book in the bible like you did the book of revelations? Too bad your church is so far away from Indiana because I would definitely come and visit you a lot. I like the way you preach and it really makes me want to learn and study the bible. God Bless you and keep up the good work!!” (Mieke)

Video: The Final Countdown “I love love love your final countdown series, hoping so much for a current one with the curent events happening.” (Kristie)

Video: Various Videos “Dear Pastor Billy, I've watched all the Judged videos. And I am now watching all the Young Creation videos. You really are a most impressive preacher. Kind regards.” (Paul from UK)

Video: Various Books “Pastor Billy, I received the book today that I ordered... I had no idea it was this thick!! If I had known the size of it, I would have at least purchased it for \$35.00..Your family is beautiful and the letter to your son is so eloquently written. It is

like a poem of love to your precious baby boy...even though he is grown now, we know our children are always our babies. I have twin girls (fraternal), turning 6 in two weeks. I intend to purchase the book, *The Final Countdown*, if this is still in print. I am just wondering..how do you find time to write these books and make the movies, especially with a family? I am doing my best to complete a book for my twins to read, about them, and them write some books to hopefully sell. I prayed for my twins since I was probably 11 years old and the Lord answered my prayer five years, almost six, years ago...God is Good...God bless you and your family Pastor Billy.” (Monica from California)

Video: How to Have Joy in Hard Times “Pastor Billy, thank you so much for your superb sermon on joy in hard times. It was God's providence this sermon was on my facebook page last week. My husband and I lost twins last week; your sermon epitomizes the joy we can have in Christ, when life sucks. This was the tenth child we lost and we have never known such peace and joy in such hard time. Your sermon reminds me of the song, "because he lives we can face tomorrow". Thanks for your work kindness and boldness in such dark times. Praying for you and your ministry In Jesus.” (Gail from Ireland)

Video: A Young Creation “Very good. If our geology was millions of years, Lake Erie would have emptied by now.”

Video: The Final Countdown “Praise the Lord, brother! What a great testimony in less than 100 characters. Let the world know...the harvest is great but the laborers are few...be a laborer for Christ Jesus. All for the Kingdom!”

Video: How to Have Joy in Hard Times “This is one of my favorite messages from Pastor Crone. Our society doesn't think this way but this is what we as Christians should set our sights on--setting our sights on heaven and treasure we have there. The majority of Christians don't have a true relationship with Jesus Christ so having the pastor put down 'hypocritical' Christians is not right. I don't like him putting Christians down, people who know the Lord and walk with Him. Non-Christian 'Christians' do hypocritical things.”

Video: The Attack of the Terrible T’s “This. is. so. true. He is preaching about me and my life... the life I used to live. Since the Lord woke me up, we've gotten rid of cable. Still have the TV for netflix and videos, but I FEEL FREE! I was watching countless hours of TV... reality shows. Ate my time and my life! I feed myself with God's word, sermons, lectures.. stuff that feeds my Spirit more than anything else. I have completely lost my taste for the ALL the entertainment I once absolutely LOVED. So many things that once seemed harmless have revealed themselves to be quite dangerous...”

Video: Are We Living in the Last Days? “YES! Indeed time is short! God says only He will know the hour, not even the Angels or His Son will know until the hour of the last day arrives.”

Video: The Attack of the Killer C’s “Yes. Yes. Yes. Yes. and MORE Yes.”

Video: Are We Living in the Last Days? “Thank you Pastor Crone, thank you for opening our eyes to God's word and both the salvation and the warning of Jesus our Lord! Thank you Jesus for the gift of your salvation to us who are so undeserving.. THAT is the definition of TRUE LOVE! All praise to you Emmanuel! :) Amen.”

Video: The Book of Revelation “I wish all church's would preach like Pastor Crone - he says it like it is and makes sure his listeners know the choice they must make. As Jesus said one is either for him or against him. I certainly know which team I'm on... the WINNING team, thanks to Jesus' salvation and God's grace! Thank you for these fascinating and very real sermons! may God bless you and your family!”

Video: The Attack of the Terrible T’s “Whoa... never thought of Lot that way before! WOW! This is making some things in my life REALLY make sense! Thanks Pastor Billy! Yes. This is exactly what happened to me... got suspicious of church and God... doubted... left a solid Bible based church... got sucked into New Agey stuff... Lord woke me up... left behind the old life... about to make a huge testimony before many friends and got walloped with a MAJOR spiritual attack... all old friends POOF gone! Praise God for waking up Pastor Billy... he says it just like it is... I am so grateful.

Video: The Book of Revelation “My wife was watching the awards live at the time when Kathy Griffin did her stupid little "suck it" quote. I couldn't believe what I just heard and on top of it, everyone was laughing...? That made me so mad! And, Billy is so right.... what if she did say "Mohammad" instead? There would be DEAD SILENCE and she'd be fearing for her life from that point on. Every day, it's becoming more and more obvious that TRUE Christianity is THE WAY.”

Video: Discipleship 101 “I printed out the workbook!”

Video: Discipleship 101 “So good to see ya back in action...” (Bud from Arizona)

Video: How to Have Joy in Hard Times “Well its a joy to watch Billy Crone. LOL at 10:40 to 11:40 mins so funny.” (Dick)

Video: Are We Living in the Last Days? “Lord have mercy on us. Thank you Jesus for your salvation. Amen.”

Video: The Final Countdown “anyone who doesn't like pastor crones manic, flat-out, squeeze-it-all-in style and thinks this is just bible bashing-listen again! pastor crone backs up scripture and teachings with f a c t s and more f a c t s.a very solid preacher!”

Video: Various Videos “I will think you Pastor Billy Crone for doing Gods work you have been a blessing to me i follow as you follow Christ i watch all your videos i no so much now about God because of you think you God bless you.” (Chris)

Video: The Secret to a Worshipful Life “I just found your website and listened to this message. What was really G R E A T was the fact that I was able to print off the sermon

notes and follow along with the video, making notes and highlighting. This helped me grab hold of the lesson much faster and easier. Those notes are priceless. I made the choice to whine and complain instead of trusting God back in 1994. When you make such a choice, it grabs hold of you and puts you in bondage that doesn't want to let go. I think I'm freed and then something happens & I'm right back in chains. It happens quickly and comes totally out of the blue. This last time, I lived with my mother for almost a year in hospitals, nursing homes, rehab, etc caring for her. I had to be alert 24/7. Add to that, doctors say I need a heart transplant. Caring for her would have been impossible except through Christ Jesus. I was unable to read because of the constant interruptions and it was extremely exhausting. I could pray, but reading or studying was virtually out of the question. After mother died, the attacks ran rampant. Again, I became angry and bitterness took hold. I listened to your sermon The Secret to a Worshipful Life Part 1. You are exactly on target. God has shown me that I've had bitterness in my heart since I was a child. There are things I should have let go years ago. In Jn 15:3 Jesus says, Elaine, "you are already clean because of the Word I have spoken to you," yet I continually fall in that filthy pit. I get cleaner as I am in God's Word and prayer, but the bondage is still there. Prayer Request: I permanently make the right choice of honoring God and not satan and that I be not entangled again in the yoke of bondage Gal 5:1 God Bless and Thank You so much." (Elaine)

Video: How to Have Joy in Hard Times "Thanks for the message Pastor Billy. Your series on joy in hard times was such a blessing to Nigel and I. In fact we watch your video's weekly as sadly the UK and Ireland has very little Bible teaching here. Hope all is well with you and your family. God bless." (Gail from Ireland)

Video: Discipleship 101 "I'd love to be able to hear them on cd when I am in my car or at work. I can't play dvd's in my car or at work...lol. I have the Bible study and believe I completed it. You seem to always speak on things that I have been wanting to know for a while or recently had questions after reading my Bible. Keep up the good work." (Lynn from Florida)

Video: The Book of Revelation "I have listened to your series on the book of revelation on sermon audio, I would love to get it on dvd or cd form. Is it available, and how might I obtain it. Keep up the good work." (Gib)

Video: A Fearful Creation "My 6 year old son and almost 5 year old daughter both beg to watch the Fearful creation videos. I am not sure how to deal with the opening "scary" bits (earthquakes, fires, Perfect Storm bits)... I've fast forwarded through a couple of those parts... but I tell you, they ask for it everyday! Amazing little sponges!" (Tamra)

Video: The Final Countdown "Hi P Billy! I have some exciting news that I wanted to share with you. A while back you sent me you sent me your amazing DVD series! I was helping out a single mother at the time and I was able to watch the Final Countdown with her and her New Ager mom. After they both received SALVATION!!! Then her Brother and his family came to the Lord!!! Then some of his friends! His one friend Steve is so on FIRE and is spreading the good news like wildfire! Anyways I wanted to share the

Good News...God BLESS YOU and YOUR MINISTRY soooooo much BIG HUGS!"
(Lea)

Video: Various Videos "JESUS found me and Saved me through YOU!" (Glen from Canada)

Video: A Judged Creation "I just got through watching a video by Pastor Billy Crone on YouTube called Judged Creation. I was in two parts, and it blew me away. I've studied these subjects for years, and yet he brought up things I'd never seen or heard before. Kudos to him! Anyway, I would like to get a DVD (actually several) to pass on to my family and friends. I also know a youth pastor who would love this one. Is it for sale? If so, send me a link where I can purchase it. Thanks." (Danny)

Video: A Special Creation "Hello Pastor Billy, we were watching a special creation and you mentioned about the mutilation of the aborigines here in Australia. I was shocked! I am from Tasmania and i did not know about what they did to the indigenous Tasmanians and how Charles Darwin asked for a skull. I was led to believe that when the first settlers arrived in 1788, they attacked them and killed because of not knowing who they were and couldn't communicate. We do however celebrate Australia Day on the 26th January, otherwise known as Invasion Day to the aborigines. You should see how some of these aborigines live today. You would think you were in a 3rd world country. Which is terrible considering Australia is a well off, beautiful place. In Christ." (Rebecca from Australia)

Video: Various Videos "Hi Pastor Billy, your ministry is good ground to sow in. You are a blessing to us also. God lead us to your ministry just at the right time, when i was asking questions and seeing that things were not quite right at the church we were attending. Pete did not believe me when i said that church was off the rails, its like that church in Revelations, all looks great and happening on the outside but is spiritually dead. Until we listen to some of your messages with the Word of God to prove it, it opened his eyes and mine also!! So keep doing what your doing for Jesus, He will always be faithful to those who are faithful to Him :) In Christ." (Rebecca from Australia)

Video: Various Videos "Thank God, I'm born again. I was watching some you tube videos where you preached. I have an interesting testimony that had to do with the poker world. It's so interesting that everything the Bible says is coming to pass." (Chris)

Video: Various Videos "Hey Pastor Billy, it's my honor to support your ministry and every chance I get I will continue to do so. We talk about moving out to Las Vegas one day to serve you in your ministry so as soon as you have a floor sweeping position open let me know. I'm very good at that by the way, as my brother in law allowed me to sweep his showroom floors for several months (he has a flooring company) when I was between jobs after losing my Cabinet installation business back in 2008 and the Management position I have now. That reminds me....if it hadn't been for that period of time with no work I would have never taken the time to go online and find your "Final Countdown" media, which lead me to my friendship with you and your ministry. Then

you know I just had to see everything you had which I am pretty sure I have not missed a message (well maybe one because I was guilty after eating a chicken sandwich). With all these kids and the hours I spend at work it seems I never have time to write my thoughts or other letters that have been on my heart, but I could write for days to you for some reason. Maybe one day, should God allow, we might have an opportunity to fellowship together. You really made an impression on me (maybe its the 80's hair band testimony I identify with) with the message God gave you and I appreciate your obedience to delivering it. By the way how are the folks in Nevada taking to the whole "howdy ho" thing? I think its awesome. Be good Pastor Billy." (Michael from North Carolina)

Video: Various Videos "Pastor Crone, Back a couple of years ago, or maybe longer, I watched one of your videos on God tube about a boy in grade school who wrote an essay on what he thought God did all day. I loved that story and wish I could find it again and share it on Facebook and with other friends if you recall the story and could give me a link to it I would greatly appreciate it. In His Grip." (Larry)

Video: Who Are You Going to Glorify? "Hey....we all need to reflect on this....." (Jim from Ohio)

Video: Various Videos "I'm happy to see that you are posting more messages. Thank you Pastor Billy for your preaching. GOD bless you and all our brothers and sisters in Christ." (Anthony)

Video: Who Are You Going to Glorify? "Hey Pastor Billy - We have been enjoying, "Who are you going to glorify?" Just wanted to encourage you to keep going. You are ministering to my adult children and doing a great job. Take care of yourself and keep fighting the good fight." (Janet from Indiana)

Video: Who Are You Going to Glorify? "Hello Pastor Billy. Thanks for convicting my heart! I do complain too much and I really needed to here the truth that sets me free! Blessings." (Debbie from Nevada)

Video: Various Videos "Thank you very much. I have received everything, and look forward to ordering more in the future!!!! Your brother in YESHUA THE CHRIST" (Jorge from Florida)

Video: Who Are You Going to Glorify? "Hi Billy, Great sermon! Your sermon was helpful in my own preparation for a Thanksgiving message at Asian Nursing Home on Ephesians 5:20 "Give thanks...to God...for all things." I was going to touch on the same topic. I especially liked your quotes on Proverbs 12:25 and 17:22. They may make their way into my message. I have found when my negative attitude starts, and everything starts to go wrong, I'll catch myself, and say a prayer, "Lord, I choose to have a good day from now on." Then the Lord changes my heart from negative to positive and the rest of the day is typically great. I like your concept of focusing on God rather than focusing on the situation. I had something similar going on in my notes, whether Paul tells the Ephesians to speak to each other in praises, hymns and spiritual songs, and I opine that

this makes it easier to Give thanks to God in all things, because we are focused on what is above us rather than what is around us. Which will lead to a more grateful heart. Singing a praise song, or reading the Sacramento Bee and listening to NPR? Unlike you, however, I can't just get told something one time by an older sister, and then easily live the rest of my life with a positive attitude. My sins keep coming back over and over again, and I have to constantly decide on a daily, sometime semi-daily fashion to walk in obedience rather than disobedience. Sometimes I make the wrong choice, but eventually I catch myself and am on the straight and narrow again. Complaining and negativity are two of about 5 or 6 failings that continually pop up in my life. So again. Thank you for the good word!" (Michael from California)

Video: Various Videos "Thank you Pastor Crone for the videos on Youtube on creation. I am a 35 year old man from MN and work as a late night custodian part time for the YMCA. I have worked there for 6 months now and have been witnessing to a young man named Conner. He has a checkered past with the law and has a lot of negative influences in his life. He seems to like our talks about Christ a lot and claims to believe in God. He is having trouble though because his parents never gave him a foundation. I sent him your link on "An Intelligent Creation" and told him to watch it and - to shut off his cell phone so he won't be distracted. Please pray for Conner to open his heart to the Lord. He's a good kid, just needs some fine tuning. I pray your message captivate him and convict his heart. Thanks Pastor, I'll see you in Heaven." (Harlan from Minnesota)

Video: Various Videos "Hey Brother Billy! I pray you had a great Thanksgiving. And thanks for the acceptance. I enjoy you preaching and it's always nice to hear someone preach the truth when so many have fallen away. May God Bless You And Your Family." (James from Kansas)

Video: Various Videos "I Thank the Lord for helping me find your sermons online!!
