Video: Various Videos “Pastor Billy, Thank you so much for your faithfulness to our Lord in teaching and informing the church and the unbelievers about the perils facing us today. I have watched a number of your series and found them not only informative, but also mirroring things I have learned over the years as an Apologist and Pastor. In fact, we play your work to many who visit our Chapel and you have helped in bringing many to the Lord. If you would be able, we would love to have you guest with us on one of our broadcasts. Our network, Rapture Ready Radio, and our show Afterglow, has a very large and growing audience, both in the US and Internationally. We air between 10 and 11 PM Eastern Time every Sunday night. Please feel free to contact me by email or phone. Please consider this invitation. We are truly kindred spirits, Billy, and you would be a blessing to our listeners. Sincerely in the Lamb.” (Chaplain Vince from Pennsylvania)

Video: The Final Countdown “Hi Pastor Crone, I just wanted to offer you a word of encouragement and thank you for your diligence to teaching God's word in these last days. I have listened to you on Dr. Stan Monteith's Radio Liberty program and love your enthusiasm and insight into the end times teachings. There may not be many of us who want to know and hear about God's program for these times we live in but I find Bible prophesy to be most encouraging and your delivery is both entertaining, hard hitting and informative. I have been watching your series on The Final Countdown The Ultimate Version and find it to be spot on. Keep up the good fight as we wait for our Redeemer. I will try to send financial support as God blesses.” (Jeff from Oregon)

Video: The Book of Revelation “Good Day, Hello, how are you doing? Hope that everything is going great that side of the world. Well am just writing in reference to scripture videos am seeing lately on the book of Revelation. It really touch me so much and in many ways. I have had dreams in the past but I did not know what they meant, I tried to ask people around but now i came to realize that its all related to the scriptures. After reading part of Revelation it makes me relate all those dreams to what will happen to the earth. Although am a believer in God it just made me stronger and dedicate more time to Jesus and pray harder. I really want God to bless me and keep me and my family safe through that coming of Jesus. I believe it will happen soon because of all that is happening in our society lately especially all the other evil teaching around us. I like your shows Mr. Billy Crone i wish you can go around the world and help those who are lost in life. Keep believing and praying and teaching the gospel and hope that one day Jesus do forgive us and take us to him. Well just wanted to share those words with you. God bless you and your family and the whole world. Thanks.” (Roberto)

Video: Various Videos “Hi Pastor Crone.. I just wanted to say thank you, my testimony starts with the media you have on the internet, even with all the rubbish on the internet the Lord still uses it to grip the hearts of sinners, Glory to God. Since I got saved the Lord has really guided me down a terrific path. He found me a good biblically based church (small in size but truly spirit filled). We have seen miracles performed by God over and over again, it's amazing. My parents and my sister have also been saved and are now walking with the Lord and more recently my childhood best friend was mightily saved and another is being drawn. I am so glad that the Lord used your ministry to show me the truth and I pray that its effects will be stronger than ever especially now given the times we are living in. I just thought I would share this with you as it is a real encouragement to see what the Lord has done. Again, thank you so much :) God Bless you and your family. In Christ.” (Gary from Ireland)

Video: Various Videos “I don't know if you can help but I emphatically request that you pray for my family and I. We have been watching your video's for quite some time and have been blessed many times over. We have added you to our prayer list and by the, Grace and Power of God, hope to be interceders for you preaching His gospel and truth. We live in Tn., a city located about 30 minutes from Nashville. My brother-in-law and I were in the music business for quite some time and although we were christians, we were the definition of the prodigal son. Thanks to God's love, mercy, and above all, longsuffering, like a Good Shepherd, He brought us back into the fold. We have been searching for a church to fellowship with other believers as the Bible tells us to comfort one another. We believe that God has given us talents in music to serve and glorify Him, however, there are no churches within a 50 mile radius that is preaching the truth. Unfortunately, after much praying, God has not called any of us to preach. In the office of one of the pastors, my sister saw an incredible library of prophecy books. She complimented on the collection and asked him why he never preached on prophecy. His answer was that the people of his church didn't want to hear it. Can you believe it? It brings to mind the passage that says they will search for the truth with itching ears and will turn to false teachings instead. The area around here is full of preachers who are more concerned with what the people want to hear than what God wants to tell them. The church of Laodicea quickly comes to mind. Churches are not growing around here. They pretty much hold the same attendance, people coming and leaving. No one is feeding the sheep which the Lord commands. Fed sheep get fat is our belief. We are not asking you to leave your church of course unless by the Grace of God he leads you here. I guess what we are asking is that if you know of someone on fire for God, who is called by God to preach, and is not afraid to tell the truth of what is going on around us, then let him know that this area is ripe for harvest. Lol,,,he would automatically have a music program and just in my family alone 17 members. If anything, please keep us in your prayers. As you can see, I have come to the point of writing preachers that are on the internet that are not afraid to preach the truth. I feel kinda weird asking you this but I feel God is with you and I felt led to write you. We will continue to pray and share the gospel when the Lord gives us the opportunities. We just truly miss the fellowship and the opportunity of stewardship in the church. We will also continue to pray for your ministry, as I hope you will pray for our situation. God Bless You.” (Mike from Tennessee)

Video: Various Videos “I wanted to thank you for your faithfulness to the Word of God. I have watched many of your sermons on Youtube. They are truly inspiring, and in these days of apostasy, rare indeed! My daughters are all listening to you as well. They are getting so much from your teachings. You are in our prayers, especially as we see the day approaching.” (Patti from Oregon)

Video: Various Videos “hi, pastor billy i was really blessed to talk to you on the phone,i looked on the sermon audio map and it said you were 524 miles, from beautiful russel springs ky. home of lake Cumberland &steve wariner but most of all coffey hill friendship church. hint. thank you for your work . me and my pastor will be looking forward to seeing it. by the way GOD used your revelation series to inspire our pastor to go through revelation we have 3 chapters left. god bless.” (Jerry from Kentucky)

Video: Various Videos “hi just checking in to say hi making sure your ok my favorite pastor your sermons has brought me through some sad times thanks for staying vigilant with the gospel peace be unto you and your family thank you.” (Nelson from Florida)

Video: Various Videos “Dear Pastor Crone, I would like to personally thank you for all the excellent creation sermons and lectures you have done in the past. Your sermons and ministry is one of the main reasons I discarded the belief in evolution and embraced young earth creationism a couple years ago. As a result, I eventually became born again and justified into the Christian faith and was recently baptized into a southern Baptist church in Florida. Thank you! Thank you! I am a classical musician, concert pianist, composer, and former college professor who makes YouTube piano videos and have a large following with over 11,000 subscribers. I recently made my first Christian testimonial video (see link) and am greatly indebted to you for all the great information you provided in my research as well as your insightful and energetic sermons. God bless and thanks again! Sincerely.” (Cory from Florida)

Video: Various Videos “Our church, Holy Trinity Lutheran Church, doesn't seem to teach biblically like our friend Pastor Billy. Also, ours has gone totally political. I'm sad to say. We've started looking for a new church, which is surprisingly hard. We've listened to a couple of other pastors' online sermons for local churches. We've found them taking the scripture out of text to fit their own needs. Could you please give us a couple ideas of churches in our area that preach biblically, not all politics and a couple of hymns and service is over? We really want to bring our children up in the way of the Lord. I think this church might not be the solution though. Thank you so much.” (Candie from Pennsylvania)

Video: A Judged Creation “I'm enjoying your You Tube video: Hi-Tech Society Before Noah's Flood, Part 1. I wish I could visit your church, but money is tight right now. I may have to move, and I wonder if I could find a cheap house there in Nevada near your church.” (Wendell)

Video: An Intelligent Creation “Dear Pastor Billy, I have heard/seen one of your DVD’s called Design of One Universe and One Human Body which was excellent. I am a Christian and think these sort of messages have more impact than the normal gospel message type, as many people these days (in England anyway) have been lead away because of little or no facts. Creation is a good starting point. I was wondering if you have a catalog of similar titles, plus people are more likely to watch a DVD than a booklet or a track. Would like to use them to give out to individuals, shops, and in coffee shops etc...I would like to us them as tracks. I am only a working man and can afford tens and twentys now and again but I would like to set something out. Not opposes the sacred cow of evolution. To Our Lord’s great Salvation.” (Terry from England)

Video: The Final Countdown “Aloha Pastor Billy. We had a Fantastic time...your church is very hospitable and warm (in more ways than one..LOL). It was great to talk with Byron...very nice Brother...I wish we had more time, but at least I know where you're located now. I was so glad to finally meet you too, and will have to tell the others...we just love your messages, especially on prophecy. Yes, if you and your family ever come to Hawaii, please be sure to let me know. We would love to take you out for a nice dinner or brunch...and I'm sure the others would like to meet you as well. God Bless....and MARANATHA! Aloha.” (Woody from Hawaii)

Video: The Final Countdown “Hey Billy. We are enjoying the Ultimate versions. So glad you went back to The Final Countdown with more updates. The "Ultimate" Version with soon need to be "Super Ultimate", as the pangs are accelerating. The storm on the east coast, "derecho" was very different. We have the horrible heat here in Indiana, but only got a taste of the derecho. I couldn't believe how quickly things changed. It was an excruciating hot day, nothing but sunshine. All of a sudden, and I mean ALL OF A SUDDEN, I realized I had to turn a light on to read. I looked outside and it had become dark and the temperature had unbelievably dropped in just minutes, with a strong wind kicking in. None of this was predicted. A derecho is like "a hurricane on land". The fact that it rolled in so quickly made me feel like another facet of the judgment is that what we smugly could predict before, can no longer be predicted. We are fortunate to have air conditioning in these high temps, so many in the D.C. area do not. We have family there and they have gone thru hurricanes and ice storms, but said they have never seen anything like this. Anyway, Billy, you are doing a great job and we Hoosiers appreciate you!” (Janet from Indiana)

Video: Various Videos “why cant we have a lot more pastors like you preaching gods word telling things like they are people has turned a death ear to our lord . an doesnt want to hear it .i tell everyone i speak with we have ran out of time. they look at me like im crazy or ignore me how do i break through to let them know time is short more shorter than before. i pray for everyone everyday no matter who they are theres something inside of me that wants to explode the good way. of course sometimes i just want to start running and never stop theres a burning inside i cant control since " "thank . the lord for you billy crone me and my wife listen to you on face book and you tube. i know jesus is using you in a great way in these last days. pray for me . we will pray for you and your family. and all the world who is lost. thanks. god bless you.” (Harry & Linda from Ohio)

Video: Various Videos “I LOVE ur style of teaching and use it with the youth, college and carrer classes. It is time for Christians to stop sipping milk and start eating meat (get serious about their faith), the time to endure sound doctrine is now...lest they fall away from the truth. Redeem the time, for it is short! Bless you and I really hope I get to your church one day. Until then I will join you in faith and prayer! Thank you!” (Joey from Virginia)

Video: Various Videos “Pastor I just want to say hello and tell You how much I admire everything you are doing for the Kingdom of God, you are an inspiring preachers and we definitely need more of you in this lost world, stay encouraged and many prayers go out to you and your family, God bless y'all in Nevada from a dear sister in Christ from Texas!” (Maribel from Texas)

Video: Various Videos “Just wanna say that I love U Uncle Bill. I really enjoy what U know and Ur probably my biggest influence on a lot of what I think about (and Tupac lol). But just know that U are helping more lives than U can see. Thank U for being a positive influence.” (Isaac from Kansas)

Video: Various Videos “hi pastor billy, thank you for the dvds have watched and passed on to my pastor .i know he will keep them going. wanted to say i heard your interview on rapture ready , was really good. i know you are busy ,but i have a ? . do you know where i could get a list of the bible criteria for choosing a pastor. like absolute essential doctrines , & red flags to look out for. we are getting older and too many churches don't prepare for the future. any advise would be appreciated. GOD BLESS.” (Jerry from Kentucky)

Video: The Final Countdown “Dear Pastor Crone, How are you and your family? I trust and pray you are well and God has blessed you all daily. I have written to you before, I am from Australia, and one day I hope you will be able to come here to preach Gods word. Here in Australia the church is asleep. No one is preaching that we are living in the end times and the signs that this is so. Therefore if we at this time cant have you here in the flesh, I would like to purchase the New Ultimate Countdown series. I trust it has been completed. Paul and I intend to screen it at our church when we start the night services (we have been given the go ahead by the elders, much to the senior pastors disgust.) So because we intend to do this I would like to purchase the original copies. I am not sure if you have completed the message, as i dont get on the computer as much as i used to (i am working, but intend to cut my hours back now the night service is going ahead.) Please let me know how you are going and how soon I can purchase the whole series. In the meantime I pray that our Great God will bless you and your ministry as you continue to spread His Gospel. Your sister in Christ.” (Annette from Australia)

Video: The Final Countdown “Hi Pastor Billy. I have just been watching The Final Countdown "The Ultimate Version" Part 7 - The Rise of Falsehood Part 4 that you sent to me the other day. One thing I noticed that has got me thinking every so called channeler on the clips you shown " channeling " all for some reason tried to speak in a English

accent. So I did a bit more research & found many others on youtube all doing the same thing, but the one thing that got me most of all is WHY do all these so called channeled beings all speak with such a BAD English accent! It comes across so badly its like a Russian impersonating Elvis. Oh by the way the whole series up to now is fantastic. God Bless.” (Gary from England)

Video: The Final Countdown “Dear pastor Billy, I’m the senior pastor of an Afrikaans [like Dutch] speaking assembly in Vaalpark, South Africa, - already 34 years in the fulltime ministry and from my youth an eager student of the end times, preaching many series on the topic from time to time. I’ve come across your presentation of the ‘Final Countdown’, and as I do not want to reinvent the wheel, I kindly ask your permission to show the videos to my congregation during our midweek services. I’ve downloaded it from your site. Will there be any objection of we also distribute copies thereof, profit free, amongst our people? Thank you for your fearless message and the stand that you take for the Lord! Kindly awaiting your reply!” (Dries van As from South Africa)

Video: The Final Countdown “Hi Pastor Billy. :-) It's been a long time since I sent you a message. I'm the one from Duluth, MN who was chicken juiced by my little boy about a year ago. :) I don't expect to be remembered. :) I know your busy. :) It's been a while since I tuned in but I tune in once in a while. :) today as you were speaking on the vegetarian movement thing. :) I was reminded of this photo I seen a while back. Not sure if you seen it or not but I thought this was a little interesting. :) Thank you for your services you post. It really encourages my walk. I'm scared at the same time. Meaning I'm scared of the secrets and things our country has. Thank you for being a bold follower of God. Video: The Final Countdown “Seriously, I'm enjoying your countdown very much, and just today I was remarking to my husband about the surge in male bashing. Commercials and sitcoms and a new reality show about wives and mothers who leave town to see how those clumsy, clueless dimwitted males manage. Lovely message being sent to our young women. Thank you again for your teaching.” (Susan)
