Video: Various Videos “I had gone to your site with the intention of purchasing your entire creation series, and I was expecting to find that you were charging some outrageous amount for each individual volume. When I saw, however, that you were charging nothing at all, not even shipping and handling fees, I was very pleased and said to myself, "Well if anyone deserves a donation it's these guys." I debated then about how much to send and each amount I came up with didn't seem to be enough. So I increased the amount until I felt that it was an amount that would adequately express my thanks to you for all the work that has been done and also for making it freely available to everyone. After I finish the series I intend to look into your other studies. Thank you again for all that you do. God bless.” (Joshua from Michigan)

Video: The Final Countdown “I am a missionary in Malawi, Africa, and am here on summer vacation. Before coming over the Lord led me to begin teaching about the end times. This morning I was privileged to see one episode in church as God was leading the pastor here to also begin on this topic. Our pastor showed the first DVD yesterday about the Jewish people, I received the website address and pulled up your page. He had the two sets which are shown on your page, so I requested both of them. We will be leaving here on August 15th, and will be gone for another year - unless He returns before then! Again, thank-you so very much for responding so quickly! Thank you so very much for these very timely teachings! May God bless you!” (Nancy from Africa)

Video: The Final Countdown “Hi Pastor Crone, I have been following your series and would like to request a copy of the declaration speech about Jesus that you gave when describing what a Christian should say and feel when talking about our God. Video: Various Videos “Hi Pastor Billy, I was able to catch your live sermon today, (I forgot about the time difference from the south Florida). I finished the RFID series. RFID technology is currently being used in my company, Varian Medical Systems, the Calypso product line embeds the RFID devices into cancer tumors to identify tumor movement during radiation treatments. The devices remain in the patient after all treatments are complete. Hey, please tell me what is deal with you and chicken? Every time you preach there is a reference to chicken. I love the opening video to the discipleship training. It speaks to my military background and Christian philosophy as well. It is not in me to allow the world to beat me down because of my faith and not defend myself or my GOD, I know it is not what JESUS would do and so my training continues.... Respectfully in Christ.” (Brian from Florida)

Video: The Final Countdown “Know that you are not alone in your faith. Your sermons are a blessing to thousands all over the world because the truth cannot be silenced! Be strong, the count is almost complete. No doubt Noah was not only despised but they also tried to silence him for itching ears. God protected him and blessed him right through to the end. Just as it was then, God's mercy can be seen through preachers being raised in these days to warn to repentance and life. If God is for us, who can stand against us?” (Henk from South Africa)

Video: The Final Countdown “Hi Pastor Billy!! I am amazed at your video series The Final Countdown. I just started a page on FB on Common Hearts Ministries doing an on-line Bible Study and we chose to take a look at End Time prophecies....we all feel a sense of urgency in the spiritual realm and to be aware of the very things that are happening in our world today. Blown away by the Jewish prophecies....Anyway, Wondering how i could a hold of a DVD series by chance to do a small group study in our church....you and your staff have done an excellent job at going in depth and showing us what is

happening right before our very eyes....it has put a fire in my heart and has caused me to get more serious about my faith and impact it has in our world today. Have a super blessed day Pastor...and THANK YOU so much for preaching God's Word in season and out! Sincerely.” (Dee)

But, they got more important things to do. They have heard it all before some of them have said. That could change, and I believe it will, based on your series. Thank you.” (Paul from Alabama)

Video: Various Videos “I just viewed one of your DVD's and it taught me so much, I did not realize there was THAT much evil!” (Janice from Florida)

Video: Various Videos “Thank you so much! I love you pastor Billy! My goal is to put this before the eyes of my coworkers as a resource to reach them, and give them great causation to fear the God who HAS judged, and WILL judge again. And I'm greatly encouraged by both your method of teaching and content. As unorthodox as it is, it really sticks, and I feel the fire of your enthusiasm, it makes me want to evangelize. And when and if I get this second job, as I had an interview today, I can't get more work, and then buy lots of other series as well. Thank you for your faithfulness. Sending them a link, and putting a DVD in their hands can have different effects. I know because my earliest encounter with repentance came to me through a DVD by a friend of mine. Lots of videos on the subject couldn't compel me to click. But to put one in and watch it, is more of an earnest call for my attention. That DVD was They Sold Their Souls for Rock and Roll, and that week, as a total pagan, I turned to the God I knew and prayed to be relieved

of my desire to listen to all the demonic metal that I did. I ripped the posters off my wall, neglected my CD's, and t-shirts. I never returned. That's the power of faithfulness in action mingled with the Truth which liberated me from satanic bondage. And 3 years later I became a Christian when presented with the encouragement to read the Bible. So, I'm convinced with the formula, I'm hoping God will do the same for my co-workers. God bless you brother, and your whole ministry and household!" (Aaron from Wisconsin)

Video: The Final Countdown "Thank you so much for putting your sermons on you-tube (especially the Final Countdown ones). They have helped me so much to see clearly what is actually going on. I have read Revelation a few times but never really understood what was going on. Your messages have opened my eyes. I finally see clearly. I initially was just browsing videos about how archaeology supports the Bible and I actually like archaeology documentaries, even more when they are about the Bible." (Hannah from Idaho)

Video: The Final Countdown "We look forward to getting your DVDs. I watched the first two on You Tube and they were so well done that my husband and I wanted to use them in our neighborhood bible studies. Some of the people that come to these studies, (there is a men's study and a lady's study) don't attend church anywhere and some come from churches where there is little if any teaching. It is awesome to see neighbors that you have known for a long time grow in His Word. It is exciting to see what God is doing with Israel....my husband looks at Israeli news every morning as we know that the time of the Gentiles are coming close to it's end and God will resume His work with Israel. I sent two of your You Tube videos to our three kids and another friend. We will be keeping the ministry that God is doing through you in prayer, In our Lord Jesus." (Paula from California)

Video: Various Videos "I have enjoyed your humor and presentations. I liked the New Earth/Dinosaurs DVD and the End of Days DVD. You are very good at your presentations. God has blessed you. Thanks." (Dr. Lance from Colorado)

Video: Did the Bible Really Come from God? "May our Lord and Savior Jesus Christ continue use this ministry for His Glory. Thank you so much." (Kyle from Pennsylvania)

Video: The Final Countdown “The final countdown, God spoke this word to me about 2 years ago, I am at the Baptist Church in South Africa, Praise God.” (Noeline from South Africa)

Video: The Final Countdown “Praise be to God and to his Son, Jesus Christ! Also, thanks be to Him who was, who is, and who will always be for guiding us to your webcasts, particularly the Final Countdown series. Pastor Crone, your messages have done what I thought was heretofore impossible - reignited the religious fire in my heart that I long ago thought was squelched. Jesus IS Lord, He IS coming back, and it WILL be soon. I have attended many churches, including Nazarene, Christian, Church of Christ, Baptist... and they pretty much all had the same effect on me - a "deadening" if you will. Not one preached the most important events of our times, that being the glorious and terrifying return of our Savior. The entire curriculum (for lack of a better word) seemed to be cyclical, certain "stories" at certain times with no urgency to save souls until the final four or five minutes of the service when the invitation was given. Having been one of those "invitees" long ago in Bossier City, Louisiana, I could empathize with those who may have wanted to come forward but were afraid they would be the one to delay the exodus of the congregation for that week's pot luck, or the kickoff of the big game. Thank you very much for your words, your fervor, and your shared indignation at the loss of God in our country's leadership. My wife has a similar "new age" testimony to yours. We feel your ministry is of vital importance, and after praying and talking about this, we would like to know if membership-in-absentia would be possible. We "attended" your service last Sunday 8/4, and from your Final Countdown videos we already feel a kinship to Kenny and Al and Ruth. :) Our daughter, Emily (age 13), also wants to let you know she loves your jokes - all except for the one about the goat and the railroad tie. She would like you to know that she thinks you're the most humorous pastor she knows. Thank you again for making available your videos. Yours in Christ.” (Tim and Melissa from Montana)

Video: Various Videos “You are awesome. I love to hear you talk.” (Mieke from Georgia)

Video: The Final Countdown “I have been very blessed by the free DVDs on the Final Countdown I've received from this ministry. I received unexpected money recently and want to help with the costs associated with mailing out the free materials. God bless you.” (Tammy from Oklahoma)

Video: Various Videos “I am excited to study with your DVD's. Thank you for the studies.” (Marion from Arkansas)

Video: The Final Countdown “God bless you and your family and your ministry and your church.” (Macy from Texas)

Video: The Final Countdown “Still the best series I have seen on Bible prophecy. Thanks.” (Paul from Georgia)

Video: Various Videos “So... I have always been interested in Christian faith, from the time I was a small boy my mom told me about Jesus and what he had done for us. I had always had a hard time in school holding on to my faith because I had excelled in math and science which had beaten into my head that God wasn't real... this continued through college with philosophy and other topics... my problem has always been that I could never quite buy into the pseudoscience crud my teachers tried to force me to believe but at the same time all those years of "education " left me damaged in what little faith I had left...one day I was at work running through YouTube and I came across you're video and I listen to your sermon in the background while I worked.... and the more I listened the less I worked... and about 20 minutes later I found myself with my headset on and your video full screened.... it made sense... not like the fake stuff in school or the feel good stuff I was fed in the churches I had tried... it's helped me get back on track... I've began reading my Bible and asking for the forgiveness I don't deserve from my King and Savior Jesus for ever doubting Him... I even started streaming your final countdown series to my Xbox on my main TVs and watching with my girlfriend... thank you for helping me. Please please please keep up the work of God it helped at least one guy in Pennsylvania.” (William from Pennsylvania)

Video: Various Videos “Hi Pastor Crone, I came across your work while doing research on the pre flood world. Keep up the good work. I got a few of your ministries DVDs and when I get back home to South Africa from the USA, I am going to try and spread it like wild fire. May God bless your great work.” (Oliver from South Africa)

Video: The Final Countdown “We would like to use these teachings in our Bible study on end times. Blessings in the name of our Lord Jesus.” (Stefanus from New Zealand)

Video: Various Videos “Pastor Billy, we really enjoy your teachings. We have no church to attend here as they are filled with false doctrine. So we just watch and learn from you and God's Word. Thank you for being obedient, brother.” (Greg & Nona from Wyoming)

Video: Why Should I Study Bible Prophecy? “I love brother Billy Crone..I tell everyone he is Billy Graham on steroids...” (Michael from Michigan)

Video: Various Videos “Hi Pastor Billy!! Just wanted to drop you a line and tell you how much I and my twin sister love to watch your video's. We are learning so much!!! First let me explain that prior to my getting saved over 4 years ago (around May 2009) I was the party animal type, that was my main focus in life was working hard during the week so I could "party hardy" on the weekends. I really thought that was what life was all about...that and obtaining as many material things as you could get your hands on even if it meant putting yourself into debt..I also loved....hard rock music and country ..Well a funny thing started to happen to me.....One thing we loved to do was fill up our cooler with booze, and take our little boat (dingy) and listen to old time rock music and literally just circle around our lake drinking ourselves into oblivion..One dayAll of a sudden I started getting this weird feeling that something wasn't right.....I was convicted although I didn't realize that's what it was at the time. I had never felt that feeling before and I couldn't shake it. It was almost like a creepy feeling (hard to describe) I also started

getting this hunger for some sort of truth in life....like I really wanted to know what was really going on in the world - so....I started looking things up on the internet and getting into conspiracy type theories which led me to bible prophecy - It was probably 2 years that this went on. I actually started reading my bible and even probably would have called myself a Christian if you'd have asked me. I had a neighbor lady (Pentecostal) lead me through a sinners prayer on her porch one day when I was going through a hard time. I don't really even remember what I prayed to be honest. But ...I kept searching and I even started praying. I remember praying for God to show me the truth. Then....I started listening to this guy that did a biblical current event study every week. It was two hours long and I listened intently and I finally Got it!!! Praise God - I mean I reaaaaalllly got it. I had NEVER actually heard or understood the gospel until then. So even though I considered myself a Christian before that ,I absolutely know I was not saved until I understood the gospel. My worldview literally changed overnight!!! I quit drinking, cussing, taking pills dressing like a floozy etc..Also never had any withdrawal symptoms.. I thought completely different, it was almost like a download of information.... I was soo happy and also distressed at the same time...because I had realized that everything I knew was a lie and I had been deceived. Also I remember in one of your video's you saying that you actually physically saw things a little brighter - I don't think I ever told anyone but the same thing happened to me....greens seemed greener and blue's seemed bluer almost like a color was more crisp or something....anyway... Also right after I got saved ..I had this experience where the presence of God was so strong..it was just this sense of awe, where any doubts that may have lingered were gone..I mean GONE...It was not a physical thing it was totally spiritual..I will actually never forgot that day.. My twin sister and I got saved and had the exact same experience also so was so neat for us to call each other and talk about it. God is so GOOD!!!! My husband thought I was nuts!!! I let him know unequivocally that I was following Jesus and my life has changed for good!! I threw all the alcohol out of my house and got rid of all my music. I literally couldn't listen to it. I completely changed the way I dressed. I'm really surprised my husband didn't leave me...he didn't though...he actually started listening to me :) I made my husband listen to the gospel too. It took him a while but he ended up getting saved too praise the Lord!! Not to criticize anyone, but nobody at our church has any idea about the kinds of things you teach in your Final Countdown series. I mean if you even mention any of that kind of stuff they shut you down immediately like you are some kind of...well. ...conspiracy theorist!! They have no idea about any of the false churches or the new age movement or any of that kind of stuff. It's very biblical doctrinally speaking but nobody wants to talk about what's going on in the world - like they think the antichrist is going to just jump out from behind a tree one day or something. My sister and I know about things because we research everything. I mean I realize we don't need to dwell on those types of things but I don't see what's wrong with keeping up with current events in light of bible prophecy. For me, it's a faith builder to see the Word of God come alive through things that are coming to pass. If someone tells me I need to be a certain way...I want to know how to get there etc...That is why I love your video's so much, you don't leave me hanging or wondering how to get from point A to point B. God Bless.” (Amy)

Video: Various Videos “Hello Pastor Billy, I learned of you on Dr. Stan's shows, and have since tuned into your Sunday morning services, love them, your funny jokes to start the services are great. Your church seems so down to earth, very welcoming. Anyway, we are relocating to Stockton, Ca. area, and are wondering if you know of any good, well grounded churches in the area as we are new Christians and have concerns about churches falling short in teaching all of God's attributes. We're not far enough along to be able to discern a good church, teaching sound, complete doctrine to prepare us as Christians, do you know what I mean? Please let us know, Any help, or suggestions to find a good church would be great. I will continue watching online as well. Thanks so much for being a faithful watchman. Peace of Christ to you! God Bless you and yours! (Rob from California)

Video: The Final Countdown “I have received a ton of info from watching on youtube and would like to be able to go back and review info quickly so I can pass on the correct info. You have done a ton of research and all your time will be rewarded for the lives I know these videos will change. If you aren't willing to die for Christ today, you will never live for him. The time is now. Trusting fully in the Lord.” (Mike from Tennessee)

Video: Various Videos “Pastor Billy, the kids absolutely love watching you every Sunday morning. Before church, we have church as a family with Billy Crone. I wake them up early by walking through the house calling out "It's time for Billy Crone." Then, they quickly rustle into the living room with their blankets in tow, ready for what God has to share through you. They have learned so much and you make the Word of God relevant to today. We praise God for you and your ministry and a special thank you to your church and family for sharing you with us too!" (Rich from Texas)

Video: The Final Countdown “Thanks soooo much for The Final Countdown series! I couldn't put it down...watched 5 in a row until my brain was about to explode!! I am telling everyone I know about it!!!!” (Leisa from Texas)

Video: Various Videos “Hi Pastor, your sermons are *fun*. I can no more stop watching one of your sermons than I can stop breathing. There's never been a minister like you! Keep it up. God bless you.” (Tom from Wisconsin)

Video: Various Videos “Hello there Pastor Billy, my name is Anthony from San Antonio, Texas. I'm 25 yrs old and i've been saved going on a year now, but i've been following your sermons for about 3 years now. It's been such a blessing..! From the final countdown series to your teachings on creationism and discipleship, these have been wonderful tools for me to spread the Gospel. I can honestly say that it's because of your teachings that I ultimately decided to give my life to Christ. I was a heroine addict for eight years and I thought I was going to die a heroine addict. Little did I know about the miraculous healing power of Jesus Christ and His love and salvation, I'm now serving

God with all that I am, street preaching, outreaching in my city and in others, it's amazing to see what God's doing through His church..! I've been blessed to have taken under the wing of my pastor who is now diligently discipling me in the ways of the Lord. (he also enjoys your sermons) But it was you who drew me to the Lord and me and myopia wife thank God for you Billy Crone. I hope to hear back from you, it would be unbelievable to be able to consult with such an anointed man of God. We pray God continues to use you to reach lost souls as you did mine. Sincerely.” (The Palm family from Texas)

Video: The Final Countdown “Pastor Crone, I wanted to write to you and to express my appreciation for your teachings on Bible Prophecy, the Final Countdown. It has really been a blessing to me to watch these videos. The Lord has used them to show me many things about what has been going on in the world and even things going on in my own life that I did not see or understand until I began to watch that series. Thank you for posting these on your site so that people can download. Just to give a quick background of myself. I was born and raised in a Christian home, but I strayed away from God at times, I was heavy in the occult and belonged to the Hermetic Order of the Golden Dawn/AO. Which, incidentally the leader is based near Las Vegas. I was in the highest grade that I could get and I worked very hard within the organization. I was also a physical initiate of this group too. I was a very active member up until about 2 months ago, when all of a sudden I began to challenge everything I was doing, rituals, learning all the material I had to memorize, a lot of which the New Age groups took and distorted even from that. Anyway, I finally was freed from that wicked lifestyle and turned back to the Lord 100%. This has been a true miracle. It took 2 days for me to go from a practicing Occult magician to a fully repented Christian. I threw out all my occult material and my magical implements and books. I thought it would have been difficult, but I found the Lord has been there for me as well. Although, I have been dealing with suicidal thoughts for some time, but i do feel that these might be due from the spirits that I invoked over the last 4+ years that I was working with. Well, I just wanted to write to you and thank you for everything. Even reading this comment means a lot. YBIC.” (Terry)
