Video: Various Videos “Pastor Billy, I was in the Air Force for four and half years so thank you for having a Bible believing church right near Nellis AFB. I'll be praying that God is leading the airmen to you. I have been saved since I was a child, I backslide from High school till my early twenties and I was revived at an Independent Baptist church right outside of Whiteman AFB. I am baptized as an Independent Baptist and have been going to those churches for a while. I currently reside in North Carolina and I am friends with a family who was watching your series on "The Truth About Dinosaurs" We watched the segment "Are Dragons Really Dinosaurs?" and I was so excited because I completely believe everything you are saying. I went to a public high school and I am now in a secular college and last semester I wrote a paper questioning why creationism is not taught in public schools. Since I could tell you are a preacher that actually has Jesus I explored your "Get A Life Media" website. Thank you for having free information out there! God is so amazing because I came across your series "UFO's The Great Last Days Deception." I watched them all in just a few days. I got chills while watching it. If nothing else I hope you find this email encouraging because I am glad that you are putting a spot light on the dangers and evils around us. There is a lot of evil out there but I am just so thankful that when I felt afraid and did not know where to turn that God answered my prayers through your website. Genuinely.” (Carissa from North Carolina)

Video: The Final Countdown “Billy, I wrote you about a month ago about coming to your church with some friends from the Phoenix area. Your teachings have been such a blessing to us and we have used them several times in our small group studies. Thank you for all of the time and effort that you invest in your ministry. God Bless you and your family.” (Gary from Arizona)

Video: The Final Countdown “Hi Pastor Crone, I just watched your ecumenical sermon on-line with my kids during our lunch hour (we homeschool.) We really enjoyed it, and look forward to watching the rest of the videos. We attend a church in our town, and get quality teaching, but your sermons are a welcome addition to our bible study! Thank you.” (Amy)

Video: The Final Countdown “Pastor Billy Crone, I wanted to let you know that a friend/co-worker at work has a Mom that bought him your DVD set of The Final Countdown. He has told me about it & loaned it to me to watch & even though I have only completed the 1st DVD of Vol. 1, Disc 1, I am quite impressed. Even more so, I am surprised that preaching like this comes out of Las Vegas. But, I guess we're (The Brethren) all over the place. I thank you for your time, & GOOD JOB Contending for the Faith! In Jesus' name. (Tony from Kansas)

Video: In the Days of Noah “Grateful for this blessing. Pastor Crone has been a huge blessing to me. I stumbled across him a couple of years ago on YouTube, and have been thoroughly blessed. Don't ever compromise the preaching of the absolute word of God and of the pure gospel of Jesus Christ. He, Christ, is your sure reward. Forget what the world has to offer! They need to hear the Good News. Stay faithful, brothers & sisters. Lord bless you and your families at Get A Life Media.” Eric from Kansas)

Video: Various Videos “I've been listening to some of Pastor Crone's sermons online and absolutely love the fact that he actually preaches the truth! I'm finding it increasingly more difficult to find a church in my area that is preaching truth and I wondered if your church would have any recommendations for the Phoenix, Az area (Specifically Goodyear, Az)? Thank you so much for your time. Sincerely. (Kirstin from Arizona)

Video: Various Videos “I really enjoy your sermons and I am looking for a church similar to yours but in the Greater Los Angeles area. I have been away from church for many years do to lack of trust. You have helped me overcome that. If you are able to recommend a church or know of one I would appreciate it. Thank you so much. I live in Downey. Keep up the great work.” (Mellinda from California)

Video: The Final Countdown “Dear Billy...I just want you to know how much I appreciate the final countdown series. ..and the updates too...I'm a 61 year old carpenter/cowboy guy. .The world is changing faster than I can keep track of...Messages like t he ones you have put together make me feel.like I'm not alone..Thank you very much. This age is for sure coming to an end. ..sometimes I wish I could do something to make a difference. ..then I realize all that matters is bring a vessel to deliver the good news is enough. ..One day I will shake your hand in holy fellowship...All the best...and thanks again for the updates. ..I know you might laugh...but i really like the guitar riff entry thing too...lol And that comet deal too...lol Keep up the good work.” (Ted from Colorado)

Video: Various Videos “Pastor Billy, my wife & I have been listening to your sermons for approximately five years. We really appreciate all you do.” (Jeff & Lora from North Dakota)

Video: Various Videos “God bless you sir! I can't stop watching. Video after video. I am unaware of anything close in Abq, NM that has taught about what is ahead as you have. Are you aware of anything in my city? If not that's OK I will tune in to you streamed. Anointed sir! May those that can't see, may God take the blinders off with ministries like yours affecting people like me. Sincerely.” (Steve from Arizona)

Video: Various Videos “I cant express how much I enjoy your sermons. you are such a blessing your humor is like my family growing up. oh and I have two jammin weiner dogs, and who says God has no sense of humor those two remind me every day! my question is we are in MAINE its such a beautiful state, we are going to your event in NJ do we need to register before hand cant get answer? please get back. I also share your jokes with friends they love as much as I do! Bless you!” (Bonnie)

Video: Various Videos “I do praise God for the work He (God) is doing through the ministry. And wanted to add I do love Billy's style of preaching...the joke at the beginning, yes even the sarcasm, and the research he pours into his sermons. I got my brother hooked on watching Billy and when he calls me he says "Got my Billy in this weekend!" lol And I only tell my husband part of the joke and of course he wants to hear the rest of it but I tell him sorry you will have to go listen to the sermon so it will be told right and be funny. So far he has not bothered...keep him in your prayers. Listening and

doing are two different things but if I can get them to listen the Holy Spirit will do the rest! We need more Men of God in this world! God Bless, have a Wonderful day!”
(Paula)

Video: Various Videos “My name is Keith and I live in Minnesota. I've been watching your YouTube channel since 2007. I've always wanted to just say thank you. You'll never know on this side of heaven how much the Holy Spirit has used your sermons to tear me down, build me back up, and bless me. Being alone, with no family, and having EVERY friend abandon me because I take Christianity "too seriously" (even Christian friends), I've come to rely solely on Jesus for everything. (Which comes in handy since I'm now unemployed.) But, Pastor Billy, I'm the most blessed man you'll ever meet! Jesus IS everything and I'm so happy and content! By the way, your Final Countdown series has been a phenomenal tool for sharing Christ and showing people the depravity of man and their need for a Savior. Keep doing what you're doing, brother. You're making a difference. God bless and keep you. Love in Him, from a member of your YouTube church family and one who keeps you and SBC lifted before the Lord in prayer.” (Keith from Minnesota)

Video: Various Videos “Dear Pastor Billy Crone, I watched you talking to Gary Stearman on Prophecy Watchers and after that I looked on the internet for the Final Countdown series and those on Ufo's. I downloaded them all to my computer. Great great stuff. I am a widow of 67 in the Netherlands, no church to attend here, it is often very lonely. But the Lord is good and gave me great teachers through the internet and many Christian contacts through the internet. I am a re-born Christian since 1976. I sent the lincs from your Final Countdown and Ufo the great last days deception, to my 5 grandchildren, all boys, the eldest is 24. I pray they will take all the teaching at heart. My daughter and son are re-born christians but unfortunately they both married unbelieving partners. Although they both (daughter in law and son in law) heard the gospel explained to them long time ago my son in law even is baptized, so they know what to do. We can't see their heart. I pray for them. God bless you Pastor Billy, and thank you for all the excellent video's and your work for our Lord Jesus. In Him. (Ricky from the Netherlands)

Video: Various Videos “Pastor Crone i would like to inform I'm from Aruba and I've been blessed with your sermons. I did share sermon around. Your sermon help open a lot as a Christian.” (Margie from Aruba)

Video: The Final Countdown “We are several women who come together for Bible studies and we watch your sermons on youtube. We are very encouraged to watch them and we think you are one of the rare pastors who are preaching that we are in the end times. Our church just recently went through a split, because our pastor, also believing in end times, wanted to proceed with church discipline concerning a member living with his girlfriend. Our pastor was outvoted unanimously by the leadership to not send any such letter designed to tell this member to repent from this lifestyle, otherwise he would not be allowed to return to the church. Since all seven counsel members voted against such an action, our pastor said he could no longer pastor our church if the leadership was

unwilling to follow this Biblical principle. Our pastor resigned. We are all deeply sorrowful about our pastor's decision but agree with his stand and so many of us no longer attend this church, which will probably fold since we were only 30 attending and there are so few remaining. In the meantime we have tried to find another church with the same understanding of being in the end times, but have not found one yet. So we are thankful to be able to watch your videos as we continue to seek out God's direction for another church. May God bless you and encourage you and your church. Your message needs to be heard and we are glad that we are able to hear it. The videos are well done, very professional. Even though our church has gone through such an ordeal, and we are shocked by members we thought would never act in ways that they have acted, we console ourselves by remembering that this is what Jesus warned would happen in the end times. It means that God is judging His household, it is spring cleaning time, which begins with us first, (1 Peter 4:17) meaning we are truly nearing Jesus' return. Maranatha! Thank you again for your ministry. God bless you! In God we trust.” (Gwyne)

Video: Various Videos “Pastor Billy, I love listening to you via the internet. Loved your PITN interview. It's about time someone has the guts to name names of the corrupt preachers. Thank you and God Bless you for what you stand for.” (Robin)

Video: Various Videos “Mr. Crone, Spenser and I'm a 25 year old sergeant in the Marine Corps and my wife and I love your messages on YouTube. More and more we find ourselves watching them instead of going to church here in California. We just finished watching your testimony and it brought back all the memories of how God brought me to the light, and my wife a few years after. You sir, have been a Light in a dark place for us and I want to thank you. It's good to know that my wife and I aren't crazy with the feeling in our hearts and I've learned far more from your messages than most church sermons we've been to. You've helped us leave churches that weren't for Jesus and given us a determination to try and spread the word. I know you're a "busy" man and I don't like that word from one of your messages hahaha but I understand, in your case it's the good kind of busy. Mr. Crone, may you continue to be blessed by The Lord. Thank you.” (Spenser from California)

Video: Various Videos “Hello, I have been watching your You tube videos and I thank God for your ministry. I cannot find a church like this where i live wish i could be a part of your church. I am writing to ask if you would pray for me as i am struggling with something i really appreciate your ministry. Thank you in Jesus name Amen. Best Regards.” (Tricia)

Video: Various Videos “Pastor Crone I am here in Korea teaching English. I just wanted to tell you how much I loved your videos on UFOs and demons. The message was powerful and supported by lots of truth and evidence. I am a new Christian and I take your message to heart that was at the end of the video. Sometimes I am very weak; however, I understand that the wages of sin is death. I have to admit that I have an immense fear of going to hell. Say a prayer that I will be strong please. Thank you and have a wonderful day!” (Andrew from Korea)

Video: Various Videos “Billy, my wife and I along with a friend are driving up from the Phoenix area specifically to attend your Sunday morning service. I would also like to invite you and your family to lunch after church. You choose the place and we can meet you there (my treat of course). Your ministry has been such a blessing to us, we would just like to talk and be a blessing to you. Thank you for all of the effort devoted to your ministry. God Bless you and your family.” (Gary from Arizona)

Video: Various Videos “I just want to personally thank you for your obedience to the Lord and keeping to the word. You see, your obedience has enhanced my blessing! I’m referring to watching my wife’s foundational spiritual growth really gain ground, rapidly. When watching someone pursue God with ALL they have and are in their complete being, letting God adjust their world view, belief system and values, to HIS way, HIS view, HIS Life for you, it simply cannot get more exciting! Blessings back at ya! – I’m looking forward to the day we get a face to face. On the field, and in His service.” (Matt from Ohio)

Video: The Final Countdown “Dear Pastor Billy...After watching all 50 of your Ultimate Countdown messages (and starting on the updates...) I wanted to tell you how much I have enjoyed them! In these Last Days, I find that not many people are “connecting the dots.” However, YOU have done a wonderful job of it! In fact, I have been transcribing much of the information, so that I can remember details, and speak accurately to others. You have done excellent research!! Also, I want to commend you for making these messages available to all on YouTube. As I witness to others, one of the big criticisms made about anything Christian, is that all Christians are just trying to make a buck. You stand as evidence to the contrary. God bless you! (And, I loved your personal testimony) Blessings.” (Susie from California)

Video: In the Days of Noah “Love your "In The Days of Noah" videos. Do you have something available for 9-13 year olds that is available? Want to show them to my great grandchildren this summer.....thank you. God Bless your ministry!” (Nona)

Video: Various Videos “I JUST WATCHED YOU ON PROPHECY WATCHER WITH GARY STEARMAN. TEARS RUNNING DOWN MY FACE, WHEN YOU TALKED ABOUT THE DRUGGING OF AMERICA AND THE PSYCOTROPIC DRUGS. MY 40 YR OLD SON HAS HAD SCHIZO-AFFECTIVE DISORDER SINCE HE WAS IN HIS LATE TEENS. HE HAS BEEN ON THESE MIND ALTERING DRUGS FOR YEARS. I HAVE PRAYED EARNESTLY FOR HIM AND GOD HAS TOLD ME THAT HE WOULD SAVE HIM. I AM TRUSTING HIM TO BRING TO PASS WHAT HE HAS PROMISED ME. I PRAY FOR MY SON'S MIND AND HAVE TOLD HIM TO TAKE EVERY THOUGHT CAPTIVE BUT HE IS UNABLE TO DO THAT RIGHT NOW AS HE DOES NOT KNOW THE KING OF GLORY. I BELIEVE THAT GOD WILL RESTORE TO HIM THE YEARS THE LOCUSTS HAVE EATEN, BUT EVEN SO LORD JESUS COME. MARANATHA. GOD BLESS YOU AND YOURS.” (SUSAN)
