(January-March)

Video: Various Videos “Your teachings have reaffirmed the TRUTH of God’s Word to hundreds of believers in Sierra Vista, AZ. I passed the Countdown, Special Creation, and UFO Deception DVD’s to some close Christian friends. They in turn have passed it to every Christian in town they know! Keep up the good work.” (Guy)

Video: Various Videos “I use your DVD's as a continual source of study Thank You and may the Lord continue to bless your ministry.” (RJ)

Video: Various Videos “Pastor Billy, my wife Jessie and I have really enjoyed your Final Countdown series and updates. We've also enjoyed your Discipleship and Book of James series. We're planning to hold a Bible study in our home that will be based on watching your Discipleship series. I seem to remember there being a companion workbook for that but I can't find the info now. If they really do exist, can you tell me how to order them? BTW, I've given copies of your videos to several family members and friends! I thank God for you. Please let me know if there's anything I can do to help further your ministry. Your brother in Christ.” (Dan from Ohio)

Video: Various Videos” Dear Pastor Crone, I want to personally thank you for putting the Video's on your site that are easy to access and share with others. I have shared the Final Countdown with people from California to Virginia and everywhere inbetween. Even my pastor has watched some of them and is very encouraged to know there is someone like you and your team of people spreading the truth about the times we are living in. I am getting your updates through my facebook but would like to know if they are posted somewhere on this site. Thank you so much for your faithfulness in spreading the gospel and for your ministries.” (Sylvia)

Video: Intelligent Design “Blessings from Victory Church, Chepstow, UK. Love your series of films. God bless you and keep you :)” (John from England)

Video: The Book of Revelation “We've been watching the Revelation DVD'S. They are excellent. We're really enjoying them. You're good; The Lord has blessed you! In 20 years we have never heard anything on it, in the churches around here. We have to say that your taste in food is a bit peculiar. We all love a steak, or a piece of cow, as you would say, and not liking chicken we can understand, but peanut butter over pancakes, is over the top! LAUGH! We'll keep in touch. As always keep looking up. God Bless.” (John & Joyce from New York)

Video: Various Videos “Just a note to say thank you for the youtube presentations. Thank you again for providing you material free of charge. Isaiah 55:1 Ho, every one that thirsteth, come ye to the waters, and he that hath no money; come ye, buy, and eat; yea, come, buy wine and milk without money and without price. I am on #8 in the UFO series and I am watching them with my 12-year old son. We are also watching the Days of Noah series. They are all on the IPod now:) Learn to burn for ministry, what a great idea! This has been on my mind for some time:) Kindest Regards in Christ.” (Kathryn)

Video: Various Videos “Aloha, I am a missionary from China and I want to translate parts of some of the messages to give to people there. I want to get the PDFs of the updates so I can caption the portions of the videos I want to share. Keep up your good work. I'm in Northern China. I'm back in Hawaii for 6 weeks before I go back to China (My flight is around March 1st). A noticed there was some mention of "FREE" materials! I'm a self supporting missionary and I've been there 8 years. Please send me anything you think would be of value to my mission in China or that you want to get out to the world. I also work with folks from an International Fellowship with many Africans and other Asians. I'm happy to carry resources back to share with all of them. I have 2, 10 drive burners that I use. I distribute an average of about 1,500 DVDs per month through those networks and my personal activities in addition to more than a thousand tracts. There is a small group of believers who want to translate materials to Simplified Chinese for distribution on mainland China. We want to be a blessing. Looking forward to your reply. God Bless.” (Les from Hawaii)

Video: The Final Countdown “Hello Pastor Crone, First, I want to thank you so much for the messages on 'living in the last days'. I have been watching/listening in amazement that these things have been going on hidden in plain sight! I wish there was more awareness/message about this time. I believe as you do that we are living in the last days. Keep up the good work of spreading God's word!! Blessings.” (Doug)

Video: Various Videos “Good evening Reverend Crone. We have watching your UFO series and are now half way through the countdown series. Both are just great and life changing. We have two questions. One is when did you record the countdown sermons? Them seem like they could have been taped yesterday. The other question is on the last of the wickedness dvd's, you have a pastor who is talking about the pounding on the side of Noah's ark by the people before the flood and goes on to talk about how people can do everything but go to church as judgment day is near. Could you tell us you the evangelist is? Thanks and hope to hear you again at the Prophecy in the News summit in Colorado Springs this year.” (Duff and Myrna)

Video: Various Videos “Billy, I address you that way (first name) because my friends and I in Surprise AZ (NW Phoenix) watch you on YouTube so much that I feel I know you well. We are thankful for your teaching & realistic view of the Bible, world events and the demonic battle that we are in. We are planning a trip to stay on Lake Mead for a few days when it warms up a little and will be attending your church. Our dates are very flexible and would love to plan it around any special activity/conference at your church. Are you planning any multi-day prophecy or warfare teachings in the next few months that we can include in our trip? Do you ever speak in the Phoenix area? I am including my address for any mailing list you may have. Thank You, May God Bless you and your family.” (Gary & Linda from Arizona)

Video: Various Videos “Hello Pastor Billy Crone, I have watched many of your videos on youtube and I am impressed with the depth of your material. I actually just got off phone with Reed to order you DVD's! I would be very interested to see if you would be available to give a prophecy seminar here in Stockton, Ca. I am 47 yrs old and I currently

work at Costco Wholesale in Marketing and Membership. My wife and I run a homeless ministry at the shelters in our city, I could no longer turn a blind eye to the lost. Our church a few years ago started a Discipleship program and it really challenged me to "make Disciples." At home with a small group of friends we continue with making Disciples. I have no background in any Seminary but another brother in Christ is taking an online Theology class with me. It would be a tremendous blessing if you have any resources for us to help us share the Gospel. We are at the homeless shelters 2 days a week, we give the Word first then we feed them. The food we buy and cook for the shelters comes from us so we do not have any sponsors. Please contact me and I will send you pictures of the ministry we do. God Bless." (Greg from California)

Video: The Final Countdown "Billy was used by God to get through to my 28 year old son by watching nightly The Final Countdown series. Thank you Billy!" (Susan from Florida)

Video: Various Videos "I want to thank you so much for your wonderful video series. We have used several in our home church for Bible Studies and when our pastor needs a break." (Margaret from Kansas)

Video: Various Videos "Pastor Crone: We have been greatly blessed by your excellent teaching DVD's, The Final Countdown and updates, UFO's, In the Day's or Noah, Satan & Demons. We are very thankful that we have been led to your ministry and will continue to support you in the future. God Bless." (Keith)

Video: Various Videos "I am listening to the Discipleship 101 and it sounds like there are notes that with the study. How can I get a copy of those notes? Thank you. I really enjoy all your lessons especially on the end times. I have been studying since 1976 and you have done a more thorough job than anyone else I have studied. I grew up in Oregon and one of my classmates lives in Vegas. I now live in Texas but I may have to take a trip so I can go to one of your Sunday sermons. Hope you and your family and congregation are doing. Thanks for posting those DVD's on your website I am sure they have helped lots of searching Christians and non Christians." (Terri from Texas)

Video: Various Videos "Pastor Crone--I first saw you speak at the PITN conference at Pikes Peak (on DVD) from July 2014. Your talk was excellent and has been one I have used to show folks who won't listen to any of that 'prophecy stuff' yet are Christians (go figure huh). I'm 63 with numerous physical problems and relatives and friends who need to get saved. I attend the First Baptist Church here in my hometown of Effingham, IL with a Pastor who's been here 30+ years. Popular with the whole town but will NOT talk about prophecy-just like so many others across our country. He has said things from the pulpit about prophecy that I could not believe I was hearing-but I'm sure you've heard all the stories. He's got about 99% of the congregation to where they will not talk about it either. My family has been going there since '94, my son is marrying the music Pastor's daughter this summer, my wife (who is just recently starting to talk of very little bits of prophecy related topics) is in the choir, and I have 3 young grandchildren who attend Sunday school there (most of the time). My son who just turned 20 and is a junior in

college with great grades finished 'Bible Drills' all the way to state and won a scholarship for college-he finished in 8<sup>th</sup> grade/freshman year. I say this to show why I haven't left to find a church that teaches the whole Bible-especially prophecy since we are so obviously right smack dab in the very 'last days'! there isn't a lot to choose from however. I have an extensive library of DVD's, books, and Bibles to help folks. You do an excellent job sir--and I'd drive out to listen to you on Sundays but it's kind of a long drive. One bit of info-- I was a hippie boy from late high school (grad '70), with the intent of finding God. did not grow up going to church--did very little and it was a disaster, but I just knew there was a God and went looking everywhere for Him. Much like L A Marzulli but I think much more intently. I am sure God got me through it all alive--knew many who did not. got saved in 1985. I just ordered a bunch of DVD's and I hope to hear one of your sermons--maybe tomorrow morning. Keep at it Pastor Billy--I'm sure you will. Praise Jesus and may He protect you and your family. Thank you for all your time. (Phil from Illinois)

Video: Various Videos “Pastor Crone your videos has blessed me very much, and also has confirmed what God has told me, the message was "as it was in the days of Noah so is it now, the door to the ark is open and once it is shut it will be shut" thought i would share that with you, i also believe that we are that generation will see all these things come to pass, one of things that the holy spirit has shown me, that the word Christian is a word used for anything, and in today’s world its hard to tell who is really a Christian, but God knows who’s is His and that He wants us to be like the 5 wise virgins waiting on there Master to return May God bless you pastor, please keep up the good work.” (Nick)

Video: Various Videos “We haven’t been to a formal church for over 2 years now, but my husband, Matt, is constantly in the Word and he found you via the Final Countdown series. We are currently watching James series and I have just finished the God series on my own. We are so thankful for your faithfulness to the Bible and are happy to have been able to contribute to you! Bless the ministry and thank you for offering all these great sermons/teachings for free! Bless all those who work behind the scenes at both Sunrise and Get a Life! Your protection is part of my prayers! (Gina from Ohio)

Video: The Final Countdown “Hi. I am watching your Final Countdown series on Youtube. I am sharing your message/warning with family & friends. In Jesus Christ.” (Chris from Washington)

Video: Various Videos “Dear Pastor Billy, Mardi Gras season is upon us here in Southern Mississippi and Louisiana. This is one of my favorite seasons for sharing the gospel of Jesus Christ. Dr. Bill Bright from Campus Crusade for Christ estimates that only 2% of Christians actively share their faith on a regular basis. How many people in your church know how to share their faith? According to a recent George Barna survey of the most Bible minded cities, Las Vegas ranked 95th as the least Bible minded cities. If it wasn't for Sunrise Baptist Church and the teaching of Pastor Billy Crone, Las Vegas would have ranked 96th or lower. Brother Billy, it is too bad that we are not in the position to pair up together. I love preaching on the streets and sharing the gospel with the lost, and you are a fine preacher and teacher edifying the saints in the church. My wife Maureen and I are going on vacation to Las Vegas, arriving on April 17th. If

possible, we would love to meet you. Also, what time are you speaking in Orlando at the prophecy conference? I get off of work on Wednesday, and we would be driving to Orlando for the conference. We'd hate to miss you speak. God bless your ministry, David from Mississippi)

Video: Various Videos “Hey Pastor Billy. Simone here from potters house merrylands. I left that church due to its false doctrine and am now going to Anthony n Michelles church praise the Lord! The cultish ways are very damaging and im still recovering 6months later. My sister n i love your preaching videos and shes wondering if you know any sound churches in her area. She lives nsw in winston hills area. The hills district. Anyway if you can give me a list of the churches you recommend id be so grateful. Gods blessing be upon you. Thanks. God bless.” (Simone from Australia)

Video: The Final Countdown “I must tell you how absolutely excellent your "Final Countdown" series is!!! I can't tell you when I have heard such preaching! What ever you do keep it up, please! If I could I would move to Vegas just to attend your church. And Vegas is one place I do not want to go to let alone live there! I got your series from Southwest Radio. They are terrific. I've been listening to them since I got saved 31 yrs ago. Thank you thank you thank you for all you do. I wish everyone in the world could hear & see these DVD's! Wish I were there!” (Rose)

Video: Various Videos “Pastor Billy, Thank you for posting so many videos on youtube.. I LOVE THEM! Anyway, I'm moving to Richmond hill Ga, (30min from Savanah), do you know of any ministries in that area that are good? Thanks.” (Edward from Georgia)

Video: The Final Countdown “We have purchased and watched (The Final Count Down Updated 1) repeatedly and planning to share it with our fellow believers. We praise God Almighty for you and hope to meet you one day on Earth or for sure in Heaven. In the Name of Jesus.” (Christopher & Debbie)

Video: Various Videos “I am so glad to see you declare the truth about what is going on in this world today not only vocally but threw visually. I love passing it on vocally and with the DVDs Praying for you and your family so that the enemy will not touch any of you or your body of believers there Please never tire keep rolling O.” (Bud and Dianne from Michigan)

Video: Intelligent Design “Hi, Listening to your intelligent design videos, You're becoming one of my favorite pastors :-) You're easy to listen to. And you're funny at times to. Anyways I don't have a real physical church I go to. But I do have online churches I attend.” (Vivian)

Video: The Final Countdown “Hello pastor Crone i have watched the count down videos they are spot on im from a small town chillicothe ohio and the growth of these mega churches has hit here also i have been back in church for a few months and its a small country church with only 20 members and what is sad is im 37 and im the youngest i am the youth program. I don't see how people if they have read their bibles at all doesn't see

what's going on the great falling away is everywhere and growing momentum. Keep doing Gods work and preaching his word and God bless you and your congregation.”  
(Milo from Ohio)

Video: The Final Countdown “Pastor Billy, I just want to thank you for being able to watch your sermons on-line. I am from Mitchell, SD, and we had been attending the same church for many years but I could see we were not advancing the kingdom of Christ to the extent we need to be doing, and that many churches are blind to truth of the end time prophecy and current happenings of the world. I have been trying several churches out, and one of them had a Sunday school class with your Final Countdown messages. I have watched all of them now, and I am starting to watch your other messages. I am sure you get a ton of emails, but I just needed to let you know that you are impacting lives in South Dakota, too. hank you. You will never realize how many people's lives you are impacting all around the world. Thank you for being bold and unafraid to share the Truth.”  
(Shannon from South Dakota)

Video: Various Videos “I was recently told about your ministry. You truly are a voice crying out in the desert. Thank you for your obedience and for speaking the truth! It's about time someone speak out and tell their congregation what's really going on. I am not in church now, I got so weary of the theatrics. I have been passing your you tube videos on to close friends. They are hungry for the truth. May God Bless you for daring to be different.” (Terri)

Video: The Final Countdown “Hello, some time ago I purchased all the 9 vol. of THE FINALCOUNTDOWN, my thanks to Pastor Billy, they are all WONDERFUL!! Is there a chance you could please email to me A CHRISTIAN'S TESTIMONY that Pastor Billy read on the disc #31 in vol. #6? I belong to a ministry in Denver and would love to share it with all in the ministry. Another question, are there any new DVD's out since the series I purchased? Many, many thanks for your help and may God richly bless you. In Jesus.”  
(Marilyn from Colorado)

Video: Various Videos “Hello Pastor Billy, I just wanted to stop by and say how much I truly enjoyed hearing g you speak at the Prophecy Summit this past weekend. I had recently watched your series on ufo's and was surprised to see that it All was available on youtube. Naturally I was excited to hear you in person. And I knew I had to stop by your table and by some of your DVD'S. When I got home I was pleasantly surprised to see that you not only allow but encourage us to copy the DVD'S to share.. ... thank you, thank you, thank you there are so many times that I want to share things that I learn and would love to make a copy for them to see at their leisure buy don't want to sin by breaking any copy right laws. So I just want to say thank you that's just amazing. Thanks for being a blessing! Xoxo (Jen from Florida)

Video: Various Videos “Hi pastor Billy my name is Brandon. I am an ordained minister from Minnesota and was at the bible prophecy conference last year in Moorhead MN and had the opportunity to see you speak. God Bless you Pastor for all that you do.” (Brandon from Minnesota)

Video: Various Videos “My husband and I think you are the best pastor we have ever heard. Proof is abundant, cover-ups exposed. I've been getting friends who are struggling with their children hammered with evolution and having a hard time holding on to their faith, your youtube videos. My friends are very excited to hear all the evidence, and they don't have to have blind faith, and have answers for the scoffers.” (Heidi from Pennsylvania)

Video: Various Videos “Hello my name is Charles. Pastor Billy I'm sure many have told you this before but I greatly appreciate how God has used you in your ministry. I am 34 years old and have been saved for 3 years. I have a wife and 2 children 1 boy 12yo and 1 girl 2yo. I grew up in a Word of Faith church in Oklahoma which that's all I ever thought Christianity was and suppose to be never realizing I wasn't a Christian. I had no understanding Jesus was God. Never knew salvation was secure and eschatology I never even heard of. When I truly got saved 3 years ago after hearing my son through countless nights of deep prayer I wanted to have what the faith of a child had. I wanted God to show me who he is. Through countless research wanting evidence after being a skeptic and finally discovering the full deity of Christ, His death and resurrection I knew not only by faith but the pure evidence that exists Jesus wasn't just a man who died for our sins but God in the flesh taking upon ours sins on the cross so that we may have eternal life. When I came across your eternal security 2 part message that is what made me open my eyes to believe our salvation after all might be secure. Still through prayer I wanted God to show me through His Word. I came across Romans Chapter 8 and that and many other scriptures made me finally feel secure in Christ. Coming out of word of faith growing up one thinks u need something extra to maintain salvation or some gift. This is what made me not have interest in Christianity. As of today I know I am eternally secure in Christ, I believe he is returning for the church prior to the 7-year tribulation. I love your Final Countdown series and agree we are in the last days. I just pray that God will give me the strength to lead my children in the right path because many churches today offer entertainment and the society we live is difficult and I want pure sound doctrine for my family. I sit with my son and watch your videos when we can. I am thankful I have a job that allows me to listen to audio while I work and I listen to sermons daily. Anyway thank you for all that you continue to do. God bless you brother and your family always!” (Charles)

Video: Various Videos “I really enjoy your teachings (youtube). We need a speaker like you to revive our church. I really enjoyed your teaching of the apostasy in the church. Our pastor was a great teacher but he is suffering from burnout, complaint's & recovery from the loss of his daughter. Satan really attacked that man. My wife is now interested in your teachings. The happenings at the church, her nervous breakdown & the loss of her job caused her faith to be nearly destroyed. It is good to see her interested in God's word again. My family has undergone severe spiritual warfare for the last three years but your "back to the Bible teachings" has been a breath of fresh air. In Christ's Love.” (Ken from Kansas)

Video: Various Videos “Hi Pastor Crone, I think that you are a really great pastor "All Glory to God" and I just long for Christian fellowship. I am 25 years old and have been a Christian and have followed Christ as long as I can remember. My faith has made me rejected by almost all who I come in contact with. Thanks for your time Pastor Billy. I know you are very busy and I appreciate you reading this. Thank you and God bless you in Jesus' Holy Name.” (Nick)

Video: Various Videos “I have purchased and made copies of numerous DVD's and I want to watch your live church service. We really love Pastor Billy and are senior citizens. Thank you.” (Georgiann)

Video: Various Videos “Pastor Billy, please help me to tap into your services. So glad to see you at the Prophecy In The News conference!!!! Thank you for being one of the very few pastors who actually inform and WARN the flock of what's here, as well as what's coming down the pike !!!! Any suggestions on a good Bible preaching church in the Saint Paul Minnesota area ? They've gone emergent, new age, or feel-good entertainment messages. I'm so weary of the search !!!!! Thank you, and keep doing what you're doing !!! Your YouTube messages are such a blessing !!!!!” (Margaret)

Video: Various Videos “I continue to watch your videos and I just wanted to say...Thank you, thank you, thank you for being so bold about preaching the Truth. I am very thankful for your ministry. I know you get a ton of emails, but I just needed to tell you how much I appreciate your ministry and tell as many people as I can about your videos and ministry. People are hungry for pastors like you, but they don't know where to find it. As you know, there is a lot of "fluff" from the pulpit. Again I say...thank you and I pray the Lord will continue to bless your family, your church and your ministry. I know there may come a time with the new internet law that I may not have the freedom to watch the videos, but until then...” (Shannon from South Dakota)

Video: Various Videos “Dear Billy,thank you very very much for your series of DVD's (I have bought the lot) alerting us to the end times and how close we are to it. I found all of your DVD's extremely informative, and your presentation was excellent. Like a lot of born - again Christians, finding a church that treats God's Scriptures as the literal, inspired Word of God and that preaches the whole Gospel message faithfully, is becoming as scarce as hen's teeth. Billy, I live in Perth Western Australia, and if I lived in Nevada, I would visit your church in a minute, but, as that is not possible, do you have a fortnightly or monthly newsletter, (send email) that would update us as to the latest developments on the NWO push and everything else that is associated with it as it happens to unfold. Bye for now. Blessings.” (Wendy from Australia)
