Video: Attack of the Drones “Hi Pastor Crone! We are thoroughly enjoying the learning we are receiving from your drone documentary and just finished disc 8. You probably caught this, but didn't address it-did you notice the enemy soldier (the one behind the wall) make the sign of the cross when the two drone tanks were sent in to save the injured soldier? Although it is a Roman Catholic sign, I found this downright chilling in light of the fact that most of the world thinks Roman Catholicism is synonymous with Biblical Christianity. The message couldn't be clearer. Thank God for the rapture. One can clearly see why there would be no flesh left alive. If there is anything I can do to assist you from Richmond, VA, please don't hesitate to ask. Thanks for your work and take care. In Christ.” (Brian from Virginia)

Video: Various Videos “Hello Pastor Billy & Get A Life Ministries, what an honor it is to call you guys my brothers & sisters in Christ. I stumbled across your ministry on YouTube some time ago, and have been richly blessed as a result. I'm apart of a Thursday video study that my job allows us to have here in our church, where I work in the maintenance department. We've watched all of your Countdown series, Creation, and are now going through your UFO material. My niece and her husband, who I also introduced your ministry to, went on your website a while back, and found out that your guys give out free videos each month, so they helped me to order a couple of series as well. I will continue following your ministry to see what God is doing through you guys. Brother Billy, in this world of compromise, it's refreshing to see you standing for truth, my man. Whatever the cost, continue to stand on the rock solid truth of God's word, and continue to draw your value from Christ alone. I've discovered that when I seek His value for me, suddenly peer pressure and the need to fit in are reduced next to zero, and I'm free to be the Christian that my Lord is making me to be. I love you guys in the Lord, and take care. Eric~ P.S. Do you guys have any connections here in Kansas. It would be awesome if you guys can bring a speaking engagement here in the Wichita area or close by, hardly anything comes here. The Lord bless!” (Eric)

Video: Various Videos “Hello Pastor Billy and staff. I'm deeply grateful for your ministry and messages, and want to thank you for offering them free on your website. Thanks very much! Sincerely.” (Craig)

Video: Intelligent Design “Wow, I am enjoying the Intelligent Design Series. Split a gut when you described the rat developing bat wings. Just now starting #5.” (Edith from Florida)

Video: Experiencing God's Fruit “I enjoyed your service today Pastor Billy! ever since I got saved last year because of you, my life has completely turned around. I praise and thank God for what he's doing through you. Hope you have a great week.” (Robert from Canada)

Video: Various Videos “Hi, I really appreciate the work God is doing with you and your ministry. I recently became born again and accepted Jesus into my life and I couldn't be more happy. I just wanted to send you a message of encouragement to keep up the good work. :) -P.S. I notice you make some references of how you don't like chicken. My

husband and I think it's pretty funny. Just out of curiosity, why don't you like chicken?"
(Kaitlyn)

Video: Attack of the Drones "The second part of "Attack of The Drones" was as good as the first. This technology is wonderful and very helpful in its applications. I want to get a hobby drone for myself at a later time. But the downside to all of these technologies, drones, genetic engineering, nuclear, and RFID is: They can be used for machinations and sinful deeds. Thank goodness Christ plans on shortening those days. Look forward to seeing part 3. God bless Billy." (Brian)

Video: The Final Countdown "Hi Pastor Billy I have ordered the USB on The Final Countdown. We enjoy it very much some of the information I already know but a lot of it is new to us. It is absolutely mind blowing I have download it to people already I am going to give it to all the pastors etc. here in our churches because they all are very "dead" concerning the end times and they do not care to tell their members, because they are scared their members will leave, as one pastor said to me (can you believe it). for most of them it's prosperity, money and status. Thank you for what you do and that you care. I will pray for you and your ministry. Regards." (Elize from South Africa)

Video: Various Videos "Has anyone noticed the similarities between Pastor Billy and Michael J. Fox." (Tom)

Video: Various Videos "I don't know how to express my appreciation for all that you have done and are doing. I'm here in China, unsupported, since I'm not "qualified" by any group and I don't have any cover other than a local church that speaks another language and lacks true depth. I have a fellowship group that is good and supportive but not yet trained to a level where there is iron to sharpen iron. Your teachings are a source of inspiration for me and a treasure of knowledge for my fellowship and the groups I am working to sharpen. It's the right messages packaged in a way that multiplies the delivery's effectiveness. I have already downloaded and burned scores of your messages and shared them with international fellowships that have members from Africa, the Middle East and Asia as well as a hand full of other countries. They are also being shared with English speaking Chinese. God bless you and your staff for making such a great resource so readily available. You are truly feeding and inspiring people around the world! Lastly, the chicken thing. People chide me about eating meat, (not chicken), instead of grass and other vegetables. I tell them that I consume more vegetables than they do! I just do it differently; I feed the grass (aka vegetables) to the cow, the pig and the sheep and then I eat the cow, the pig and the sheep. It works for me. God Bless and keep up the good works. I love your pure message." (Les from China)

Video: Various Videos "To the brother / Pastor Billy, Recently I have been immersing myself in Creation videos and books and articles to learn more. It just started "out of the blue" in maybe November. Answers in Genesis, ICR, Creation.com, and CreationToday and others I have really been eating it up. It has been teaching me more about God's holiness and judgment (the Flood) and coming judgment (Fire next time). It is a tool of

truth by God to help soften my heart and repent. I saw your video on Youtube about Noah's Flood and the underwater civilizations etc. I just wanted to write and tell you "Thanks" for your bold and clear presentation, it is good. Your ending analogy of the death row and governor's pardon is a clear and easy to understand example. I will look at some of your other videos also (such as the Giants that lived on the earth - not the NY Giants)). So thanks again as God spoke more into my heart as I listened to your proclamation of God's truth. He IS holy and we are not outside of Jesus Christ's redemption of us, and now thank God for the gift of His son! Amen as you said "hope to see you in heaven", and amen and amen to that! Know that your life made a difference to mine this evening as I watched that 1st video (of the underwater and ancient cities). Thanks." (Aaron from Ohio)

Video: Various Videos "Hi Billy, My wife and I (here in the UK) are currently watching your Revelation DVD series. You have come to mind recently in particular because I am talking with someone who has got caught up with 'UFO /space brothers coming here to help us type of thing.....and I know you have taught on this a number of times. May God bless you Billy and your family too. Please send blessings to your congregation too. Thank you Billy for your dedication in spreading God's word." (Richard from England)

Video: Various Videos "Hello Pastor Crone, I was listening to you on SWCR, the message was Defenders of the Faith, Part 2. I found it fascinating and you mentioned at one point there were new Greek manuscripts that were just recently looked at from the Dead Sea Scrolls. Thank you." (Bill)

Video: Various Videos "Dear Pastor Crone: I would like to ask you a question regarding how can I start to study the Bible and what is the best way for me to do this. I am originally from Spain, but now I am living in Scotland for the past 30 years, I was brought up as a Catholic, but I never really follow that path very much, I always believe in God, but never read the Bible. I started to watch some videos and TV programs of you and others in the internet and I got some books on Amazon.co.uk. In here where I live are not churches like yours in the US, so it is difficult for me to ask someone here to teach me more. I love to see your videos and the way you explain things, this is why I contact you. I am sorry to bother you, but I believe in you. This 53 years old man thank you for replying to my email and I download your workbook and started to see your videos. Keep up the good work and thank you again All the best from Scotland and God Bless You Always!" (Juan from Scotland)

Video: World Religions "Pastor Crone, I live in Canada and was given your web site by my niece and have thoroughly enjoyed your series of World Religions. I was going to ask if there are any more teachings of this subject or is it finished now? Blessings." (Ryan from Canada)

Video: Various Videos "Hello pastor, I heard two of your broadcasts on am 1280 about defending the faith (loved them) I particularly liked the parts about disproving evolutionists. Thanks In Advance, a fellow Christian." (Sharon from Arizona)

Video: The True Meaning of Christmas “Love your ministry & thank you!! Are you going to put the Jewish marriage ceremony and Rapture on downloadable video? Bless you.” (Linda Lee)

Video: The Book of Revelation “I belong to a church in Hiram, Ga. We just started the book of revelations. I wanted to go further in depth, so i went online and came upon your web site by accident. You are an intelligent and an amazing speaker. Your videos are pertinent, clear and easily understandable. In a weeks time I have seen about 40 of your videos. God has Blessed you and given you a great gift. MAY YOU MAKE MANY MORE.” (Tom from Georgia)

Video: Various Videos “To: Pastor Billy Crone & Sunrise Southern Baptist Church. My name is Sue Moir, and my husband Bill and myself enjoy tremendously your sermon series. We are the proud owners of quite a few of your offerings: One Minute into Eternity (10 copies to share with others), The Final Countdown (which we've been through all 52 weeks twice); Your personal testimony; God's Peace (which we are enjoying now); and God's Worship. We try and watch your Sunday service live, but are only able to view it on my laptop which isn't always the most comfortable or convenient. I belong to Roku and received an email announcing many NEW streaming channels available. As I went on to view, I was hopeful Sunrise would be on there. In the religion category, there must be a 100 or more stations (even Muslim, and Koran stuff), but no Sunrise Church. I wonder if you know why you are not included in all these stations, but if not, perhaps you could check into it. We would LOVE to be able to watch you on our TV (the bigger screen and more comfy). Ordered and just finished your series on World Religions, Cults and the Occult (Vol 1 and Vol 2). Are there other Volumes? We were really looking forward to hearing about these other religions, especially the Yoga since we have family members who think this is great. We are huge fans and are hopeful we will make it to Vegas to attend Sunrise up close and personal. You are a truly blessed and gifted Pastor and deliver the Lord's message as it is written and as He meant it to be done (not adding your own personal twist , or "feel good" theology). We believe you to be our "modern day Paul," spreading the gospel with such love, and joy, yet having come from a "most horrible, sinful" life style before the Lord chose to use you. We know the Lord loves using "broken vessels" so he can shape and rebuild us for His pleasure and in Jesus image. Thank you for your faithfulness and may God continue to bless your ministry. We look forward to the day we can take you out for a lovely chicken dinner--OOPS, er-r-r-r-r, I mean "beef" dinner!! LOL.” (Bill & Sue from Florida)

Video: World Religions “I am wondering if you have the World Religions, Cults and the Occult in lesson form? I would love to teach this to my Sunday School class. I can see on your DVDs for this that you have fill in the blanks occasionally. Thank you for your help.” (Bev)

Video: Various Videos “Great sermon series Pastor Billy!! The witness of creation series is very informative! I spent twenty plus years of my adult life believing the evolution lies!! Been a born again Christian for 14 years now. Thank you for your ministry and

witness. God bless you and protect you for your faithful witness. Thank your media crew, they are reaching far for the LORD. Thank you !!” (Andy from the UK)

Video: Various Videos “Pastor Billy. Hi I'm Alan. I've been watching your sermons and I'm so happy you are willing to preach the truth straight out of the bible. For the first time in my life I feel convicted of my sins. I'm a born again Christian. My wife and I love you Pastor Billy and I pray your message reaches the entire world. God bless you and your family and church.” (Alan)

Video: Various Videos “My name is Gary, I am from Rapid City, SD. My family and I have watched many of your videos over the past 4 years. My daughter Kendra who is now 9 years old, has watched your videos since the age of 5. At the end of all your videos, you present the gospel message and my daughter has seen you present this message probably 100 times. Over the past year, she has begun to impersonate your voice and gospel presentation. My daughter recently received some autographs from some professional hockey players, who attended her school. Because of this, she asked me if I have ever met anyone famous. I told her that I met pastor Billy Crone in Fargo, ND when he spoke at the Red River Bible Conference a few years ago. She became very excited and wondered, why I did not get an autograph for her. On a daily basis I attempt to share the message of Jesus Christ with my daughter and have respect for those who preach His word with honesty and truth. She thinks you are the greatest pastor in the entire world and would someday like to meet in you in person. She has asked me numerous times, where you preach and would it be possible for us to visit pastor Billy Crone. Hopefully in the near future, my family and I would be able to see you in person, at one of your numerous conferences that you are invited to speak at. Would you consider sending an autographed picture for my daughter Kendra, with some biblical words of encouragement. This would mean a lot to her and I am so thankful that she looks up to you as a role model and not the female divas of our current generation. My family and I appreciate your ministry and all the hard work you do in sharing the word of God.” (Gary from South Dakota)

Video: Various Videos “Dear Pastor Billy: I am keeping with your studies and I am not like to bother people, but today I see your video in Youtube and I been crying for a bit now, it was wonderful, thank you. My be I a have a chance to be safe, keep up the good work and God Bless You Always! All the best from Scotland, your friend.” (Juan from Scotland)

Video: Various Videos “Hello pastor billy me and my husband have been watching your videos and learning more about Jesus Christ and following His Word. Now at 32 I'm seeking the Lord after so many life experience that weren't good and I accept Jesus as my savior we are trying to teach our 4 kids as well. Thank you,” (Selene from Arizona)

Video: World Religions “Dear Pastor Crone, I know that you are a really busy man, so just asking, can you please tell me even approximately how soon the next parts of the "World Religions Cults and The Occult" series will be posted? I've watched all of the

posted ones, up through Islam, and am chomping at the bit to see the rest of the series! Thank you.” (Melanie)

Video: Various Videos “Hi, how you doing Pastor. I wanted to ask you if your able to share your knowledge of bible prophecy with me? I like how you present your stuff, with videos and power point type of slides. I was wondering if you can hook me up with some of these resources so I can use it? In my church hardly no one talks about bible prophecy and I been giving the chance to start this in my church. And was wondering if I could get some help from you. Some of the information you have is great. Thanks for your time.” (Stalyn)

Video: Various Videos “Hi Pastor Crone, I want to tell you how much I Love all of your videos and teaching!! Thank you and God Bless. Maranatha!!!” (Cora)

Video: Experiencing God’s Joy “Your message about joy touched me last night as my husband and I watched it. I've been suffering with depression due to some health issues. I realized I was missing the joy of the Lord in my life. Today was the best day I've had in months. I will continue to praise my Lord and trust in His joy. Thank you for your message.” (Donna)

Video: Various Videos “Visiting Las Vegas the week of April 10th. What time is your weekly Wednesday evening study? I would like to attend while in Vegas. Thank you.” (Dan)

Video: Various Videos “My wife Pati (who unfortunately has dementia) and I have been watching a lot of your DVDs. We are almost through your entire series on Revelations. We watch 1 to 2 of your messages every night. Thank you for all you are doing in proclaiming the gospel of Jesus Christ. In years past Pati and I were very active in spreading God's word and witnessing to others. Given Pati's condition we do not go out much but every time I go to the market or store for anything we pass out tracks to all we come in contact with.” (Bob)

Video: Various Videos “Pastor Crone, you're a celebrity in our house. We "youtube" your videos all the time and found you on SWRC. I am a teacher at Folsom State Prison and I've had a few conversations with my students about you and I've had a few students hooked on your final countdown series. One was catholic and one is muslim. The catholic student was so interested in your videos he sat in the back of my classroom studying and watching everything you've preached on. The muslim student would ask questions about some of the material and we would research his questions. He is coming around the corner and I think he believes but is somewhat scared to confess that Jesus Christ is Lord. Would you happen to have a prison ministry? You've blessed my family and loved ones around us. Thank you for your strong bible teaching. God Bless!” (The Romo Family from California)

Video: Various Videos “Dear Pastor Crone, I want to thank you for your weekly sermon videos! Please continue preaching the word of God, it's a blessing! Thanks.” (Steve)

Video: World Religions, Cults, & the Occult “Pastor Crone, I am planning on using your study in my men's Bible Study, which starts this April. I noticed that you were using some sort of workbook. However, I did not see it on the website. This study is so relative and important and I am excited to get into it with our men at our church Beach Church. We are located in Virginia Beach, Virginia. Also, I know that you are still going through this study so it may be difficult but I would really love to use workbooks as well. Is there a way that we can purchase them or at least what you have talk so far? Thanks and God bless.” (James from Virginia)

Video: Conference “WOW..what a great and moving conference in Dallas. Thank YOU for being one of the speakers and bringing the very much needed information in these last days! Appreciate you and your message and after hearing Hagmann Monday night, thank you for putting yourself in harms way for the benefit of getting the message out! So blessed God kept everyone in attendance SAFE! Thanks again!” (Carolyn)

Video: Various Videos “Mr. Crone, thank you so much for what you are doing. I love your videos!!! To make a long story short, I doubted my faith and due to intellectual and emotional reasons, and sin. After becoming extremely depressed, I decided to at least look at the evidence. Oh my!!! Never did I dream there was so much evidence contrary to what I had been taught in school. Wow!!! After consuming every website (ICR, AIG, CMI, and many others) I could, I came across yours. Thank you, thank you, thank you! I have watched over 20 of your videos in the last 3 days. My wife and I are planning a trip to take one of the creation grand canyon trips. Do you recommend one? While there, I would love to attend a service at Sunrise. Would that be ok? Thanks again.” (Jason)

Video: Various Videos “Hello, my name is Sara and just wanted to let you know I came across one of your messages in Youtube in 2013 called Exposing The Church's fluff & puff Doctrine. What a message, I myself was going to Hillsong here in Australia one of the growing churches in the world and I was finding the gospel was too good to be true but each year was same and all came to halt when they did a Christmas show recently, with cabaret style dance, rock and roll and santa claus, my spirit that moment felt such rejection to what I was watching! And still cant believe how people around clapped and approved such offense as something holy. I have left and thanks to God for coming on your preaching. Since leaving and wanting to change my life around to the truly One hard trials have come to my life, please I ask you to pray for me, that this test Im going through my Spirit be renewed and soar like Eagles like the Bible says. Im starting a BSF class (Bible Study Fellowship) and focusing on the book of Revelation, a book a church like Hillsong that invites apostasy preachers like Joel Osteen to their conferences would never speak of. Im looking for a church to go as I enjoy live fellowship and I wish I could live near by to go to yours, is there any baptist church you may know of in Sydney you could suggest please?. Also do you come to Australia as guest speaker? Again thank you for preaching the bible like it is. Blessings.” (Sara from Australia)
