Video: Various Videos “Thank you, my eyes were opened 2yrs ago, Can you please tell me if you have study books and bibles for my sons and I? Thank You very much. We need God in hour home my kids and I are being mentally attacked.” (Darla)

Video: Various Videos “Pastor Billy, You are doing a wonderful job and I have watched you with Gary Stearman and with others and especially love your 10 part series: UFOs The Great Last Days Deception". I have been studying prophecy for over 30 years now. Despite the absence of prophecy discussion from most Church pulpits even regarding the return of the Jews to Palestine, millions of us realize the time we are in. We are in the last days; the end of the age as Christ termed it and we will see Him return and rule on earth for eternity. This is mankind's destiny. To be with the Lord God forever. Maranatha my friend!!!” (Chuck from North Carolina)

Video: Various Videos “Thank you Pastor Crone for the clarity I've needed with so much christianeze I've always wandered about. Got saved into pentacostal charasmatic movement but never realized the errors in it. I am finally getting what the word is meaning in so many things now that your direct simple way of saying things made it clear. We are soaking it up like desert plants. Bless you and your family we hope to hear you again in Canada.” (Tam)

Video: Various Videos “Hi Pastor Billy! My family and I want to thank you so much for your ministry! We have been blessed immensely by it. I noticed you will not be too far from where we live in the upcoming months based on the schedule on your website. We live in MD and even though it's a little bit of a hike (~2hrs) I was wondering if there were specific days you are supposed to speak at the conference. I could not find an itinerary. In any event I just wanted to meet you in person to thank you personally for how the Lord Jesus has used you to bless our family with your teaching from His Word. In Jesus.” (Greg from Maryland)

Video: Various Videos “Hello Pastor Billy, maybe you remember me. I'm from Germany and have written you after I've heard you first sermons about the final countdown study and my exitment about it. Now time has passed and I've downloaded nearly all of your series I found on you tube. Incl. buying the Rapture study by an american friend who brought it with him over to germany. And I'm still exited about your way to preach and teach. Today I closed up the UFO deception serie. I do transmit the MP4 file into a MP3 file and listen to them while I'm driving, I have the chance to listen part after part. Sometimes 2 parts a day. That brings the possibillity to follow a serie constantly. And after finishing one ,I do switch to the next one. Pastor Billy I love your sermons and studys. And God has blessed and tought me a lot thru them. So keep on going. So in Jesus united, to His and our heavenly fathers glory be blessed.” (Holger from Germany)

Video: Various Videos “I friend recently bought your 27 dvd series and book. I listened to one message on line re:AI. Thought: When a technology becomes commonplace, it is no longer amazing. It seems to me the Antichrist will need to use new technology sooner than later in order to amaze and deceive the masses. I'm ready. Thanks for your ministry in a desert.” (Elizabeth)

Video: Various Videos “Hey Pastor Billy, you are so on fire for God man, and I'm really just getting started. I honestly never thought I would ever find myself in a position of ministry, much less preaching to the members of our small congregation here in Orlando. I always thought I was terrible at public speaking, but they seem to dig what I have to say when our head pastor allows me to get up there and speak. Unfortunately, I grew up playing a lot of video games like many other kids out there. I guess it was kind of like a babysitter so to speak as my parents didn't really have to get too involved in what I was doing. As I grew older though, the games became more violent, and more occult. I didn't realize it had become a problem until my wife started pointing out some of the content she was seeing when I'd fire a game up. Thank God I'm at the point now where I've pretty much stopped playing altogether. All that aside, my wife and I have seen your past few studies dealing the character of Satan and his demons. Those studies have been phenomenal! We love you and Sunrise down here in FL, we are praying for you, and for your church. I hope my wife, my son, and I will be able to attend Sunday service at Sunrise sometime soon. We're planning a vacation out west for a week or two, and we'd love to drop by if you'll have us. Thanks so much for everything, sorry about the long email. Keep doing what you're doing! God bless you man.” (Nate from Florida)

Video: Various Videos “Pastor Billy, my husband Bill and I are avid followers of your ministry. We have purchased virtually all of the videos available (in fact just ordered The Rapture ones). We are on our second watching of the Final Countdown, and our day would not be complete without a Pastor Billy teaching. God has blessed you and through you has blessed us as well. Before you were on Roku, I had written and asked when you were going to be available, and to my astonishment, you actually called me with the good news you were headed in that direction shortly, and we now enjoy countless hours of your wonderful teachings. I have taken note of your upcoming conference dates, but would also like to ask (with all due respect), if we might know what your vacation schedule might be this year. We are wanting to come to Las Vegas specifically to meet you and the family and to attend at least a Sunday Service as well as a Wednesday night teaching, and in order to plan that we would need to know when you are going to be there. We would also like to take you all out to lunch or dinner (NO CHICKEN, PROMISE)!! We marvel at and appreciate all the hours you put into researching each and every topic and tying all faithfully to God's word. We believe you are our present day John the Baptist, and we thank Jesus for making us aware of "Get A Life Ministries, Inc." and Pastor Billy Crone. Sorry to have gone on so, please forgive. In Christian Love,” (Sue from Florida)

Video: The satanic War on the Christian “Glad the Lord has directed you to preach "The Satanic War" messages. We listen to your messages as we do home church since we cannot find a church that preaches the Truth as well as prophecy. I have been warning the "church" since 1991 about the same messages you are preaching in this series. I got blank looks back then! keep preaching it, pastor! Time is short!” (Peggy)

Video: Various Videos “Bless you for all your work and I enjoy watch get a life ministries online. Here in Anchorage, AK I attend Change Point...it would be nice to see you as a guest speaker one of these days.” (Ruth from Alaska)

Video: Various Videos “Dear Pastor Billy, thank you for all the work you do and the material you produce. Your videos were instrumental in my becoming a Christian 6 years ago and I have found them a very useful resource. Earnest regards. In Christ.” (Matthew)

Video: Radio Interview “Morning, Just heard you on the SWRC.com on Mormons. My brother is a practicing "spiritualist," do you have anything on this subject, on something he can "listen" to, as he will NOT read...He is old like me, 59 years old, and living in Australia. Thanks, PS He married recently 4 years ago, God wasn't invited, but I took Him in the form of a Bible, which apparently wasn't "appropriate." (Janet)

Video: Various Videos “We just got (from Prophecy in the news) your DVD sets In the days of Noah and The Truth About Dinosaurs. Almost through watching them and WOW are we elated and excited. On your video page you have the rest of the Creation series. Creation Series Intelligent Design A Young Earth A Special Creation Are they also available in DVD sets? Also saw you in the Prophecy in the news conference DVD. You have really impacted us both because we had many "bumps" in our relationship to GOD over things like the killing in the flood, Tell the Israelites to go slaughter everything in the valley, Ect. Now we understand why. Thank You.” (Lee & Joan)

Video: Various Videos “Pastor Billy, I have been listening to your podcast on world religions for the past 6 weeks and almost everyone of your other podcast. I love them I am learning a lot. I went to college at liberty for pastoral leadership but dropped out to get married. Anyway I would like to know your take on tony Robbins. My little brother he's 25 and we have a contracting business together so we're together often and he has been trying to convince me on tonys ways I have listened to him and studied him. He seems to me as "new age." I have noticed my brother has fallen from God tremendously the past year and thinks only you can make yourself better ect ect... Basically following his teaching. I would really appreciate it if you could help me out with some Bible Scripture or your take on this so I can help defend Christianity and help him see what he is following is wrong. Thank you sir.” (Marty)

Video: Various Videos “Hi Pastor Billy!!! Ba - ak Ba - ak!!! I'm trying to sound like a chicken. I don't know how to spell that so I should maybe just say "cluck cluck"!!! :) Seriously, you do SOOOOOOO much research, etc. that I thought I'd share with you. My husband and I love your videos! We last got the set on Catholicism. Oh, scary to say the least but we are so blessed to know truth! We pray for you and your family and ministry almost daily. We love you, Billy!!! Can't wait to meet you in Heaven!!! Love your sister in Christ!” (Cindy :))

Video: Various Videos “Praise Jesus Pastor Crone. May God bless you and watch over you and give more strength and knowledge. I have a question: do you know of any Church here at the Jersey Shore that is dynamic as yourself? I've been to so many and

none of them preach anything remotely close to the true gospel. Thanks in advance.”
(Rob from New Jersey)

Video: Various Videos “Hello Pastor Billy Crone. Im writing from Portugal, to thank you for you wonderfull words and videos that bring me to Jesus Christ. God Bless You, and all the team.” (Jose from Portugal)

Video: Various Videos “Dear Pastor Billie, I hope this email gets to you personally however I can fully understand if it does not as I can only imagine how busy you are. I have sent the same email to Ken Ham and Ray Comfort as it is the three of you who have been a great help to me in understanding the Bible much more clearly through your books, podcasts, TV work etc. Having said this I would like to acknowledge that there are many good people working with you who are doing a great job in helping save souls. The purpose of my email is simply just one of thanks. I live In Dublin, Ireland and just felt compelled to email you all to say thank you. At present I am watching your podcast on An Introduction to Apologetics. I believe the world is in a very dark place and the shadow is only growing when you see how many things that are becoming more and more acceptable to society. We live in a secular world and the focus seems to be on the "self" and "choice" rather than The Word of God and our Saviour Jesus Christ. Every day I pray that I become a better Christian and for all the lost that they may find God and be saved by the blood of Jesus. I do believe it is his grace that saves me and not any good that I do. I will pray for you, Ken, Ray and all who like you are trying to save people from the coming judgement. When this will happen is not the issue it is about being prepared now. Please keep up the great work you are doing for Christ and I pray you will never give up. The world needs people like you! God Bless you.” (Patrick from Ireland)

Video: Various Videos “Dear Pastor Billy, will you be teaching on Sunday September 17th? I'm coming to Vegas for a couple days and would love to attend your church. Your teaching is excellent and since I've been watching your Sunday sermons and many series you've done, I would love to attend and also say hello. I love your Church but live in the Chicago area. Thank you for all your hard work for our LORD AND SAVIOR And for teaching what others don't. Please advise and May God Bless you, your ministry and your family. Your sister in CHRIST OUR LORD.” (Donna from Illinois)

Video: The Rapture “Just been going thru the Rapture teaching and using this to witness to a Van Kampen supporter. So far i have enjoyed the teaching very much & am sharing with fellow believers everything I am learning. Thanks again Billy.” (Don from Canada)

Video: Various Videos “Hey Pastor Billy, I've been following all of your teachings on the JW's and the Satanic War. Very powerful, thank you. I wanted to mentioned something that happened last Saturday night. I got hired to do a gospel jazz thing at a United Church with some Christian musicians I've worked with over the years. After the sermon the pastor introduced this guy who lead the congregation in a meditation, with soft music and speaking affirmations. As soon as he started I felt an oppressive force and I just closed my eyes and prayed for the whole time. I told the singer who hired me that I would not be coming back and what they did wrong. I thought of your teachings on how hinduism was

creeping in to the church. The singer, keyboard player and I went for coffee afterwards and I talked about the heresy of what took place. I mentioned your study on World Religions. I pray they will have their eyes opened. Just had to share with you. It's scary the amount of garbage polluting the church.” (Ryan from Canada)

Video: The Final Countdown “Just finishing The Final Countdown video series one disc to go. Very informative and most enjoyable. Thanks for publishing the series. Your witness is quite inspiring! God Bless.” (Raymond from Kansas)

Video: World Religions “I have been watching your video's on the occult and today saw the final one in the Roman Catholic section. Thank you for your wonderful teachings. Again God Bless you and your ministry!” (Lynette)

Video: World Religions “Hi Pastor Billy! Greetings from Australia! I have enjoyed your "world religions, cults and the occult series" and am grateful for these resources to share with friends and family. Pastor Billy! Thanks.” (Bea from Australia)

Video: Various Videos “Hey Pastor Billy. Hope you're doing well, I absolutely loved your message last Sunday on 9/17! I haven't gotten the chance to watch your study from yesterday, but I will tonight. Anyway, keep up the good work man, thanks so much for doing what you do! Lately, I've had some tough times with my walk, but your studies reel me back in, thanks again!” (Nate)

Video: Various Videos “Hi there Billy, I'm writing from sunny, hot Australia :) Over the last couple of years I've watched and recommended quite a few of your videos, and I more recently purchased your series on Islam (which I haven't finished watching - I had to turn it off when that fella spoke about the toddler shielding her doll's eyes...I have kids that age and it just ripped me up..) Anyhow.. speaking of having kids that age - I have a daughter who is 8, and at school they've begun the indoctrination of evolution, starting with dinosaurs.. One of her teachers told her that crocodiles are the oldest things alive and they were here long before people bla bla bla.. I sat down with her and talked about Behemoth, and Job, but it got me thinking - do you have anything about dinosaurs that is written specifically for children? And if not, is there anything you can recommend? I understand it's not a popular thing to believe we walked (and possibly still do walk) with dinosaurs, but there's no denying the facts - I just thought it would be something really cool to have at a kid's level.. Anyway, thanks for taking the time to read this, I know you're a very busy man! God bless.” (Rory from Australia)

Video: World Religions “Thank you for this series. Since this has started, I have had a Jehovah's Witness come by and also some Mormons! Is there a way I could get a workbook for this series? Blessings.” (Carol)

Video: Various Studies “Pastor Billy I thank God for your ministry and others who are faithful to teaching and warning. These truly are perilous times. God Bless you!! Maranatha!!!” (Evans)

Video: Various Videos “Hello Billy and Church Staff, God bless you, your families and your ministry. Thank you for bringing the Truth to many. I pray for you as you witness such pain in the coming days, because you will endure plenty. Take care.”(Kim)

Video: Various Videos “My husband and I have been following your service on the internet as well as your lessons for 5 years or more. I never could find a church with the straight forward honest teachings the way you give in my own city. We were wondering if you might know of any trustworthy churches in San Antonio, TX. We want the direct truth as you preach and basically in the same manner, but so far we run into false teachings, "don't want to hurt your feelings" preaching, avoid Revelation so not to scare people, "accept everyone" but don't offend them by reading Romans, New Age teachings, and so on. If you don't know of any church in our area and of course I'm sure you probably won't since we are in another State, we will have to just continue to watch online as this seems the road our society is on. Thank you. We are glad you are preaching the Word. We keep you in our prayers.” (Kim from Texas)

Video: The Final Countdown “We started watching these videos in our Church for Wednesday night service and we could not wait, at one a week it would take about a year to go through the study. So we got the set and my wife and I could not stop watching these we would watch two to three a night till we finished the set. I teach Sunday school and have used the things I have learned from the videos to help my class. I have passed them on to my brother and he's watching them now.” (John from Texas)

Video: Where was God in the Las Vegas Shooting “Billy, Hello. I watched your sermon on you Tube last night. It was very encouraging and uplifting. The words of our Father are great and always accomplishes many things. I am thankful to be your brother in Christ. May God continue to bless you and use you in mighty ways.” (Jay)

Video: Radio Interview “Hi Pastor Crone, my name is Jesse and I had contacted you by phone back in July and we spoke on the phone for a few minutes. I just wanted to thank you for the message last night on the Hagmann show. That was insightful and right on time so thank you. I do have a clear perspective that we are in the last days. Anyway I just wanted to share that with you and to thank you for speaking truth. God bless Pastor Crone.” (Jesse)

Video: Various Videos “Hello Billy, my husband and I have recently discovered your series and are about to complete your Catholicism study. We are thirsty for strong Biblical preaching instead of "how to" teaching with little emphasis on the salvation message. Many pastors won't touch Revelation which is heartbreaking! Have you ever thought about pastoring in Florida...specifically in parkland/Coconut Creek/Coral Springs area. There is a HUGE need in this area of Florida for a strong Gospel centered church. Brad and I would join immediately!! Our hearts are longing for a church in which the pastor preaches with urgency! There are so many to reach for Christ so the church needs to preach boldly the truth instead of "feel good" sermons. Brad and I will pray for you and your family's protection because we know full well satan seeks to attack those who serve Christ. If you are ever in the area, Brad and I would love to take you to dinner. Your sister in Christ.” (Elisa from Florida)
