Video: The Seals “Hi! I've been reading your book The Seals and it is probably the best book that I've ever read regarding Revelations. Thank-you!” (Diana)

Video: The Rapture “Just listened to you the Rapure, An investigation into all positions, and FINALLY I get it. You have asked pretty much all the debates going on in my head that I have searched and gone nearly mad with it all. Thank you to Jan Markell radio on You Tube that I heard you on today. Just got into her, Amir Tsarfarti, JD and Jack Hibbs. This is so awesome, no wonder no one knows as my church wont preach in case it divides us, I said perhaps that would be a good thing. just buying you book on Amazon, cant wait to dig in to that and really grasp all of this, I have been on fire but no where to go, now I know. May the Lord bless you.” (Claire from the UK)

Video: Various Videos “Good afternoon Pastor Billy Crone. My name is Peter. I am the pastor of a small church in Belize, Central America. I am a big fan of yours. I have heard you preach at Prophecy conferences and I have watched you being interviewed on You Tube talking about the Rapture and I'm so thankful for men that preach the Truth. The reason I'm writing you is, to ask a question. My cousin from Alberta,Canada sent me some videos, where you teach on the world religions, cults and the occult. We are watching them on Sunday morning, Adult Sunday School class and afterwards we discuss some of the things. The question was asked; "what you meant by "world view" 49% of pastors and 93% of Christians don't have the right world view." Could you explain what you mean. Thank you very much. May God continue to richly bless you. Your Brother in Christ.” (Pastor Peter from Belize Central America)

Video: Various Videos “Last night I sat up in bed reading your chapter in The Seals on the third seal. In the end I had to put the book down and spend sometime praying as I would not have been able to sleep. No wonder you were in tears. Somehow I could cope

with the thoughts of the false peace and even people killing each other but it was how you presented the facts of the famine which has totally devastated me. My husband and I speak to people about Jesus every moment we can but this has certainly but a new edge on the sense of urgency. Thank you for waking me up, I pray that more and more will awaken, this is just too terrifying to contemplate that anybody we know could end up starving to death. But it does not say in the Bible that this will cease before it gets too bad. In fact the Tim LaHaye Jerry Jenkins books on the End Times are like a picnic! I forgot to add we are in our mid-70s and are so grateful to the Lord for leading us to people such as Gary Stearman and Bob Ulrich and now you, may the Lord keep your wife and your children close to Himself and you. I am happily able to testify that at the ages of 44 and 47 our children are walking with the Lord still after giving their little hearts to Jesus at the ages of 4 and 5 respectively. Never once did they backslide but then God certainly did some amazing miracles in our lives during the first years of our walk with Him.” (Julie)

Video: Various Videos “Hello Pastor Billy, I've really learned a lot from your teachings. I know your testimony on how you were saved. I've never had "that moment" that I knew I was saved. I've studied the Bible day after day for hours and hours at a time for about the last 4 years. I've been able to study like this because I drive a truck for a living and I'm able to listen to many bible studies. I'm absolutely sure God placed me here for that reason. I used to be much like you were, in that I didn't really care much for those that called themselves Christian. I know I can trust in His word now. My life has changed for sure, but it's been more like a gradual change in coming to know Him. Thanks.” (Ron)

Video: The Seals “I really enjoyed your talks with Gary Stearman on the Seals. I want to get the DVDs. You are gifted teacher & thank you for spending 6 months on studying the seals. Lots of love and blessings to you and your family and Church members.” (Hailey)

Video: Various Videos “Pastor Billy, I'm so very thankful to have found your invaluable teachings and the joy by which you deliver your messages! Thank you, Billy, and may God bless you abundantly and protect you supernaturally. I listen to Jan Markell, JD Farag, Amir Tsarfati, Gary Stearman, and those whom God sends across my path who teach TRUTH! GOD lovingly led my husband and me out of a baaaad situation with NAR, and set us apart and is teaching us in our senior years what we wish we'd known 40 years ago! Praises to Him for bringing us to where we are now, though out of ministry, can't travel, both disabled, live very meagerly monetarily, and have no church fellowship, no help, neighbors, or family near--but He is nearer than ever! Hallelujah! Blessings abundantly to you, Brandie, Rebecca, and Billy! Thank you for your time, and your most wonderful teachings...” (Susan)

Video: The Witness of Creation “Hello Pastor Billy, I recently purchased the ‘witness of creation’ dvd set and I wanted to ask permission to use it for public viewing in the church I attend. I want to make arrangements with the church and possibly do a little advertising to get people like my(old)self to get in and see this much needed information. I always needed the proof, the evidence, and the facts and once believed just like you did. Well, I found many many pieces of evidence and facts that I needed, many of which you explain.

Your witness of creation series has more than enough evidence I believe, to convince any skeptic to at least start questioning what they believe. I know you have said that you don't copyright any of your materials and encourage people to share them, but I would like to have your permission so that if the Pastor asks me, I can tell him that I have permission to use the videos. You guys are great, please keep up the diligent digging you do there, many of your teachings have been a HUGE help to me and my family. God bless." (Ron)

Video: World Religions "Hi Billy, I just want to say thank you for your presentation on cults - Adventism. If you don't mind, I would like to share your presentation about Adventists with many of whom I know. I am at this moment sending the link to many to post to their social media sites. Your presentation is one of the most detailed and well thought out presentations about this cult coming from the Body of Christ and Christianity today. Maranatha Bro." (Alan )

Video: Various Videos "Recently we ordered the Rapture and The Seal series. I brought up in post-trib teaching but watching these series has gave us peace and clear understanding what the Word of God says about the Rapture. We won't be going through the persecution that I was taught 62 years living on this earth." (Tina)

Video: Various Videos "I'm reading your book on the Seals right now but I'm waiting for the Scientology dvds and the satanic War on the Christian dvds. How much longer for those and what are you working on next. I tried to watch the Lamb & Lion conference but couldn't. I'll get the dvds when available. There must be 3 of you. I don't know how you do everything you do. God Bless you and your team." (John)

Video: Various Videos "Pastor Billy, I'm about to begin leading my church through the "Equipping the Saints" Discipleship material published by Tyndale and I must say that your videos on that material are wonderful!! My question is if you have supplemental notes or a Leader's Guide of sorts that would help my leaders teach through the material. Keep up the good work brother! On another note. Where did you go to seminary. I have a professor at NOBTS who knows a pastor brother there in Vegas and I wasn't sure if it was you or not. Do you know Dr. Dennis Phelps? In His Service." (Pastor Toby)

Video: The Final Countdown "Hello, I've been watching your YouTube videos on the Final Countdown...there is so much information to get and I was wondering if there was a workbook to go along with it? Keep spreading the word!!! So many questions have been answered watching your series and I'm finally feeling more confident about talking to other people about their religions and having a relationship with Jesus Christ. God is using you in amazing ways and I will continue to pray for you and the ministry. Thanks." (Steph from Florida)

Video: Various Videos "Thank you so much sir for all you do. I always learn so much from your videos and your teachings. God bless you and your family." (Matthew)

Video: Various Videos “its good to know your not part of the apostate american church. glad to know you belive in obedience and repentance so we stay connected to the vine thank God for His Mercy! a knuckle head like me sure is greatful for what Jesus did for me....Jesus is the prize!” (Jeff from Michigan)

Thank Jesus for Your bold stand and clear understandable teachings on these subjects! I quit going to the give me all your money churches who want to share the Happy Gospel. Now I go to You Tube Church and listen to You, and many others who tell me the real deal. Thank You so much for Truth! Finally teachings that agree with my Bible! I love it warmest regards.” (Deborah)

Video: Various Videos “Dear Pastor Billy Crone, after seeing Your videos on Prophecy Watchers, I have been moved to witness to everyone I know even if I only have their email address, as is the case with my ex husband. I sent him links to your Tube videos by you and other teachers with the sentiment, choose Life.” (Deborah)

Video: Various Videos “Dear Billy, For the last two years I and my wife have had the privilege of seeing you at Red Lion Faith Chapel in Southampton, New Jersey and am overjoyed that you are coming back next year (provided we are still here of course!). God has blessed you and blessed us and others through you. I thank you for all you do and pray that God protects and watches over you and your family always. I think I have most if not all of your teachings and feel blessed to do so. I am continually amazed at the quality of the materials that you put out and am sure that Jesus is working overtime on your Mansion. God Bless you Billy in all that you do.” (Bill & Camilla from New Jersey)

Video: The Seals “I have finished watching the DVDs The Seals. I feel a great sadness for those who don't know Christ. Thank you for your efforts to let people know what is ahead. God is our only hope. God bless you and your staff for your fine work.” (Julia)

Video: Various Videos “Dear Pastor Crone, how are you? We just learned that you will be coming to Denver in October for "Steeling the Mind" conference. We have been attending those for some years and receive the flyers. We also have been watching videos of your "Get a life ministries" for about 5 years now and they had a deep and lasting impact on our children's worldview formation. We shared the link to them with many people. It would be our great pleasure and honor to meet you in person (and your family, if coming) and take you out for a nice dinner, if your schedule allows. Please let us

know if it is a possibility. Thank you for what you do. God bless! You're welcome! I've been meaning to send an email to tell you how incredible your sermons on Final Countdown Tribulation Rising are. Best I have heard! Thanks so much for your dedication and for providing your teachings at no cost online. You are much appreciated. Thank you!" (Denise from Texas)

Video: Various Videos "Just read an article about New Partner for Thomas the Tank Engine: the United Nations...Fits with what we've been watching in your video series: gender equality and politically correct speech...Thank you for all the research you have done to teach the body of Christ, we will be showing the Final Countdown series for home group this fall." (Michele)

Video: Various Videos "Hello, my friend. A coworker recently recommended your videos on YouTube. I must say that I greatly appreciate your wisdom and insight. I have been seeking answers regarding the Rapture. I was never satisfied with the answers I found until I heard what you had to say. Thank you for all you do and may the Lord continue to bless you! Now I'm going to explore your Get A Life website." (Jim from Tennessee)

Video: The Final Countdown "Good afternoon Pastor Billy. Mike and I are in Brian Head UT and we just finished watching today's sermon. It was incredible! I love how precise our Lord is and how He uses one man who has the courage to follow Him when all others are against him. Ben Gurion and Ben Yehuda were amazing men. Just goes to show you that God +1 = Majority. Mike and I are really interested in getting one of the shekels you talked about with President Trump and King Cyrus. Could you let us know the website you used to purchase it? Thank you so much for staying faithful in teaching God's word. We are truly grateful." (Barb from Nevada)

Video: Various Videos "Pastor - Just wanted to tell you thank you for all you hard work and research. Don and I have just finished watching your series on The Rapture, and The 6 Seals. Wow! We now have a totally different perspective and understanding of the Book of Revelation, and it's so exciting! :) It is pretty clear that you and your team put a lot of work and a lot of hours into your research, and it is so much appreciated. May He totally bless you and your team. So let's keep on looking up, staying prepared, and rejoice in His wonderful gift of salvation and grace. Thank you again, and have a most wonderful day today." (Marion and Don)

Video: Various Videos "Thanks for your continued ministry, brother. Just saw that Hurricane Florence took out a whole lotta chickens..."Florence kills 5,500 pigs and 3.4 million chickens. The numbers are expected to rise," reads The Charlotte Observer.. Anyway, I thought you'd see the humor, though you obviously wouldn't laugh at the destruction/decision of the hurricane. I'm currently listening to Defenders of the Faith. You're brother and fellow warrior in Christ." (Tim)

Video: Various Videos "Hello Billy, I listen to your teachings regularly here in Australia and I am so grateful for the current information and teaching you post. Thank you . I received this article which I thought you may be interested in. There is no teaching here

on any of the subjects you talk about let alone the basics on the rapture..so sad.. I pray the Lord keep you and make His face shine upon you ☐ Blessings.” (Nina from Australia)

Video: World Religions “For 11 years I've headed a Bible Study ministry given at and through the Maricopa County Jail System, where I and 3 other volunteers are involved through our church: Calvario-Phoenix. We conduct four full blown services where we're allowed to show DVD's. Inmates crave information regarding the end times and what the Bible predicts for the last days.” (Jim from Arizona)

Video: The Book of James “I just finished listening to your study on the book of James. God bless you and your ministry. I love your presentations because you are sometimes silly and very corny while getting your point across.” (Diana)

Video: Conference “Hi Pastor Billy, I saw your excellent speech in MN on Saturday. Thank you so much. Can you tell me what movie the final clip in your presentation was from? Thank you.” (Cindy)

Video: just watched Billy Crone's amazing talk at the Understanding Our Times Conference today (9-29-18), and I would like to know the name of the very last video clip he showed in his presentation. It was an extremely dramatic depiction of the calamities that occur after the rapture during the tribulation. It showed amazing special effects depicting the horrifying natural calamities that will come upon the earth when God judges it, and I think it could be a powerful evangelical tool to help those who can't imagine such a time. Please tell me the name of that video and how I can get a copy of it. Thank you very much. God bless you!” (Beth)

Video: Conference “Thank you Pastor Billy Crone for your great talk & presentation at the Jan Markell Conference. Thank you for taking time to talk about the subject afterwards. The A.I. subject is also in the younger children's shows being put out now. So this is the additional realm of things to be watchful of/(of concern for us). Thanks again for your ministry work & pastoring- Much Blessings to you.” (Margie from Wisconsin)

Video: Conference “Hi Billy, my family has enjoyed listening to your sermons ever since we met you at the Winnipeg prophecy conference. I am currently teaching school in Africa but still enjoy downloading your sermons and listening to them. They have been a huge source of encouragement. I was wondering if you are planning on finishing the tribulation rising series that you started recently. I really enjoyed it. I especially enjoyed #2. The video at the end about the coast guard ship made me mad and made me cry. So true. Thanks for all your time and research and faithfully serving the Lord. God Bless.” (Ashley)

Video: World Religions “Thank you for your teachings. I have a question about tongues. I see your point on tongues being other languages. What about when Paul talks about speaking in the tongues of Angels in 1 Corinthians 13 and 14:13-18. It has always confused me. What does Paul mean by praying in the tongues of angels? Is tongues only earthly languages or do some people have the ability to speak in the language of

angels. Please help me understand these passages. Also, I grew up in a charismatic church and was prayed over many times to receive the "gift of speaking in tongues". I always silently prayed "Lord, I only want to do this if it is truly a gift from you." I have never spoke in tongues. I was made to feel that I was either not saved, less of a christian or that I did not have enough faith. I have been a believer for 38 years now and have not been in a charismatic church for over 20 years. After leaving the charismatic church I spent 5 years in a Mennonite church. Complete opposite but still the same in that they preached that for women dressing modest and wearing a head covering (1 Cor. 11) was proof or evidence that one was truly saved, they also preach the sinless perfection "gospel" like the holiness movement. I felt a heavy burden on me under their teachings and sensed it was not from God and did not truly line up with His Word. I was told by the elders that I was not truly saved because I got angry at my children when they didn't obey sometimes. And that my belief was not "real belief". It was so confusing, I left that church feeling like my foundation in God's word had been pulled out from under me and that I could not understand the Bible. They twisted all scriptures and controlled people with fear. Judgment and gossip was very rampant in the Mennonite and Amish communities. It has been 10 years since I left that, it was very abusive and I have struggled to to whether or not I am truly saved. I have been attending Bible teaching churches who go through verse by verse now for the past 10 years. I have listened to Jon Courson for many years and now have found your teachings, JD Farag, Jack Hibbs and Amir Tsafari. All of you have been helping me grow in understanding how to read and understand God's Word. I am and always have truly believed that Jesus' blood, death and resurrection is my salvation. Thank you for your history on all these religions and cults. If this had been taught to me as a child I probably could have avoided all the painful experiences I had by getting off track and tangled up with false teachings. I am sharing your messages with my kids and teaching them to guard the truth of the gospel and spot false teachings so hopefully they will be more prepared.” (Heather)

Video: Conference “Just watched your presentation at Jan Merckell's 2018 conference. Just want to tell you that your presentation was one of the Best I've seen on the coming Rapture and Tribulation! Well done, I'll share with as many as I can! Waiting for His return!” (Lippert)

Video: The satanic War on the Christian “Pastor Billy, I am in an online mission organization, and am part of a team which creates/finds Bible studies which we can send to our Seekers from across the world. Your study on the Armor from Ephesians 6 is especially one I would be very interested in talking about with you - to see if you would allow us to use your material as such a Bible study. You can check out our ministry at [GlobalMediaOutreach.com](http://GlobalMediaOutreach.com). Thank you for what you do in preaching the truth about the Rapture and about what we see happening around us everywhere today. You are one of far too few pastors I and my family know we can trust. Thank you, and God bless you abundantly and exceedingly above all we can imagine!” (Ruth)
